Adolphus Bardawulf went mad with rage as he came charging at

Lincoln, but Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into Adolphus Bardawulf's chest, and he began absorbing him into his body and he assimilated his Alpha Werewolf powers and abilities, Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Adolphus Bardawulf and Lincoln let out a loud and massive howl of dominance and power as the moon shined down even more and his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings spread out. We cheered as we holstered our weapons and powered down and we went back home to The World Tree Estate.

Me: Man, that had to be the largest amount of werewolves you absorbed, Lincoln!

Nico: Without a doubt! You were on one wild feeding frenzy when you absorbed them!

Lincoln: I know. I was strong before when I became an Alpha Vampire-Werewolf Hybrid, but due to me absorbing werewolves and feeding on the blood of evil mythical beasts in the past eight years, I'm now even more stronger than any werewolf, vampire, and any other mythical beast combined.

Luna: You always sent Lori, Lynn, Lola, Lisa, and Luan running to the basement in fear, and if we see the dark sides of Lori, Lola, Lisa, and Luan, you better be ready to rip them to shreds.

Lincoln: You bet I will. (To Selina Wolf Moon) And it's so good to see you again, Selina.

Selina Wolf Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Selina Wolf Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Selina Wolf Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Selina Wolf Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Selina Wolf Moon and hugged her, and Selina Wolf Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selina Wolf Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Selina Wolf Moon, Werewolf Angel of The Wolf Moon, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Wolf Moon or The Ice Moon. Selina is a powerful master of the powers of blue wolf fire, darkness, ice, The Wolf Moon, and the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Selina is the leader of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lori. Selina trained Lincoln in mastering the powers of blue wolf fire, darkness, ice, The Wolf Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion and she wants nothing more than to tear her to shreds underneath The Wolf Moon.

Me: Can you show us a flashback on how you turned Selina into a werewolf, Lincoln.

Suddenly, the four orbiting large gold rings fired four beams of light that formed into a viewing window and we saw a flashback: Lincoln and Selina Wolf Moon were at Gus' Games and Grub having a great and awesome time.

Past Selina Wolf Moon: I always love coming here to Gus' Games and Grub!

Past Lincoln: Same here, and Gus had some new games installed here.

?: TWERP!

Past Selina Wolf Moon: Oh Hell no, was that Lori?!

Past Lincoln: Afraid it is, Selina, I'd recognize the shrill voice of that banshee from anywhere.

Suddenly, the doors were destroyed and there stood Lori, and she was out for blood.

Past Lori: DIE!

Lori went at Lincoln and tried to attack him with a knife, but Selina Wolf Moon grabbed her arm!

Past Selina Wolf Moon: GET THE HELL AWAY FROM YOUR LITTLE BROTHER, YOU BITCH!

Then...!

POW!

Selina Wolf Moon punched Lori in the face and sent her flying out of Gus' Games and Grub and she went at Lori and they got into a massive fight cloud and the direction they were heading for is right near Lake Huron and Lincoln followed the fight cloud, and it wasn't stopping anytime soon. But, then!

Past Lori: DIE, YOU STUPID BITCH!

Lori kicked Selina Wolf Moon hard in the stomach and out of the fight cloud, but then, Lori pounced on her and started beating the shit out of Selina Wolf Moon and she was laughing crazily: SHE WAS OUT TO KILL! But, big mistake for you, bitch!

Past Lincoln: LORI!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and eight-pack abs were covered in tan fur, his deep sapphire blue eyes remain the same but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his fingernails grew into claws, his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his white hair grew to the length of his neck and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Past Lincoln: (Beastly Voice) GET THE HECK AWAY FROM MY GUARDIAN ANGEL, LORI!

Lincoln charged and punched Lori hard in the face and he started beating the shit out of her like a wild beast, and when he was done, Lori's hair was a mess and she was covered in bruises and Lincoln's shirt had claw marks from her. Then, he used one of his eleven massive and long brown wolf tails and tied it around Lori's waist and he flung her back to The Loud House.

Then, he turned to Selina Wolf Moon, and she was badly beaten to an inch of her life, and he went down on top of her.

Past Lincoln: (Beastly Voice) Lori, this time, you have gone too far. Sorry, Selina, but I'm not going to lose another Guardian Angel!

Suddenly, Lincoln leaned his head down to her right trapezius and he bared his fangs and bit her in the right trapezius, and his fangs injected her with his excessively potent lycanthropy and vampirism which spread throughout her body. That of course shocked Selina Wolf Moon awake as Lincoln slowly retracted his fangs.

Past Lincoln: Selina, you're okay! How do you feel?

Past Selina Wolf Moon: (Groans) I...I don't feel so good.

Suddenly, Selina Wolf Moon started getting muscle spasms as she let out a growl and her entire body was covered in thick brown fur and her breasts and stomach were covered in tan fur, her blue eyes remain the same but the pupils turned into slits, she grew fangs and her rows of straight teeth turned into wolf's teeth, and her nose turned to a wolf's nose and she grew a wolf snout and tan-colored muzzle, her fingernails grew into claws, her massive black angel wings remained the same, she grew a long brown wolf tail and brown wolf ears on top of her head, her dark blue hair grew to the length of her neck and became wilder, and she let out a loud howl.

Past Selina Wolf Moon: (Beastly Voice) Ooh, now I felt like I got run over by a truck. What happened to me?

Suddenly, Selina Wolf Moon saw what happened to her through the lake's reflection.

Past Lincoln: (Beastly Voice) I'm so sorry, Selina. But, Lori was going to kill you if I didn't get her off of you and I had to do this to save you or...!

Suddenly, Selina Wolf Moon hugged Lincoln, and Lincoln hugged her back as she soothed him.

Past Selina Wolf Moon: (Beastly Voice) It's okay, Lincoln. But, thank you for what you did.

But, then, all of a sudden, Selina Wolf Moon wrapped her legs around Lincoln's waist and placed her hands on Lincoln's massive pecs, but that caught Lincoln's attention and he then leaned his head down to her face and they kissed deeply, intensely, and passionately. They intensely made out for an hour, and then, they separated, but their eyes were glowing as lust took hold of their actions. But, before anything else could happen, Lincoln cut the viewing window short as it vanished.

Poliwag: Hey, what's the idea?!

Lincoln: It's best that I don't show what happens next.

Brittney: Right, and this was the first time you turned one of your Guardian Angels into a werewolf-vampire hybrid like you, but I knew there were two ways someone can wind up getting turned into that: getting bitten or having sex, and in this case, you did both, and I'm sure you did the same with the other eleven girls, right?

Brittney was about to form a ball of darkness to hit Lincoln with, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: But, you did what you had to do to save her, or she would've wound up dead, and Lori would wind up disowned, kicked out of the house, and sent to prison.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Selina.

Lincoln with his massive muscular arms still wrapped around Selina Wolf Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Selina Wolf Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Selina Wolf Moon with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Selina Wolf Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selina Wolf Moon.

Selina Wolf Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Selina Wolf Moon's waist, and he leaned down to her face and kissed her on the lips, and with Selina Wolf Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Selina Wolf Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing

out blood, and her heart was pounding like a loud drum.

Selina Wolf Moon: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks, snout, and muzzle. The eight girls are Arisa Kisshouji, Koharu Fukunaga, Rio Kamiizumi, and Yuriko Kuga from Kyonyuu Reijou MC Gakuen, Ephildis Agraliel, Narrus Linhen, and Dinelynd from Kyonyuu Elf Oyako Saimin "Hai... Ningen-sama no Ochi*po o Oyako de Shabusarete Itadakimasu...", and Diabel Rothstein from Meltys Quest.

Lincoln: Oh whoa, it's Arisa Kisshouji, Koharu Fukunaga, Rio Kamiizumi, and Yuriko Kuga from Kyonyuu Reijou MC Gakuen, Ephildis Agraliel, Narrus Linhen, and Dinelynd from Kyonyuu Elf Oyako Saimin "Hai... Ningen-sama no Ochi*po o Oyako de Shabusarete Itadakimasu...", and Diabel Rothstein from Meltys Quest.

Nicole: So, those were the girls that caused Red and Travis to issue that order, and I can see why, these girls are really voluptuous and sexy.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Arisa Kisshouji: Yes, we're okay, thanks to you.

Then, when Arisa Kisshouji and the other seven girls saw who it was that saved them from Adolphus Bardawulf and his massive armies of werewolves, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, planets orbiting around his waist and medium sized colored planets orbiting around his wrists and ankles and immense rainbow protective aura with elements swirling around him.

Arisa Kisshouji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Arisa Kisshouji: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arisa Kisshouji, Koharu Fukunaga, Rio Kamiizumi, Yuriko Kuga, Ephildis Agraliel, Narrus Linhen, Dinelynd, and Diabel Rothstein with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone what happened.

Maria: What in the?! So, the villain you went after was that aggressive ruthless bloodthirsty savage 5,000-year-old Mesopotamian warrior turned werewolf, Adolphus Bardawulf. Morgana went too far when she brought him back.

Lincoln: That's for sure.

Nico: And you wouldn't believe the armies of werewolves he'd gathered.

When Nico told everyone the number, they were flabbergasted.

William: You've got to be kidding me!

May: We're not, and Lincoln absorbed all of them and Adolphus Bardawulf.

Suddenly, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up extremely as we'd felt the energy of the massive armies of werewolves and Adolphus Bardawulf being sucked out of their souls and went into Lincoln as he gained an astronomically massive power boost and he sent their souls to The Black Abyss.

Lincoln: Whoa! Okay, looks like you're gonna have to deal with me being even more energized for a really long while, guys.

Me: With that much energy, strength, and power you've gained from absorbing Adolphus Bardawulf and all those werewolves you absorbed, you're probably wanting to go a few rounds in The Simulator against the meanest, strongest, and nastiest bad guys in there.

Eli: Or we could send him after the local thugs at the biker bar.

We thought about it, then...!

Me and Nico: No way!

Luna: That'd lead to a nasty bloodbath, dude. Settle it with going some rounds in The Simulator.

Lincoln: Good idea.

Caleb Maxwell: We don't want to get a call to the biker bar of a bloodbath. I've already seen enough of that at The Hallowshade Bar back in 1985.

Me: That day still haunts you?

Cage Blunt: I can't blame Caleb, what he saw was basically a scene straight out of a horror movie and a descent into Hell combined.

Travis Tackett: Nah, if it were a descent into Hell, it'd be filled with demons and devils.

Roxy Drake: But, you two were the demons: two vampires drunk on Demon Blood.

Allie Maxwell: And I couldn't forget about the madness you put my brother through. (CRACKS KNUCKLES) So, if I were you two, you better get your hairy butts in high gear and start running 'cause I'm gonna kick your butts so hard, you won't be sitting down for a month!

But, before Allie Maxwell could get after them, Panther wrapped his left arm around Allie's neck and put his right arm around her nose, and she got knocked out.

Eli: What did you knock her out with? A secret ninja technique?

Panther: That, and I also had some cologne on.

Caleb Maxwell: (SLAPS FOREHEAD) Panther, one helping of that cologne of yours gets Carla crawling to you, but more than enough of it knocks someone out.

Caleb Maxwell dragged his sister to her room.

Caleb Maxwell: And thanks to that, you put my sister out of commission.

Nico: No worries about it, Caleb, we don't have a main mission for today since today's the April 12th Anniversary.

Lincoln: He's right. But, you better wake her up or she'll miss what we got planned today.

After Lincoln and all of us took down Adolphus Bardawulf and his massive armies of werewolves and Lincoln absorbed all of them and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Selina Wolf Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Selina Wolf Moon: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Selina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Selina Wolf Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Selina Wolf Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Lincoln got into The Simulator, and he activated it and he found himself in Royal Woods and we were watching it on the big screen.

Nico: Uh oh, I can guess what he's gonna be doing in there.

Me: Yep.

Luna: This is gonna be awesome to see Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Flip, Hawk, Hank, Scoots, Dark Chandler, Killjoy Huggins, and The Stankcos get a nasty dose of payback and retribution.

Lincoln: Okay, now where to find...?

DISTANT SCREAM!

Lincoln: Aha! Time to get a move on!

Lincoln flew out into the air, and he spotted his Simulator counterpart along with the Simulator counterparts of Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, Lisa, Lily, Rita, Lynn Sr., and the Simulator counterparts of his friends, and they're being attacked by Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Flip, Hawk, Hank, Scoots, Dark Chandler, Killjoy Huggins, and The Stankcos.

Dark Lori: DIE, TWERP, DIE!

Lincoln: OH, SHUT IT ALREADY, YOU CONTROL FREAK HAG!

Lincoln fired waves of elements at Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Flip, Hawk, Hank, Scoots, Dark Chandler, Killjoy Huggins, and The Stankcos, and they got seriously electrocuted. Then, he landed in front of them and he put up a barrier to protect his Simulator counterpart along with the Simulator counterparts of Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, Lisa, Lily, Rita, Lynn Sr., and the Simulator counterparts of his friends.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and went after Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Flip, Hawk, Hank, Scoots, Dark Chandler, Killjoy Huggins, and The Stankcos, and he proceeded to brutally smash them all into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and he fired extremely powerful blasts of white and golden yellow wolf fire, light, golden moonlight, and ice, along with rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Flip, Hawk, Hank, Scoots, Dark Chandler, Killjoy Huggins, and The Stankcos, and they exploded with such incredible power as they hit them, and it was brutal to the extreme!

Me and Nico: WHOA! INCREDIBLE!

Eli: UNREAL!

Qin: Damn!

May: Oh man! He's tearing them apart!

Then, Lincoln swung his massive greatsword and he fired blades of

Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions which hit and pierced Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Flip, Scoots, Dark Chandler, and Killjoy Huggins in their black hearts and they exploded with incredible power and died and they were sent to The Black Abyss.

Then, Lincoln fired blasts of red energy at Hawk, Hank, Stan, and Steak Stankco, and they turned into 9'11" massive hulking brutes with abnormally massive upper and lower body muscles and eight-pack abs and gained massive levels of physical upper and lower body superhuman strength, massive levels of virility, and massive levels of testosterone, and they were even more larger in muscle mass than ever as their shirts were shredded and their pants turned into shorts. But, then, barbell tattoos appeared on their backs and they started glowing red.

Suddenly, Stan and Steak Stankco and Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet, and then, out of nowhere, Lincoln morphed the tips of his eleven massive and long brown wolf tails into Cell's stingers and he stabbed them into the massive pecs of Stan and Steak Stankco and Hawk and Hank, and he began absorbing their massive levels of physical upper and lower body superhuman strength, massive levels of virility, and massive levels of testosterone and they were groaning in pain as they began shrinking in muscle mass and height, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and eleven larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of the meatheads except for their tattered pants and he sent their souls to The Black Abyss after he drained them of energy, and he also destroyed the Simulator versions of Sue, Morag, and Fifi along with The Millers after exposing their misdeeds and sent them to The Black Abyss as well. Then, he got his Simulator counterpart along with the Simulator counterparts of Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, Lisa, Lily, Rita, Lynn Sr., and the Simulator counterparts of his friends back to their homes and they were thankful and grateful to Lincoln for what he did as he'd exited The Simulator and continued working out with us in the gym.

Nico: Oh man, you really caused a lot of mayhem on those jerks, Lincoln!

Me: That's for sure. You really let them have it.

Anna Anyanova: This was the first time you did this on your own though, Lincoln.

Nicholette Torrington: You really let them have it big time.

Lincoln: I'm also getting ready though, there's a chance Sebastian has resurrected the Universe 666 versions of Lori, Lynn, Lola, Lisa, Luan, and Timmy since they were also involved in the conspiracy to kill Universe 666 J.D. and Universe 666 Varie.

Universe 666 Me: You're right about that, Lincoln.

Universe 666 Varie: The second they return, you best be ready to destroy them.

Timmy Turner: Especially that Universe 666 version of me, he's still bound to be that musclebound huge behemoth after absorbing all the power and magic of the Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie counterpart.

Lincoln: I'll be ready for him, and Sebastian's only getting started with his twisted schemes.

Selena Mendez: We'll be keeping an eye on him when he and The Order of The Dark Universe finally make their move, but in the meantime, he'll be kept occupied in Transylvania.

We got a shower, and then, Lincoln, Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica are heading to Gelato Beach.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all. But, while they are going on their date, the rest of Lincoln's harem are going to prepare a feast for Team Loud Phoenix Storm and The Masters of Evil for the April 12th Anniversary.

Elastica: Wow, we're here in Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Elastica, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Elastica: (Swooning) What a handsome and manly wolf hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica and hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Manda Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica are now in your harem, Linky.

Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica showed the marks Lincoln made on the right sides of their necks.

Sam Manson: That was a good idea we had fixing Lincoln up with Universe 666 Lydia, Universe 666 Femalien, Universe 666 Terminatra, Universe 666 Nightmerica, and Elastica, I don't trust the prime universe counterparts of Lydia, Femalien, Terminatra, and Nightmerica.

Jenna: You girls had no trouble at all.

Elastica: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have a main mission for today since it's The April 12th Anniversary, but I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Solange Blanchefleur de Lux's old enemy, Distille, she's come back from the dead wanting revenge. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Solange Blanchefleur de Lux's old enemy, Distille, she's come back from the dead wanting revenge.

Solange Blanchefleur de Lux: It's been years since we'd gotten rid of

her.

Lincoln: And here's the bad news: Sebastian brought her back from the dead and he sent her out to destroy us.

Selena Mendez: That bastard. I'll cast a spell to cut him and The Order of The Dark Universe off from any contact with the villains Morgana's brought back whom they'd put under their control.

Selena Mendez casted her spell and she cut her brother and The Order of The Dark Universe off from any contact with the villains Morgana's brought back whom they'd put under their control.

Me: That was a close one.

Suddenly, we heard Sebastian's demonic roar of anger from here.

Nico: And we just pissed your brother off big time.

Lincoln: Let him get pissed off as many times as he wants, Nico. In the end, he's going to meet his doom. Let's go, it's time we put an end to Distille's mayhem once and for all.

Solange Blanchefleur de Lux: Yes, she must die here and now, and this time, she will never come back to hurt anyone again.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to Gotham Royal York Park to help Solange Blanchefleur de Lux destroy Distille once and for all and send her straight to The Black Abyss once and for all.

Alright, here's the match-up scene: Solange Blanchefleur de Lux and Lincoln VS. Distille

We arrived at Gotham Royal York Park to deal with Distille.

Nico: We've arrived at Gotham Royal York. Now, where's Distille?

Lincoln: She's here, Nico. I can smell blood in the air along with her black magic.

?: LINCOLN LOUD, SOLANGE BLANCHEFLEUR DE LUX, I WILL

HAVE MY REVENGE ON YOU!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and the magic blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Distille.

A figure appeared, it was Distille.

Lincoln: I knew you'd show up here once more since you're among those resurrected by Morgana Midnight Sparkle, but you really don't know when to give up, do you, Distille.

Distille: I will destroy you for what you did to me! All of you will pay for what you did!

Solange Blanchefleur de Lux: No, it's time we end this once and for all, Distille.

Lincoln, Solange Blanchefleur de Lux, Nico, and I went after Distille, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Distille, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Solange Blanchefleur de Lux did the same by firing red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Arabella Anndrasden, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Distille even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Distille, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Distille's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln flew at and grabbed Distille by the neck with his left hand and he began draining Distille of her life energy and he also absorbed and assimilated her magic and strength and made her powers his, and when Lincoln was done, Distille was drained of her immense power, strength, and life energy and left as a brittle husk that crumpled to dust and Lincoln sent her to The Black Abyss.

We cheered wildly as we holstered our weapons and powered down and Solange Blanchefleur de Lux's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large red and gold planets orbiting around her legs, thirty-five smaller red and gold planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and gold planets orbiting around her wrists and ankles, and massive golden blonde angel wings and twenty-one sets of large golden blonde angel wings underneath her massive golden blonde angel wings are permanent.

Solange Blanchefleur de Lux: It's over for you, Distille, now rot in The Black Abyss forever. Thanks for helping me get rid of that monster, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Solange.

Me and Nico: Our pleasure, Solange.

Suddenly, Solange Blanchefleur de Lux wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Solange Blanchefleur de Lux's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Solange Blanchefleur de Lux sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did siphoning Distille's energy, magic, and strength and making all of her powers yours, Lincoln.

Lincoln: That monster paid the price for her desire for destruction.

Me: That's for sure, and she paid the price for her hunger for destruction. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon turn purple and the symbol of The Storm Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Storm Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Helena Storm Moon, Werewolf Angel of The Storm Moon of February.

Me: The Werewolf Angel of February's Storm Moon, awesome!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Helena Storm Moon, Werewolf Angel of The Storm

Moon of February, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Storm Moon of February. Helena is a powerful master of the powers of blue wolf fire, lightning, The Storm Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Helena Storm Moon is the 2nd-In-Command of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Helena trained Lincoln in mastering the powers of blue wolf fire, lightning, The Storm Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to electrocute her underneath The Storm Moon.

Nico: And I can guess you did the same thing to Helena, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lynn getting drenched with raw sewage.

Nico: Gross.

Eli: Disgusting.

We arrived.

Asahi: Hey guys!

Pipp: Guys, meet Kadma, Shoichi, and Snake

Kadma: Pleasure. I'm Kadma, Guardian of Earth for Candrakar.

Shoichi: I'm Shoichi Tsugami, LEader of the Agito Riders.

Snake: Hey guys I'm Snake of the Metal Gear Force.

Yusuke: I'm Yusuke Urameshi.

Chemistro: I'm Dr. Curtis Carr, but everyone calls me Chemistro.

Isami: Pleasure to meet you all.

Ymir: I'm Ymir Fritz, I just joined the team.

Camie: And I'm Camie Utsushimi.

Katsumi: Pleasure to meet you girls.

Nico: Ymir joined us recently.

Me: Yep.

Katsumi: Derpy, can you tell us more about yourself?

Derpy: Well I'm a mail girl. I deliver mail.

Nico: She sure does and she crashes into everything because of her condition.

Lincoln: Like we said, she can't help it.

Derpy: But it puts cheese and muffins on the table,

Nico: CHEESE!

Katsumi: Nico really loves cheese doesn't he?

Sunset Shimmer: (LAUGHS) He can't eat enough of it.

Me: Nico has been known to eat more than 20 wheels of cheese and he ate 40 wheels of smoked gouda before.

Nico: He's right on that.

Me: Also Derpy is practically used to it. One time she crashed into me and broke my leg.

Asahi: Really?

Me: Yeah it took me a whole day to heal.

Nico: Yep.

Me: But we still get a good laugh out of it.

Lincoln: We sure do.

Derpy: Yeah we sure do.

Ymir: That is true.

Camie: It sure is.

Me: Also Derpy's favorite food is muffins. She can't eat enough of them. Like how Nico loves eating cheese, she loves muffins just as much.

Nico: Yep.

Sunset Shimmer: It's true and that is awesome.

Nico: So, any baddies of yours active right now?

Katsumi: Well it's one of yours actually.

He pulled up a photo and showed it to me and it was an old foe!

Me: (GASP) Fugaku Uchiha!

Asahi: You know him?

Me: He's Sasuke and Itachi Uchiha's father and one of my old enemies from 150,000 years hence.

Katsumi: What can you tell us about him?

Me: Well he was the leader of the Uchiha Clan.

I went over his history.

During the Third Shinobi World War, shinobi from other nations trembled at the mention of Fugaku's nickname of Wicked Eye Fugaku (兇眼フガク, Kyōgan Fugaku). In the final weeks on the war, Fugaku took his four year old son Itachi to the battlefield to see mountain of corpses, with the purpose to show Itachi the reality of the world he lived in as a shinobi. In the anime, during the war, a dear friend of Fugaku died in battle, allowing him to awaken the Mangekyō Sharingan, a fact he decided to keep hidden from everyone.

In the aftermath of the war, while villagers mourned its dead at the Konoha Cemetery, a clansmen informed Fugaku that there were voices to install him as the Fourth Hokage, as the Third Hokage intended to retire. Fugaku was then questioned by the man on what they should do with Kakashi Hatake possessing their clan's dōjutsu. Understanding that Obito Uchiha fought bravely, he decided to respect the boy's wishes and let Kakashi keep his gift. When Fugaku's wife Mikoto gave birth to their second son, with Hiruzen's blessing, Fugaku proudly named the baby Sasuke after the Third Hokage's father.

With the Nine-Tailed Demon Fox's Attack, the village accused the Uchiha clan of orchestrating the attack as they did not take action against the tailed beast (in the anime, this was because of orders from Danzō Shimura to focus all the Uchiha's efforts solely on protecting the villagers). This, combined with the Uchiha being relocated further away from the village, caused a rift between the village and the Uchiha clan. Despite this, the villagers still admired Fugaku and the Uchiha Clan's efforts of maintaining peace. This did not stop Fugaku from conspiring a coup d'état that would allow the Uchiha clan to take control of the village out of spite. Eventually, Fugaku placed Itachi as a spy in the Anbu to pass information back to the clan. However, Itachi secretly betrayed the Uchiha and became a double agent, leaking information right back to the village. Yashiro Uchiha received information from the masked man, and relayed it to Fugaku to encourage him to towards the coup, as Yashiro himself was unwilling to take responsibility.

Recognising Itachi's prodigious mind and talent, Fugaku began training him regularly, amazed when he mastered the Fire Release: Great Fireball Technique on his first try after witnessing it only once. Seeing such potential in Itachi and being his eldest son, hence the successor of the clan, Fugaku focused most of his attention on him, even defending Itachi when he was suspected of killing Shisui Uchiha. However, the two had a falling out when Itachi lost hope in the clan, leading Fugaku to shift his attention to Sasuke, even teaching him how to use the traditional Fire Release techniques of their clan, and was impressed at how Sasuke was able to master the technique after just one week. Sasuke was finally able to enjoy his father's company, but Fugaku advised him not to follow in Itachi's footsteps.

After another clan meeting about the coup d'état, Fugaku called Itachi to speak with him privately. He revealed that the stone tablet within the Naka Shrine held secrets to a better world for all, but required an evolved Sharingan to read it at all, revealing the truth about his acquisition of Mangekyō Sharingan. Knowing of his son's hesitance for bloodshed and reluctance to attack the village, he expressed his desire for this revolution to end without any deaths, insisting that with Itachi's help they could achieve that. Further proving his point, he revealed that he never told anyone in the clan of his Mangekyō Sharingan in fear they would ask him to use its power to take control of the Nine-Tails to use to attack Konoha. During the Uchiha Clan Downfall, Fugaku quickly realised Itachi was behind this attack and confronted him via a clone, expressing their respective views. Itachi then confronted his parents, but Fugaku and Mikoto did not resist and told Itachi that they were still proud of him and to promise to take care of Sasuke before they let Itachi kill them. Fugaku was later found laying dead on top of his wife's corpse.

When it was done everyone was shocked!

Nico: I remember that!

Eli: Me too!

Asahi: That's horrible!

Me: I know. But it was because of him and the Uchiha Clan's arrogance and lust for power that lead to his downfall as well as his son Sasuke becoming a monster that always calls me a Motherfucking Cur.

Nico: It's true.

Eli: Yeah. He HATES bro with a merciless vengeance.

Asahi: GEEZ!

Yusuke: For some reason, I'm gonna enjoy this!

Me: Yeah! Oh guys we're having a party later today to commemorate the April 12th War from 2021. You're welcome to join us.

Katsumi: We're be delighted to attend.

Isami: I agree there and it will be fun.

Asahi: I agree too.

Me: Awesome!

Eli: Yeah!

Me: Boy Lady Tsunade is gonna have one helluva field day seeing this when we get back after we're done here.

Kadma: Yeah no kidding.

Nico: Yep.

Shoichi: Henshin!

He transformed!

Me: YEAH! Lets get him!

We were off.

We were flying.

Katsumi: It's hard to imagine that Fugaku would do all this just for power.

Me: Yeah no kidding. It was because of his arrogance and unbridled jealousy that lead to his own demise.

Eli: It's true.

Me: Including following a Devil like Madara Uchiha.

Nico: Yep. Where is he?

Me: There!

We landed in the park.

Fugaku Uchiha: Long time no see J.D.

Me: I would say it was nice to see you Fugaku, but I would be lying.

Fugaku Uchiha: You will pay for killing the Uchiha!

Me: They paid for their crimes! Just like you have! Because of one Rogue Uchiha's evil, they all paid for their crimes! Especially for following a devil and a demon named Madara!

Fugaku: YOU MOTHERFUCKING CUR!

Me: HEY! Only your son who you poisoned with your fucking hatred deserves to call me that!

Fugaku: SO WHAT!

Nico: We don't exactly have a rant for you!

Me: But I'll be sure to think of one. Okay then time for the kiddie gloves to come off!

Eli: Yep.

Asahi: This is gonna be awesome!

Nico: WHOA! Not Even the Black Flames of Amaterasu are immune to our fire absorption!

Eli: Incredible!

Ymir: J.D. has the Uchiha beat!

Nico: Yep.

Then Fugaku screamed as his eyes were burning and his eyes were getting blurry!

Fugaku: What's happening to me!? I'm losing my sight!

Me: You haven't been told about the deadly consequence of using the Mangekyo Sharingan. As you use it often it rapidly deteriorates your vision to the point where you become permanently blind!

Nico: WHOA!

Ymir: That is brutal!

Me: Yep.

Kadma got out her Agito Weapon and it was a hammer and she smashed him in the face with it.

Nico: YEAH!

Fugaku growled and got infuriated and roared! And he fired more and more and more blasts of Amaterasu blasts and I absorbed them all over!

Me: You can't keep this up forever Fugaku! It's only a matter of time!

Fugaku: THEN SO BE IT!

HE FIRED MORE AND MORE BLASTS!

Shoichi: Time to go Burning Form!

Shoichi turned into his Burning form

He was ready!

He slashed Fugaku all over!

He fired more and more and more blasts of Amaterasu fire at I absorbed them.

But then his eyes became blank and white and empty!

HE WAS TOTALLY BLIND!

Nico: WHOA!

Fugaku: NO! WHERE ARE YOU!?

Me: I warned you Fugaku!

Ymir: Now it's time for me to get him!

Camie: Same here!

Me: Go get him ladies!

Asahi: Gladly!

They jumped and punched Fugaku and punched and kicked and bashed him in his face and stomach and really let him have it and then they punched him in his stomach and he belched up a huge amount of blood!

Nico: YEAH! Go get him girls!

Shoichi got out his Agito Weapon and slashed him.

Asahi, Ymir and Camie fired a powerful blast of energy and it hit Fugaku and exploded!

MASSIVE FIERY EXPLOSION!

Me: YEAH!

Snake got out his Agito weapon and it was a blaster and he blasted him all over.

Me: Take that!

Nico: When he's permanently blind like this it'll be easier for him to be defeated.

Me: Yep. That is for sure!

Eli: YEAH!

Me: What's wrong Fugaku? Need glasses?

Nico: Oh Katsumi! Here are your Legend Items!

We gave them their legend items.

Katsumi: Thanks! Lets see what they can do.

Katsumi and Isami got bazookas and they fired a blasted Fugaku!

Katsumi: WHOA! Awesome!

But then a Seed Bomb flew in and hit Fugaku and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down by the explosion!

Me: What the!?

Nico: Where did that come from?!

Eli: From there!

We saw a Trevenant!

Me: WHOA! A Trevenant!

Nico: What's that doing here?

Me: I think I know. It's one of Dark Gale's Work.

I used my telepathy and gasped!

Me: Lori Mahogany!? Oh man! She's one of Laney and Layla William's friends.

Nico: WHOA!

Lincoln: Laney told us all about her.

Me: I'll help here. Be right back.

I went to help her.

Me: Lori calm down and lets talk.

All she did was use Shadow Ball and threw a ball of darkness and I ducked and it hit Fugaku and exploded!

MASSIVE FIERY EXPLOSION!

Me: WHOA! Looks like We do this the hard way.

I fired waves of fire and blasted her. Then I snapped my fingers and she reverted back and was a girl with green hair and green eyes and angel wings and had Trevenant in the middle of her forehead and had a haunted tree and scarecrow cutie mark on her arm.

I wrapped her in a blanket.

Lori Mahogany: (GROANS) What hit me?

Me: Long story Lori. You were turned into a Trevenant by Dark Gale.

Lori Mahogany: (GASP) I remember!

FLASHBACK!

She was in a black suit and injected and turned into Trevenant and busted out and blasted Dark Gale and blasted out and ran.

FLASHBACK ENDS

Lori Mahogany: It was awful.

Me: Well lets get you some clothes.

Pipp Petals: Lets do it.

Pipp gave her green tropical clothes and a pumpkin sword.

Pipp: Oh my glitter you look amazing!

Lori Mahogany: I sure do!

Me: We're also in the middle of a battle.

Lori Mahogany: I can see that.

Nico: Can you, Laney, and Layla Willams go with Eden, Ibara, Maria and Horsea to the Krusty Krab later?

Lori Mahogany: I sure can.

Me: Great!

Fugaku: I WILL KILL YOU!

But then...

KRASMASH!

A girl with purple hair and red eyes and black clothes and wings and a tiara with Invincible came.

Me: (GASP) Sophia Invinci!

Nico: Invincible's embodiment!

Sophia Invinci: (GRUNTS) Glad I can help out!

Me: Same here.

Sophia lost control and tried punching Chemistro

He dodged her.

Chemistro punched and kicked her down.

I fired the Antidote Ray and injected her.

Me: There we go.

Yusuke: Take this! SPIRIT GUN!

He fired an energy blast and blasted her all over!

Yusuke got out his Agito Weapon and it was a blaster and blasted her all over.

Lori fired a wave of energy and blasted her all over.

The Antidote took effect and she had her purple eyes back.

Sophia Invinci: (GROANS) What hit me?

Me: Ugly story. Lets finish this.

We fired waves of energy and blasted Fugaku and knocked him out.

We tied him up.

Me: Take that!

Nico: Fugaku Uchiha you have failed this world.

Me: That is for sure. Oh Lori, Dark Gale was destroyed. We defeated them.

Lori Mahogany: Good. Now I can resume finding my mother. She's on an uncharted island to get away from my evil father who is now dead thanks to Capital Punishment.

Me: What did he do?

Lori Mahogany: I don't want to talk about it.

Me: Okay.

Nico: Oh. What's your role on Sonya's team?

Lori Mahogany: I am the nature master of the team and have nature blast our enemies. Outside the team, I am doing what I can to find my mother.

Me: We'll find her

Katsumi: Pipp, ever since I met you, Anita, and Derpy, I've seen you girls as sisters.

Isami: Same here!

Asahi: Me too!

Pipp: Really!? (GASP) OH MY GLITTER! This means we are family!

They hugged them!

Nico: So cute!

Me: Yeah!

I picked up Fugaku.

Me: You guys go ahead back home. I got to do shinobi business here.

Nico: Oh yeah that is important.

I snapped my fingers and got my Shinobi gear on and I went to the Leaf.

Everyone went back home.

Later everyone got back.

Maria: Hey guys! How did it go? And where's J.D.?

Nico: That's what happened on the mission.

Lady Tsunade and Shizune: (From the Surface on Earth) WHAAAAAAAAAAAAAAAAAAATTTTTTTT!?

They told them everything.

Maria: WHAT!? ARE YOU SERIOUS!?

Sasuke: So Father came back!? Oh man!

Itachi: This is a serious matter. Lady Hokage must've been told by J.D. just now.

Lola: Yeah!

Nico: Next time will be Misty Brightdawn and Seashell, Peach Fizz and Glory and Xion's Ambassador missions.

Pipp Petals: All right! Oh my glitter girls you are gonna have fun.

Misty Brightdawn: This is gonna be awesome.

Xion: Yeah!

I was watching TV.

Me: Ooh more terrorist groups busted. Nice.

The phone rang.

Me: Oh. (Answers) Hello?

PHONE GARBLE...

Me: What's that?

PHONE GARBLE...

The camera shows the outside of the estate.

Me: (SCREAMING) SQUIDWARD 2 DID WHAT?!

UH OH! THAT CAN'T BE GOOD!

I RUSHED DOWN TO THE SURFACE AND WENT TO BIKINI BOTTOM!

Me: (ENRAGED) I AM GOING TO RIP THAT MOTHERFUCKER TO PIECES FOR THIS!

Maria, Horsea, Eden, Ibara, Laney, Layla Williams and Lori Mahogany came.

Maria: Let me, Horsea, and the others help too! We were going there anyway! And besides, now I know why Nico wanted me to hold on to the MOE Cannon.

Me: Fair enough!

Eden: What is going on?

Me: SQUIDWARD 2 READ SPONGEBOB'S DIARY AND HUMILIATED HIM! I AM GONNA GRIND THAT MONSTER INTO CHUM FOR THIS!

Laney: THAT IS REALLY LOW!

We ran through Bikini Bottom and left a long trail of fire behind as we ran!

Maria: Time to call in backup! (TURNS DIAL) CLAM FURY 6!

She summoned Kozu Kira, Knight Man EXE, Hummingbird Phantom Hamingard, Freeze Man EXE, Pharaoh Man EXE and Drill Man EXE!

Kozu Kira: WHOA! What's the rush!?

Eden: I've never seen J.D. this mad!

Me: (GROWLS IN FURY AND RAGE) IF THERE IS ONE THING I HATE MORE THAN RAPISTS AND SEBASTIAN MENDEZ IT'S A DIARY READER!

Eden: Oh man!

Kozu Kira: That is despicable! Who would do that!?

Me: Squidward 2!

We ran fast!

At the Krusty Krab, SpongeBob was crying hysterically and Squidward 2 was laughing at SpongeBob and laughing hard and everyone was calling out Squidward 2.

WE BUSTED IN AND THEN DOGPILED ON HIM AND SMASHED AND PULVERIZED AND BEAT HIM TO A PULP!

SMASH WHAM BIFF KROW WHOMP BAM BASH SLAP WHAP BLANG! BOOF BONK BOP WHAM CHOMP BASH SMASH QUACK BIFF WHAM!

WE WERE REALLY SMASHING HIS FACE IN!

Lori Mahogany: Like old times?

Laney: You know it!

Layla Williams: Yeah!

Lori Mahogany, Layla and Laney: PLANTS OF DOOM SHOOTER!

They fired waves of energy and blasted him all over!

Lori Mahogany was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Eden.

Lori Mahogany: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Trevenant and Tangrowth and they transformed and bashed and smashed and blasted Squidward 2!

They reverted back!

Ibara: YEAH! That was awesome!

WE REALLY LET SQUIDWARD 2 HAVE IT!

Horsea glared at Squidward 2... and then hopped out.

Laney: Did Horsea just ditch us?!

Just then, a fighter jet appeared

Me: Nope she got that.

Horsea: EAT MISSILES JERK!

She fired lots of missiles and blasted Squidward 2 all over!

Maria fired waves of energy and blasted him all over.

Maria: Horsea, where did you get the fighter jet?!

Armada Thrust: It's me Maria!

Maria: Thrust!? Wow!

Horsea: I had him help me with this.

Horsea pressed another button and blasted him with machine guns.

Squidward 2 was pumped full of lead!

Maria: Take that!

Squidward 2: THIS IS ALL SPONGEBOB'S FAULT!

Me: NO! This is all YOUR Fault! You always do bad stuff and blame it on SpongeBob! You should have learned to take accountability for everything that is YOUR FAULT! SpongeBob is a nice guy and everyone loves him because he cares about them! YOU DON'T! You lash out at everyone because you hate everyone and everything!

Squidward 2: YOU'RE RIGHT AND THIS WHOLE TOWN CAN GO TO HELL!

Me: I CAN'T BELIEVE YOU!

SpongeBob: You are a jerk Squidward!

Me: I don't know what your problem is Squidward! You really are something else Squidward. You lash out at people and why? Because you hate your job? News flash you dumbass asshole, EVERYONE hates their job. Well, not everyone. I am a superhero and I protect everyone from the goodness of my heart and I'm not complaining. I get bullshit all the time from villains and I put up with it. At least I'm not a sarcastic prick with customers! This whole town hates your guts and it's not because you're some kind of misunderstood artist or genius or they just don't get you. It's because you're mean. Everyone hates you because of that. Look at SpongeBob. He worked in front of a hot grill all day like Lily does and everyone likes them and you know why? Because they are nice. They say Hello to everyone. You don't care about anyone Squidward. You always blame people for everything that's your fault and you hate everything because you don't care about anyone except yourself and you are not a beautiful person at all. You're an ugly, heartless, evil troll!

EVERYONE AGREED WITH ME!

Me: Lets run him out of town!

THE CITIZENS AGREED! THEY THEN GOT TORCHES AND PITCHFORKS AND EVERYONE CHASED SQUIDWARD 2!

THEY CHASED HIM OUT OF TOWN AND SQUIDWARD 2 RAN ALL THE WAY TO THE BIKINI BADLANDS!

Squidward 2 died instantly from dehydration.

Squidward 2's spirit was banished to Davy Jones Locker with the Flying Dutchman forever. He was put in a place where not even Anti-Monitor or anyone evil can reach him. Not even Sebastian.

Maria: Nice job, Horsea!

Horsea: Thanks! And you too Thrust.

Armada Thrust: Aw it was nothing.

Me: That will teach him to read SpongeBob's diary.

Maria: Yep and nice job telling him off.

Me: Thanks Maria.

We came back.

Nico: So what was that all about?

We told him everything.

Nico: Ha! I knew sending Eden and Ibara would pay off!

Me: Along with Lori, Laney and Layla. But yep that was a good one!

Eli: Man what a jerk! Reading SpongeBob's diary like that!

Xenia: Yeah!

Horsea: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Warm Worm next.

Me: Ooh cool!

Qin: Yep.

We later got the party ready.

The party was underway.

Vypra: Boy this is always fun.

Asahi: It sure is. Thanks for inviting us.

Me: Anytime.

Chillyfish: Gi, you should take care of that Oshawott.

Gi: I will and it's awesome.

Me: It sure is.

Ace: So, what was the war about?

Me: Well on April 12th, 2021 we went into battle with 23 of the most dangerous enemies in all of Equestria.

Laney: It was a battle that was gonna tear apart Earth and the Universe.

Lana: The Doomsday 23 as they are called wanted to destroy all of Friendship and the entire universe.

Ace: That's insane!

Nico: That day took place after we met Luffy and the others.

Luffy: That's right.

Nami: It was awesome.

Nico Robin: We all had fun on that day.

Qin: We sure did.

Me: After that we went into war.

Terrence: Me and Tyrone were recruited into the war

Nico: Yep.

Ryo: And me and my friends all helped too.

Me: Yeah.

Dark Spicer: Me and Eddy killed Mane-Iac

Eddy: Yeah she was a Pony version of The Joker.

Lola: That was crazy.

Ace: Whoa that sure is crazy!

Me: The Mane-Iac is the Pony Version of the Joker. Just as fucked up.

Nico: Cinch was fought as well

Indigo Zap: Yeah we were really fed up with the abuse she gave to me and my friends.

Lemon Zest: And all of Crystal Prep.

Lola: Yeah.

Vypra: Technically I don't blame you girls.

Asahi: Wow me neither. She was horrible.

Horsea: Tirek was fought too

Tirek: That's right. I was there too.

Me: This was before we found out more about them.

Sunny Starscout: Long story on that.

Me: Opaline's info was still very limited back then.

Tirek: He's right on that.

Qin: Yep.

Kairi: I fought the Pony of Shadows

Rockhoof: (Scottish Accent) Aye that was a good one.

Star Swirl: It sure was.

Me: That was a battle eons in the making.

Asahi: Wow!

Stygian: (British Medieval Accent) That was a good battle.

Me: Yep. Before the war, I banished the Pony of Shadows to the Dark Dimension after freeing Stygian from it.

Duncan: Evil Cozy Glow was fought too

Cozy Glow: I had a lot of issues before, during and after the 20 Days of Darkness. I was messed up because of my mother dying.

Asahi: Oh no. I'm sorry.

Raven Bishop: Oh Cozy Wozy it's okay.

Poromon: (Snickering)

Me: (Sternly) Poromon?

Poromon: Sorry.

Me: I couldn't bring myself to kill Cozy back then because it went against our code.

Apple Bloom: She was our age back then.

Asahi: That's good. But her evil self yes.

Katsumi: Yeah that's right.

Poromon: The Mean versions of Twilight and her friends were fought too

Eli: They had REALLY NASTY Dispositions.

Amore: It's true. But that was good to deal with them.

Asahi: Wow!

Starlight Glimmer: We fought the evil version of me. That version of me was responsible for starting a future war,

Me: Long story.

Ben: I fought the Evil Dazzlings

Adagio Dazzle: They were what we were like before our redemption.

Aria Blaze: Yeah we were awful.

Sonata Dusk: (Eating Tacos) No kidding there.

Vypra: It's true.

Camie: Yeah.

Asahi: Wow that is intense.

Technus: Me and Cyborg merged against Rabia

Cyborg: We sure did and that was so fun

Skulker: We became Skultech which is always fun too.

Camie: Cool!

Asahi: That is awesome!

Isami: I'll say!

Po Kong: I flattened Daybreaker

Nora: Turned her into a solar pancake.

Qin: Yeah.

We laughed!

Me: That was awesome.

Luna: I put out Demon Shimmer

Sam S.L.: That was so rockin.

Qin: Cool!

Asahi: I was gonna say.

Camie: Yeah.

Me: Cool.

Weather Wizard: Me and Shane showed the Storm King who was boss

Lincoln: That was awesome.

Lightning Dust: It sure was. And we saw the last of him earlier.

Zipp Storm: Good riddance.

Rice: I kicked Midnight Sparkle's ass

Twilight Sparkle: That was cool!

Mina Midnight Sparkle: That must've been so cool.

Me: It was.

Asahi: Awesome!

Flurry Heart: We also kicked Sombra's butt big time.

Poromon: We helped with that. And so did Cheese!

Cheese: I like chocolate milk.

Qin: That was fun!

Xenia: Yeah!

Me: Rabia was fought too.

Swift Foot: That was awesome and fun.

Princess Luna: It sure was and we battled my dark self, Nightmare Moon too.

Lola: We shined the light onto her.

Camie: Cool!

Asahi: Took the words right out of my mouth.

Carmen (grins): Me and Sis did Get Help on Chrysalis!

Maria: (GROANS) I HATE THAT!

Asahi: She really doesn't like that does she?

Me: No but it proved to be a good distraction.

Qin: It sure did.

Horsea: After that, we finished them off!

Me: After they formed into a huge hydra. Also we did that with me forming a massive rainbow spirit bomb.

Camie: Whoa!

Varie: That was awesome.

Asahi: Incredible!

Katsumi: Wow! You guys did amazingly well!

Me: Yep.

Nico: If we can beat them once, we can do it again

Rainbow Dash: We sure can!

Lola: You got that right!

Varie: And it will be fun and awesome.

Lana: I'll say!

We had a great party and it was fun and awesome.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Selina Wolf Moon, but she was in her werewolf form.

Lincoln: Selina Wolf Moon.

Selina Wolf Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Selina Wolf Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Selina Wolf Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Winter Werewolf still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Selina Wolf Moon was in a two-piece dark blue bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Selina Wolf Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Selina Wolf Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Selina Wolf Moon a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Selina Wolf Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Selina Wolf Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Selina Wolf Moon and he hugged her in his abnormally massive and powerful muscular arms, and Selina Wolf Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Selina Wolf Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Selina Wolf Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Selina Wolf Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Lily the Mermaid, and she and Lincoln are going to destroy Jerado from Astal

For Lincoln's rescue tomorrow, Lincoln and his group are heading to New York, and we're going to be meeting with Sam and Max, the dog and rabbit duo of The Freelance Police, and of course, with them, there's no shortage of weird and zany adventures with them. But, for this rescue, we're going after one of Sam and Max's enemies, and the enemy we're going to put the kibosh on are The Uglions from The Adventures of Sam and Max: Freelance Police. But, after that, we've got big trouble tomorrow and in the future: apparently, we got word from The Ginyu Force that Sebastian has made an alliance with The Total Drama Sore Losers and they foolishly made a pact with him as he used The Dark Pact of Apophis on them to kill them and enslave them to do his bidding, and when everyone hears of this, there's gonna be trouble, and we're going to meet Helena Storm Moon, Werewolf Angel of The Storm Moon of February, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Storm Moon of February. Helena is a powerful master of the powers of blue wolf fire, lightning, The Storm Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Helena Storm Moon is the 2nd-In-Command of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Helena trained Lincoln in mastering the powers of blue wolf fire, lightning, The Storm Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to electrocute her underneath The Storm Moon.

Next up is Karma on Heather as it's Gwen's Day to shine.

See you next time.

ULTIMATE KARMATIC JUSTICE ON HEATHER

HEATHER IS GONNA BE MADE THE MOST HATED PARIAH IN ALL OF CANADA

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: his dream took him to Camp Wawanakwa, but as he was flying, he sensed and saw trouble was brewing and he knew that it's Sebastian because of the black and red skies, and he saw the hieroglyph matching Apophis, The Egyptian God of Chaos, in the sky as well. But, then, he saw some familiar figures in the distance, and when he zoomed in, he saw some faces he hoped never to see again: they were none other than The Total Drama Sore Losers: The Satanic Queen Bee Bitch, Heather, The Black-Hearted Vain Devil With The Face of An Angel, Alejandro, The Dirt-Chewing Heartless Asswipe, Scott, The Demonic Evil Heartless Scientist Monster, Evil Scarlett, The Rage-Crazy Bad-Tempered Monstrous Psycho Bitch, Eva, The Loser Ice Skaters, Josee and Jacques, and The Sociopathic Jock, Jo.

It turns out Anti-Monitor brought Heather, Alejandro, Scott, Evil Scarlett, Josee and Jacques, and Eva back from The Black Gates and freed Jo from The Noto Prison, but after placing the Monitor Orbs in their foreheads, Sebastian appeared and snatched them and brought them to New York and they hoped he'd do what they say, but he double-crossed them and used The Dark Pact of Apophis on them and gave them dark powers and when it activates, he forces them to do his bidding. Lincoln woke up from his dream, but so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: We've got big trouble in the morning, and Sebastian really pulled the worst move ever.

Lincoln told his harem of what Sebastian did, and needless to say, Selena was pissed.

Selena Mendez: What the Hell?! I don't believe him!

Melanie Emperyous: Anti-Monitor brought Heather, Alejandro, Scott, Evil Scarlett, Josee and Jacques, and Eva back from The Black Gates, but even after putting Monitor Orbs in the foreheads of those assholes, there's no way those assholes would refuse to listen to him and they'll double cross him.

Michelle Emperyous: But, before anything could happen, Sebastian appeared and snatched them and brought them to New York. They hoped he'd do what they say, but he double-crossed them and he'd used The Dark Pact of Apophis on them and gave them dark powers and when it activates, he'll force them to do his bidding.

Selene Emperyous: Great, now we've got the added problem of The Total Drama Sore Losers to deal with. Ugh!

Lincoln: We'll deal with them one at a time, and I'm hoping that today we deal karmic justice on that Satanic Queen Bee Karen, Heather.

Laney Emperyous: Count all of us in, we've had it up to hear with Heather. But, we got to watch it, once we engage Heather in battle, Sebastian will show up as well to attack us. But, we'll send him flying back to Transylvania!

Lincoln and his harem went back to sleep, but this means we're in for some big trouble. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Suddenly, The Dark Symbol on Crash Bandicoot's True Cosmic

Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Blackout: Ooh, The Dark Symbol's glowing.

Crash Bandicoot: It's time.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Dark Realm to find The Sword of The Dark Skylanders.

Nico: Awesome.

Lincoln: Perfect. Guys, you might want to hold onto your seats for this one. Last night, I had a dream and my dream took took me to Camp Wawanakwa, but as I was flying, I sensed and saw trouble was brewing and I knew that it's Sebastian because of the black and red skies, and I also saw the very hieroglyph of Apophis, The Egyptian God of Chaos, in the sky as well. But, then, I saw some familiar figures in the distance, and when I zoomed in, I saw some faces I'd hoped never to see again: they were none other than The Total Drama Sore Losers: The Satanic Queen Bee Bitch, Heather, The Black-Hearted Vain Devil With The Face of An Angel, Alejandro, The Dirt-Chewing Heartless Asswipe, Scott, The Demonic Evil Heartless Scientist Monster, Evil Scarlett, The Rage-Crazy Bad-Tempered Monstrous Psycho Bitch, Eva, The Loser Ice Skaters, Josee and Jacques, and The Sociopathic Jock, Jo.

WE GASPED IN HORROR!

Melanie Emperyous: Anti-Monitor brought Heather, Alejandro, Scott, Evil Scarlett, Josee and Jacques, and Eva back from The Black Gates and freed Jo from The Noto Prison, but even after placing the Monitor Orbs in their foreheads, there was no way they were ever going to listen to him.

Me: Well, it's like they'd never listen to him at all.

Selena Mendez: But, here's where it really gets horrendous, Sebastian appeared and snatched them and he brought them to New York and they hoped he'd do what they say, but he'd double-crossed them and used The Dark Pact of Apophis on them and gave them dark powers and when it activates, he forces them to do his bidding.

WE GASPED EVEN MORE IN HORROR!

Nico: Great, now things have taken a nasty turn!

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with long black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Camie Elextor, 2nd in Command of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Camie.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Camie Elextor, 2nd in Command of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness, and she's the 2nd-In-Command of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Camie Elextor hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Carly Elextor, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: That's awesome.

Nico: How many of you are there?

Lincoln: There's ten members of The Nightflame Sun, which means tomorrow, we're going to meet Wendy Sauron, The Flower Mage of Darkness.

Laney: She not only uses darkness, but also, flowers as well like Deadly Nightshade and many others, and I've seen her grow Deadly Nightshade flowers that fired blasts of darkness at her targets, and it ends with them dying.

Maria: It's not a quick death, in fact, it's a terrible way to die.

Camie Elextor: That it is, and I'm looking forward to using them on Selena's insane brother, and this time, he's going to die forever.

Selena Mendez: Along with the rest of The Order of The Dark Universe.

Maria: Plus, Lincoln told us the whole situation with The Total Drama Sore Losers, not only did Anti-Monitor bring them back, but Selena's insane brother snatched them and put that Dark Pact of Apophis on them.

Camie Elextor: Astaroth went too far imbuing Sebastian with the power of Apophis, Egyptian God of Chaos, long ago, not realizing just how cruel, twisted, evil, and insane Sebastian truly is, and he paid the price for it with his life.

Lincoln: If he returns, he's not getting a chance to retake his former role as leader, we'll send him to The Black Abyss for this whole nightmare. Now, let's finish breakfast and head out to The Sensei Dark Realm and hunt down not only the next villain we're going after.

Nico: But also, Sergio's thugs.

Gwen woke up to see Mightyena staring at her

Mightyena: Morning Gwen!

Gwen (TD): Morning Mightyena. At least we're not doing challenges this time. (GASP) That means it's my day to shine! YES! Now I can make that jerk girl Heather Pay!

She went and got dressed and went to the table.

Me: Morning Gwen.

I gave her blood sausages and pancakes and eggs.

She was piling on the blood sausages and protein.

Me: You sure are hungry.

Gwen nodded.

We were happy for her.

We then finished our breakfast, and we set out to The Sensei Dark Realm, so Princess Luna can remove The Sword of The Dark Skylanders, and there, we hunt down the next villain there and take him down and send him and Sergio's thugs to The Black Abyss.

Me: Boy I can't see a thing here!

Qin: It's darker than night here!

Laney: It sure is dark!

Brittney: The Dark Sensei Realm is pitch black dark and it's perfect here for the goths.

Camie: I can't see anything at all.

Ymir: Me neither.

I formed a ball of light and used it as a flashlight.

Nico: That's better. But man this is a really dark place.

Qin: It sure is.

Nico: Storm Eagle, I want to thank you, Tie Bomber, and your teams for coming

Storm Eagle: Anytime Nico. This will be fun.

Valon: (Australian Accent) I'm looking forward to this mates. I'm gonna really show you all my stuff.

Me: Yeah this will be awesome Valon!

Nico: Valon, remember when Dartz recruited you?

Valon: I sure do mate and it wasn't my best moment.

Camie: What happened?

Valon: Well lets just say that I wasn't always a nice guy. I was always known for getting into fights all the time.

He told us everything about why he was recruited by Dartz.

Valon is shown as a child who loves getting into fights. He appears to be an orphan, but is looked after by a kind nun who dissaproves of his love of fighting. One day she was in the church with Valon cleaning the wounds he had gotten from a previous fight when a group of thugs entered, telling the nun that their boss has bought the church and that they must leave. Valon is ready to fight and almost throws a punch to defend the nun, but the nun, smiling, grabs his wrist and shakes her head, telling him not to. That night a fire is started at the church. Valon sees this to his horror and spots the thugs from earlier who are laughing about it. (The nun is also suspected to have been in the church at the time of the fire.)

Valon thinks that they are responsible and later he is seen in an alley holding a length of pipe, the bodies of the thugs on the ground around him. It is uncertain whether he killed them or not as they have been briefly seen in later scenes. (This entire sequence is from the Japanese version of the anime and is completely omitted in the dub.)

Valon is taken to prison (or a juvenile detention center) where he gets into more fights with the other prisoners. Eventually he is taken to the warden (or headmaster), who tells Valon that he will let him leave if he defeats all the other prisoners on an island using "The Seal of Orichalcos". (The warden was working for Dartz.) Valon defeats all of his opponents. He is then encountered by Dartz and offered to work for him, and Valon accepts. Valon doesn't know that Dartz was the one who had the church burnt down. He actually tells Dartz that 'be careful, since one day I may end up beating cha', to which Dartz merely smiled. In the dub, Dartz had instead framed Valon for his first crime.

Valon eventually developed feelings for Mai, although she does not appear to return those feelings as strongly as he wished she would. Valon was responsible for interrupting Mai's first Duel with Joey when it appeared she was about to lose, much to Mai's dismay as she claimed to have the Duel under control. And later tried to impress her by showing his dueling strategies against Rebecca Hawkins and Duke Devlin, which although it impressed Mai, she still rejected working with him. Partly out of jealousy and partly to help Mai let go of her past and also to protect her from losing her soul, Valon Duels Joey Wheeler, whom Mai thought fondly of. In their Duel, each gains immense respect for one another, each seeing the other's devotion to protecting Mai and his refusal to be intimidated. While Mai arrives, she is initially angry at Valon for taking this Duel, he refuses to let her take his place in the Duel. In the final clash his drive to win is matched by the joy at facing a great opponent like Joey. However, his focus wavers when Mai (knocked off her feet by the explosion from the attacks colliding) looks at the grappling opponents, and calls out Joey's name.

Once he loses, he admits it, drops to one knee in exhaustion and remains conscious just long enough to entrust Joey with rescuing Mai from her own fears. He then collapses and the Seal takes his soul. His image appears on a tablet in Dartz's temple to signify his capture and the image shows him in the same kneeling state with a solemn expression on his face. (It is noteworthy that, for all his combativeness and defiance in the past, he and Joey are the only two characters whose soul-carvings do not depict them panicking at their imprisonment.) Mai goes to him and shows great concern for him, but due to the Orichalcos' influence quickly deems him as having been weak. This act is the final straw for Joey and he challenges her to a rematch to dispel the changes to her heart. Valon's soulless body, along with Mai's, is rescued by a redeemed Rafael and they are both restored when Dartz is defeated, where Valon briefly encounters Mai's soul and see her former friends who freed them before returning to their bodies. He wakes up in a seaside house and realizes that Mai was also there when he sees that she left him one of her "Cyber Harpie" cards.

He also makes a brief appearance at the end of the Grand Championship arc. He is seen during the montage after Yugi Muto's victory with the Sagrada Família in the background.

He is last seen at the end of the Dawn of the Duel arc on his motorcycle looking up at the sky.

When he was done we were shocked!

Lincoln: Man that is brutal!

Lynn: Dartz framed you for your first crimes? Not cool!

Valon: Yeah it's not a good sight mates. Here.

He gave me a bunch of cards and they were all prisoners he trapped with the Orichalcos.

Me: Whoa I recognize all these assholes. They were numerous criminals I busted and sent to prison over the years.

Nico: Really?

Me: Yeah. I was a really busy guy back then.

Ymir: Wow!

Nico: Amazing. But Valon I'll never forget seeing your armor cards and how you wore them. That was super badass!

Valon: Thanks mate and you're going to see them in action.

Nico: Looking forward to it.

Maria: Which monster is your most powerful one?

Valon: That's hard to say mate. When they are merged with me we are all very powerful.

Maria: Fair enough.

Heidi: That was still awesome though.

Jared: Heidi did really amazingly well when she battled the Great Leviathan and Dartz and saved the world with the combined power of her and everyone Dartz captured.

Nico: I know. That was awesome and incredible.

Camie: I agree there. That was so awesome.

Ymir: I can tell there. That was amazing.

Nico: Yep.

Laney: Yeah. Yesterday's party was awesome.

Me: It sure was. We had a great time.

Ace: That war really was intense

Me: It sure was. But the battles we had with Team Dark Phoenix Storm and Opaline were more intense. We'll tell you about those later on.

Nico: Yeah. But yeah that was one of the biggest ever battles in our history.

Ace: It sure was. Wow! You guys saved all of Equestria and Friendship from doom.

Lola: We sure did.

Camie: That was epic.

Ymir: Yeah it was. And the statue you guys made for that event was really amazing.

Ace: It sure was. Wow!

Nico: Glad you liked it

Ace: We had a great time and it was fun.

Me: So did the Ultraman R/B team. That was awesome.

Misty Brightdawn: Yeah everyone had fun too.

Me: Yep. So did Ymir.

Poromon: All of us did. We all had a great time.

Me: Yeah. But what infuriates me is how Squidward 2 hurt SpongeBob! (GROWLS) THAT WAS THE FINAL STRAW THAT BROKE THE CAMEL'S BACK!

Fluttershy: Oh my I hope it didn't hurt him?

Me: No Fluttershy it's just an expression. It means that it was the final thing that sealed his fate.

Qin: Yeah.

Me: Reading someone's diary is MASSIVELY LOW!

Horsea: I piloted a fighter jet!

Me: That jet was Armada Thrust and it was cool!

Horsea: Yeah!

Maria: It sure was!

Lily: Squidward 2 REALLY had it coming! That was the first time I've seen the Anti-Diary Reading law in effect.

Nico: Anti-Diary Reading Law?

Lily: It's a law in Bikini Bottom that they have. Reading someone's diary is so low that they made it equal to that of a Capital Offense. When they do so they are INSTANTLY marked as the most hated Pariah there and they are humiliated and marked for execution in prison.

WE GASPED!

Nico: WHOA! That is extreme there.

Me: But I'm not surprised.

Nico: Yeah. And Squidward 2 was run out of town by an angry mob into the Bikini Badlands.

Qin: YIKES! What an inhospitable place.

Xenia: Yep.

Lola: Yeah.

Nico: But it's fitting because it is invasion of privacy.

We continued walking.

Nico: Okay. Let's make sure we have a light. Don't want to walking in the dark.

Me: We got plenty of that.

Mags: You're going to need these too.

She showed us Illumination balls.

Mags: These are my latest invention. Illumination Balls. They light up and explode things at the same time. Perfect for navigating in dark places.

Me: How Explosively Illuminating! (RIMSHOT)

EVERYONE LAUGHED!

Luan: (LAUGHS) Good one J.D.!

Eddy: (LAUGHS) That was a good one!

Me: Thanks!

Ymir: That was funny. But I get it.

Poromon: How are you liking the team, Ymir?

Ymir: It's awesome Poromon! I love it.

Me: Glad you do Ymir.

Camie: Yeah.

Fu: We will make your abusers pay for their crimes. Just be patient.

Ymir: I know and I will.

Me: Good.

Eddy: Nice one Ed.

Qin: Funny.

Poromon flew on Ymir's head.

Poromon: We're not going to let King Fritz get away with what he did to you.

Ymir: I know. Thanks.

Me: You're welcome.

Poliwag: You're in good hands

Ymir: I appreciate it.

Me: Yep.

Lincoln: Okay, guys, we're in for a brutal battle, we're here in The Sensei Dark Realm in The Skylands, and we're here to get The Sword of The Dark Skylanders for Princess Luna, but here's the villain we're going after: the villain we're going after is none other than Clockwerk, The 12,000-Year-Old Prussian Owl of Hatred and Pure Evil Incarnate, he's returned from the dead once more for revenge on Sly, his entire family line, and all of us as well.

WE GASPED IN HORROR!

Sly Cooper: So, Clockwerk's come back. I knew this day would come, and I know Anti-Monitor was behind this. (Brown Eyes turn Neon Brown) Clockwerk, you've lived for too long, this time, I'm gonna make sure you die once and for all, and you are never coming back.

Connor Cooper: We'll make sure of that once and for all, Sly.

Selena Sly Cooper: That we will, Cousin.

Brittney: This'll be the last time Clockwerk ever comes back to hurt you and your family ever again.

Lincoln: That's right. You, your family, and The Cooper Gang have since become part of our family since we first met eight years ago, Sly, and we're not letting that bastard, Clockwerk, live a single second further.

Sly Cooper: Thanks, Lincoln.

Nico: Lincoln's right about what he said, now let's go hunt down Clockwerk and make him pay.

Me: He's got 12,000 years of Ultra Ultimate Justice waiting for him!

Sly Cooper: Along with The Black Abyss.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Ra's from from Neo

Gotham City, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Tell us about it. Now, get The Sword of The Dark Skylanders and hunt down Clockwerk.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Clockwerk) AHA! There you are, you bastard! I found Clockwerk, he's 20 yards away, and he's waiting for us!

Nico: Let's get The Sword of The Dark Skylanders and unleash 12,000 years of payback and justice on that bastard!

We took off into the air to help Princess Luna get The Sword of The Dark Skylanders and take down and destroy Clockwerk and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: The Sword of The Dark Skylanders, it's a black sword with the symbol of The Dark Skylanders embedded in the crossguard and a blade with the night sky and the full moon reflecting on it.

Lincoln: There it is.

We landed, and Princess Luna removed The Sword of The Dark Skylanders from its pedestal, and dark purple light shot out of the sword and it landed, and what stood in its place was a girl with black hair, purple eyes, massive black angel wings, black clothes, she has the Dark Skylander symbol on her forehead, right arm, and black skirt, a Dark Elemental Necklace and a Dark Elemental Sword with the symbol of The Dark Skylanders embedded in the crossguard and a blade with the night sky and the full moon reflecting on it

Lincoln: (GASPS) Luna Nocturne, Avatar of The Dark Skylanders.

Crash Bandicoot: The Night Master of The Avatar of The Skyland Elements and Governor of The Dark, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Luna Nocturne, Avatar of The Dark Skylanders, she's Lincoln's Guardian Angel from The Dark Sensei Realm and she's the Avatar and Embodiment of all the Dark Skylanders and a master of the forces of the Night, Moonlight, Dreams and the Shadows. She's the Night Master of The Avatars of

The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands, and she's also one with darkness and shadows as she is right up there is Skylands most notorious thief, Nightshade, and like The Cooper Clan, she goes after criminals and steals all their loot. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of the forces of the Night, Moonlight, Dreams, and The Shadows, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and she stole from ALL HIS ENEMIES and made them dirt poor and she vowed to do the same thing all over again to many more of his enemies other than the ones that were poisoned by Dark Chase Young.

Me: Wow.

Crash Bandicoot: I've seen her use the powers of the forces of The Night, Moonlight, Dreams, and The Shadows, and The Goths of Darkness were truly impressed by what she can do, and she not only trained Lincoln, but she also trained Lucy as well and her powers grew even stronger as well.

Lincoln: Yep. Watch this.

Lincoln fired blasts of darkness, shadows, moonlight, and dreams right at an incoming group of Dark Spell Punks, and then...!

KRABOOM!

The blasts exploded and The Dark Spell Punks got hit and their power was sucked out of them and went into Lincoln and they vanished.

Nico: (WHISTLES)

Lincoln: And for me being an Alpha Vampire-Werewolf Hybrid, that also came naturally to me as well: I used the night to my advantage whenever I went out hunting for thugs especially when I use night vision.

Lincoln's deep sapphire eyes glowed and he saw us in Night Vision Mode and we saw Lincoln's Night Vision Mode as well.

Me: Ooh, pretty spooky.

Then, we saw wolves and vampire bats gather around him.

Lincoln: Being a True Alpha Vampire-Werewolf Hybrid, I tend to draw bats and wolves in, and they're harmless, and watch this.

Lincoln formed a massive black and purple energy ball with shadows, bats, and creatures of the night around it and he summoned a serial killer he busted long ago. Then, as he threw it, the energy ball exploded as it hit the serial killer, but then, we saw the serial killer's life force being sucked out of his body and it went into Lincoln who grew even stronger. Then, when that was done, the serial killer was left as a dead husk who crumbled to dust and was sent to The Black Abyss.

Maria: That was a Life-Leeching dark energy blast you fired at him, huh?

Lincoln: Yep, with my powers as a vampire, I can form and fire life-leeching dark energy blasts at the targets and I suck the life out of them making me stronger and killing them.

Me: Kind of like an Energy Vampirism attack, right?

Lincoln: You guessed it.

Nico: Impressive.

Lincoln: Now, let's go find Clockwerk and end him forever.

Nico: And when Sergio's thugs show up, we'll be meeting another of

Sly's cousins.

Sly Cooper: That's for sure.

Rocket heard a Pokemon cry

Rocket: Look here!

We saw a Zigzagoon!

Me: A Zigzagoon! Fittng for you Rocket.

Rocket: I agree.

Zigzagoon: It sure is dark here and I like it.

Me: You must be hungry.

Rocket gave her food.

Zigzagoon: Thank you.

Groot: I am Groot.

Zigzagoon: Nice to meet you Groot.

Groot: I am Groot.

Rocket: He said he's glad I got a mascot too.

Me: Groot only says I am Groot but Rocket understands what he says.

Rocket: Yeah it's true.

Zigzagoon: Wow.

She ate the food.

Rocket: Want to come with me?

Zigzagoon: Sure!

Me: Cool!

Star Lord: We got another tiny Guardian of the Galaxy now!

Me: You sure do Peter. That is cool!

Zigzagoon: And I love your song Peter.

Star Lord: Come and Get Your Love? Oh wow!

Me: Yep. It's awesome.

Laney: Hey look!

We saw a Castform!

Me: Cool! Castform!

Nico: How'd that get here?

Me: It must be one of Dark Gale's work.

Heidi Knudson: I think I know this one grandpa.

She used Telepathy and gasped!

Heidi Knudson: That's Melanie Mother Nature! She's the Daughter of Mother Nature herself!

WE GASPED!

Me: WHOA!

Nico: The Daughter of Mother Nature!? How cool!

Heidi: Lets go help her Grandpa!

Me: Right!

Me and Heidi went to face her.

Heidi: Melanie it's me Heidi!

All she did was use Weather Ball and fired a ball of sunlight and we dodged it!

Me: WHOA! This is gonna be tough!

Heidi: I know.

We fired waves of energy and blasted her all over. Then I snapped my fingers and she reverted back and was a girl with blue hair, blue eyes, blue angel wings and had the 4 forms of Castform on her forehead and had a sun with a lightning bolt, hurricane, tornado, snowflake, raindrop and a full moon around it on her arm as her cutie mark. We wrapped her in a blanket and brought her over.

Me: Wow.

Heidi: She has all the powers of nature at her command and is a weather mage.

Me: Wow she would get along great with Weather Wizard and Vortex.

Lola: All the Weather masters.

She woke up.

Melanie Mother Nature: (Groans) What hit me?

Heidi: Long story Melanie.

Melanie Mother Nature: Heidi? Heidi!

She hugged her.

Heidi: Thank goodness you're safe too.

Me: You were turned into a Castform by Dark Gale.

Melanie Mother Nature: (GASP) I remember!

She was in a grey suit and injected and she shrunk and became

CASTFORM! She fired a blast of energy and blasted the place and flew out.

FLASHBACK ENDS

Melanie Mother Nature: It was awful.

Me: Well you'll be happy to know that Dark Gale was destroyed for good.

Melanie Mother Nature: Thank goodness.

Nico: What's your role in Sonya's team?

Melanie Mother Nature: I am the weather mage of the team and use my powers of weather to bring our enemies down.

Nico: Wow! Like Lightning, rain, snow, hurricanes, tornadoes, moonlight and sunlight.

Melanie Mother Nature: Yep. And outside the team I am a meteorologist and monitor of nature.

Nicole: That is awesome.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and she had a weather staff in her hand.

Melanie Mother Nature: Wow I look amazing.

Me: You sure do.

Storm: You and I will get along great.

Melanie Mother Nature: I sure will and all the weather users too.

Me: I agree.

Lilja: (Icelandic Accent) I have food weather powers and it will be fun.

Flint Lockwood: Yeah I made a machine that made food weather and it was cool.

Melanie Mother Nature: I heard all about that from mother. That was amazing.

Camie: It sure was.

Carly Atlas: Yeah no kidding. But Flint didi that because his island home was starving.

Me: Yeah.

Horsea: The Mayor Abused it.

Me: Yeah.

Melanie Mother Nature: Mother told me about that. He sure was a gluttonous fool.

Me: Yep.

Qin: Yeah he had it coming.

Ymir: Yeah.

Me: Lets go after Clockwerk.

We then took off to find and destroy Clockwerk and end The Cooper Clan's curse once and for all and give Sly Cooper and his clan 12,000 years of Ultra Ultimate Justice by sending Clockwerk, the source of all their pain and suffering and Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our target: CLOCKWERK, THE 12,000-YEAR-OLD PURE EVIL INCARNATE PRUSSIAN OWL OF PURE ABSOLUTE HATRED!

Clockwerk: Damn that Sly Cooper and his entire family. Well, once I have that sword in my hands, I will exact my revenge on them!

?: Oh, shut it already, you good-for-nothing excuse for a thief.

Suddenly, the spirits of The Cooper Clan through the ages appeared from nowhere and they attacked LeParadox with unbelievable fury, and then, the spirits converged, and then, a massive tornado of energy erupted with the Cooper Clan Insignia on it and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, Sly Cooper, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Neyla, Contessa, Rajan, and Jean Bison appeared along with us.

Me: Clockwerk. Long time no punch!

Clockwerk: So, you're here, now I can get my revenge on you and all of Team Loud Phoenix Storm at long last, Sly Cooper, and The Cooper Family Line will finally be erased, and I will be the only Master Thief in history!

Sly Cooper: Go to Hell, Clockwerk!

Clockwerk: You Coopers always find a way to beat me.

Ace: How old IS Clockwerk!

Clockwerk: Perfection has no age. Revenge is the prime ingredient in the fountain of youth. I've kept myself alive for thousands of years with a steady diet of jealousy and hate, awaiting the day when I would finally eclipse the Cooper family's thieving reputation.

Me: Anybody that lives on that much hate and jealousy is pure evil incarnate!

Nico: YEAH!

Me: We killed you before and we can kill you again!

Qin: YOUR 12,000 YEAR LONG REIGN OF TERROR COMES TO AN END!

Sly Cooper fired blasts of darkness, fire, lightning, and blue, white, golden yellow, and blue energy, aura energy, stars, and white and blue heavenly flames at Clockwerk and they hit the monster hard sending him crashing into the ground and that angered him as we landed, and the rest of the team appeared.

Me: I should've known you'd be back once again, Clockwerk.

Nico: You really don't even know when to quit, do you?

Clockwerk: I will never rest, not as long as the last of The Cooper Clan is still alive!

Connor Cooper: Are you sure you want to say that, Clockwerk?

Suddenly, Clockwerk saw Connor Cooper and Marie Cooper, but then, he saw Henriette "One-Eye" Cooper, Caveman Cooper, Slytunkhamen Cooper I, Slytunkhamen Cooper II, Salim al-Kupar, Sir Galleth Cooper, Slaigh MacCooper, Rioichi Cooper, "Tennessee Kid" Cooper, Thaddeus Winslow Cooper III, and Otto van Cooper, and when he did, his hatred and anger really spewed out!

Clockwerk: WHAT THE?! Connor and Marie Cooper?! Along with the ancestors of The Cooper Clan, but that's impossible! I killed you!

Marie Cooper: You killed my husband and our ancestors, but not me, I was in an hibernation chamber years ago after Connor got killed.

Connor Cooper: And I was brought back by The Aparoids, same with our ancestors, but Sly saved us.

Sly Cooper: That's right, and you got some nerve coming back from the dead for the third time once again, Clockwerk, and I blame Anti-Monitor for that completely. But, this is where it all ends for you, Clockwerk.

Me: HIT HIM WITH EVERYTHING YOU'VE GOT!

Kouen - Crimson Flames theme plays.

KRABBBOOOOOOOMMMM!

Brittney: Like I said to Clockwerk, Clockwerk and Neyla I will never forgive you for everything you've done over the millennia! It's time for your reign of terror to end forever!

Brittney flew from underneath Clock-La and charged up her punch to an incredible level.

Brittney: This is for the Cooper Family!

She flew to Clock-La's belly.

Brittney: SUPER DRAGON FIST!

She was enveloped in a powerful dragon of pure energy and she plowed right through Clock-La with devastating force! When she emerged from the other side Clock-La exploded and was blown in half. One half landed in the water of the Danube River and the other half landed on the shore.

Clock-La: I hate you, Team Thievius Raccoonus and I FUCKING HATE YOU ALL TEAM LOUD PHOENIX STORM! I will find you in your sleep and I will destroy you! You will never know a moment's peace for the rest of your short, miserable lives! Clock-La will know revenge! I am revenge! I am the Alpha and the Omega! Clock-La!

Our auras flared up to an extreme intensity.

Me: Oh cry me a FUCKING RIVER!

Ymir: WHOA! I feel so powerful! Is that what happens when someone hates you?

Me: Yep.

But then she regenerated and reformed herself!

Me: WHOA!

Nico: I didn't expect this!

Poromon pecked her.

POINK POINK POINK!

Clock-La: OUCH! Little pest

Poromon: But this pest packs a punch! (Echoing) LIGHTNING JAVELIN!

He fired a powerful blast of lightning and electrocuted her!

Me: Our only option is total obliteration!

Nico: Yeah!

Me: You're just a conniving coward Dark Neyla! YOU ARE ALSO NOTHING BUT A COLD-HEARTED BITCH!

I FLEW AT HER AND BLASTED HER ALL OVER WITH INTENSELY POWERFUL ENERGY BLASTS AND THEY HIT HER AND EXPLODED WITH INCREDIBLE POWER AND FORCE!

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

But then...

WHOOSH!

A figure swooped in and swiped all their loot!

Sergio Thug: What the!? Our loot!

?: (Czech Accent) Now it's our loot!

Lincoln: WHOA! Alexandra Vondrousova Cooper!

Alexandra Vondrousova Cooper: Awesome to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Alexandra Vondrousova Cooper, The Shadow Phantom of Prague of The International Clan of The Coopers, she's Lincoln's Guardian Angel from The Czech Republic and she's one thief that's literally one with the shadows and the darkness of one of the most haunted cities in the world, Prague, and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from The Czech Republic and she helped him on lots of dangerous jobs. She's known as The Shadow Phantom of Prague because she is one with the shadows making her completely invisible to everyone and she swoops in unnoticed and unseen as she steals from crooked nobleman, lawmen and more. She is also a powerful master of the forces of darkness. She also has a powerful hypnotic gaze and can reprogram people just by using her eyes. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Alexandra came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of darkness, shadows, and hypnotism, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Alexandra Vondrousova Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WOW! Awesome to meet you and awesome to meet the Czech Republic's member of the International Clan of The Coopers.

Alexandra Vondrousova Cooper: Same here.

Sergio Thug: The boss is gonna be enraged.

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Anubis: (Through Lincoln's body) (Divine Voice) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Sly Cooper snapped his fingers, and as soon as he did, orbs of blue energy with the Cooper Clan insignias appeared surrounding Sergio, and then...!

SLY COOPER SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE

HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Clockwerk, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Sly Cooper attacked Clockwerk with his cane whacking him in the head, and Connor Cooper, Marie Cooper,Henriette "One-Eye" Cooper, Caveman Cooper, Slytunkhamen Cooper, Salim al-Kupar, Sir Galleth Cooper, Slaigh MacCooper, Rioichi Cooper, "Tennessee Kid" Cooper, Thaddeus Winslow Cooper III, and Otto van Cooper also joined in by sprouting grey angel wings and they attacked Clockwerk.

Well, it's time we taught you a lesson you'll carry with you to The Black Abyss.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Fluttershy, Talia Al Ghul, Nora Fries, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Princess Luna, Natalie Nightmare Moon, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this made Clockwerk even angrier than ever.

Clockwerk: You! You will die, Sly Cooper!

Suddenly, Sly Cooper's massive grey angel wings and twenty-one sets of large grey angel wings underneath his massive grey angel wings spread out even more as an intricate halo made of blue light with the Cooper Clan insignias around it appeared above his head along with three sets of blue chains around the blue light halo and formed into a purifying field that hit Clockwerk, and we found ourselves in Paris under a full moon night.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Clockwerk, this is where we end the curse on my family line here and now.

Then, Sly Cooper's massive grey angel wings and twenty-one sets of large grey angel wings underneath his massive grey angel wings fired chains of blue energy that bound Clockwerk.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) For 12,000 years, your murderous jealousy and hatred towards my family line has plagued us throughout the generations, and for 12,000 years, my family's blood is on your talons. Their lives have gone unavenged for far too long!

Then, Sly Cooper charged out and he smashed his blue energy infused left fist into Clockwerk's stomach, and a cluster of blue, white and blue heavenly flames exploded out behind him, then, Sly Cooper formed a very massive glowing rainbow energy blade surrounding the large blue orb on his staff.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your miserable life finally ends here.

Sly Cooper attacked him with two powerful energy slashes from swings of his staff, and then...!

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NOW, DISAPPER FOREVER, CLOCKWERK!

Sly Cooper did one final powerful downward swing that hit Clockwerk hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Sly Cooper landed as Clockwerk was on his last legs and he was really really mangled.

Then, Sly Cooper fired blue energy blasts that formed into the canes of The Cooper Clan from 12,000 years to the present day and they beat and clobbered Clockwerk real hard. Suddenly, we heard the roaring sound of a car engine, and we saw Panther, Carla Claw, Shroud, Hex, Chester, Crowe, Mad Cat Max, and Patch of The Big Claw Gang heading right for Clockwerk.

Suddenly, Caleb Maxwell got on top of Crowe's car, and...!

BANG!

CALEB MAXWELL SHOT THE CAR WITH A NEUTRONIUM BULLET!

Crowe: Caleb, you bastard! Everyone out!

They got out of the car, and Caleb jumped off, and then...!

KRABOOM!

THE CAR HIT CLOCKWERK AND IT EXPLODED CAUSING CLOCKWERK TO EXPLODE INTO A MILLION PIECES!

Then, Sly Cooper walked up to the body of Clockwerk, and he saw The Hate Chip: the core part of the evil Clockwerk, and he picked it up. Then, Sly Cooper crushed The Hate Chip in his left hand, and he and all of us got an astronomically massive power boost.

Suddenly, we saw it: time finally caught up with the ancient Eurasian Owl as the parts of Clockwerk had suddenly started to rust, and finally, turned to dust, and Sly Cooper banished Clockwerk's spirit to The Black Abyss once and for all, thus avenging his family and ending the curse on his line once and for all.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the end for you, Clockwerk, and an end to the curse on my family line.

We cheered as we holstered our weapons and we powered down, and Princess Luna's new body, clothes, weapons, jewelry, Third Eye, longer light blue horn and longer midnight blue tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large black and midnight blue planets orbiting around her legs, twenty-five smaller black and midnight blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and midnight blue planets orbiting around her wrists and ankles, and massive midnight blue angel wings and eleven sets of large midnight blue angel wings underneath her massive midnight blue angel wings are permanent and Natalie Nightmare Moon's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large black and midnight blue planets orbiting around her legs, twenty-five smaller black and midnight blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and midnight blue planets orbiting around her wrists and ankles, and massive midnight blue angel wings and eleven sets of large midnight blue angel wings underneath her massive midnight blue angel wings are permanent.

Sly Cooper: It's finally over..., at long last.

Connor Cooper and Marie Cooper went to Sly Cooper and they hugged him as he hugged them.

Connor Cooper: It is, son. It's finally over.

Nico: Clockwerk had it coming for 12,000 years, and now, it's finally over.

Me: Yep, it's over, now Sly and his family no longer have to worry about the dark shadow of the most evil and monstrous demon ever to live.

Lincoln: You said it. (To Caleb Maxwell) And you realize you're in trouble with totaling Crowe's car with that stunt of yours.

Then, Sally Gamble appeared.

Sally Gamble: (British Accent) This isn't actually anything new, Caleb's done this numerous times in the past.

Nico: And Nick's gotten pretty pissed at Caleb whenever he does that stunt.

Carla Claw: Big time, and he always takes flight and escapes from us when we try to jump him, and that's not fair at all, we didn't have angel wings or powers at that time. (Smirks) But, that's about to change. Panther drank that Succubi drink Sarah made and we saw the results, and we asked Sarah to make more of the same.

Allie Maxwell: Carla Drake, you better not even think about trying to get back at my brother for all of the times he's totaled Nick's car with that stunt of his.

Then, Mad Cat Max, Shroud, Crowe, and Chester got out Sarah Succubi's special protein drink: fruit, water, veggies, and protein powder with muscle growth serums, virility and testosterone booster serums, bull growth hormones, and her special cocktail, Alpha Male Booster.

Caleb Maxwell: You've got to be kidding me!

Hex: Consider it payback for what you did in trashing Nick's car many times over in the past with that stunt of yours.

Captain Whitten: Caleb, I think you better start running.

Suddenly, Panther grew from 9'11" to 10'6" in height and his abnormally massive upper and lower body muscles grew even larger and he still has twelve pack abs. Suddenly, Panther felt a sharp pain on his wider and more muscular back, and then, his massive black angel grew much larger for his new body with a wingspan of 20,880'0" and medium sized black angel wings grew and sprouted out underneath his massive black angel wings with a wingspan of 18,880'0" and small sized black angel wings grew and sprouted out underneath his medium sized black angel wings with a wingspan of 16,880'0" and another pair of black angel wings grew and sprouted out underneath his small sized black angel wings with a wingspan of 14,880'0" and another pair of black angel wings grew and sprouted out underneath the new pair of black angel wings with a wingspan of 12,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 10,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 8,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 6,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of grey angel wings with a wingspan of 4,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 2,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,680'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,480'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,280'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,080'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 680'0" and another pair of black angel wings grew and sprouted out underneath the another pair of grey angel wings with a wingspan of 480'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 280'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 88'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 68'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 48'0" and another pair of black angel wings grew and sprouted out underneath the another pair of grey angel wings with a wingspan of 28'0" and the shoulder blades of his massive black angel wings and twenty-one other sets of large black angel wings underneath his massive black angel wings have eyes with blue irises and his black tail also grew larger and longer.

Panther: Damn, I just went through another growth spurt and got an extra twenty-one sets of large black angel wings under my massive black angel wings. (Smirks) Alright, boys, drink up.

Mad Cat Max: Alright.

Shroud: This is gonna be so awesome!

Chester: You've had this coming, Caleb. You've sent yourself into the lion's den too many times and escaped for too long, now it's time to pay the price.

Crowe: You're gonna pay for trashing my car, Caleb.

Mad Cat Max, Shroud, Chester, and Crowe drank the special drinks.

Mad Cat Max: Not bad.

Lincoln: Oh no, now you're gonna start feeling the effects like I had, Max. Brace yourself.

Suddenly, Mad Cat Max, Shroud, Chester, and Crowe felt their bodies become hotter as white hot heat coursed through their bodies, and then, they started growing exponentially to 10'6" in height and their muscles suddenly started growing even larger than ever as they let out a deep growl and they ripped their shirt off revealing they now have abnormally massive and powerful upper and lower body muscles and twelve pack abs and their new muscles bulged even more and veins formed on their bodies as power surged through them. Suddenly, Mad Cat Max, Shroud, Chester, and Crowe felt a sharp pain on their now wider and more muscular backs, and then, massive colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe, grew and sprouted out with a wingspan of 20,880'0" and twenty-one sets of large colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe grew and sprouted out underneath their massive angel wings with wingspans of 18,880'0", 16,880'0", 14,880'0", 12,880'0", 10,880'0", 8,880'0", 6,880'0", 4,880'0", 2,880'0", 1,880'0", 1,680'0", 1,480'0", 1,280'0", 1,080'0", 880'0", 680'0", 480'0", 280'0", 88'0", 68'0", 48'0", 28'0" and the shoulder blades of their massive colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe and twenty-one other sets of large colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe underneath their massive colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe have eyes with blue irises and their tails also grew larger and longer.

Cage Blunt: Oh crap.

Suddenly, the memories of the past encounters with The Big Claw Gang played through his mind and he felt all of it: the constant pissing off from them as they always got away and that resulted in the anger taking hold and Caleb's blood red eyes became an even more malevolent shade of red.

Then, Claw Dane Drake appeared along with Nekome and Ichiro.

Claw Dane Drake: I should've known you'd do this again, Caleb. So, how many times has it been you trashed Crowe's car with that stunt?

Caleb Maxwell: This is my 5,000th time.

Cage Blunt: Figures. I thought we wouldn't have to see that again.

Jack Howard: Same here. You always had a nasty habit of trashing Crowe's car with that stunt.

James Blunt: And pissing off those hoodlums, which I still remember from the first day we met.

Shroud: Who are you calling hoodlums, old man? Maybe, I should beat you to a pulp.

James Blunt: Try it, and I'll settle what Caleb began in West Virginia when you all showed up on my doorstep when you heard of Caleb's return.

Crowe: Ooh, we're so scared.

Suddenly, James Blunt's red eyes became brighter and his fangs grew longer.

James Blunt: (Smirks) You're about to be scared, and I'm gonna wipe that smug grin off your face.

But, then, Caleb Maxwell fired blasts of darkness at Mad Cat Max, Panther, Shroud, Chester, and Crowe, but they blocked it.

Caleb Maxwell: Stand down now, or I swear you're gonna regret ever crossing me!

They agreed.

Lincoln: As always, we know not to piss you off.

Suddenly, Lincoln pinned Luna Nocturne to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Luna Nocturne's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Luna Nocturne with black gems on the gold lightning bolts and black crystal links and jade beads from her

merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Luna Nocturne: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: Look at all this gold!

Me: WOW! This is the loot of Nightshade!

Nightshade: It's all yours my good friends.

Me: Thanks Nightshade. Wow!

Qin: YEAH!

Me: WOW! That was intense!

Ymir: It sure was! We finally ended the reign of Clockwerk and Dark Neyla.

Lola: I was not expecting Dark Neyla to merge with Clockwerk!

Camie: Me neither!

Nico: Nice job, Zigzagoon!

Zigzagoon: Thanks! That was fun!

Me: It sure was.

Poromon: Want a beer?

Zigzagoon: Oh no thanks. I'm allergic.

Me: Oh boy.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: Wow! That was intense though!

Nico: Storm Eagle, what do you like to do in your free time?

Storm Eagle: Oh I like working as a weather jet robot. Like the Hurricane Hunters but with a massive and more advanced Weather Plane Research Vessel.

Me: WHOA! That is awesome!

Qin: It sure is.

Camie: I'll say!

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way. Oh shit, and one of them is The Keyblade Knight of Xaikora and the other is Another Gwen.

WE GASPED!

Gwen (Total Drama): And that would be another me! Wow!

Me: The Keyblade Knight of Xaikora?!

Lincoln: Uh oh, if it's who I think it is, you guys are in for a huge treat.

Nico: This should be good.

Nico: There they are!

We saw Another Nathan Garrett, Shaiapouf (X-Squad Universe), Menthuthuyoupi (X-Squad Universe), Neferpitou (X-Squad Universe) and Gustlovs!

Nico: WHOA! This will be awesome.

Me: Yeah!

Another Nathan Garrett: (In a girls voice) It sure will be.

They reverte back and one was Xenia Xaikora and the other was the gene-slammer of Blue-Eyes Quinquennial Dragon!

Nico: Noriko Ellie Draco!

Lincoln: And Xenia Xaikora! Awesome!

Xenia Xaikora: Long time no see Lincoln.

Noriko Ellie Draco: And you as well Nico.

Nico: Same here.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Xenia Xaikora, Keyblade Knight of Xaikora, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of lightning and storms and also The Lightning Sprites of Xaikora. She's The Keyblade Knight of Xaikora, and she's also The Prison Warden of The Xaikora Prison and she's also a VERY SADISTIC GIRL That hates all spoiled brat Queen Bee girls with a vengeance and she vowed to make them suffer with the fury of the 9 levels of hell times infinity!. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about mastering the powers of lightning, storms, and The Lightning Sprites of Xaikora, and she hates all of Lincoln's enemies with a vengeance and vowed to kill them with intense lightning.

Me: WHOA! The prison warden of the Xaikora Prison.

Lincoln: Yep.

Me: Wow! We have a bunch of bad enemies running around that would be awesome for your prison Xenia.

Xenia Xaikora: Looking forward to it. And one of them being Heather right?

Me: Yep that's right.

Xenia Xaikora: Say no more. She'll make a great permanent resident in our presidential suite.

Me: NICE!

Eli: Cool!

Xenia Xaikora: Yeah I make the Xaikora prison sound like a five star hotel with all the comforts of home.

Spyro: Sounds like something Count Moneybone did.

Xenia Xaikora: I get that all the time Spyro and yes you're right.

Me: By the way are the Another TIE Bomber and Gwen friendly or hostile?

Xenia Xaikora: One is friendly and the other is not.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now we wait.

Maria: Who's the unfriendly one?

Xenia Xaikora: Someone that Gwen knows.

Me: Uh oh. We're going to see who they are now!

We saw Another TIE Bomber and inside it was ANOTHER GWEN!

Me: WHOA!

Nico: Wow! Too bad this isn't Star Wars Day.

The Another TIE Bomber reverted back and it was the gene-slammer of HELIOS TRICE MEGISTUS!

Aurora Solar Helios: (SINGING)

Dragons and suns swirled around her and we were in awe!

We cheered for her!

Me: Awesome song!

Qin: YEAH!

Nico: That was great!

Aurora Solar Helios: Thanks! It sure was awesome!

Me: It sure was! Awesome entrance there!

Aurora Solar Helios: Thanks! It was fun.

Me: Yeah!

Nico: And who's your friend?

Another Gwen: Someone that wants to make Gwen Suffer!

Gwen (TD): (GASP) Oh no!

She reverted back and was a girl that looked like a twin version of Heather but was in a red prison jumpsuit!

Gwen: (GASP) Selene!?

Selene: YOU MADE MY SISTER LOOK LIKE AN ABSOLUTE FOOL!

Me: You know her Gwen?

Gwen (TD): Unfortunately yes. She is the Twin Sister of Heather and is just as bad as she is. She was a REALLY HORRIBLE bully that I got expelled from School and sent to prison after we did so to Heather back in Canada. I made her a total outcast and pariah there.

Duncan: Oh Yeah I hated Selene!

Owen: She was a real nutjob like Heather is!

Xenia Xaikora: Looks like Heather and Selene will both be sharing the same room in my prison.

Kaito (gets out Abaranger gear): Did Swartz promise you anything?

Zocks (gets out Dekaranger gear): Because we can grant it instead

They got weapons from said teams.

Me: If I were to guess on Selene's part it's revenge on Gwen.

Aurora Solar Helios: Yeah but for me nothing. I used my powers of the sun and blinded Swartz long enough to run.

Me: Very illuminating. Oh speaking of which, I forgot to mention, we only have light left.

Nico: We sure do.

Camie: Yep.

Aurora Solar Helios: We saw your battle though and that was awesome!

Me: Thanks. Also Selene you should know 2 things. 1: Your sister Heather is a real spoiled brat! She doesn't care about anyone but herself and she is gonna get what's coming to her! And 2: we got LOADS of Karmic justice to dish out on her! I've got something brutal and awesome and humiliating planned for her.

Sougo (gets out Dino Thunder Ridewatch): You'll be a warm up for your sister!

Geiz (gets out SPD Ridewatch): You'll be lucky enough to keep your hair!

Sougo got DinoThunderRedArmor while Geiz got SPDArmor!

Me: YEAH! By the way Aurora how did you know that song?

Sakura Knudson: Wait are you a huge fan of Brawl Stars Dragonforce: A Draco Tale?

Aurora Solar Helios: I sure am! How did you know?

Sakura Knudson: Been playing it for over 2 and a half months and I am hooked and it's awesome!

Aurora Solar Helios: WOW! We're going to have a lot of fun together.

Me: You and my sister are gonna get along great!

Lincoln: Lets separate you first.

We did so. And then tied up Selene!

Me: Lets do it!

Nico: (gets out Tie Bomber's Ridewatch) Time to take to the sky!

May: (Gets out Shaiapouf (X-Squad) Ridewatch) This is gonna be fun!

Maria: (Gets out Neferpitou (X-Squad) Ridewatch) This cat has a punch!

Valon: (Gets out Nathan Garretts' ridewatch) Lets rock mates!

They used the powers of TIE Bomber, Nathan Garrett, Shaiapouf (X-Squad Universe), Menthuthuyoupi (X-Squad Universe), Neferpitou (X-Squad Universe) and Gustlovs and blasted the Anothers!

Then Kureon from Ryusoulger, Goobfather, Wiserue from Ryusoulger, Ice Serpent, Jack Frost (X-Squad Universe) and Infiniblue came!

Me: WHOA! Mucus and Slyther?

Kureon: Actually me and Wiserue are not of Dino Fury.

Eli: Wait! You're the Japanese versions of them from Ryusoulger! Awesome!

Zayto: Same monsters just from Japan.

Me: Yep.

Nico: Nice team though!

Kureon: Thanks! It's gonna be awesome.

Lily: And wait the manager and owner of the Goofy Goober Ice

Cream Boat!?

Goobfather: That's my day job. I am the Goobfather.

Me: WHOA! Like an Ice Cream Mafia Don! That is cool!

SpongeBob: Yay!

Me: Yeah!

Chill Penguin: That means my team is next! Awesome!

?: It sure is!

Out came Warm Worm.

Me: Whoa Warm Worm.

Xenia: Yeah.

Warm Worm: (In a girls voice) This is gonna be awesome.

Nico: Jianna Jengo!? Wow!

She reverted back and was a girl with orange hair and red eyes and had purple clothes and had fire angel wings and had Warm Worm on her forehead, skirt, arm and shirt and had a fire sword.

Jianna Jengo: Awesome to see you Nico. I got this. LAVA WORM SPITTER!

She fired a spit of lava and blasted the two Anothers and I caught the Ridewatches and purified them.

Me: Awesome!

Lily: YEAH!

Nico: Nice job!

Jianna Jengo: Thanks! It was fun!

Goobfather: No hard feelings right Lily?

Lily: None at all.

Nico: Huh?

Lily: Oh The Goobfather came to the Krusty Krab because we made Krabby Patty Ice Cream Milkshakes called Patty Whips and they proved to be very popular. And like something out of a mafia movie, The Goobfather came and tried to bring down the Patty Whip. He used his men like Mafia Hitmen to destroy it.

Me: Wow! Definitely something the Mafia would be proud of.

Maria: They sure would be.

Goobfather: Except I'm not into crime like that. I'm into Ice Cream business.

Me: True. I'll have to try a Patty Whip to see how it tastes.

SpongeBob: Oh they are delicious.

Me: Wow!

Lily: I'm trying to bring the 3 big Ice Cream businesses together. The Krusty Krab, Goofy Goober and the Ice Cream King together as one.

Me: Wow that is big Lily.

Nico: Yep.

Valon: (To Jianna) Oy Jianna what's your favorite memory of Nico mate?

Jianna Jengo: Oh I have all kinds of memories. But my favorite was when me and Nico were stuck during a snowstorm and we had the hottest ever hot chocolate ever made. We made Reaper Death Cocoa. It's hot cocoa made with Carolina Reaper Peppers and Ghost Peppers.

WE GASPED!

Me: WHOA! That must be lethal!

Xenia: Wow!

Nico: It's sweet and spicy and good.

Me: And potent. We'll have to try it later this winter. Or whenever we go someplace cold.

Xenia: Yeah.

Xenia Xaikora: Well also Selene here will be going to my prison.

Me: Good. She can stay there.

Nico and Jianna hugged.

Nico: I've missed you.

Jianna Jengo: Same here.

We went back home.

But, for this rescue, we're going after one of Sam and Max's enemies, and the enemy we're going to put the kibosh on are The Uglions from The Adventures of Sam and Max: Freelance Police.

But, after that, we've got big trouble tomorrow and in the future: apparently, we got word from The Ginyu Force that Sebastian has made an alliance with The Total Drama Sore Losers and they foolishly made a pact with him as he used The Dark Pact of Apophis on them to kill them and enslave them to do his bidding, and when everyone hears of this, there's gonna be trouble.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to be meeting with Sam and Max, the dog and rabbit duo of The Freelance Police, and of course, with them, there's no shortage of weird and zany adventures with them. But, for this rescue, we're going after one of Sam and Max's enemies, and the enemy we're going to put the kibosh on are The Uglions from The Adventures of Sam and Max: Freelance Police.

Nicole: I should've known they'd come back for more. Shanan has a score to settle with those guys, they tried to invade Earth, but, she, Sam, and Max sent them packing back to their home planet.

Shanan: They're gonna pay for invading Earth. Now, where are Sam and Max at?

Nicole: Let's head for their apartment in The Straight and Narrow.

We headed for The Straight and Narrow, a district west of Queens and there, we found a beat up apartment with a police car.

Storm Eagle: So, this is the place.

Nicole: Yep, this is the place. Let's head in.

We headed in the apartment, and we headed for the front door that said "Sam and Max - Freelance Police". Then, Nicole knocked on the door.

?: (Both Voices) I GOT IT! I GOT IT! I GOT IT! I GOT IT! I GOT IT!

FIGHTING SOUNDS!

Me: Yeesh!

Nicole: You think that's rough, the fight to get to the phone always ends with one person coming out as the victor.

Then, the door opened to reveal a 6'0" tall Irish Wolfhound dressed in a suit and hat like Columbo, it was Sam, the one-half of The Freelance Police, and the second-half was Max, a 3'0" tall rabbit with a love for chaos, mayhem, and violence with an enormous sharp-toothed manic grin on his face.

Sam: Great day in the morning! Team Loud Phoenix Storm, you got here on time! The Uglions are back!

Max: We talked with The Geek, and they are out for revenge on us! Let's get the car ready, so we can smash them!

Max got out a hammer.

Shanan: Now, you're talking.

Nicole: Figures, Max always loves to cause mayhem to evil.

Sam: We also got something to tell you. Hours earlier, we saw an evil looking girl with black hair here and she's barking orders at them trying to make them do her bidding, but the leader was about to blast her until we saw an extremely evil looking man drag her back to Canada and blew up some of the Uglion troops.

Me and Nico: (GASPS) That was Heather!

Lincoln: And the evil looking man, that was Sebastian!

Eli: I knew those two had a hand in this.

Me: Heather's still acting like the raving monster that she is.

Nico: She'll get her just desserts later on today, but as for the puppeteer behind this: Sebastian is going to pay for what he's done when we meet the remaining Nightflame Sun hunters and we can finally get after him and The Order of The Dark Universe. In any case, now that we know of what's happening, we better get moving.

Sam: Right.

Sam and Max got in the police car, and we followed them as we flew out to confront The Uglions, but we now know that Heather was at it again and Sebastian also had a hand in this, and those two are going to pay for this.

We arrived in Central Park, and we found The Uglions' ship in the center.

Sam: There they are.

Shanan then spots The Uglion High Ruler.

Shanan: And there's The Uglion High Ruler. We need to get rid of him and his men for good and stop their plan to eat everyone on Earth.

Nico: Ugh, cannibals.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short electric blue hair and dark blue wolf ears and tail, blue eyes, massive black angel wings, purple Wolf Moon tattoo on her right arm and purple wolf paw on her forehead, white short-sleeved blouse, dark blue sleeveless top, white gloves, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, lightning bolts, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Storm Moon, she has a wolf claymore in her right hand, and with her are the seven girls.

Lincoln: (GASPS) Helena Storm Moon, Werewolf Angel of The Storm Moon of February.

Helena Storm Moon: That's right, and I got the girls away from The Uglions before they could eat them and I electrocuted Heather and Sebastian before Heather got blasted back to Canada by The Uglions and Sebastian let out a monstrous shriek before he fled back to Transylvania.

Nico: Nice one. Lincoln, if you would.

Lincoln fired blasts of rainbow super lightning which electrocuted

The Uglions and we came out, and The Uglion High Ruler was enraged.

Uglion High Ruler: Sam and Max, you and Shanan will pay for ruining our plans to invade Earth and eat every last human on this planet.

Shanan: Like that's ever going to happen, you ugly slime buckets!

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at The Uglions, and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE UGLIONS! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED THE UGLIONS WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT THEM AND CAUSED THEM TO SCREECH EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when you die.

Then, Lincoln punched The Uglion High Ruler in the stomach and he crashed into the other Uglions and they went absolutely and completely berserk.

Lincoln continued smashing them hard with his extremely massive godly superhuman strength and The Uglion High Ruler and The Uglions didn't have any time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them.

The Uglion High Ruler and The Uglions went mad with rage as he came charging at Lincoln, but Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into The Uglion High Ruler and The Uglions, and one by one, he began absorbing them into his body and he assimilated their powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of The Uglion High Ruler and The Uglions except for their metal suits, and Lincoln let out a loud and massive howl of dominance and power as the moon shined down even more and his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings spread out and they fired a massive energy blast that destroyed their ship and Lincoln drained the souls of The Uglion High Ruler and The Uglions of energy and sent them to The Black Abyss.

We cheered as we holstered our weapons and powered down and we went back home to The World Tree Estate, and we welcomed Sam, Max, and The Geek to the team.

Shanan: It's finally over, the galaxy's finally rid of those slimy monsters for good, and I was surprised that you absorbed them, Lincoln.

Lincoln: Ugh, same here.

Suddenly, The Ginyu Force arrived.

Captain Ginyu: Looks like we were too late.

Nico: Too late, for what?

Burter: We were going to tell you guys that we spotted Heather and Sebastian, but that psychopath sent demons after us to silence us.

Jeice: We got rid of them, but before we could meet with you guys, Heather sent more of them after us.

WE GASPED!

Me: What a damn bitch.

Nico: That's for sure, she's a slutty level 100 queen bee bitch from Hell. Well, we're gonna make that slutty bitch pay for what she did today along with that goddamn two-faced snake.

Lincoln: We'll make sure of that. (To Helena Storm Moon) And it's so good to see you again, Helena.

Helena Storm Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Helena Storm Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Helena Storm Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Helena Storm Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Helena Storm Moon and hugged her, and Helena Storm Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer

vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Storm Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Helena Storm Moon, Werewolf Angel of The Storm Moon of February, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Storm Moon of February. Helena is a powerful master of the powers of blue wolf fire, lightning, The Storm Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Helena Storm Moon is the 2nd-In-Command of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Helena trained Lincoln in mastering the powers of blue wolf fire, lightning, The Storm Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha

Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to electrocute her underneath The Storm Moon.

Me: Can you show us a flashback on how you turned Helena into a werewolf, Lincoln.

Suddenly, the four orbiting large gold rings fired four beams of light that formed into a viewing window and we saw a flashback: Lincoln and Helena Storm Moon were at the park.

Past Helena Storm Moon: I always love coming here to the park.

Past Lincoln: Same here, Helena, it's really peaceful.

?: MONSTROUS BELCH!

Past Helena Wolf Moon: Oh Hell no, was that Lynn?!

Past Lincoln: Afraid it is, Helena, I'd recognize that monstrous belch from anywhere along with the smell of her sweaty pits.

Suddenly, trees were destroyed and there stood Lynn, and she was out for blood.

Past Lynn: DIE, STINKOLN!

Lynn went at Lincoln and tried to attack him, but Helena Storm Moon grabbed her arm!

Past Helena Storm Moon: GET THE HELL AWAY FROM YOUR LITTLE BROTHER, YOU BITCH!

Then...!

POW!

Helena Storm Moon punched Lynn in the face and sent her flying into a tree and she went at Lynn and they got into a massive fight cloud and the direction they were heading for is right near Lake Michigan and Lincoln followed the fight cloud, and it wasn't stopping anytime soon. But, then!

Past Lynn: DIE, BITCH!

Lynn kicked Helena Storm Moon hard in the stomach and out of the fight cloud, but then, Lynn pounced on her and started beating the shit out of Helena Storm Moon and she was laughing crazily: SHE WAS OUT TO KILL! But, big mistake for you, bitch!

Past Lincoln: LYNN!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and eight-pack abs were covered in tan fur, his deep sapphire blue eyes remain the same but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his fingernails grew into claws, his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his white hair grew to the length of his neck and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Past Lincoln: (Beastly Voice) GET THE HECK AWAY FROM MY GUARDIAN ANGEL, LYNN!

Lincoln charged and punched Lynn hard in the face and he started beating the shit out of her like a wild beast, and when he was done, Lynn's hair was a mess and he slashed off her ponytail, she was covered in bruises and Lincoln's shirt had claw marks from her. Then, he used one of his eleven massive and long brown wolf tails and tied it around Lynn's waist and he flung her back to The Loud House.

Then, he turned to Helena Storm Moon, and she was badly beaten to an inch of her life, and he went down on top of her.

Past Lincoln: (Beastly Voice) Lynn, this time, you have gone too far. Sorry, Helena, but I'm not going to lose another Guardian Angel!

Suddenly, Lincoln leaned his head down to her right trapezius and he bared his fangs and bit her in the right trapezius, and his fangs injected her with his excessively potent lycanthropy and vampirism which spread throughout her body. That of course shocked Helena Storm Moon awake as Lincoln slowly retracted his fangs.

Past Lincoln: Helena, you're okay! How do you feel?

Past Helena Storm Moon: (Groans) I...I don't feel so good.

Suddenly, Helena Storm Moon started getting muscle spasms as she let out a growl and her entire body was covered in thick brown fur and her breasts and stomach were covered in tan fur, her blue eyes remain the same but the pupils turned into slits, she grew fangs and her rows of straight teeth turned into wolf's teeth, and her nose turned to a wolf's nose and she grew a wolf snout and tan-colored muzzle, her fingernails grew into claws, her massive black angel wings remained the same, she grew a long brown wolf tail and brown wolf ears on top of her head, her electric blue hair grew to the length of her neck and became wilder, and she let out a loud howl.

Past Helena Storm Moon: (Beastly Voice) Ooh, now I felt like I got run over by a truck. What happened to me?

Suddenly, Helena Storm Moon saw what happened to her through the lake's reflection.

Past Lincoln: (Beastly Voice) I'm so sorry, Helena. But, Lynn was going to kill you if I didn't get her off of you and I had to do this to save you or...!

Suddenly, Helena Storm Moon hugged Lincoln, and Lincoln hugged her back as she soothed him.

Past Helena Storm Moon: (Beastly Voice) It's okay, Lincoln. But, thank you for what you did.

But, then, all of a sudden, Helena Storm Moon wrapped her legs around Lincoln's waist and placed her hands on Lincoln's massive pecs, but that caught Lincoln's attention and he then leaned his head down to her face and they kissed deeply, intensely, and passionately. They intensely made out for an hour, and then, they separated, but their eyes were glowing as lust took hold of their actions. But, before anything else could happen, Lincoln cut the viewing window short as it vanished.

Poliwag: Hey, what's the idea?!

Lincoln: It's best that I don't show what happens next.

Brittney: Right, and this was the first time you turned one of your Guardian Angels into a werewolf-vampire hybrid like you, but I knew there were two ways someone can wind up getting turned into that: getting bitten or having sex, and in this case, you did both, and I'm sure you did the same with the other eleven girls, right?

Brittney was about to form a ball of darkness to hit Lincoln with, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: But, you did what you had to do to save her, Lincoln, or Helena would've wound up dead, and Lynn would be disowned, kicked out of the house, and sent to prison.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Helena.

Lincoln with his massive muscular arms still wrapped around Helena Storm Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Helena Storm Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Helena Storm Moon with electric blue gems on the gold lightning bolts and electric blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Helena Storm Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Storm Moon.

Helena Storm Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Helena Storm Moon's waist, and he leaned down to her face and kissed her on the lips, and with Helena Storm Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Helena Storm Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Helena Storm Moon: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he recognized them as he had an atomic red blush on his cheeks, snout, and muzzle, but he didn't have a nosebleed. The seven girls are Patricia O'Sullivan, Isabelle O'Sullivan, Allison O`Sullivan, Catherine Gregory, and Doris Elward from Mischievous Twins: The Tales of St. Clare's, Rémy Barberin from Remy: Nobody's Girl, and Lan Fang from Crush Gear Turbo.

Lincoln: Oh wow, it's Patricia O'Sullivan, Isabelle O'Sullivan, Allison O`Sullivan, Catherine Gregory, and Doris Elward from Mischievous Twins: The Tales of St. Clare's, Rémy Barberin from Remy: Nobody's Girl, and Lan Fang from Crush Gear Turbo.

Nicole: You didn't have a nosebleed attack for the first time in a long while, Lincoln, because the girls this time weren't voluptuous bombshells. But, thanks to Travis and Red warning the rest of the boys, I think it's engrained into them.

Lincoln: That's true, next time, we'll tell them. Are you girls okay?

Patricia O'Sullivan: Yes, we're okay, thanks to you.

Then, when Patricia O'Sullivan and the other six girls saw who it was that saved them from The Uglion High Ruler and The Uglions, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow Patricia O'Sullivan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lan Fang: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Patricia O'Sullivan, Isabelle O'Sullivan, Allison O`Sullivan, Catherine Gregory, Doris Elward, Rémy Barberin, and Lan Fang with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone what happened.

Maria: Whoa, so you guys met Sam and Max and stopped an alien invasion in New York, and what in the?! Heather was there trying to force them to do what she said, and not only did she get driven out of New York, but Sebastian as well?! I knew that bitch was behind this.

Lincoln: Along with that snake.

Nico: Apparently, The Ginyu Force were going to warn us, but Sebastian and Heather sent demons after them to silence them.

Me: Lincoln's dream warned us earlier, but they wanted to warn us of a lot more nasty surprises that lunatic had in store for us.

Gwen: But, that lunatic and that evil little cow decided to screw that over with trying to silence them.

Courtney: Heather's no longer worth killing, so we'll throw her in The Xaikora Prison, but we got to keep our eyes open. Sebastian's out there running loose and who knows what kinds of nasty and vile surprises he has in store for us.

Selena Mendez: Leave that to me and Camie, we'll use our dark magic against his black magic and put an end to any of his demonic surprises.

Camie Elextor: Selena's right, we'll put an end to Sebastian's surprises when we go after Heather and give that slutty Level 100

Queen Bee Bitch from Hell the asskicking she rightfully deserves.

Gwen: We are so going to make her pay big time for this, this is gonna be good.

Me: Same here.

Nico: We've had it up to hear with that bitch, this time, we're gonna shut her up forever and put her in her place.

Xenia Xaikora: And that's in my prison for the rest of her life. She'll be begging for death by the time I get done with her along with everyone else wanting payback.

After Lincoln and all of us met Sam and Max and took down The Uglion High Ruler and The Uglions and Lincoln absorbed all of them and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Helena Storm Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Helena Storm Moon: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Helena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Helena Storm Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Helena Storm Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Carla Claw got out a videotape.

Carla Claw: Now, this tape I got here, this was taken a month after that little incident with one of Drake's thugs, but this one brought Caleb back to The Hallowshade Bar and a confrontation with the ghosts of the past same with Cage Blunt and the rest of the NYPD and we too also got dragged into it as soon as we saw him heading there.

Carla Claw put the tape in and it played on the big screen and it showed The East Bronx, New York, at night, and Caleb Maxwell was keeping an eye out for any sign of Drake's thugs.

Past Caleb Maxwell: No sign of Drake's thugs anywhere. But, even I know they're going to show up to cause havoc, but I'll be ready for him.

Suddenly, Caleb Maxwell heard a faint whisper in the wind and he looked around, but then, as he looked down, he saw what looked like himself from 1985 and he was running. Caleb headed down there at once and see what's going on, but then, he saw Cage Blunt who was also looking for the figure.

Past Cage Blunt: Caleb, what are you...?

Past Caleb Maxwell: I'm following the figure same with you.

They followed the figure, and that led them to the one place they'd never want to step foot into once more: The Hallowshade Bar, it was closed down since The Hallowshade Bloodbath on Halloween Night 1985.

Past Caleb Maxwell: The Hallowshade Bar...! Then, that figure I saw, I wasn't going crazy, that was...!

Past Cage Blunt: That was you back in 1985, the night you came to the bar after you sensed what Travis and I did.

Caleb Maxwell opened the door, but as soon as he stepped inside, he immediately flashed back to the night of that terrible bloodbath and the final night of his life in 1985 and he'd seen the dead bodies of the patrons at the bar and he then looked behind the counter and saw the dead body of Junie, one of the workers, and then, he saw Mabel Jensen in the nearby storage room dead as well, but he also saw himself wearing the same clothes he had on the day he died and he was riddled with bullets and in the chair and he had that peaceful smile on his face.

Suddenly, Caleb Maxwell snapped out of the flashback, but he began throwing up blood, and he was horrified by the memories of the past coming back to haunt him.

Past Cage Blunt: Caleb, are you okay?

Past Caleb Maxwell: No..., let's...let's get out of here.

Cage Blunt and Caleb Maxwell left The Hallowshade Bar and went to one of the nearby rooftops. But, unknown to them, Panther, Shroud, Mad Cat Max, Patch, Hex, Nekome, Sally Gamble, and Crowe saw them and went to follow them.

Past Caleb Maxwell: My God, I swore I'd never have to set foot in that place ever again.

Past Cage Blunt: Me too. I didn't want to set foot in there again, but I couldn't break Mrs. Jensen's heart. Her daughter's been dead for over a decade and she wanted justice for her and everyone who died there, those were her daughter's friends and regulars she'd seen there, and you were also there too.

Past Caleb Maxwell: I only went there to talk with Mabel and Junie, any time I had dark thoughts of suicide, I go to them for a talk and every time, it worked. They got me off of that dark path, but even if it was only a temporary sense of peace.

Cage Blunt put his left hand on Caleb's right shoulder.

Past Cage Blunt: Even to this day, Drake really ruined your life and that's going too far. I hope you get to Drake before the rest of The NYPD Nightshift does, even if they collar him, he'll just get out of prison. No, he's going to die once and for all and only by your hand will those nightmares end.

Past Caleb Maxwell: You're right about that, Cage.

?: Hey, what's this we hear about The Hallowshade Bloodbath?

Suddenly, Cage Blunt and Caleb Maxwell turned around and they were greeted by Panther, Shroud, Hex, Mad Cat Max, Patch, Chester, Sally Gamble, and Nekome of The Big Claw Gang.

Past Caleb Maxwell: Oh...great. What are you all doing here? Shouldn't you be off robbing a bank?

Past Shroud: (Smirks) Says the vengeance-driven killer hanging around with a cop.

Past Carla Claw: Anyways, we saw you two head into The Hallowshade Bar, no one's been in there for over a decade since The Hallowshade Bloodbath in 1985.

Past Mad Cat Max: I can get Caleb getting a massive attack when the memories of that night so long ago coming back to haunt him. (To Cage Blunt) But, you, you also went in and you didn't have that same violent reaction, what's your story and how are you connected to The Hallowshade Bar?

Cage Blunt didn't say anything, but what Mad Cat Max said basically hit the nail on the head.

WE GASPED!

Me: Oh shit! Did Max ask that?

Allie Maxwell: He did. Max, you went too far asking that question. I know Caleb was traumatized by what'd happened there, but so was Cage and Travis, and those memories stayed with them when they got their punishment by The Council after Caleb died.

Mad Cat Max: Looking back now, that was really stupid of me.

We looked back to the screen, we saw Cage Blunt get nervous, but he cooled himself.

Past Cage Blunt: I have no idea what you're talking about. Now, either you leave or I'm gonna have to arrest you guys for loitering.

Past Carla Claw: You'll have to catch us first, Officer.

Past Panther: (Smirks) Or we can settle this in a one-on-one match.

Caleb Maxwell fired at Panther who dodged the bullet and he and Carla Claw made faces at him as they, Shroud, Hex, Mad Cat Max, Patch, Chester, Sally Gamble, Crowe, and Nekome ran and got to Crowe's car as they landed and they drove off leaving Caleb Maxwell and Cage Blunt alone.

Past Caleb Maxwell: Cage...

Past Cage Blunt: Caleb, let's go chase them down.

Caleb Maxwell nodded and he and Cage Blunt jumped off and as Cage Blunt got into his car, Caleb was levitating on the roof of his car as they went after Carla Claw, Panther, Shroud, Hex, Mad Cat Max, Patch, Chester, Sally Gamble, Crowe, and Nekome who see it through the rearview mirror.

Past Crowe: Uh oh, looks like I got them pissed. Come on then, copper and killer! Try and catch us! (LAUGHS)

Caleb Maxwell growled in anger as he got his guns ready.

Past Caleb Maxwell: Fucker. (To Cage Blunt) Cage, get me in closer, I'm gonna shoot the rear tires out.

Past Cage Blunt: I'll help out too.

Cage Blunt and Caleb Maxwell shot the rear tires out.

Past Shroud: Crap! Nick, they shot the rear tires!

Past Crowe: What the Hell?! I just had those put in!

Crowe pulled over in an alley, and he, Carla Claw, Panther, Shroud, Hex, Mad Cat Max, Patch, Chester, Sally Gamble, and Nekome got out with Cage Blunt pulling over and he got out and Caleb Maxwell got off the roof of the car.

Past Cage Blunt: You went way too far asking about The Hallowshade Bloodbath in 1985, that brought Caleb's memories of that dark day back, and he's still traumatized by that night even now. So, listen up, I'm gonna say this only once: do not ask about The Hallowshade Bloodbath ever again especially around us or I'm gonna bring you in and throw you guys in the slammer myself. Got it?

Past Shroud: We ain't scared of you, asshole!

Cage Blunt's eyes almost changed from brown to red and his vampire fangs almost grew if Caleb Maxwell hadn't stopped him by putting his left hand on his right shoulder.

Past Caleb Maxwell: You heard him, now leave and take that heap of junk with you.

They left as Cage Blunt and Caleb Maxwell were left alone.

Past Cage Blunt: At least, we got payback on them. Maybe now, they won't bring that up again.

Then, Cage Blunt turned to Caleb Maxwell who had his head down, but then, he saw blood tears fall from his eyes: he knew he was still shaken up by what happened, and he placed his hands on Caleb's shoulders to comfort him.

Past Cage Blunt: Hey, it's okay, Caleb. Come on, why don't you stay with me and Travis at the apartment?

Past Caleb Maxwell: Okay.

Caleb Maxwell followed Cage Blunt back to the apartment.

Past Travis Tackett: Heard about the scene you caused, Cage. What the Hell were you...? (Sees Caleb Maxwell) Caleb? What are you...?

Cage Blunt explained everything.

Past Travis Tackett: What the Hell? I can't believe them! You did the right thing shooting the rear tires of Crowe's car, that'll piss him off to no end.

Past Caleb Maxwell: Next time, I'll shoot the engine and have the car explode.

The video ends.

Carla Claw: You know, looking back on that day, that was a bad idea to even pry into what happened in The Hallowshade Bloodbath.

Mad Cat Max: Same here. Perhaps, some things were better left buried in the past for those who have trauma from that day.

Cage Blunt: It's true Travis and I felt trauma from that day, but we overcame that trauma and pushed onwards with our new lives, but for Caleb, it was a different story.

Travis Tackett: Even after years had passed since that night, it still traumatized him, and the blood he threw up after that attack, that caused the spirits to grow stronger.

Lincoln: I didn't think that was possible though.

Nicholette Torrington: I'm afraid it is, Lincoln. I read that when someone spills blood in the place where the dead once lived, their spirits grow stronger, and that's especially true for someone who once died in The Hallowshade Bloodbath and still had traumatic memories of that night.

Me: And his blood made the hauntings even stronger than ever.

Mabel Jensen: But, it also trapped us there until the day you guys came and brought us back.

Junie: Caleb was hurting that much not only from that night, but also, what his brother put him through combined with losing a lot of people he knew and was friends with.

Nico: That in turn makes the hauntings of that place even stronger than ever. But, that came to an end when Caleb finally brought an end to the nightmares that haunted him.

Caleb Maxwell: That's for sure.

We got a shower, and then, Lincoln, Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala are heading to Gwarhar Lagoon.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all. But, while they are going on their date, the rest of Lincoln's harem are going to prepare a feast for Team Loud Phoenix Storm and The Masters of Evil for the April 12th Anniversary.

Xiaomu: Wow, we're here in Gwahar Lagoon, it sure is beautiful.

Lincoln: It sure is, Xiaomu, and it's perfect for our first date, shall we?

Lincoln, Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Saya: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala and hugged them in their abnormally massive and powerful muscular arms, and Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gwahar Lagoon, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala are now in your harem, Linky.

Xiaomu, Saya, Torra Doza, Fern Bird, and Lady Gore Magala showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Xiaomu: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled

and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger

than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after that Satanic bitch, Heather, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Leshawna: Ok, what's this about?

Poromon: Follow us.

We followed them to the garage and we saw a HUGE DISPLAY of rocks and minerals and fossils and more!

Me: WHOA!

Nicole: Wow! You guys are putting on a rock and mineral show! My kind of thing!

Me: Look at all this!

Nico: Wow! Many of these I never even have seen before.

Camie: Me neither.

Ymir: This is amazing!

Poromon: We've been very busy collecting minerals and rocks from all over the world for years.

Poliwag: It's a thing we've been doing in secret for years.

Xenia: This is amazing!

Gwen: What kinds are there?

Poromon: Well we got these.

We saw Amethyst, Vanadinite, Dioptase, Aquamarine, Lapis, Malachite, Jasper, Quartz and many more.

Me: Wow!

Then my geiger counter started clicking.

Me: Uh oh! Radiation!

Nico: You guys found radioactive minerals too!?

Poromon: Yep look.

We saw Uraninite and Cuprosklodowskite and many more.

Me: (WHISTLES) Wow.

Poromon: We wore radiation suits to bring them in.

Me: Good thing we're immune to radiation.

Kickback: Where did you find those?!

Manaphy: We found the Uraninite in The Ore Mountains.

Hunter: (German Accent) Ahh in Germany, und it's very plentiful there.

Me: Yeah it sure is.

Horsea: And we found the Cuprosklodowskite in a cave in the Congo.

Me: That is amazing.

Cliffjumper: You guys should be proud

Ymir: I agree.

Poromon: Yeah. Also we found these.

We were shown crystals and minerals found on other planets too! We saw minerals from all over the solar system. Some of them never seen before.

Me: WOW! These are from all over the solar system.

Shanan: It's incredible! Well done guys.

Laney: I'll say!

Poromon: Thanks! We thoght so too.

Me: Yeah and also this Aquamarine crystal you guys found is from Mount Antero. That's located where I used to live.

Poromon: Really?

Me: Yep. Mount Antero is known for having huge deposits of Aquamarine there.

Camie: Wow! That is cool!

Xenia: It sure is!

Bugly: Can we keep some?

Poromon: Sure! Just don't take it all. We're going to give some to museums.

Me: Okay.

Poliwag: And the radioactive minerals will be kept in a safe place to avoid radiation contamination.

Me: Good call.

We had an amazing collection.

Later we were watching TV and we saw Xenia Xaikora's ad for her prison.

Xenia Xaikora: Oh hello everyone and my name is Xenia Xaikora. I have spoken with thousands of parents that are fed up with their spoiled brat children and they have had quite enough. Look what happened to these kids. They ended up like this.

We were shown lots of spoiled brat kids doing unspeakable horrible crimes.

Xenia Xaikora: Yeah it's not pretty. They all had one thing in common and that's Worry. So I figured why worry not and I'm here to help. You see, I run a rehabilitation center and medical facility for all spoiled brats and queen bees and even the most dangerous of them feel well at home in our special penthouse and presidential suites.

She showed the prison on Xaikora and what it can do as a five star luxury hotel.

Xenia Xaikora: Our accommodations here are very luxurious and top of the line. So if you ever have a kid that's trouble, Have them come to the Xaikora Rehabilitation and Therapy Center, where our motto is "Have Bad Kids We'll Straighten Out."

The ad was done.

Me: Nice commercial Xenia.

Xenia Xaikora: I thought so too.

Poromon: That was a nice commercial.

Xenia Xaikora: Thanks. I put a lot of work into it and commercials aren't cheap.

Nico: They sure aren't.

Horsea: The first one is Selene

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Heather, the slutty Level 100 Satanic Queen Bee Bitch from Hell, and she's at Camp Wawanakwa, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Heather, the slutty Level 100 Satanic Queen Bee Bitch from Hell, and she's at Camp Wawanakwa, and she's causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Maria: I knew it, I knew we'd be going after that bitch! Time to make that scheming conniving bitch pay for what she's done!

Suddenly, Lincoln also saw the sign of Apophis over the skies of Camp Wawanakwa.

Lincoln: As if things weren't bad enough, Sebastian's also here in Camp Wawanakwa causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Heather. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy your brother's surprises and give him a taste of his own fucking medicine.

Qin: Now, this should be awesome to see. Selena and her friends always find a way to destroy her insane brother's nasty surprises and give him a taste of his own medicine.

Nico: Which ends with him spewing toxic death threats and explicit words at us. Alright, team, let's get to Camp Wawanakwa, this is the last time we're dealing with that slutty Level 100 Satanic Queen Bee Bitch from Hell, Heather.

Lincoln: I've called her parents and siblings and her friends as well, they're gonna meet with us and her friends are gonna call her all kinds of HORRIBLE NAMES that will make her even more hated and they will permanently cut their friendships and ties with her and tell her that she can go to Hell and die, and as the final nail in the coffin, Heather's going to be disowned by her parents and siblings, and as an added insult to injury, they will BURN All her stuff in front of her, and to also add further humiliation as well as Insult to Injury, Chris will show everyone all over the world all the crimes she did not just on Total Drama but to our friends all over the universe.

Me: Ooh! I like it!

Eli: Same here!

Nico: Me too. That'll warrant all of Canada and the world to call her a monster worse than Attila the Hun and demand us to kill her and send her to The Gallows since they all want her blood! But, we've already chosen the more lawful route as we'll tell them that killing her is not worth it anymore, and Canada doesn't do the Death Penalty anymore.

Lincoln: That's right. So, instead, she will be sent to The Xaikora Prison for Spoiled Queen Bee Brats where she'll have The Gessius Flores Vengeance Curse put on her like with Anne Maria whom we had sent there last year when Xehanort returned for one final showdown with us, and Heather will finally be subjected to all sorts of humiliations galore by everyone who's been made a victim of her cruelty and schemes.

Selena Mendez: Awesome. Now, let's get going and stop that slutty Level 100 Satanic Queen Bee Bitch from Hell, Heather.

Camie Elextor: And stop your insane brother's rampage and send him running back to Transylvania.

The previous group came!

Condiment King: Can me, Toiletnator, Fixer, Xiao Fung, Mr. Mittens, Leonard, Gramma Stuffum, Xigbar, Pyros and Mercurymon go with you guys?

Nico: Yes you all can.

Me: And I've got some more things planned for this. I swiped this from her room last week.

I showed her diary!

Qin: Her diary?

Me: Yep.

Nico: You wouldn't!?

Me: Nico I know it's wrong but in this case we'll make an exception.

Nico: You're right.

Thunder: Nico, which Gene Slammer do you think you'll meet next?

Nico: Maju Garzett next.

Me: WHOA! Dark and gruesome.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Jerado from Astal, and he's back for revenge on us for killing him years ago. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than our old enemy, Jerado from Astal, and he's back for revenge on us for killing him years ago.

Nico: You got to be fucking kidding.

Eli: Afraid not. I sensed it too.

Lily the Mermaid: Allow me and Linky to destroy him once and for all, this time, we'll make sure this Dark God from Hell never returns to torment Astal and Leda ever again.

Lincoln: That we will, Lily.

Nico: Great idea. Jerado has no idea how much more powerful we've gotten since the last time we'd faced him. He was no match for us before, and he certainly isn't a match for us now, this time will be his last. Alright, team, let's get to Camp Wawanakwa, we got a slutty Level 100 Satanic Queen Bee Bitch from Hell to hunt down.

Lincoln: And send an Equally Satanic Monster Bastard from Hell back to Transylvania, and once we get done with Heather and drive off Sebastian, you're next, Jerado.

Lily the Mermaid: The suffering you've caused to so many innocent souls can never be forgiven, you will pay for everything you've done, Jerado.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Camp Wawanakwa in Canada and we're going to take down the slutty Level 100 Satanic Queen Bee Bitch from Hell, Heather, get her disowned by her friends and family, and humiliated by all of Canada and the world, and send her to The Xaikora Prison forever and drive Sebastian back to Transylvania, and once we get done with that slutty Level 100 Satanic Queen Bee Bitch from Hell and send that Satanic demonic monster, Sebastian, back to Transylvania, Lily the Mermaid and Lincoln are going to destroy our old enemy, Jerado, and send that Dark God from Hell to The Black Abyss forever.

We were off to Canada.

We arrived on Camp Wawanakwa.

Gwen: Good to be here again.

Me: Yeah. Chris, I'm going to need your help with this one. I got something awesome for it.

Chris: Lay it on me.

I whispered and told him what I had planned and it was gonna be good.

Chris: Oh that is AWESOME! I'm in.

Fixer: Let's call Pied Piper.

Me: Good idea.

We called him in.

Pied Piper: I'm here and ready.

Me: Great. Okay here's the plan. But it's gonna be in several parts.

Nico: Lay it on us.

Me: First we're going to neutralize Sebastian's surprises he has in store for us. That's Phase 1.

Nico: Okay.

Me: Phase 2 will be the big one. That's where we expose Heather and ruin everything she is.

Nico: I like it.

Me: Phase 3 is where we hit her with our most humiliating attack ever. You remember the Triple Dog Dare Ya episode?

Gwen: I sure do.

Me: Great. That is where we hit her with gags from many of us. I made these for Chris in advance.

I pulled out cards with all our gags on them and gave them to Chris.

Pam: Let's hit her with pinballs

Me: Don't jinx it Pam.

Pam: Oh sorry.

Me: And the final phase is the most humiliating of them all.

Nico: What do you have in mind?

I had a devilish smile on my face with my eyes glowing red.

Nico: Oh boy.

Eli: Bro has something VERY Humiliating planned.

Me: Oh yeah!

Qin: What is it?

Me: Ah ah ah. No spoilers. But trust me, it's going to be good.

Nico: I like it!

Lincoln: We call it Operation: Satanic Slutty Queen Humiliation.

Me: Yep.

Nico: Ooh! Nice!

Xenia: Yep.

Mr. Mittens: In the meantime, let's look in her diary

Me: Okay. (To the viewers) Sorry you have to see us read a diary like this folks but this is for a good cause as evidence to the world.

We read it.

We found out some TERRIBLE STUFF about Heather! She wrote stuff about how she was going to kill her mother, father and siblings after she was gonna get the million dollars on the show and more! She also had plans to kill her friends and all that!

Power Girl: Holy shit…

Nico: She is a monster!

Qin: No kidding!

Chris: Boy thank goodness I didn't give her all that money or she would have become Canada's most deranged monster ever next to the Scarborough Rapist.

Nico: No kidding.

Qin: That would have been bad.

Ymir: Big time. But at least we're going to make sure she suffers big time.

Lola: Yeah!

LeShawna: I knew Heather was evil but I didn't expect her to be THIS Evil guys.

Gwen: I'm glad she is gonna be getting what's coming to her.

Gramma Stuffum: Let's eat some of my food while waiting

Me: Good idea. That battle with Clockwerk made me hungry.

Nico: Same here.

Gramma Stuffum made us an amazing buffet.

We were eating really good food.

Me: (Eating) Mmm! Delicious!

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT IS THAT STENCH!? ED!?

Ed: Not I J.D.!

Qin: I think it's from that!

We saw a Skuntank!

Me: A Skuntank! No wonder.

Bludgeon: Good god!

Nico: Where did that come from!?

Me: This one REALLY STINKS!

It released a REALLY LOUD HORRIBLE NASTY FART!

Me: WHEW! NASTY!

Lana: Awesome! Let me see here.

Lana used Telepathy and gasped!

Lana: AWESOME! It's Mila Glomburger!

Me: Whoa! She must be a really...

LOUD LONG NASTY HORRIBLE FART!

Me: Stinky one.

Pyros: Jesus!

Me: I know!

LOUD LONG NASTY HORRIBLE FART!

Qin: WHEW!

Lana: Lets go help her!

Me and Lana went over.

Lana: Mila it's me Stenchfart Lana!

All she did was spray her with stink

Lana: AWESOME!

Me: OH GOOD GOD! Lana we're going to bathe you in a million tomato juice baths after this!

Lana: I like this!

Me: Oh brother. Okay then.

I fired waves of lightning and smashed her all over.

I snapped my fingers and she reverted back and was a girl with black hair and purple eyes and had purple angel wings and had Skuntank in the middle of her forehead and her cutie mark was a Rotten Cheese in front of a butt that was farting! But also she SMELLED REALLY HORRIBLE!

We wrapped her in a blanket and brought her over.

Nico: OH GOOD GOD! She smells worse than a Skuntank!

Lana: That's because she never once took a bath in 10 years.

Me: OH MAN!

She woke up.

Mila Glumburger: What hit me?

Me: Well me actually.

Lana: Long time no stench Mila.

Mila Glumburger: Stenchfart!

She hugged her.

LOUD NASTY LONG LOUD HORRIBLE FARTS!

Me: GEEZ! Okay that's funny. You were turned into a Skuntank by Dark Gale.

Mila Glumburger: Oh man! I was just rolling around in a pig poop pond when that happened.

Nico: OH GOOD GOD!

Sonya: Boy I'm glad you weren't with my group.

Mila Glumburger: Yeah no kidding.

Nico: Another one not associated with Sonya

Sonya: Probably for the best for obvious reasons.

Me: Yeah uh Mila you really smell horrible. You never took a bath even once.

LOUD LONG NASTY HORRIBLE FART!

Mila Glumburger: (SNIFFS) WHEW! Geez it really has been a while.

Me: Yeah.

Nico: What do you like to do in your free time?

Mila Glumburger: I work on a pig farm.

Lola: Wow.

Lana: Yeah.

Me: Well before we get you new clothes, you need a bath!

Maria: BADLY!

I set up our bath station for her. The girls got her in there and scrubbed her all over.

Nicole watched for perverts.

We later had her cleaned and in new purple clothes and with a rifle and sword of rotting power.

Mila Glumburger: I look awesome!

Lincoln: You sure do. WHOA! And just in time too. I saw Gwen's Akuma we're facing. Her name is Gwendalla the Dark Karmic Angel. The Hypothetical Akuma of Gwen and she is a dark angel that is out to deliver the worst forms of Karmic Punishment to all those that wronged her. She is a dark angel that is going to send all her enemies to the darkness and fire of hell. She was made because of all those that hurt her. She vowed to kill Heather, Eva, Billy McLean, Alejandro, Scott and all the Total Drama Sore Losers and make them all pay the ultimate price!

WE GASPED!

Qin: WHOA!

He showed us a sketch of her and she was a dark angel girl with black and teal blue hair.

Me: Whoa! She looks like an angel of ultimate pain.

Sideways: I don't blame her!

Me: She wants to kill all the losers too. Wow!

Gwen: I like this Akuma.

Me: Maybe you two can work together bringing the pain to Heather.

Eli: Yeah!

Me: Billy McLean was given the Black Abyss so he's out of the question.

Lola: Yeah.

Mercurymon: Where is she?

Nico: I think she's coming here!

We saw a figure land and it was Gwendalla!

Me: Whoa!

Gwendalla: Looks like you all are here.

Gwen: Wow! I look so cool as a dark angel.

Gwendalla: You sure do.

Gilda: Gwen? Is that you?

Gwendalla: It still is me. Where is Billy?

Me: He's dead and was given the Black Abyss last year.

Lola: Long story.

Gwen: How about we work together?

Gwendalla: Let me guess, you all want me to calm down and I won't listen and you want to work together so we can get some Karma on Heather and the Sore Losers.

Me: Well, Yeah.

Xigbar: I think Nico still has plans regarding Heather, Scott, Alejandro, and Jo. But you can do what you want with the others.

Me: Let me guess, Scott, Alejandro, and Jo will appear on Lightning, Courtney and Cameron's Days to shine and the rest well we don't know yet.

Nico: Yeah!

Xigbar: Yep.

Gwendalla: Fair enough. Okay come at me.

Me: Okay then!

I fired waves of lightning and blasted her.

Pied Piper fired waves of music from his flute and blasted her all over

Gwendalla: My turn!

She fired waves of black lightning and we dodged the blasts.

I fired waves of energy and blasted her all over and knocked her down.

Gwendalla: Okay you win.

Slash Man: I know we're definitely killing Scott!

Me: Because he killed Connie Jackelstein's entire family!

Qin: YEAH!

Xenia: What a monster!

Ymir: He will pay for that!

Me: Big time!

Leonard: I'll have my pigs search for Heather

Me: Okay.

He sent pigs to find her.

Spinister: Well, while you're waiting, you might as well read in Heather's diary as a sense of irony

Nico: Good idea.

We did so. We found out that she even hates all the schools and Canada and wants to burn it all to the ground.

Nico: Geez!

Leonard's pigs came back and told us that they found her by the mine.

Me: Perfect.

Lincoln: Guys, good news, Heather's soon-to-be former friends and parents and siblings are on their way, and Chris is waiting for us to give the signal.

Nico: Excellent.

Me: Alright. Now, let's go find that slut and give her the thrashing she deserves.

Nico: Right.

Me: Now to put our plan into action. Time for Phase 1: Neutralize Sebastian's magic and surprises he has in store for us.

Selena Mendez: Allow me and Camie to cast our spell and destroy all of my brother's nasty surprises.

Camie Elextor: Let's do it.

Me: Go for it.

Selena Mendez and Camie Elextor raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds of Camp Wawanakwa as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Heather saw it, and she let out a horrendous shriek of rage and anger!

The viewing window closed as we were laughing hysterically!

Me: HAH! Serves you right, bitch! Phase 1 complete. Okay now for phase 2 and this is the big one.

Nico: Okay, now we can do our entrance without any of Sebastian's nasty surprises.

Me: Let's tear that slut apart limb from limb.

Xiao Fung: Time to take her by surprise!

Nico: Entrance time!

We then took off to the mine near Camp Wawanakwa, and we got there just in time to see Heather ranting, raving, and screaming and shrieking like an absolute banshee and our energy auras flared up extremely as we grew stronger from the toxic hate she has against us.

Nico: Okay, let's end this bitch once and for all.

Heather: (ENRAGED SCREAM) WHEN I FIND THOSE FUCKING LOSERS, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

?: OH, SHUT THE FUCK UP, YOU SLUTTY LEVEL 100 SATANIC QUEEN BEE BITCH FROM HELL!

Suddenly, the spirits of the Total Drama Crew appeared out of nowhere and they attacked Heather in total fury and that made her extremely pissed off even more! Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Heather even more pissed off even more!

Nico: Long time no punch you bitch!

Me: You've got some nerve coming back from the dead, bitch.

Nico: I honestly thought we were finally done with you, especially after all the trouble you've caused to everyone around you and for what you did breaking Trent and Gwen's blossoming relationship with your scheming, if we didn't have our original plan to send you to The Xaikora Prison, I wish I could fucking kill you once again and send you to The Black Abyss! But, we're not because even though we are gods among men, we still have humanity unlike you and the fucked-up monster who's also here, you slut.

Heather: DIE! ALL OF YOU JUST FUCKING DIE!

Me: You first!

Heather went mad and charged at us with a knife in hand, but we blasted the bitch and sent her right into the bathrooms, and she came out and was covered in sewage. GROSS!

HEATHER LET OUT ANOTHER BANSHEE SHRIEK OF PURE RAGE!

Heather: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Gwen: Seriously? You did this to yourself, Heather, you're a spoiled brat and a heartless manipulative troll that thinks only about stupid things like money and looks. FYI, all those things will never get you anywhere in life. Because of it, you're now Canada's most hated Pariah because you don't care about anyone except yourself and that makes you a heartless, evil, ugly and disgusting troll.

Heather: WHAT THE FUCK DID YOU JUST SAY?!

Me: You heard her, bitch!

Nico: What are you deaf?

Suddenly, we heard the sound of a boat and as it docked, many people arrived here: they were none other than Heather's friends and parents and siblings.

Heather: (GASPS) All my old friends from my social circle?! Mom?! Dad?! AND YOU TWO LOSERS?!

Me: Surprise!

Lincoln: We decided to call them here, and they've got a lot of nasty words to say to you.

Lily the Mermaid: (To Heather's friends) Why don't you go first to start things off.

Heather's friends nodded and went up to Heather and they were pissed.

Catherine: You've pulled a lot of nasty stunts in the past especially in high school, Heather, but what you've done throughout Total Drama, this was a new low even for you, and it proved Gwen and the others were right about you. You're a spoiled brat and a heartless manipulative troll that thinks only about stupid things like money and looks. Plus, you're now Canada's most hated Pariah because you don't care about anyone except yourself and that right there proved what everyone in high school said about you: you're a spoiled brat, a heartless, evil, ugly, and disgusting troll, and that stunt you also pulled breaking Gwen and Trent's relationship with your scheming, you're also a slutty Level 100 Satanic Queen Bee Bitch from Hell.

Samantha: And as of today, we're cutting all of our friendships with you, Heather. You can die and go to Hell, bitch!

Pamela: You're an awful monster Heather!

Phil: You're Trash Heather!

Elaine: And you're a fucking cheater too!

All of Heather's friends called the bitch all kinds of HORRIBLE NAMES that made her even more hated and they also cut their friendships with her and tell her that she can die and go to Hell.

Lily the Mermaid: That was a well-done job.

Me: Yeah! Now here is this!

We rolled the cameras and showed her diary to the world and more and it showed EVERYTHING!

Heather: MY DIARY! How did you get that!?

Me: You should learn to lock your door!

Samantha: Thanks. And your parents and your siblings also have something to also say to you. (To Heather's parents and siblings) Don't go easy on her, let her face all of the anger and hate you guys now have towards her.

Heather's parents and siblings nodded, and they marched up towards Heather pissed off beyond all measure ready to deliver the final nail in her coffin.

Heather's Dad: I cannot even believe that you're our daughter! After everything that you've done to so many innocent people in high school and especially on Total Drama and all for your delusional and screwed up mentality of you being better than everyone, you've gone too far for the last time!

Heather's Mom: Do you have any idea of how much shame and embarrassment you've wrought upon our family with your actions?! All of our relatives including your father and I and your siblings were embarrassed to even be related to a bitch like you!

Ryan: And here's what we got to say to you, Heather. You're the worst older sister we've ever known.

Carla: That's right, you're an embarrassment to our family and an absolute monster!

Me: I didn't know Heather's family was rich.

Carla: Yeah it's true.

Then, they gave her the finger and that pissed her off!

Heather: YOU USELESS LITTLE TROLLS!

Me: You're the useless one!

Heather's Dad: We did our best to try and raise you right, but it's clear you decided to go sideways and do all of those horrible things to your old classmates in high school and to us and on Total Drama, and for what you also did throughout Total Drama with your conniving behavior and your schemes, you will never ever be forgiven in your miserable lifetime.

Heather's Mom: And we already came to this decision before we came to the island. Heather, you are hereby disowned from the family forever, our family's fortune and estate will be passed down to your brother and sister.

Ryan: And we can finally say this right in your face. We're also cutting all ties with you forever, bitch! You can die and go to Hell.

Carla: And to also make sure our point is clear to you.

Heather's parents and siblings took out all of Heather's stuff and piled it in front of her, and they doused it in kerosene and took out a match and lit it and as soon as they threw it on her stuff, it went up in flames right in front of her.

Heather: (HORRIFIED SCREAM)

Finally, all of her stuff was burned to ashes.

Chris McLean: Now, to add further humiliation as well as insult to injury, here's my form of payback.

Chris showed everyone all over the world all the crimes Heather did not just on Total Drama, but to all of our friends, all over the universe: it was absolutely sickening! Even Eva to our surprise was enraged! SHE WAS RESPONSIBLE FOR GETTING HER KICKED OFF!

After all that's done, suddenly all of Canada and the world was absolutely enraged and disgusted by Heather, and we saw it all over social media: everyone was literally calling Heather a monster worse than Attila the Hun and demand us to kill her and send her to the Gallows. That's when we stepped in.

Me: Whoa! Hold on, everyone. I know you all want us to kill her and send her to The Gallows.

Nico: But, killing her is not worth it anymore, and besides, you know Canada doesn't do the Death Penalty anymore.

Suddenly, that cooled the bloodlust of everyone in Canada and the world.

They forgot all about that.

Lincoln: Instead, we're going to send her to The Xaikora Prison where she'll be subjected to all sorts of humiliations galore by everyone who was made a victim of her cruelty and schemes for eternity.

Xenia Xaikora: And she'll be tortured and eviscerated brutally in my prison.

That got everyone cheering like crazy, and Heather seeing everything happen to her finally lost it big time as she let out the loudest and nastiest scream ever as it was heard all over Canada!

Heather: (ENRAGED SCREAM) SEBASTIAN, YOU ASSHOLE! YOU LIED TO ME! YOU SAID THEY'D STEP RIGHT INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew my insane brother was behind this and that he'd backstabbed you and the other Sore Losers and forced The Dark Pact of Apophis upon you and the other Sore Losers.

We also saw it: Heather had a black snake tattoo with an inverted pentagram on her left arm: proof of The Dark Pact of Apophis.

Camie Elextor: Just like with Einon. Alright, Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Sebastian.

Nico: Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Total Drama Sore Losers, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE!

SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A DILAPIDATED CABIN! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Heather: Hah, serves you right. You should've just done what we say and we would've finally gotten rid of those losers.

Heather was smug at Sebastian's humiliation. But, the bitch's smugness was about to be broken big time as we saw the darkness blacken the skies of Camp Wawanakwa!

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT, BITCH!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON HER!

Sebastian Mendez: (Demonic Voice) YOU GODDAMN BITCH! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHER SORE LOSERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Heather: What did you just say?!

Sebastian Mendez: (Demonic Voice) APOPHIS, EGYPTIAN GOD OF CHAOS, HEED MY CALL! TAKE THE SOUL OF HEATHER AND MAKE HER YOUR SERVANT FOR ALL ETERNITY!

Suddenly, Heather found herself about to have her soul taken from her by a black snake formed by the Infernal Darkness of Sebastian, but Selena Mendez and Camie Elextor retaliated by firing blasts of Divine Darkness which hit the snake and Heather and undid The Dark Pact of Apophis, and that really enraged Sebastian, but Selena Mendez blasted Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Heather.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, bitch!

Kaiba: This time, I'll summon a monster I don't use often

He summoned JUDGE MAN!

Kaiba: The Judge Man!

Qin: Nice!

Me: It's party time!

We had her tied up.

Me: Time for a little down home Canadian Total Drama Favorite! I TRIPLE DOG DARE YOU!

Nico: YEAH!

We got out the Spin the Bottle spinner.

Me: Ladies first Gwen.

Gwen: Thank you.

She spun it and it landed on my picture.

Me: Ooh! I knew it would land on me first.

Chris: Eat a huge barrel full of RAW CHUM!

We pulled out a big barrel of raw chum! We made her eat it and she screamed and HURLED!

Me: OH SICK!

Nico: Nice!

I spun it and it landed on Nico.

Chris: Ooh! This one is gonna be painful! Drink a beer mug full of J.D.'s super most spiciest hot sauce!

I poured a mug full of my super spicy armageddon sauce and we made Heather drink it all down. SHE SCREAMED IN PAIN AND MASSIVE JETS OF INTENSE FIRE BLASTED OUT OF HER MOUTH AND BUTT AND EARS AND MORE! SHE REALLY WAS ON FIRE!

Nico: OUCH!

Qin: Nice one!

Nico: Yeah!

Toiletnator: Let me have a shot!

He fired waves of raw sewage and smashed and drenched her!

Lana: Awesome!

Nico spun it and it landed on Geoff.

Chris: Ooh! A Little Phobia Factor in this one. Face 20 Sumo Wrestlers!

Me: NICE!

HEATHER GASPED!

Me: Good thing I know a bunch of Sumo Wrestlers for this.

I called in the Sumo Wrestlers from the world of Shinobi.

Me: Get her!

They went at her and just as she was about to run, Heather was stuck to the ground and thanks to Tara and the Sumo Wrestlers smashed and pulverized and mashed her all over the place!

Nico: YEAH!

Me: Okay guys that's enough.

Poromon got out a beer bottle and shook it And he popped it open and drenched her.

Me: Nice one!

Nico spun it. It landed on Gwen.

Chris: OOH! The Mascots are not gonna like this one. Have Heather watch the ENTIRE BLOOD AND HONEY MOVIE!

The mascots eyes' widened

Me: I'll implement my eye openers.

We got her ready. And forced her eyes open and WE hid as she was FORCED TO WATCH THE ENTIRE MOVIE!

SHE WAS SCARED SHITLESS AND TRAUMATIZED OF THE WHOLE THING! SHE SCREAMED IN HORROR AND FRIGHT!

Me: Well little miss spoiled brat, what did you think of that movie?

Heather turned green and she looked like she was going to HURL OUT NIAGARA FALLS!

werewolves coming out of nowhere and they were heading for us,

but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take care of Heather.

A figure came and it was Neo Bat Nezire from episode 10 of Megarangers!

A Nezire Beast created with the remains of the Bat Nezire to make more powerful. With a series of female androids at his disposal, the Neo-Bat Nezire provides them with flutes and send them across the world to play the Murderous Soundwave, an enhanced version of the Berserker Soundwave. However, one of his androids, Number 167 who looks exactly like Shun's deceased mother, develops a mind of her own as a result of being hit by a truck. Attempting to destroy her, he is forced to fallback after Mega Blue overpowers him. Tracking his creation down, the Neo-Bat Nezire uses his Murderous Soundwaves on the Megarangers until 167 comes to their aid and uses Shun's flute to negate the Nezire Beast's attack before she self-destructs to protect him. Enraged, Mega Blue attacks the Nezire Beast in full fury before defeating him with the Tomahawk Sniper. The blast was aimed squarely at his stomach and ripped a massive hole straight through his stomach with fatal effects. Once bitten by Bibidebi, the Neo-Bat Nezire is easily destroyed by Galaxy Mega's Mega Dash Cutter when he leapt at it as it descended through the Earth's atmosphere.

Eli: WHOA! Neo Bat Nezire! I remember you! You were sent to unleash the Berserker Soundwave across the world so that everyone would destroy everything!

Neo Bat Nezire: That's right! Good memory Eli.

Me: That would have been awesome to see! What a rip!

Andros: No kidding

William: You probably would've been the upgraded version of Batarex.

We cheered wildly as we holstered our weapons and powered down and Lily the Mermaid's new body, clothes, weapons, jewelry, Third Eye, longer blue mermaid's tail, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large ocean blue planets orbiting around her legs, thirty-five smaller ocean blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized ocean blue planets orbiting around her wrists and ankles, and massive light brown angel wings and twenty-one sets of large light brown angel wings underneath her massive light brown angel wings are permanent.

Lily the Mermaid: It's over for you, Jerado, now rot in The Black Abyss forever. Thanks for helping me get rid of that monster, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Lily.

Me and Nico: Our pleasure, Lily.

Suddenly, Lily the Mermaid wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lily the Mermaid's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Lily the Mermaid sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did siphoning Jerado's energy, strength, and immense godly powers and making all of his powers yours, Lincoln.

Lincoln: That monster paid the price for his crimes.

Me: That's for sure, and he paid the price for his crimes. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Wind Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Wind Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Dana Wind Moon, Werewolf Angel of The Wind Moon of March.

Me: The Werewolf Angel of March's Wind Moon, awesome!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Dana Wind Moon, Werewolf Angel of The Wind Moon of March, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Wind Moon of March. Helena is a powerful master of the powers of blue wolf fire, wind, The Wind Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Dana Wind Moon is The Werewolf Wind Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lola.

Dana trained Lincoln in mastering the powers of blue wolf fire, wind, The Wind Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion and she wants nothing more than to shred her to pieces underneath The Wind Moon.

Nico: And I can guess you did the same thing to Dana, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lola getting drenched with water.

Nico: Serves her right.

Eli: Big time.

Heather's Dad: We're sorry about what our daughter did.

Kangor: It's not your fault, mon.

Spot: You tried your best as parents.

See-More: But she won't hurt anyone ever again.

Abra Kadabra: No, she won't.

Heather's mom: We failed her.

Me: No you didn't fail her. She is the one that failed you.

Qin: She got what was coming to her.

Grundy:...Grundy hungry.

Nico: Good idea. Great job today everyone!

Gwen: This was awesome! (To the viewers) Heather got what she deserved big time.

Me: She sure did. What was that curse you used on her Brittney?

Brittney: It was called the Karmatic Pain of Justice Curse. When someone hits Heather it's going to hit the Sore Losers running around the same way. Whatever pain she is dealt in the Xaikora Prison the Sore Losers are all going to feel the same thing.

Nico: WHOA! Brutal!

Me: Nice!

Laney: Yeah! She had it coming.

Me: Yep.

We went to a great Canadian Pancake Restaurant and it was great.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Helena Storm Moon, but she was in her werewolf form.

Lincoln: Helena Storm Moon.

Helena Storm Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Helena Storm Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Helena Storm Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Helena Storm still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Helena Storm Moon was in a two-piece electric blue bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Helena Storm Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Helena Storm Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Helena Storm Moon a deep tissue massage, and when he was done, she was literally relaxed.

Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Helena Storm Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Helena Storm Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Helena Storm Moon and he hugged her in his abnormally massive and powerful muscular arms, and Helena Storm Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Helena Storm Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Helena Storm Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Helena Storm Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile in the Kaijudo World, Ray and friends were getting ready for our arrival.

Ray: It'll be awesome to have the team help us.

Allie: It sure will.

Gabe: I'll say!

Ray: Lets get ready!

They flared up their power and went at the screen and it froze.

THE END OF THE CHOTEN

BUCKLE YOUR SEATBELTS! THIS IS GONNA BE REALLY EXPLOSIVE

This is for the Kaijudo cartoon

In the early morning hours at 12:35 AM, Lincoln had a dream, and he saw four figures hiding out and living in Athens, Georgia. But, there were no ordinary four figures, they were Crimson Rose-Loud, daughter of Lincoln's future wife, Red Rose. Yuri Long-Loud, daughter of Lincoln's future wife, Yang Xiao Long. Wallace Schnee-Loud, son of Lincoln's future wife, Weiss Schnee. and Blake Belladonna-Loud Jr, son of Lincoln's future wife, Blake Belladonna. Lincoln woke up from the dream, but he wasn't the only one, Team RWBY, Nyx Midnight (who has a short side shave cut hairstyle with two streaks of lilac and crimson), Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Red Rose: And it also means that we found out where our kids are at.

Me: They're at Athens, Georgia.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Athens, Georgia, to rescue Crimson Rose-Loud, Yuri Long-Loud, Wallace Schnee, and Blake

Belladonna-Loud Jr, then suddenly, there was a knock at the door.

Yang Xiao Long: (Groans and went to the door) Who could that be in the middle of the night?

Yang Xiao Long opened the door and saw a tall and muscular humanoid black and gray winged dragon with gold eyes, brown horns, gold spike trail, inner plate wing structure, and toe-claws. He wears a green and gold dragon-theme armor with a red gem with a Fire Element symbol on it, and green arm gauntlets with sharp arm blades. He wields his Dragon Dagger, White Tiger Z-Saber, and Spiketail Lancer. And a black Technological Humanoid made of liquid metal with blue geometric stripes visible on his body with four long claw-like fingers. He has white helmet with a cyan screen-like face with a small red inverted triangle, armor on the chest with shoulder pads and an energy diamond-like on his chest plate, arm guards, and boots. The Autobot symbol is located on his right arm guard and The Tech Element symbol is located on his left arm guard. They were General Jason Dragonzor and Bootleg.

General Jason Dragonzor: Greetings, Team RWBY.

Weiss Schnee: How do you know who we are? How are you?

General Jason Dragonzor: I'm Jason Dragonzor. I go by many names; The Green Ranger, The Dragon Hero, and The Legendary Hero.

Bootleg: Call me Bootleg.

Yang Xiao Long: So you're one of Kevin Levin's aliens? How can we trust someone like you if every villain is power hungry?

Bootleg: (Sighs) I understand your mistrusted, but I am a reformed alien, And I am further glided by Jason Dragonzor.

General Jason Dragonzor: It's the truth. also, Do these young kids belong to you four?

The four kids whore with General Jason Dragonzor and Bootleg, was a young 11 years old girl who has fair skin, silver eyes, and neck-length black, white and red hair. She wears black shirt, red skirt, black tights, and red Mary Jane flats. She wields a black and red Sniper-Scythe. A young and tall 12 years old girl who has pale skin, lilac eyes, and long platinum blonde hair styled in a ponytail. She also has a right yellow bio-mechanical arm with a built-in Shotgun on the wrist. She wears a yellow short sleeved shirt, brown shorts, black stockings, and yellow ballet flats. She wields a Ranged Shot Gauntlet on her left arm. A 12 years old boy who has pale skin, light blue eyes with a scar over his right eye, and short white hair. He wears a white sleeveless shirt with a vivid blue shrug with a raised collar and puffy sleeves, white pants with red stripe, and white sneakers. He wields a Rapier. And a 12 years old boy who has fair skin, amber eyes, and black, brown and white hair styled in a pair of black cat ears on top of his head. He wears black shirt with white cat symbol, white pants, and black boots. He wields a sword-like gun. They were The Young RWBY.

When Team RWBY saw them, they were stunned.

Blake Belladonna: (Stunned) How is that possible?

Bootleg: Me and Jason Dragonzor found them in Athens, Georgia.

Team RWBY ran up to Young RWBY, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Nyx Midnight, and Black Alpha.

Me: Thanks, Lady Shanty and Alpha Prime.

Bootleg: Anytime, J.D.

General Jason Dragonzor: (to Lincoln) Do you have something to say to them?

Lincoln: Of course. (to Young RWBY) There's something you should know, Red, Yang, Weiss, Blake, your mothers are one of my many future wives.

Crimson Rose-Loud, Yuri Long-Loud, Wallace Schnee-Loud, and Blake Belladonna-Loud Jr: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Crimson Rose-Loud, Yuri Long-Loud, and Blake Belladonna-Loud Jr with joy, while Wallace Schnee-Loud remain calm, but glad to hear it, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln told everyone what happened, and he then introduced The Young RWBY to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, General Jason Dragonzor, and Bootleg did in reuniting Team RWBY with their kids, and The Young RWBY now has a loving, strong, brave, and caring father in their life. As well as General Jason Dragonzor and Bootleg join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep

* * *

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: his dream took him to San Campion, but as he was flying, he sensed and saw trouble was brewing and he knew that it's Sebastian because of the black and red skies, and he saw the hieroglyph matching Apophis, The Egyptian God of Chaos, in the sky as well. But, then, he saw a familiar figure in the distance, and when he zoomed in, he saw it was none other than The Choten, he's freed him from The Warp to attack The Light, Water, Darkness, Fire, and Nature Civilizations. Lincoln woke up from his dream, but so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: We've got big trouble in the morning, and Sebastian really pulled the worst move ever.

Lincoln told his harem of what Sebastian did, and needless to say, Selena was pissed.

Selena Mendez: What the Hell?! I don't believe him!

Melanie Emperyous: That bastard, he freed The Choten from The Warp to attack The Light, Water, Darkness, Fire, and Nature Civilizations. When everyone finds out what he did, they are going to be so pissed!

Michelle Emperyous: Especially Ray, Allie, Gabe, Nadia, Alakshmi, and The Kaijudo Masters.

Selene Emperyous: Selena, your brother's gone too far once again.

Camie Elextor: We know, he's a leech who thrives on causing chaos and destruction, he's still insane and a monster.

Lincoln: We'll make sure The Choten dies here and now. But, we got to watch it, once we engage The Choten, Sebastian will show up as well to attack us. But, we'll send him flying back to Transylvania!

Lincoln and his harem went back to sleep, but this means we're in for some big trouble. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Suddenly, The Light Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Spotlight: Ooh, The Light Symbol's glowing.

Crash Bandicoot: The final Sword of The Skylanders has revealed itself.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Light Realm to find The Sword of The Light

Skylanders.

Nico: Awesome.

Lincoln: Perfect. Guys, you might want to hold onto your seats for this one. Last night, I had a dream and my dream took took me to San Campion, but as I was flying, I sensed and saw trouble was brewing and he knew that it's Sebastian because of the black and red skies, and I saw the hieroglyph matching Apophis, The Egyptian God of Chaos, in the sky as well. But, then, I saw a familiar figure in the distance, and when I zoomed in, I saw it was none other than The Choten, he's freed him from The Warp to attack The Light, Water, Darkness, Fire, and Nature Civilizations.

WE GASPED IN HORROR!

Nico: He did what?!

Me: What the Hell?! (GROWLS) That Sebastian's an absolute pile of garbage to do something like that.

Qin: We've seen him pull a lot of stunts in the past, but freeing The Choten, that ultimately did it! We are sending him right back to Transylvania, that'll be our way of saying we're permanently done with him and his insane madness.

Nico: Great idea. I've had it with his madness as well, this is where our "friendship" with him ends for good.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Wendy Sauron, Flower Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Wendy.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Wendy Sauron, Flower Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Flowers. She's The Flower Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Wendy Sauron hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Renee Sauron, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and flowers, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like Camie...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Selena knew her brother went too far, and that was also another reason why he got sent to that maximum security insane asylum, he was too insane and too monstrous. We had no idea that he was that insane and monstrous, but when he committed that betrayal in Helen Wendova's wedding all those years ago, that was when we decided to cut all ties with him.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste dump he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The next Hunter of The Nightflame Sun we're meeting tomorrow morning is Varie Yulinova, The Water Mage of Darkness.

Lily: She not only uses Divine Darkness, but also, water as well. But, the water she uses is The Dark Water of The Underworld, an endless reservoir of black water that's said to carry the cries of the souls of those dragged down into its murky depths: the souls of the damned.

Maria: (GULPS) That's...really really dark.

Lincoln: Unlike with The Glowing Water of Coventina that has purifying power, The Dark Water of The Underworld has the power to corrupt anyone who drinks it, and only The Glowing Water of Coventina has the power to free someone corrupted by The Dark Water of The Underworld.

Camie: And how do you know about it?

Lincoln brought out a victim that was corrupted by The Dark Water of The Underworld: his eyes were black with red irises and his hair was black as tar. Then, Lincoln formed and fired a stream of glowing water which freed the person from The Dark Water of The Underworld.

Maria: Wow, that's awesome. (Realizes something) Wait a second, having the same powers over The Glowing Water of Coventina just like Lily, that's almost impossible. Wait, does this mean one of your Guardian Angels is...?

But, Luna covered her mouth.

Luna: Dude, spoiler alert!

Lily: That'll be told for another time when Lincoln's ready.

Lincoln: Thank you, Luna and Lily. Now, let's finish breakfast and head out to The Sensei Light Realm and hunt down not only the next villain we're going after.

Nico: But also, Sergio's thugs.

Ink Rose woke up and saw Zubat starring at her

Zubat: Morning Ink!

Ink Rose: Morning Zubat.

Zubat: Time for breakfast. We're having blood sausages and gravy.

Ink Rose: My favorite.

ZOOM!

She went and got dressed and went to the table and she was hungry.

We then finished our breakfast, and we set out to The Sensei Light Realm, so Princess Celestia can remove The Sword of The Light Skylanders, and there, we hunt down the next villain there and take him down and send him and Sergio's thugs to The Black Abyss.

Me: Wow! The Light Sensei Realm.

Qin: Much better than the Dark Realm.

Luan: It's Illuminatingly Amazing! (LAUGHS) Get it?

We laughed at her joke!

Me: (LAUGHS) Good one!

Ymir: (LAUGHS) That was funny.

Eddy: (LAUGHS) That was a good one!

Qin: It sure was.

Chill Penguin: Always love good jokes.

Xenia: Yeah.

Nico: Chill Penguin, I want to thank you, Kureon and your teams for coming

Chill Penguin: No problem Nico. This will be so fun.

Xenia: It sure will.

Chloe Morgan: I am always up for this.

Me: Me too Chloe. I'm glad I helped save you from Goethe. I killed that monster and made him pay.

Nico: Good riddance.

Eli: Yeah.

Maria: Are you happy about that?

Chloe Morgan: I sure am.

Me: He had it coming.

Ymir: Yeah no kidding.

Lola: What a jerk.

Nico: Yeah.

Horsea: Are you glad to be with us?

Chloe Morgan: I sure am. Better than back home.

Qin: I don't blame you.

Me: Yeah. WOOHOO! MAN Yesterday was so funny!

Lola: It sure was! WOW!

Gwen: It sure was! Heather is now the most HATED Pariah in all of Canada.

Me: She sure is!

Nico: That's one Sore Loser down

Me: Yep. We have a few more left.

Xenia: Cool.

Lynn: I have some nasty surprises for Eva.

Me: Looking forward to them Lynn.

Gwen: My Akuma looked super cool.

Me: She sure did. A Dark Angel of Karma.

Manaphy: What else was in Heather's diary?

Me: Loads of homicidal thoughts about many things so horrible I don't want to say it.

Manaphy: Oh.

Laney: But man Heather turned REALLY Green when she was forced to watch Blood and Honey.

Me: She sure did! And she threw up all over the place!

Poromon: LOOK AT IT! Sorry force of habit. But that was funny.

Me: It sure was.

Poromon: We get credit for that!

Me: You sure do.

Gwen: We made Heather the ultimate outcast and laughingstock.

Xenia: Yep.

Qin: And now she is a permanent resident of the Xaikora prison.

Lola: Yeah.

Nico: Good riddance.

We walked around the Light Sensei Realm.

Nico: How bright is it here?

Me: It's all mostly like a puzzle. But this is also the realm where the Core of Light is from.

Camie: Yeah.

Lincoln: Okay, guys, we're in for a brutal battle, we're here in The Sensei Light Realm in The Skylands, and we're here to get The Sword of The Light Skylanders for Princess Celestia, but here's the villain we're going after: the villain we're going after is none other than our old enemy, Andross, he's back from the dead and he's still out for revenge on us, and he also has Pigma and Andrew with him.

WE GASPED!

The rest of the team is with us and so was The Star Fox Crew.

Me: What?! Andross is back?!

Nico: Damn, this just got really brutal.

Lincoln: Don't worry, guys. We're going to battle him not as a disembodied head and hands, but back in his normal form before he did all those terrible experiments. In his original form, he's going to be easy to take down. Plus, he won't have all those powers.

Fox: That's a relief.

Krystal: (British Accent) That's for sure.

Lincoln: And we're going to throw him in The Corneria Maximum Security Prison and have him rot, but if he behaves himself, we'll have him in the M.O.E., but as for Pigma and Andrew, those two are off to The Black Abyss.

Falco: That's just what we're going to do to Pigma.

Fox: What he did betraying my father, that still carries a scar with me, and I intend to make him pay along with Andrew.

Lincoln: We'll use your Final Smashes on Andross, Pigma, and Andrew, only it'll knock Andross out, but for Pigma and Andrew, you guys are going to go wild and hit him with everything you got.

Me: Now, you're talking, Lincoln! I like it!

Nico: Me too! We're gonna go wild and send those two bastards straight to The Black Abyss! Let's get them!

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Ra's from from Neo Gotham City, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio

Lincoln: Tell us about it. Now, get The Sword of The Light Skylanders and hunt down Andross, Pigma, and Andrew.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle

mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Andross, Pigma, and Andrew) AHA! There you are, you bastards! I spotted Andross, Pigma, and Andrew! They're 20 yards away and they are out for our heads!

Nico: Let's get The Sword of The Light Skylanders and hunt them down!

We took off into the air to help Princess Celestia get The Sword of The Light Skylanders and take down Andross and send him to The Corneria Security Prison and send Pigma and Andrew to The Black Abyss along with Sergio's thugs.

We were flying in the air, and we saw our target: The Sword of The Light Skylanders, it's a golden yellow sword with the symbol of The Light Skylanders embedded in the crossguard and a blade with the aurora reflecting on it.

Lincoln: There it is.

We landed, and Princess Celestia removed The Sword of The Light Skylanders from its pedestal, and aurora light shot out of the sword and it landed, and what stood in its place was a girl with white hair, purple eyes, massive white angel wings, white clothes, she has the Light Skylander symbol on her forehead, right arm, and white skirt, a Light Elemental Necklace and a Light Elemental Sword with the symbol of The Light Skylanders embedded in the crossguard and a blade with the aurora reflecting on it.

Lincoln: (GASPS) Celeste Dawnlight, Avatar of The Light Skylanders.

Crash Bandicoot: The Light Master of The Avatars of The Skylander Elements and Governor of Light, I knew it was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Celeste Dawnlight, Avatar of The Light Skylanders, she's Lincoln's Guardian Angel from The Light Sensei Realm and she's the Avatar and Embodiment of all the Light Skylanders and a master of light, rainbows, the sun and daylight and the light of the Aurora. She's the Light Master of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of light, rainbows, the sun and daylight and the light of the Aurora, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful light greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to blind them all with the intense light of 100,000,000 suns and make them permanently blind.

Me: Wow.

Crash Bandicoot: I've seen her use the powers of the forces of light, rainbows, the sun and daylight and the light of the Aurora, and she not only trained Lincoln, but she also trained Luan as well and her powers grew even stronger as well.

Lincoln: Yep. Watch this.

Lincoln fired blasts of light, rainbows, the sun and daylight, and the light of the Aurora right at an incoming group of Light Spell Punks, and then...!

KRABOOM!

The blasts exploded and The Light Spell Punks got hit and their power was sucked out of them and went into Lincoln and they vanished.

Nico: (WHISTLES)

Lincoln: And being born with all the powers of Amaterasu, The Sun Goddess and the powers of light and purification, Celeste's training really intensified and increased my powers of light to an incredible degree, and I can easily detect someone corrupted by darkness and purify them of it.

Suddenly, we saw a group of thugs corrupted by the infernal darkness of Sebastian heading right for us, and Lincoln formed a massive ball of aurora and light energy and he fired it at the thugs and once it hit them, it exploded with incredible power and removed Sebastian's dark influence from them, but they got chained up and sent to prison.

Me: (WHISTLES)

Nico: Impressive. (YELLS OUT LOUD) HAH! NICE TRY, SEBASTIAN!

SUDDENLY, WE HEARD SEBASTIAN'S DEMONIC ROAR OF PURE ANGER!

Eli: (Growls) This guy is really pissing us off with those crazy plans he's hatching to try and kill us.

Lincoln: Leave him, Eli. He can keep acting like a bastard for all I care, once all The Hunters of The Nightflame Sun are with us once more, we're gonna kill him and the rest of The Order of The Dark Universe and end Sebastian's reign of terror forever. Now, let's go find Andross and take him down and send him to The Corneria Maximum Security Prison and send Andrew and Pigma to The Black Abyss.

Nico: And when Sergio's thugs show up, we'll be meeting another of Sly's cousins.

Sly Cooper: That's for sure.

Then we heard barking.

Taranee: What the?

Then something jumped on her and licked her all over. It was a Growlithe!

Me: Cool a Growlithe!

She was laughing as she was being licked.

Me: That is funny.

James: Just like me!

Me: Yep. Looks like Growlie has a little playmate.

Ymir: Growlie?

Me: James has a Growlithe too and he named him Growlie.

James: That's right. I don't like talking about my past much.

Ymir: Why?

Me: Mostly because of James's rich life.

James: You can tell them.

Me: Okay. James came from a very rich family and he was arranged to be married to a crazy woman named Jessebelle. She looked like a twin sister of Jessie when we first met her. She tried to reform James into a perfect gentleman. He ran away from home as a result. And he joined Team Rocket.

Lola: Yeah and she tried to come after him numerous times in the past.

Me: But we made it very clear to Jessebelle that if she wanted to get to James she would have to get through us and that is NOT going to be easy. It's like taking on the entire universe.

Ymir: Oh man I see what you mean.

Me: Yep.

Taranee: Okay okay. You hungry?

Growlithe: I sure am. Got any food?

Taranee gave her food and she loved it

Ymir: Is James that wealthy?

Me: You wouldn't believe the size of the house he lived in. His family is worth billions maybe trillions of dollars!

Ymir: Wow!

Me: I know. We were shocked too.

Nico: Yep.

Ace: Jessebelle should get a restraining order

Me: That is what we should have thought about the first time. But yeah.

James: I guess the thought never crossed me.

Me: Yeah.

Moonlight Tsunami: I would be glad to put her in her place.

Me: Good idea Moonlight.

Taranee: Wanna come with us?

Growlithe: I would be honored.

Me: Awesome!

Poliwag: YAY!

Me: Yep.

Qin: Uh guys look!

We saw a HUGE FIGURE and it was a WAILORD!

Me: WHOA MAN! A Wailord!

Nico: How'd that get there?!

Me: No idea!

Shaggy: Like let me see here.

Shaggy used Telepathy and then...

Shaggy: ZOINKS! It's Sugie!

Allie Wilde: Little Sugie!? Oh man!

Me: Your little sister?! Dark Gale must've gotten to her!

Shaggy: Like lets help her!

Me and Shaggy went to face her.

Shaggy: Sugie like it's me Shaggy!

All she did was eat Horsea

Horsea: HEY! I'm not on the menu!

She opened her mouth and Horsea ran out.

Me: That is a big maw! Lets do this the hard way!

We fired waves of lightning and blasted her. Then I snapped my fingers and she reverted back and had blond hair and blue eyes and had Wailord in the middle of her forehead and had blue angel wings and had a cutie mark of a pizza with a pyramid of burgers in front of it on her arm and we wrapped her in a blanket and brought her over.

Me: Wow! Big one.

Maria: You alright Horsea?

Horsea: I will be okay.

Me: Sugie sure grew. She had a growth spurt.

Shaggy: Like yeah she sure did.

Me: Boy last time we saw her she was just a toddler.

Allie Wilde: Feels like forever.

Me: I know.

She woke up to see Horsea's stern gaze.

Sugie: Huh? ZOINKS! Like what hit me.

Me: She has your phrases Shaggy.

Horsea: You ate me!

Sugie: Oh sorry.

Me: Been a while Sugie.

Sugie: J.D.? Wow! Awesome to see you. Allie? Daphne, Velma, Freddy and Scooby! Wow!

Velma: It's good you're alright.

Sugie: Bro!

They hugged.

Shaggy: Like it's good you're okay.

Sugie: Me too.

Me: You were turned into a Wailord by Dark Gale.

Sugie: Oh man! I was just eating my lunch at school when that happened.

Sonya: Sugie is too young to be with us.

Me: That's good she didn't join you Sonya.

Nico: So another one not with Dark Gale.

Me: Yep.

Nico: What do you like to do in your free time?

Sugie: Like eating my favorite foods and being scared of monsters.

Me: Oh really?

Eustace: How about this then? (Gets out mask) OOOGA BOOGA BOOGA!

Sugie screamed in fright!

Eustace: HO HA HA HA!

KRABLAM!

Eustace got bashed on his head with a rolling pin by Francesca.

Eustace: OW! What did I Do?!

Poromon showed her pictures of Officer X, Fifi, Phantom, and Shaw

Sugie: Officer X, Fifi, Phantom the Pirate and Shaw.

Me: Not scared of them?

Sugie: Like nope.

Me: How about these then?

I made clones of Gator Ghoul, Jaguaro, Iron Face, Creeper and the Tar Monster!

Sugie: ZOINKS!

Shaggy: (LAUGHS) Like Sugie is scared of monsters like me.

Scooby Doo: (LAUGHS) Reah and me.

Me: Funny. Now for the fun test.

Mary and Nicole brought in a huge pizza!

Horsea showed her a picture of Blood and Honey, Were-Poromon, and the Haunted Car

Sugie: ZOINKS!

She jumped into Shaggy's arms in fright.

Sugie: THOSE WERE SCARY!

Me: What you saw were Blood and Honey, Were-Poromon and the Haunted Car.

Sugie: (COWARDLY WHIMPERING)

Shaggy: (LAUGHS) Sugie you are turning into a coward like me.

Courage: She is definitely like you Shaggy.

Me: Yep.

Nicole: How about eating a huge pizza too?

Mary: Yeah.

Rarity: First lets get her some new clothes darlings.

The fashion brigade gave her amazing new blue clothes and a Pizza Magisword.

Sugie: I look like awesome!

Me: You sure do.

Sugie: Here we go!

She went and ATE THAT WHOLE PIZZA!

CHOMPING AND EATING!

She ate the whole thing!

Sugie: Ahh! (LOUD BELCH)

We laughed!

Me: Yep she has your appetite Shaggy.

Shaggy: (LAUGHS) Like no doubt there!

Qin: Yep.

Allie Wilde: Looks like we're going to have 3 chickens.

Erica: Means more for me to drag. (LAUGHS)

Lola: Yeah!

Horsea: What's with me being eaten lately!?

Eddy: Well don't look at me! I didn't write this script.

Nico: Okay lets find Andross, Pigma and Andrew. I got a few choice words for that disgraceful porkchop!

Nicole: Lets also call in Wolf, Leon and Panther. I'm sure they want to have some words for their former comrades too.

Nico: Good idea!

We did so.

Wolf: We are ready.

Leon: This will be good.

Panther: It sure will.

We then took off into the air to find and take down Andross and send him to The Corneria Maximum Security Prison to rot for his crimes and send Pigma and Andrew along with Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our targets: ANDROSS, THE MAD SCIENTIST AND ENEMY OF STAR FOX, PIGMA DENGAR, THE MURDERER OF JAMES MCCLOUD AND TRAITOR TO STAR FOX, AND ANDREW OIKENNY, THE POWERHUNGRY EVIL NEPHEW OF ANDROSS!

Andross: Damn that Star Fox and Team Loud Phoenix Storm. Well, once I have that sword in my hands, I will exact my revenge on them!

?: Oh, shut up already!

Suddenly, the spirits of Star Fox appeared from nowhere and they attacked Andross, Pigma, and Andrew with unbelievable fury, and then, the spirits converged, and then, a massive tornado of energy erupted with the Star Fox Insignia on it and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, Fox McCloud, James McCloud, Krystal, Peppy, Slippy, Falco, Kat Monroe, and Bill Grey appeared along with us.

Andross: So, you're here, now I can get my revenge on you and all of Team Loud Phoenix Storm at long last, Star Fox.

Pigma: You all humiliated us for the last time! Now, you're all going to die a horrible death at long last!

Andrew: The entire galaxy will finally bow before Andross at long last!

?: (Irish Accent) That shall not happen, Andross! You, Pigma, and Andrew will pay for all your crimes!

Lincoln: (GASPS) T-that voice. It's her!

Suddenly, we saw a massive phoenix with flames surrounding its massive wings appear and it fired blasts of intense fire at Andross, Pigma, and Andrew and they got burned severely. Then, the phoenix turned into a vortex of intense fire, and as it faded, what stood in its place was a beautiful girl with the body of a goddess and large breasts, glowing heart of fire, crimson red hair, crimson red eyes, the phoenix on her forehead, right arm, orange skirt, and crimson red sleeveless crop top, massive phoenix wings and phoenix tail feathers, orange vest, red pants, red legwarmers, red sneakers, and she has an awesome fire sword in hand.

Lincoln: (GASPS) Talia Houou Flameheart, The Immortal Phoenixheart!

Anna Anyanova: It's her...! Oh man, it's her! The oldest and strongest of Lincoln's Guardian Angels!

Me: Whoa, her power's really incredible!

Nico: No fooling! She's intense, and you know her?

Lincoln: Indeed I do, guys.

Anna Anyanova: And so do we. Everyone, this is Talia Houou Flameheart, The Immortal Phoenixheart, she's Lincoln's Guardian Angel from Ireland and she's one of the most powerful Guardian Angels with a truly incredible story. 7,770 years ago in Ireland, Talia was born into a tribe hidden in the lands of the Celts and their closest friends were Phoenixes and Dragons. But, when Talia was a baby, she was dying and her mother and father made a VERY RISKY AND DANGEROUS decision. They went to the forest and asked a Phoenix to help her. The Phoenix used a very powerful and long forgotten magical ritual called Phoenixheart Transmigration, it merged The Phoenix with her along with the spirits and lives of her parents and the Phoenix and made her heart glow bright with intense fire. As a result, she now has intense fire powers, phoenix wings, and has phoenix tail feathers and has amazing powers over immortality, resurrection, reincarnation, rebirth, and renewal. Talia became a mighty and noble warrior and learned the ways of warriors all over the world and became an amazing force of good and she even aided in some of the greatest of all battles in all of history. In 2016 over 7,000 years later, she was then spoken to about a helpless boy from the Heavens that was in danger by a dark monster that was ruining and destroying his family. She quickly answered the call and came to Michigan to help that boy, that boy's name is Lincoln Loud and she was chosen to be one of his Guardian Angels. She vowed to protect Lincoln no matter what and vowed to make all his enemies suffer. She also has the power to help Lincoln destroy the monster that she was spoken to about from the Heavens, and that monster's name was Dark Chase Young, the 1,500-year-old Immortal Draconic Nightmare and make sure he pays for over 400 years of pain and suffering to his family. She also taught him everything about mastering the powers of intense fire, immortality, resurrection, reincarnation, rebirth, and renewal, and as a result of it, Lincoln gained the powers of intense fire, immortality, resurrection, reincarnation, rebirth, and renewal, along with the amazing powers of The Immortal Phoenix and The Dragon.

WE GASPED!

Nico: WHOA! That's one intense story!

J.D. 2: I'd heard about The Phoenixheart Transmigration myself, as you said, this was a very powerful and forgotten magical ritual and it was very risky and dangerous. The ritual succeeded, but it led to the spirits and lives of her parents and The Phoenix merging with her.

Me: They took the risk to save her, and her parents became one with her.

Talia Houou Phoenixheart: (Irish Accent) That's right. I swore to honor my parents along with my clan by fighting to protect the innocent and I also swore to defend Lincoln not only from his enemies, but also, to destroy the monster responsible for trying to destroy him and his family.

Nico: Believe us, we all want to destroy Dark Chase Young. On

Lincoln's final Ambassador Mission with Ultraman Geed, Lincoln and the rest of his Guardian Angels and all of us destroyed Dark Chase Young and banished him to The Warp until Kimiko's big day. When that day comes, we're going to end that monster once and for all and bring this whole nightmare Lincoln and his family had to suffer through for over 400 years to a permanent end.

We looked at the three.

Me: Long time no punch Andross!

Wolf: Hello Pigma and Andrew.

They laughed.

Me: You know Andross you look much better this way. Being a Disembodied head with just hands really creeped me out!

Andross: If it pleases you.

Me: I don't get you Andross. What happened to you that lead you to become like this? What lead you to become mad with power and become this way?

Andross: Well you do have a right to know. I was made a good offer.

Me: By whom? Was it Chase Young?

Andross: Actually YES it was.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: What did he offer in exchange?

Andross: To build biotechnological weapons in exchange for ultimate power to Rule the Lylat System.

Me: Well you know that he was never going to live up to his end of the bargain!

Nico put his skeleton back!

Nico: I hate it when that happens! But I did not see that coming!

Wolf: Me neither!

Fox McCloud: So that's why you became so powerhungry and all that!

Krystal: (British Accent) That is unexpected!

Me: General Pepper is gonna flip when he hears about this! Looks like Dark Chase Young has made an official enemy of the Lylat System!

Nico: Yep!

Andross: Indeed.

Me: Did he promise the same things to you Pigma and Andrew?

Pigma: No I just liked working for the money!

Andrew: And because I love my uncle.

Me: (Sarcastically) Well isn't that sweet.

Nico: I always knew you were a scumbag Pigma! Now lets dance!

Growlithe charged at them and blasted them with fire!

Nico teleported and punched Pigma down and kicked him!

Fox blasted Andross all over!

I fired laser blasts and blasted Andross.

Kevin Reynolds got out his Gashat.

Kevin: Lets make this fun and cool!

He activated it.

Wolf: Gladly! You'll be seeing your father soon Fox.

Kevin and Wolf: CORNERIA RETRIBUTION BLAST!

They fired waves of energy and blasted the three of them.

Me: Dark Chase Young just continues to piss us off every single fucking day!

Qin: Me too!

Ymir: Same here!

Me: But Andross we had fun battling you the first time. We lived the entire Star Fox Game and the Lylat Wars and had fun battling your forces.

Qin: That always is fun.

Camie: it sure was! I heard all about that and it was cool!

Lola: It sure was!

Ymir: Yeah.

Andross: Always glad you have fun on those.

Me: Thanks.

Nicole: And I had fun on Sauria too.

Flora got out her Gashat.

Flora: We had a lot of fun on that one.

She activated it.

Leon Powalski: It was really enjoyable there.

Flora and Leon: KATINA FORCE BURST OF NATURE!

They fired waves of energy and blasted the three of them all over.

Alexis got out her Gashat!

Alexis: And also thanks to you Andross, you brought Fox and Krystal together as a couple.

Me: It's true.

She activated it.

Panther: Ah my fair flower has found a true love. (PURRS)

Krystal: And I'm happy with it thank you.

Alexis and Panther: FICHINA ICE AGE BLAST!

They fired waves of energy and ice and blasted them all over!

Me: YEAH!

Carol got out her Gashat.

Carol: What Dark Chase Young is doing to everyone is making us more angry by the second!

She activated it!

James McCloud: That is for sure and we're not going to let that monster get away with it.

Me: Big time!

Carol and James McCloud: ZONESS FURY BLAST!

They fired waves of energy and blasted the three of all over the place

Pigma: (SCARED) WAIT JAMES!? YOU'RE ALIVE!?

James McCloud: Surprised to see me old friend?

Me: What's the matter Pigma? You look like you've seen a ghost.

James McCloud: Well news flash. I'm alive again.

Me: And you have me to thank for it!

Nico: You sure do!

Carol: That is for sure!

?: Let me help you all!

Out came General Pepper!

Me: General Pepper! We were just about to call you.

General Pepper: I felt Andross's Presense all the way from Corneria and thought I could help you all.

Me: Thank goodness you did. We just found out some terrible news. (To Andross, Pigma and Andrew) One sec.

We told Pepper everything!

General Pepper: (SHOCKED) So Dark Chase Young was responsible for Andross turning into what he was!? This is a most terrible revelation! Then it looks like the Lylat System has Dark Chase Young as our enemy too!

Me: That's right!

Carol: Anyway lets do this too.

General Pepper: Gladly!

Carol and General Pepper: TITANIA JUNK STORM!

They fired waves of metal and energy and smashed them down.

Me: Also that was fitting because remember it was Pepper that exiled you to Venom.

Andross: True.

Nicole: Strange thing we found out is that Venom in Star Fox 64 it was a poisonous planet whereas in Star Fox Zero that one was an artificial planet in another dimension.

Nico: WHOA! Huge difference.

Armada Jetfire: (Australian Accent) Yeah no kidding mates.

Carol: Crazy.

Carol and Armada Jetfire: JET FURY KAIJU BLAST!

They fired waves of lasers and energy and blasted the three of them all over.

Rocket got out his Gashat.

Rocket: This is gonna be good!

He activated it.

Groot: I AM GROOT!

Rocket and Groot: ROCKET ROOT BLAST!

They fired waves of energy and leaves and blasted the three of them all over the place.

Xenia: YEAH!

Me: One of these days we need to build a translator for Groot.

Rocket: Yeah that would be reasonable for Groot for you guys.

Me: Yeah I agree.

Armada Red Alert: That is for sure.

Rocket and Armada Red Alert: RED ROCKET BLAST STORM!

They fired waves of rockets and energy and blasted the three of them all over.

Randy got out his Gashat.

Randy: Time for some pain and fun!

Randy activated it.

Armada Blurr: With intense speed!

Randy and Armada Blurr: SPEEDING NINJA RUNNER!

They drove and ran and smashed them down with intense force!

Qin: YEAH!

Ed Grant got out his Gashat.

Ed Grant: This will be fun.

He activated it.

Armada Smokescreen: I'm ready for this one too.

Ed Grant and Armada Smokescreen: CANNON SMASHER STORM!

They fired waves of energy and blasted the three of them all over.

Me: Remember this Andross? NIGHTMARE STYLE NINJA ART: BRAINSTORM OF ANDROSS!

I formed a dark mass and it formed into ANDROSS'S BRAIN AND EYES!

Me: Only I Have the Brains to Rule Lylat!

Nico: WHOA!

Me: That part always scared me bad!

I had it fired energy and blast waves.

Nico: That is horrifying!

Ash got out his Gashat.

Ash: That was a tough one though!

He activated it.

Armada Starscream: Lets see you like this!

Ash and Armada Starscream: STARSTORM NAIL LASER!

They fired waves of energy and lightning and blasted them all over the place!

Me: Hey Pigma! You know what the scariest version of you was that we saw?

Pigma: What!?

Me: THIS! NIGHTMARE STYLE NINJA ART: TERROR OF THE CYBERNETIC INSECT PIG!

I fired waves of darkness and it formed into APAROID PIGMA!

Nico: OH! MY! GOD!

Aparoid Pigma: (HAUNTING VOICE) Do not resist us. You will join us!

It fired waves of energy and blasted the three of them all over the place!

Nico: WHOA! That was clever!

Pigma: (LOUD FART!)

Me: Real nice!

Nico: Must've brought back a terrible memory from that!

Me: I don't blame you Pigma. But the Aparoids are all dead! We destroyed them all.

Nico: Yep.

Hawkeye got out his Gashat.

Hawkeye: That was the reaction I was expecting from him.

He activated it.

Armada Cyclonis: Lets do it!

Hawkeye and Armada Cyclonis: HELICOPTER ARROW BARRAGE!

They fired waves of arrows and energy and blasted them all over.

Tristan got out his Gashat.

Tristan: This is gonna be good.

He activated it.

Armada Demolishor: Lets smash!

Tristan and Armaa Demolishor: LASERS OF CYBER BLAST!

They fired waves of energy and lasers and blasted them.

Me: Here's one of my favorites from Star Fox Adventures. EXPLOSION STYLE NINJA ART: ANDROSS KAMIKAZE EXPLOSION!

I fired a beam of energy and it hit the three and trapped them in a ball of energy and it formed into Andross from Star Fox Adventures!

Me: IF I GO DOWN I'M TAKING YOU WITH ME!

Then...

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF INTENSE POWER!

HE EXPLODED!

When the smoke cleared, the three of them landed and were burned to a crisp!

Me: OUCH!

Xenia: That must've hurt!

Nico: Nice use of Andross's kamikaze line!

Me: Barbecued monkey and pork. Nice!

Sugie: Like, Like old times bro?

Shaggy: Like yeah lets do it!

Sugie and Shaggy: COWARDS AND PIZZA BARRAGE!

They fired pizzas and energy blasts and blasted the three of them all over.

Nico: Nice one!

Me: Yeah! Also it's good that I used something else than Nightmare Style for a change.

Poromon pecked them.

MULTIPLE PECKS!

Poromon: Take this! (ECHOING) LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted them all over.

Poliwag slapped them with his tail all over.

Manaphy bashed them all over.

Horsea squirted ink into their eyes.

Hippowdon: CANNONBALL!

He smashed onto their backs with a smashing belly flop.

Me: Take that!

Pigma: HEY NICO YOU ARE AN UGLY FATASS!

WE GASPED!

Me: UH OH!

HE JUST PUT HIMSELF MILES DOWN SHIT CREEK!

Nico: YOU DID NOT JUST SAY THAT!

Pigma: WELL I JUST DID YOU UGLY FATASS FREAK!

NICO THEN GROWLED AND ROARED EXPLOSIVELY AND THEN JUMPED HIM AND PULVERIZED AND SMASHED HIM IN A BRUTAL FIGHT CLOUD!

SMASH WHAM BAM BASH WHOMP BOP BAP POW BIFF KROW CHOMP THWACK KATOW ZONK SMACK!

Nico: I'M GOING TO FUCKING SKIN YOU ALIVE!

NICO REALLY SMASHED AND PULVERIZED PIGMA BRUTALLY!

Horsea squirted ink and drenched Andrew.

NICO REALLY SMASHED HIS FUCKING BRAINS OUT!

Me: All right Nico let him go we got to finish this.

Nico just continued to bash and pulverize him!

Me: HEY NICO! STOP IT! THAT'S AN ORDER!

But Nico wouldn't stop!

Eli: Allow me.

Eli went over and grabbed Nico and Pigma.

Eli: Pardon me you two but I must discipline the nannygoats!

KRABLAM!

He bashed both their heads together!

Eli: When J.D. says stop he says stop!

Nico: Sorry...

Me: Thank goodness it wasn't me.

Pigma had a NASTY LUMP on his head.

Suddenly, Lincoln pinned Talia Houou Phoenixheart to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Talia Houou Phoenixheart's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Talia Houou Phoenixheart with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up. Suddenly, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely, and he formed and fired a massive ball of intense fire and lava that hit Andross, Pigma, and Andrew, and they got burned badly.

Me: WOW!

Nico: Intense!

Sunset Shimmer: Okay, now that was really awesome!

Lincoln: We've had it with you, Andross, Pigma, and Andrew, this is where we end your pathetic lives here and now. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

Sergio Thug: We'll see about that!

But then...

WHOOSH!

A figure swooped in and swiped their loot!

Sergio Thug: What the?! Our loot!

?: Not anymore eh.

Lincoln: I knew it was you next Arianna Logan Cooper!

We saw the next member of the International Clan of the Coopers, Arianna Logan Cooper!

Arianna Logan Cooper: Great to see you Lincoln eh.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Arianna Logan Cooper, The Stalker of The Canadian Mountain Wilderness of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Canada and she's also an amazing master of the forest and nature and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Canada and she helped him on lots of dangerous jobs. She's known as The Stalker of The Canadian Mountain Wilderness because she uses the trees and the locations of the wilderness to sneak up and steal from criminals. She destroyed lots of evil lumber camps and stole all their valuables. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Arianna came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of nature and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Arianna Logan Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: Pleasure to meet you.

Arianna Logan Cooper: Same here eh.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with the Star Fox insignia appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Andross, Pigma, and Andrew, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on them.

Andross, Pigma, and Andrew: YOU! YOU! I WILL KILL YOU FOR THIS!

Caleb Maxwell: Oh, shut the Hell up already!

Caleb Maxwell raised his guns and he proceeded to fire at Andross, Pigma, and Andrew, and they all screamed in agony. When the smoke cleared and the dust settled, Andross, Pigma, and Andrew were all in excruciating pain after Caleb riddled them with bullets!

Me: (GASPS) HE TURNED THEM INTO SWISS CHEESE!

Roxy Drake: Okay, now this is really getting ugly. We better take them down at once and send Pigma and Andrew to The Black Abyss before Caleb tries to also send Andross to The Black Abyss!

DRAGON SPIRIT BLAST!

Lincoln fired a powerful Spirit Bomb style attack at Pigma Dengar and Andrew Oikenny and the blast explodes with incredible power incinerating and killing Pigma Dengar and Andrew Oikenny and he sent those two to The Black Abyss forever, and this horrified Andross.

Lynn: AND THEY'RE OUT!

We cheered as we holstered our weapons and we powered down, and Princess Celestia's new body, clothes, weapons, jewelry, Third Eye, longer light white horn and longer aurora-colored tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large white and golden yellow planets orbiting around her legs, twenty-five smaller white and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized white and golden yellow planets orbiting around her wrists and ankles, and massive white angel wings and eleven sets of large white angel wings underneath her massive white angel wings are permanent and the new bodies, clothes, jewelry, accessories, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large thirty-five colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, Third Eyes, and massive colored angel wings and twenty and fifteen sets of large colored angel wings underneath the massive colored angel wings of Fox McCloud, Krystal, Peppy, Slippy, Falco, Katt Monroe, and Bill Grey are permanent.

Peppy Hare: It's finally over.

James McCloud: That it is, old friend.

Bill Grey: Alright, now to get you to prison for good, Andross.

Lincoln: Let me, Bill.

Lincoln typed on his wrist computer and sent out a signal. Just then, a Corneria Army ship arrived and two officers came out.

Officer: Excellent work, guys. We saw the fight from Corneria, that was really amazing. Alright, now to get you to prison, Andross.

The officers grabbed Andross and they took him onboard, and it left for Corneria. Andross was found guilty for all of his crimes and was sentenced to Life in The Corneria Super Maximum Security Prison where he will rot, but if he behaves himself, he'll be sent to The M.O.E., but not anytime soon.

Eli: How did you learn how to send a signal to The Corneria Army, Lincoln?

Falco: After we took down Andross years ago, Lincoln learned how to send a signal to The Corneria Army by using a wrist computer prototype Lisa built, and it worked when we went some of Andross' men who were running loose on Sauria.

Fox: And we also provided more upgrades to his wrist computer, so that he can make a call to Star Fox in case we get word of any of our old enemies.

Me: (WHISTLES) And how come we didn't hear of that?

Nico: I think I know, it was a secret project Lincoln was working on along with Star Fox.

Lincoln: That's right, plus, we're also going to set up another meeting in the future with The Phantom Thieves of Hearts.

Nicole: We hadn't seen them since the jewelry robbery incident years ago. But, I can guess trouble's brewing again.

Lincoln: Especially with Kamoshida returning along with the other six Palace Rulers, Nicole, this is gonna be a rough battle in the future.

Suddenly, Lincoln pinned Celeste Dawnlight to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Celeste Dawnlight's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Celeste Dawnlight with aurora gems on the gold lightning bolts and aurora crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Celeste Dawnlight: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Horsea: Pigma and Andrew are no more!

Me: Good riddance!

Growlithe: Yeah!

Camie: Good riddance.

Ymir: Yeah no kidding!

General Pepper: I was also shocked that Dark Chase Young was responsible for all of this with Andross.

Me: No shit. Dark Chase Young just continues to piss us off every day.

Nico: Yep. Nice job Growlithe!

Growlithe: Thanks Nico. It was fun.

Poromon: Want some beer?

Growlithe: No thanks.

Then Growlithe gave Poliwag the Puppy Eyes!

Growlithe: Pwetty Pwease?

Poliwag: (SCREAMS) I AM HIT WITH THE PUPPY EYES!

WE LAUGHED!

Me: Poliwag got hit back with the Puppy eyes!

Nico: (LAUGHS) Yeah!

Me: You should know better than to hit a Puppy Pokemon with Puppy dog Eyes.

Nico: Yeah.

Horsea: Seriously though.

Poliwag: Yeah.

Nico: Okay guys that's enough.

Me: Still funny though.

Growlithe: Yeah.

Nico: What should we do later?

Me: I promised Lori that I would find her mother for her.

Nico: Fair enough.

Lori Mahogany: Yeah and we found her.

Me: Luckily I used the satellites to find her. She's on an uncharted island in these coordinates.

I pulled up a map.

It was at: Latitude: -10.426901 | Longitude: 155.05252

Nico: That's in the middle of the Solomon Sea.

Eli: Wow!

Chill Penguin: At least we know she is there.

Nico: Chill Penguin, what do you like to do in your free time?

Chill Penguin: Well I'm a waiter at the Iceberg Lounge. Penguin loves having me there.

Me: That's fitting and cool too.

Qin: It sure is.

Chloe Morgan: I agree there too.

Ymir: Yeah. That must be a fun place.

Me: Oh it is.

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way. Oh shit, and two of them are The Keyblade Knights of Terra from Dark Cloud 2 and Dreamlight Valley.

Mickey Mouse: Dreamlight Valley's Keyblade Knight is among the Anothers?

Emily Munroe: It sounds like it. If it's who I think it is, we're in for a huge reunion and you guys are going to like meeting her.

Lincoln: But, you're not gonna like this: it involves another incident with you-know-who.

Me: (GROWLS) Dark Chase Young!

Nico: What?! (GROWLS) That immortal draconic nightmare! How much darker and blacker are his sins?!

Me: I don't even want to know, but it just proves that he's still nothing more than a heartless piece of crap!

Lincoln: That's putting it mildly.

Nico: Yep.

Eli: Also there's Another Ink Rose too.

Ink Rose: Another me? Whoa!

Nico: Yep.

Me: So Kureon from Ryusoulger, Goobfather, Wiserue from Ryusoulger, Ice Serpent, Jack Frost (X-Squad Universe) and Infiniblue.

Qin: Yep and Chill Penguin and team are up.

Nico: There they are!

We saw Another Goobfather, Wiserue from Ryusoulger, Ice Serpent, Jack Frost (X-Squad Universe) and Infiniblue!

Me: WHOA!

Qin: This will be awesome!

Another Goobfather: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Deepsea Warrior, Robotic Knight, Judge Man, Jinzo and Nightmare Penguin!

Nico: (GASP) Geraldine Gansley, Nadine Nezbitt, Joanna Johnson, Leia Leichter and Callie Crump!

Mokuba: NO WAY! The daughters of the Big 5!?

Nadine Nezbitt: That's right Mokuba. Awesome to see you again.

Geraldine Gansley: And you too Seto sir.

Seto Kaiba: Good to see you all too.

Me: Wow! The gene-slammers of Deepsea Warrior, Robotic Knight, Judge Man, Jinzo and Nightmare Penguin! I had no idea the Big 5 were your fathers.

Joanna Johnson: We're more than just their daughters. We're a group of rebels.

Geraldine Gansley: We are called the Blue-Eyes Doom Dragons and we formed this group to bring down Gozaburo Kaiba and end his reign of terror forever after exposing his crimes to the world and make him pay for all his crimes by having justice brought to him. After seeing the atrocities he did we made a pact and that is to make sure Gozaburo suffers the ultimate penalty for his crimes times 100,000,000!

Me: WHOA! That is amazing!

Eli: It sure is.

Me: You have our support to help you bring him down.

Nico: Yeah!

Me: By the way girls are the Another Kureon and Ink Rose friendly or hostile?

Joanna Johnson: Friendly and awesome.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: (Turns Dial) TIE FORCE 6!

She summoned TIE Bomber, Nathan Garrett, Shaiapouf (X-Squad Universe), Menthuthuyoupi (X-Squad Universe), Neferpitou (X-Squad Universe) and Gustlovs!

Me: OH YEAH!

Nico: Now we wait.

Me: We don't have to wait long.

We saw Another Kureon and Ink Rose!

Me: WHOA!

Nico: There they are.

Another Kureon: This will be fun.

They reverted back and like Lincoln said, were the Keyblade Knights of Dark Cloud 2 and Dreamlight Valley!

Lincoln: Amelia Raybrandt III and Merlona Wizardheart! I knew it!

Amelia Raybrandt III: Awesome to see you Linky.

Me: Care to introduce us?

Anna Anyanova: Sure the blond hair girl is Amelia Raybrandt III, Keyblade Knight of Terra, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of the powers of time travel, magic of the elements, and the power of the sword, and she's also a deadly sword master and mage and she's a girl that's not to be messed with. She's also the archnemesis of the evil circus of Flotsam's Circus and she's also HATED BY FLOTSAM WITH A VICIOUS VENGEANCE! She and Flotsam have been at it for years and hate each other with a vengeance. But every time she always has come out on top and beat him and sent him running home crying to his mommy. She hates all of her mother and father's enemies with a merciless passion and vowed to destroy all of them. She's The Keyblade Knight of Terra from the world of Dark Cloud 2 and she's also the daughter of Max and Monica and the princess of The Raybrandt Family. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about mastering the powers of time travel, magic of the elements, the power of the sword, and she hates all of Lincoln's enemies with a vengeance and vowed to bring them to prison.

Me: WHOA!

Monica: Wow! Mine and Max's daughter!? (SQUEALS) So awesome!

Maximilian: Boy it sure is!

Anna Anyanova: Yep. And the white hair girl is Merlona Wizardheart, Keyblade Knight of Dreamlight Valley, she's Lincoln's Guardian Angel from England and his classmate in Math, but she's also the daughter of Merlin (Disney), and she's also a powerful sorceress and The Keyblade Knight of Dreamlight Valley. She has white hair with and pink clothing. She and Lincoln made houses for the legendary Disney and Pixar heroes and even made Remy's restaurant and even Tiana's restaurant popular. Of course, she, Emily Munroe, and even Lincoln kept even the Disney and Pixar villains in line in case they tried to cause trouble. Plus, Merlona even took Lincoln and his entire family to Dreamlight Valley, and she also placed a powerful spell that prevents Lincoln from ever losing his memories in case someone tried to mess with them. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in the powers of magic, light, the magic of Dreamlight Valley, and more which he mastered and gained. Lincoln made Merlona a blue and pink bikini, and to show thanks, she kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Merlona Wizardheart along with the rest of his harem. she hates all of Lincoln's enemies with a blazing passion and even Dark Chase Young as he once tried to attack Dreamlight Valley, but Lincoln, Emily Munroe, and Merlona fended him off easily and drove him back to his lair.

Me: WHOA! That accursed monster Dark Chase Young!

Laney: But that is amazing Monica and Max that Amelia is your daughter.

Monica: It sure is.

Amelia Raybrandt III: It sure is and I am glad to be with my family.

Amelia then geared up for a sneeze.

Me: Uh oh!

Same with Merlona.

Rainbow Dash: TAKE COVER!

We ducked and then...

AAAAACHOOOO!

THEY SNEEEZED AND OUT CAME A NASTY DELUGE OF GREEN SLIME AND IT DRENCHED THE AREA!

Me: OH SICK!

Nico: Gesundheit!

Amelia Raybrandt III: Comes with the Another. We sneeze snot and slime.

Kureon: Yuck! Just like me and my American counterpart.

Me: Yikes.

Nico: Who's your friend?

Another Ink Rose: Someone she knows.

Ink Rose: (GASP) That voice.

She reverted back and it was a girl that looked like a blond version of her with pink and green clothes.

Ink Rose: SPRING HONEY!

She and Ink Rose hugged.

Ink Rose: I'm so happy to see you sister.

Spring Honey: Me too sister.

Qin: Oh wow.

Nico: You know each other?

Ink Rose: She's my twin sister.

Spring Honey: I'm her opposite in style.

Me: Wow! One that's gothic and dark and the other is colorful and flamboyant.

Ink Rose: That's right.

Me: Cool!

Kaito: (gets out Gaoranger gear) Did Swartz promise you anything?

Zocks: (gets out Hurricaneger gear) Because we can grant it instead.

They got weapons for said teams.

Amelia Raybrandt III: No he didn't.

Merlona Wizardheart: Yeah because he feared us.

Me: I see.

Spring Honey: I made him get put into a Magic Mushrooms style hallucination and he looked like he was dancing in a field of flowers.

Me: OH BOY!

Nico: Terrible memories with Magic Mushrooms.

Then Amelia and Merlona geared up to sneeze and then...

AAAACHOOOOO!

They sneezed and drenched May in a massive deluge of green slime!

Me: OH YUCK!

Laney: Bless you!

Ace: Wait what did Nico mean by that?

Me: Well during the 20 Days of Darkness, Nico had Magic Mushrooms and used them to keep the Digimon Emperor inside his head at bay. He went through a terrible nightmare hallucination.

Nico: Yeah. Brian knows what I went through too.

Brian: Yeah it's true. And I learned a huge lesson back then.

Sougo: (gets out Wild Force Ridewatch) May, you're showering when we get back.

Geiz: (gets out Ninja Storm Ridewatch) To get the slime out.

Sougo got WildForceRedArmor while Geiz got NinjaStormRedArmor

May: You're right.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get it on!

Nico: (Gets out Kureon's ridewatch) Time to get slimed!

May: (Gets out Wiserue's Ridewatch) Lets bring the pain.

Maria: (Gets out Jack Frost (X-Squad's) Ridewatch) Merry Christmas motherfuckers!

Chloe Morgan: (Gets out Goobfather's ridewatch) I SCREAM FOR ICE CREAM!

They used the powers of Kureon from Ryusoulger, Goobfather, Wiserue from Ryusoulger, Ice Serpent, Jack Frost (X-Squad Universe) and Infiniblue and blasted and smashed the Anothers.

Then Ground Scaravich, Old Man Jenkins, Universe 666 Merasmus, Galacta Knight, Hela and Saix's Nobodies came.

Nico: WHOA! Nice team Ground Scaravich.

Ground Scaravich: Thanks Nico!

Lily: Well well. Old Man Jenkins! Nice to see you again old timer.

Old Man Jenkins: Respect your elders!

BASH!

He hit Nico on his head with his cane!

Nico:...ow!

Me: Hey what's the big idea you old coot!?

Old Man Jenkins: Wanna go at it youngun?

Me: I was taught to respect my elders but you are really starting to push my buttons!

?: Yeah calm down you old coot!

Maju Garzett came!

Me: Maju Garzett! Wow!

Nico: Oh boy.

Maju-Garzett: (In a girls voice) I'll teach that old jerk some manners.

Nico: Miranda Maju-Garzett! Wow!

She reverted back and was a girl with black hair, red eyes, black clothes and wings and had Maju-Garzett on her arm, skirt, forehead and shirt and had a blood sword.

Miranda Maju-Garzett: Awesome to see you Nico. I got this. SLUDGE REGURGITATE!

SHE THREW UP AND FIRED A MASSIVE BLAST OF SLUDGE AND DRENCHED THE ANOTHERS IN SLOP AND EVEN DRENCHED OLD MAN JENKINS!

Me: OH SICK!

I picked up the Ridewatches and they were covered in shit!

Me: BLECH!

Maria washed them off.

Nico: Nice job!

Old Man Jenkins: LOOK AT ME! I'm a mess!

Donald Duck: YOU SHUT THE FUCK UP YOU STUPID OLD MAN!

Lily: You tell him Donald! Old Man Jenkins has been a really nasty jerk. Even Mr. Krabs hates him.

Mr. Krabs: (LAUGHS) That's right lass.

Miranda Maju-Garzett: I can see why.

Chloe Morgan: Do you have a good memory of Nico?

Miranda Maju-Garzett: I sure do. When me and Nico found an illegal beer making operation and I used my powers to drown them in sludge and slop and send them to looney bins.

Me: WHOA! Sludge Fiend Shock Syndrome.

Nico: Nice!

Qin: Yeah that was gross and funny.

Nico: Yep.

They hugged.

Nico: I've missed you.

Miranda Maju-Garzett: Same here.

We went back home And May went into the Shower.

We're going after Ranamon's second hypothetical Akuma, her name is Beautyqueen Aquaseduccubus, she's a mega voluptuous and mega sexy Succubus Akuma and she's a master of water and one really beautiful voluptuous beauty, and any male who sees this voluptuous Akuma are sent flying via a Nosebleed Rocket. So, Lincoln's going in alone to take her down while Nico and I and the rest of his rescue team are gonna have to sit this out because we're not gonna risk getting sent flying via a Nosebleed Rocket when we see her, but even worse...! (SHUDDERS) The Anti-Pervert Patrol will not take kindly to it.

Lincoln: Ah, we're here in a lake in the east of Gotham Royal York and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but...!

Suddenly, Lincoln had a premonition, and he had a super massive nosebleed, but he held his ground and he got sent flying and crashing through a bunch of trees that crash onto him!

SMASH SMASH WHAM WHAM WHAM!

Lincoln: Ouch!

Nico: Lincoln, you okay?!

Lincoln got out and his bruises healed.

Me: Uh oh! Smoking Hot Akuma Alert?!

Lincoln: Big time, the hypothetical Akuma I'm going after is Ranamon's second hypothetical Akuma, her name is Beautyqueen Aquaseduccubus, she's a mega voluptuous and mega sexy Succubus Akuma and she's a master of water and one really beautiful voluptuous beauty, and any male who sees this voluptuous Akuma are sent flying via a Nosebleed Rocket.

Lincoln got out his sketchbook, and we saw her, and he was right: SHE'S A MEGA VOLUPTUOUS AND MEGA SEXY SUCCUBUS AKUMA! And that caused me and Nico to get sent flying into the air via a Nosebleed Rocket and we crashed down to Earth.

KRASMASH!

Me: Ouch.

May: Whoa! She's definitely got the looks to send men flying like that!

Lincoln: Via a Nosebleed Rocket. But, I'm going in alone to take her down, so you guys are gonna have to sit this out.

WE GASPED IN SHOCK!

Luna: Dude, are you crazy?!

Nico: He's not, Luna, and he's right, any male who sees Beautyqueen Aquaseduccubus will get sent flying via a Nosebleed Rocket!

Me: (GULPS) And if that happens, The Anti-Pervert Patrol will take the offensive and attack! Lincoln, you sure about this?

Lincoln: Yes, I am.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Sarah Succubi: Oh no, Lincoln's going to use his supernaturally potent and very powerful aphrodisiac pheromones and seduction on her and for the grand finale, he's going to have sex with her to take her down. (GASPS) Oh no, and the rest of the team's back in The World Tree Estate, and it could cause the barrier to overload!

Chill Penguin: Should we send out the alert?

Nicole sent a message to the rest of the team back in The World Tree Estate.

Nicole: Already done.

Then, she got another message.

Nicole: Maria said to meet at Lynn's Table, they've soundproofed the place.

Nico: Perfect. Alright, Lincoln, good luck.

We left for Lynn's Table.

Lincoln: I don't need luck, I know what needs to be done.

Lincoln headed out to face Beautyqueen Aquaseduccubus on his own, while we were at Lynn's Table with the rest of the team who soundproofed the place with magic.

Lincoln and his harem and Guardian Angels proceed to the lake, and there they saw Beautyqueen Aquaseduccubus, the 2nd Hypothetical of Ranamon.

Beautyqueen Aquaseduccubus: Y'all came. But, where's the rest of your team, Linky?

Ranamon: They're back with the others at Lynn's Table because if the rest of the boys see you, you'll send them flying out of here via a Nosebleed Rocket.

Anna Anyanova: With Nicole and the rest of The Anti-Pervert Patrol watching and keeping an eye out.

Lincoln flew fast and hard, and he grabbed and pinned Beautyqueen Aquaseduccubus to the ground with his arms.

Anna Anyanova: Nice one, Lincoln.

Eman Reynolds: He's got her pinned.

Lincoln: Hah, got you.

Beautyqueen Aquaseduccubus: (Seductive Voice) (Smirks) Oh really?

Lincoln: (Seductive Voice) (Smirks) Really.

Suddenly, Beautyqueen Aquaseduccubus fell under a trance and she wrapped her legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and twelve-pack abs. But, he knew the pheromones he let off were working and he wrapped his massive muscular arms around her waist, and then, he kissed her deeply on the lips which made her hair fly into the air! He'd beaten her using his own seduction on her and he pinned her to the ground as they continued to kiss deeply and passionately.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Beautyqueen Aquaseduccubus' trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Beautyqueen Aquaseduccubus: (Swooning) (In Heaven) What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Beautyqueen Aquaseduccubus with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

That of course led to Beautyqueen Aquaseduccubus making out with him even more, and that made the passion between them even stronger than ever.

Sarah Succubi: Holy shit, he seduced her using his supernaturally potent and powerful aphrodisiac pheromones.

Sabrina Lorelai: And marked her as well.

Suddenly, Lincoln lifted Beautyqueen Aquaseduccubus up bridal style and they teleported back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Beautyqueen Aquaseduccubus: Uh oh, I can guess this is where...

Lincoln: (Seductive Voice) (Smirks) This is where I have to take you down, but not through combat, but through a more...intimate approach.

Lincoln used his eleven massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating and Lincoln's harem and Guardian Angels guarded the door.

Helena McTroy: This could take more than an hour, when Lincoln gets into the lovemaking mood, nothing's going to stop him, and with the stamina and endurance he has when it comes to sex, he can go for more than ten hours.

?: With that kind of natural born stamina, endurance, and libido along with that amazing personality and charisma, it's natural Lincoln would wind up getting a harem.

Suddenly, they saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short black hair and black wolf ears and tail, blue eyes, massive black angel wings, green Wolf Moon tattoo on her right arm and purple wolf paw on her forehead, white short-sleeved blouse, dark blue sleeveless top, white gloves, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, lightning bolts, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Wind Moon, she has a wolf claymore in her right hand, and with her are the thirteen girls.

Anna Anyanova: Dana Wind Moon, Werewolf Angel of The Wind Moon of March, you got here right on time.

Dana Wind Moon: I did. Wait, where's his rescue team?

Sarah Succubi: They're at Lynn's Table, and they also soundproofed the restaurant.

Dana Wind Moon: Soundproofed it? But, the barrier's...

Suddenly, the barrier started cracking: it seems Lincoln's Incubi Magic suddenly grew even stronger along with sensing Lincoln's energy rising and he was growing even stronger.

Selene Arcangela: Oh shit! The barrier's cracking! IT'S GONNA EXPLODE! RUN FOR IT!

They ran for cover behind the couch, and then, the energy barrier cracked and shattered and it was absorbed into Lincoln as it flowed into his room and he grew stronger still, and they heard them going at it, and they also got exposed to the supernaturally potent and excessively powerful aphrodisiac pheromones Lincoln's let off, and they're trying hard to resist.

Girl Jordan: (Struggling to resist) Must...hold on! Can't...give...in!

This went on as they tried to resist the urge to go in as well. Then, more than five hours later, it was over, but the girls had nosebleeds thanks to hearing five hours of lovemaking.

Carly Cupid: Oh, thank God it's over.

Suddenly, all of us came back inside.

Nico: Hey, girls. (Sees massive puddles of blood) WHOA! What the heck happened to you girls?!

Sarah Succubi: The barrier shattered...! We heard their lovemaking and it went on for more than five hours.

MY JAW AND NICO'S ALMOST DROPPED TO THE BLOODCOVERED FLOOR, BUT NICOLE STOPPED THEM!

Nico: Thanks, Nicole. We almost tasted blood.

Nicole: That wouldn't taste good for you. So, where's Lincoln?

Then, we heard the shower running in Lincoln's built-in bathroom.

Lily the Mermaid: He's getting a shower. Linky always sweats a lot during and after our lovemaking sessions.

Me: How did this happen? I thought Lincoln's Incubi Magic was supposed to have strengthened the barrier.

Anna Anyanova: We thought so too, but Lincoln's Incubi Magic had also grown stronger combined with Beautyqueen Aquaseduccubus' Succubi Magic and the supernaturally potent and excessively powerful aphrodisiac pheromones Lincoln lets off caused the barrier to shatter and he absorbed the energy of the shattered barrier and we heard them going at it like wild mating animals, and we tried hard to resist.

We gasped.

Nico: Yikes!

Girl Jordan: And he also grew stronger because this was an act of love, and we also grow stronger through love along with hate.

Me: True.

Nicole: And I thought of something: if you, Nico, Lincoln, Clyde, and Naruto have a large harem, you guys and your harem also grow stronger through acts of lovemaking.

Nico: No wonder we start to grow stronger every night.

Me: Same here.

Then, they heard the water stop, and Lincoln came out with a towel over his neck and he closed the door to his room. There we greeted him.

Me: (Smirks) So, how was your...intimate lovemaking with your new future wife, buddy?

Lincoln had an embarrassed blush on his snout and muzzle.

Luna: Now, now, let's leave that subject alone. All we know is that he took her down and she's now part of his harem.

Lincoln: Yes, that's correct, and sorry you all had to go through five hours of that. But, I'll make that up with a date tonight to Lake

Huron.

Girl Jordan: (Smirks) Actually, we've got a...more intimate beach for tonight, Linky.

Lincoln's blush on his snout and muzzle and cheeks went atomic red.

Lincoln: Looking forward to it. (To Dana Wind Moon) And it's so good to see you again, Dana.

Dana Wind Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Dana Wind Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Dana Wind Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Dana Wind Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Dana Wind Moon and hugged her, and Dana Wind Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer

vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dana Wind Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Dana Wind Moon, Werewolf Angel of The Wind Moon of March, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Wind Moon of March. Helena is a powerful master of the powers of blue wolf fire, wind, The Wind Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Dana Wind Moon is The Werewolf Wind Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lola. Dana trained Lincoln in mastering the powers of blue wolf fire, wind, The Wind Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion and she wants nothing more than to shred her to pieces underneath The Wind Moon.

Me: Can you show us a flashback on how you turned Dana into a werewolf, Lincoln.

Suddenly, the four orbiting large gold rings fired four beams of light that formed into a viewing window and we saw a flashback: Lincoln and Dana Wind Moon were at the park.

Past Dana Wind Moon: I always love coming here to the park.

Past Lincoln: Same here, Dana, it's really peaceful.

?: YOU FILTHY PEASEANT!

Dana Wind Moon: Oh Hell no, was that Lola?!

Past Lincoln: Afraid it is, Dana, I'd recognize that shrill voice from anywhere.

Suddenly, trees were destroyed and there stood Lola, and she was out for blood.

Past Lola: DIE, YOU FILTHY PEASEANTS!

Lola went at Lincoln and tried to attack him, but Dana Wind Moon grabbed her arm!

Past Dana Wind Moon: GET THE HELL AWAY FROM YOUR LITTLE BROTHER, YOU BITCH!

Then...!

POW!

Dana Wind Moon punched Lola in the face and sent her flying into a tree and she went at Lola and they got into a massive fight cloud and the direction they were heading for is right near Lake Michigan and Lincoln followed the fight cloud, and it wasn't stopping anytime soon. But, then!

Past Lola: DIE, YOU HAG!

Lola kicked Dana Wind Moon hard in the stomach and out of the fight cloud, but then, Lola pounced on her and started beating the shit out of Dana Wind Moon and she was laughing crazily: SHE WAS OUT TO KILL! But, big mistake for you, bitch!

Past Lincoln: LOLA!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and eight-pack abs were covered in tan fur, his deep sapphire blue eyes remain the same but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his fingernails grew into claws, his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his white hair grew to the length of his neck and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Past Lincoln: (Beastly Voice) GET THE HECK AWAY FROM MY GUARDIAN ANGEL, LOLA!

Lincoln charged and punched Lola hard in the face and he started beating the shit out of her like a wild beast, and when he was done, Lola's hair was a mess and he left slash marks on her dress and messed up her make up and she was covered in bruises and Lincoln's shirt had claw marks from her. Then, he used one of his eleven massive and long brown wolf tails and tied it around Lola's waist and he flung her back to The Loud House.

Then, he turned to Dana Wind Moon, and she was badly beaten to an inch of her life, and he went down on top of her.

Past Lincoln: (Beastly Voice) Lola, this time, you have gone too far. Sorry, Dana, but I'm not going to lose another Guardian Angel!

Suddenly, Lincoln leaned his head down to her right trapezius and he bared his fangs and bit her in the right trapezius, and his fangs injected her with his excessively potent lycanthropy and vampirism which spread throughout her body. That of course shocked Dana Wind Moon awake as Lincoln slowly retracted his fangs.

Past Lincoln: Dana, you're okay! How do you feel?

Past Dana Wind Moon: (Groans) I...I don't feel so good.

Suddenly, Dana Wind Moon started getting muscle spasms as she let out a growl and her entire body was covered in thick brown fur and her breasts and stomach were covered in tan fur, her blue eyes remain the same but the pupils turned into slits, she grew fangs and her rows of straight teeth turned into wolf's teeth, and her nose turned to a wolf's nose and she grew a wolf snout and tan-colored muzzle, her fingernails grew into claws, her massive black angel wings remained the same, she grew a long brown wolf tail and brown wolf ears on top of her head, her black hair grew to the length of her neck and became wilder, and she let out a loud howl.

Past Dana Wind Moon: (Beastly Voice) Ooh, now I felt like I got run over by a truck. What happened to me?

Suddenly, Dana Wind Moon saw what happened to her through the lake's reflection.

Past Lincoln: (Beastly Voice) I'm so sorry, Dana. But, Lola was going to kill you if I didn't get her off of you and I had to do this to save you or...!

Suddenly, Dana Wind Moon hugged Lincoln, and Lincoln hugged her back as she soothed him.

Past Dana Wind Moon: (Beastly Voice) It's okay, Lincoln. But, thank you for what you did.

But, then, all of a sudden, Dana Wind Moon wrapped her legs around Lincoln's waist and placed her hands on Lincoln's massive pecs, but that caught Lincoln's attention and he then leaned his head down to her face and they kissed deeply, intensely, and passionately. They intensely made out for an hour, and then, they separated, but their eyes were glowing as lust took hold of their actions. But, before anything else could happen, Lincoln cut the viewing window short as it vanished.

Poliwag: Hey, what's the idea?!

Lincoln: It's best that I don't show what happens next.

Brittney: Right, and this was the first time you turned one of your Guardian Angels into a werewolf-vampire hybrid like you, but I knew there were two ways someone can wind up getting turned into that: getting bitten or having sex, and in this case, you did both, and I'm sure you did the same with the other eleven girls, right?

Brittney was about to form a ball of darkness to hit Lincoln with, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: But, you did what you had to do to save her, Lincoln, or Dana would've wound up dead, and Lola would be disowned, kicked out of the house, and sent to prison.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Dana.

Lincoln with his massive muscular arms still wrapped around Dana Wind Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Dana Wind Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Dana Wind Moon with black gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Dana Wind Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Dana Wind Moon.

Dana Wind Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Dana Wind Moon's waist, and he leaned down to her face and kissed her on the lips, and with Dana Wind Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Dana Wind Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing

out blood, and her heart was pounding like a loud drum.

Dana Wind Moon: (In Heaven) My God. Oh, Lincoln, the thirteen girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirteen girls, his nose gushed out blood and he had an atomic red blush on his cheeks, snout, and muzzle. The thirteen girls are Kaede from Shadow of The Ninja, Reika Amamiya and Kei from Tech Romancer, Shiina Misaki, Kaoru Tachibana and Risa Wakatsuki from Bakunyuu Bomb, Shoko and Marie from Gakuen no Ikenie, and Romi, Maya, Marylou, Jennie, and Sarah from Catch! Teenieping.

Lincoln: Oh whoa, it's Kaede from Shadow of The Ninja, Reika Amamiya and Kei from Tech Romancer, Shiina Misaki, Kaoru Tachibana and Risa Wakatsuki from Bakunyuu Bomb, Shoko and Marie from Gakuen no Ikenie, and Romi, Maya, Marylou, Jennie, and Sarah from Catch! Teenieping.

Nicole: So, those were the girls who caused Travis and Red to issue that order, and they're right, the girls here are beautiful and sexy.

Lincoln: And easy targets for perverts, if I see any pervert leering at them, I'm gonna smash their teeth right out of their mouths.

Maria: Oh, and what if they're criminals out to rape and kill them?

Lincoln: Then, I'm gonna tear their throats open and drink their blood.

May: Well..., that just got dark real fast.

Ariana Ardelean Dracula: (Romanian Accent) We're not surprised though, Lincoln has killed a lot of rapists in the past and drank their blood before he burned their bodies.

Lincoln: And kept them from coming back from the dead, so I'm prepared to kill in the case of rapists showing up. Are you girls okay?

Reika Amamiya: Yes, we're okay, thanks to you.

Then, when Reika Amamiya and the other twelve girls saw who it was that saved them, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a

Shiina Misaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kaoru Tachibana: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaede, Reika Amamiya, Kei, Shiina Misaki, Kaoru Tachibana, Risa Wakatsuki, Shoko, Marie, Romi, Maya, Marylou, Jennie, and Sarah with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Nico: This was the first time we didn't participate in any action.

Me: Same here, but Lincoln had to do this alone, you saw what happened to us when we saw her 2nd hypothetical Akuma, right?

Eli: He's right, you two went flying out of here via a Nosebleed Rocket and crashed right back onto the ground.

Lincoln: Eli's right, and thank goodness no one else saw her, otherwise, I'm gonna have a few words to say.

Kurumu: And it's not going to be nice at all.

Nico and I gulped nervously.

Nicole: Kurumu's right, and we've heard Lincoln curse before, but he doesn't have a rotten mouth like you, Dad.

Shanan: No, he doesn't.

Rita: Not so, he's actually going to save it for when we face that immortal draconic nightmare who's responsible for what's happened to our family.

We gasped.

Nico: Oh...!

Me: Shit. Is that true?

Lincoln: It is, and do you remember how I told off many of Sam, Clover, and Alex's old enemies when I heard of what they did to them same with the old enemies of my harem?

We suddenly remembered.

Nicole: Uh oh, now I remember, you were really pissed at them big time. So, what you've got planned for Dark Chase Young...! We'll make sure to cover our ears.

Lincoln: Okay.

* * *

After Lincoln took down Beautyqueen Aquaseduccubus and made her part of his harem, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Dana Wind Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Dana Wind Moon: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Dana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Dana Wind Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Dana Wind Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, all TVs in the multiverse will glitch out, as they show off the Analogs symbol, and a phoenix will flicker in and out of existence before the TVs returned to normal, with a spinning Analogs symbol beside it.

Me: What the Hell was that?

Drakus: (GASPS) Oh man I know that symbol from anywhere!

Suddenly, we saw a girl with red eyes appear along with a massive group of people with her, and they bear the symbol of The Analogs.

Drakus: I knew it, The Analogs are here, along with my older sister, Zerinax 'Mandela' Hydrax. Nice to see you again, sis.

Zerinax 'Mandela' Hydrax: You too, Drakus.

Nico: You never told us you have a sister, Drakus.

Drakus: You didn't ask.

Me: Touché.

Lincoln: That whole display we saw, that was a sign of your arrival. On the 14th Day of The 4th Month of The 2nd Millennium, The sister of the Drakonian Prince and her allies shall come to the world defended by immortals and reunite with her younger brother and his comrades.

Zerina: Exactly. Now, allow me to introduce myself, I am Zerinax 'Mandela' Hydrax, Drakus' smug and snarky big sister and The Analogs' face and leader, and these are my comrades, Oracle: Mentor of the Analogs and all-around snarky AI, Amhul, Smug Deep Dweller and Fighter of the Analogs, Judge/Skybox, Phanatic, Dokuro 'Genesin' Mitsukai, the Angelic hitwoman sent to kill me, but accidentally joined the Analogs and a great brawler, Laharl, Etna and Flonne: The Demon Trio consisting of a demon overlord and his vassals stuck with the Analogs thanks to a contract I made with them, Gummigoo/Housfelony, Gummy crocodile outlaw stuck on the Analogs for community service and pro at driving, Xupoti, a Nobody of Neferpitou, still as psychotic and definitely high, Anantashesha himself, also known as 'Crystvierec', the snake of Hindu myth, and is probably always on drugs, Thaddeus 'Tryred' Kethra, a lively and sharp-tongued cyborg who's always ready with a snappy comeback and a new gadget to test on the battlefield, just don't let him near your stuff, he WILL turn it into a gadget that might cause a nuclear reaction on someone, Abbadarchives, a snarky lizard mutant that serves as the interrogator of the Analogs, probably stabbed someone's eyes out with a gun, Keheheh 'Orpheus' Kekerakera, a girl able to stuff anything into her sleeves, wants to make the whole Omniverse laugh, Romulus 'Minervalian' Velox, a sharp-tongued avian assassin who's a master of stealth who joined because she enjoys the hunt, probably hunted Nessie for sport, Marigold 'Mushroolan' Glint, a snarky and unpredictable technopath with a love for gadgets and hacking into systems she really shouldn't be touching, probably could shut down Ark if she has 2 minutes, Shiki 'Munrofal' Vega, a cold-hearted assassin with a dry sense of humor who specializes in tracking, and surprisingly good at karaoke, even if he refuses to admit it, and definitely sang Dark Horse by Katy Perry, Kyoko 'Goldmacas' Kanzaki, a cutesy goth girl with a knack for solving puzzles, who joined because, let's face it, the more messed up the situation and more deadly the puzzle, the more she enjoys the challenge, Lucius 'Gamuesh' Revenant, a stoic yet slightly unhinged sniper who's only here because he owes me a favor—one that probably involved a whole lot of bloodshed, all we know is that a mine ain't walking again, a goat was stuck in a van, a Dairy Queen was raided, they ran over Brett Michaels and they crashed into the Tower of London, and Zera 'Hodoarchi' Von Morte, a sarcastic and cynical necromancer with a knack for finding loopholes, who's more than happy to talk your ear off about the latest conspiracy theories when she isn't busy raising the dead, has definitely risen a graveyard just to prove a point.

Me: Wow.

Cell (X-Squad): And no one has ever messed with them, not unless they want to face Hell with them.

Cyclonus (X-Squad): Plus, I'm sure you've heard this, but...

Zerina: We know. Sebastian's finally turned traitor and is out to destroy the world and he was imbued with the powers of Apophis, Egyptian God of Chaos. We knew about all of it long ago, same with The Guardians of Reality and Lea Jetstream telling us without her other sisters trying to find out.

Lincoln: Our Lord already punished them by putting them in a crystal necklace prison for Lea and he knew Lea already saw that what we've been doing is right and true, but her other sisters needed time to see it.

Zoe Jetstream: And..., there's also this.

Zoe Jetstream explained all of the nasty insults and threats she, Michelle, Bela, May, and Hayley said to Lincoln, and when she was done, Zerina was pretty peeved.

Zerina: You know, I ought to kill you, Michelle, Bela, May, and Hayley for what you said, Zoe. But, you already apologized and saw the error of your ways. You know God made you Guardians of Reality to help wipe out evil, but you forgot about it and became five power-drunk bitches and tried to undo Team Loud Phoenix Storm's efforts, that got me so pissed, I wanted to pray to God and ask him to remove your powers and send you five to Hell for this.

Zoe, Michelle, Bela, May, and Hayley were horrified: they knew Zerina may be snarky and caring, but she's really vicious and dangerous if you piss her off.

Zerina: But, since you've seen the errors of your ways, I'm glad to see you've changed. But, let me make one thing clear, if you, Michelle, Bela, May, and Hayley so much as go back to being the rotten power-corrupted bitches from long ago, I will have your asses cut off and mounted over the fireplace! Got it?!

Zoe, Michelle, Bela, May, and Hayley Jetstream: (SHRIEKS) Y-yes, Zerina!

Me: (To Drakus) Your older sister's really terrifying.

Drakus: You telling me? I've seen what happens when my sister gets mad. Normally, she's snarky and caring, but get her pissed, and you're gonna wind up six feet under.

Lincoln: That's not the same with my Guardian Angels: anger them by pissing them off or by trying to attack me, and you're gonna wind up dead.

Suddenly, Carol Anne Freeling came up to Selene Arcangela.

Selene Arcangela: Carol Anne, what is it?

Carol Anne Freeling: Selene, there is something that I wish to tell you and all of you. I want to join you as Lincoln's Guardian Angel and member of The Avatars of Horror.

WE GASPED IN AWE!

Nicholette Torrington: Selene, did you...?

Selene Arcangela: I heard it loud and clear, Nicholette. Carol Anne, this is quite the statement you said to us and you know being Lincoln's Guardian Angel, this means not only are his enemies going to be your enemies, but this means you and Lincoln are going to go after Henry Kane in the near future when he comes back from The Warp.

Carol Anne: Yes, I understand all too well.

Suddenly, we saw a circle of light surround Carol Anne Freeling, and she was surrounded by a black energy aura with darkness, ghosts, and spirits surrounding the energy aura: SHE'S ABOUT TO SWEAR A VERY POWERFUL AND SACRED OATH TO PROTECT LINCOLN FROM ALL OF HIS ENEMIES AND ALSO VOW TO MAKE SURE THEY PAY FOR THEIR CRIMES AND BRING THEM DOWN ESPECIALLY CHANDLER, AND ALSO VOW TO MAKE SURE LINCOLN FACES THE VERY HORRORS OF FEAR SHE'S ENDURED FOR OVER 40+ YEARS!

Carol Anne: Long ago, I was a normal little girl from Cuesta Verde, California and had a loving family and more until that terrible night when we were invaded by the terrible forces of Henry Kane and we lost everything. But, no more, I'm not going to let Henry Kane terrorize me and my family ever again. Now, I want to bring justice to the evil 19th Century Satanic preacher and cult leader, Henry Kane, and the evil forces of his cult. I, Carol Anne Freeling, make this powerful and sacred oath: I swear to protect Lincoln Loud from all of his enemies and make them pay for their crimes and bring them all down, and I also swear to make sure Lincoln faces the very horrors of fear I've endured for so long!

SUDDENLY, CAROL ANNE FREELING WAS SURROUNDED BY A MASSIVE VORTEX OF BLACK ENERGY WITH DARKNESS, SPIRITS, GHOSTS, PSYCHIC ENERGY, AND LIGHTNING SURROUNDING THE VORTEX AND WE SAW A CROSS APPEAR IN THE VORTEX!

Me: W-WHAT IS THIS!

Selene Arcangela: Carol Anne's sworn the powerful and sacred oath: now she's about to become one of Lincoln's Guardian Angels and Avatar of The Great Horror Movies.

Nico: Unreal!

Then, the vortex faded, and when it did, Carol Anne was now in black clothes and she has the logo of Poltergeist on her forehead and black skirt and she has the Ghost Magisword in her hand and she has black angel wings, and along with her clairvoyant powers, she's also gained the powers of darkness, ghosts, and spirits, along with gaining the powers of the ghosts she met as well as the powers of the evil 19th Century Satanic Cult Leader, Henry Kane.

We were amazed!

Lucy Loud: Gasp! Carol Anne's ascended!

Lincoln: The oath she's made caused her to ascend.

Rhonda Jane Lloyd MacReady: And she's now become a member of The Avatars of The Great Horror Movies since she was in the Poltergeist movies.

Selene Arcangela: The oath and the vow has been made. Soon, your time to bring justice to Henry Kane will come at last, Carol Anne.

Carol Anne: Yes, he will pay for what he's done.

Lincoln: When the time comes, he and his cult will be banished from this world for all eternity. What he did can never be forgiven, he's terrorized you and your family for the final time, Carol Anne. This is where his reign of terror shall end forever.

We got a shower, and then, Lincoln, Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector are heading to Beach Bowl Galaxy.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a

Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all. But, while they are going on their date, the rest of Lincoln's harem are going to prepare a feast for Team Loud Phoenix Storm and The Masters of Evil for the April 12th Anniversary.

Elkis: Wow, we're here in Beach Bowl Galaxy, it sure is beautiful.

Lincoln: It sure is, Elkis, and it's perfect for our first date, shall we?

Lincoln, Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Minajane: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector and hugged them in their abnormally massive and powerful muscular arms, and Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Beach Bowl Galaxy, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector are now in your harem, Linky.

Terra (Teen Titan GO!), Elkis, Simulator Lusha, Simulator Juvina, Wendelle, Charlotte, Simulator Lijy, Minajane, Lisala, Cara, Spiga/Weblock, and Fem Collector showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Elkis: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the

finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy,

Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Misty, The Pipsqueaks and Xion's first mission.

Lucca: You guys are going to love the missions for Misty and her group. We're going to the Bermuda Triangle.

Me: The Bermuda Triangle!? Whoa!

Lola: We haven't been there since the Cyber Squids attack.

Xion: I know!

Me: Wow!

Lucca: Yep we're going to meet Zak Storm and his friends and embark on amazing Swashbuckling Adventures.

Me: Neat!

Nico: Anyone else want to go with Misty Brightdawn and Seashell, Peach Fizz and Glory and Xion? Besides 3 Rabbids?

Vinyl Scratch: I'll go.

Titanium Titan: (Spanish Accent) So will I.

Lincoln: And I'll go too for supervisionary purposes for Pipp.

Seashell: Thanks Lincoln.

Nico: Anyone else?

No one raised their hands.

Me: Nope. Okay then.

I used my scythe and opened a portal and we went through it! We were off to the Bermuda Triangle!

We arrived and we were flying over a huge ocean.

Me: WHOA!

Nico: Amazing seeing the Bermuda Triangle again!

Me: Wow! We've never been over this part of the Triangle because we were on an island full of the ships and planes that vanished.

Eli: No kidding.

Me: Look!

We saw the ship of Zak Storm!

Lucca: HEY ZAK! GUYS!

Zak: Lucca? Is that you?

We landed.

Lucca: Hey Zak! Hey guys!

Cece: Long time no see Lucca!

Crogar: Crogar happy to see you Lucca!

Calabrass: Aye maties.

Zak: WOW! Team Loud Phoenix Storm! It's an honor.

Me: Same here Zak and it's a pleasure.

Misty Brightdawn: It's a pleasure to meet you Zak. I'm Misty Brightdawn, the legacy of Sunset Shimmer.

Seashell: I'm Seashell.

Peach Fizz: I'm Peach Fizz.

Glory: And I'm Glory.

Seashell: We're the legacies of the Cutie Mark Crusaders, Apple Bloom, Sweetie Belle and Scootaloo.

Xion: And I'm Xion.

Misty Brightdawn: And we're your ambassadors.

Me: It's part of a Diplomatic Mission program we made.

Crogar: That is interesting.

Me: Yep.

Vinyl Scratch: I'm Vinyl Scratch.

Titanium Titan: And I'm Titanium Titan. Pleasure.

Lincoln: And I'm Lincoln Loud.

Zak Storm: Wow! It's an honor!

Lucca: Yep.

Cece: Well it's awesome to meet you all. I'm Princess Chrysta Coraline Lejune. But call me Cece.

Crogar: I'm a viking.

Caramba: Pleasure. I'm Caramba.

Clovis: I'm Clovis and yes I'm a ghost.

Zak: And this is Calabrass.

Calabrass: Pleasure to meet ye lads.

Me: Same here.

The Rabbids gibbered.

Misty Brightdawn: Oh and these little guys are Rabbids.

Cece: Oh they are so cute.

One Rabbid drooled.

Eli: They may be cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Zak: Oh like idiots.

Me: Yeah. But they are funny.

Lucca: Cece is a princess of Atlantis and is Zak's first mate, Crogar is a viking from over 1,000 years ago and he is the muscle of the crew, Caramba is the engineer of the crew and Clovis is bound to the ship somehow.

Me: I see! Wow! So I'm guessing for Misty, the Pipsqueaks and Xion's big day we're going to face Lavos too right?

Lucca: It appears that way.

Cece: Who is Lavos?

Me: A horrible extraterrestrial monster. Lucca and her friends battled it in her world and prevented a HORRIBLE apocalypse from happening.

I went over its history.

Lavos (ラヴォス, Ravosu) is a fictional extraterrestrial monster and the main antagonist of the 1995 role-playing video game Chrono Trigger, also appearing as an antagonist in its sequel, Chrono Cross. A parasitic alien that falls from the skies in 65,000,000 B.C., its impact results in an ice age. In the intervening time, it drains the planet's energy, until in 1999 A.D., it resurfaces, causing an apocalypse that destroys most life on the planet.

The character of Lavos became one of the most iconic antagonists in video games, and was praised by critics due to its Lovecraftian design, mysterious origins and motivations, and the player's unique ability to travel to 1999 and fight it at any time in the story, resulting in multiple potential endings, something assisted by the game's New Game Plus mode. By the same token, it was noted for lacking characterization and serving only as an evil force and motivator for the game's characters.

Lavos initially crash-lands on the planet in 65,000,000 B.C., an event witnessed by the prehistoric Ayla, who coins the name "Lavos" by combining the Iokan words for "big" and "fire". As Lavos is a name invented by humans, its true name, if one exists, is completely unknown. The ensuing ice age causes the Reptites, an advanced species of reptilian humanoids, to go extinct, incidentally ensuring the survival of the human race. In 12,000 B.C., the Kingdom of Zeal is powered by the energy of Lavos through the use of the Mammon Machine, although this relationship is symbiotic, with Lavos also gathering the kingdom's magic. Queen Zeal attempts to use the machine to harness even more power, via her daughter, Schala. Magus intervenes, rescuing Schala, but prompting the awakening of Lavos and the destruction of Zeal. In 600 A.D., Lavos awakens yet again when the party battles Magus, causing a split in the timeline. Finally, in 1999 A.D., the "Day of Lavos", a recording shows Lavos emerging from underground and destroying the world, leaving only a few human survivors and no food. Lavos then possibly moves beneath Death Peak, where many of its spawn can be found in the post-apocalyptic world of 2300 A.D.

The battle against Lavos in 1999 A.D. starts with its outer shell, which goes through phases in which it mimics other bosses the player has fought. After the shell is defeated, the player moves inside to fight its true form, first as a giant humanoid whose arms must be destroyed before the head is vulnerable, and then as a smaller humanoid with two assisting "bits" (although the right side bit is actually the true essence of Lavos). While players can battle Lavos at any time after arriving at the End of Time, they will struggle to beat it before the recommended point in the story and achieve many of the game's multiple endings. However, New Game Plus mode allows players to defeat Lavos early with much greater ease, prompting many what-if scenarios, some of which are joke endings.

The 2008 Nintendo DS port of the game links the story to Chrono Cross by adding a hidden superboss, the Dream Devourer, the result of Schala becoming fused with Lavos following the disaster at the Ocean Palace. The Dream Devourer's defeat at the hands of Crono and his allies only momentarily frees Schala from its control, who tells Magus to forget she ever existed.

When I was done everyone that hadn't heard about it was shocked and horrified!

Cece: OH MAN! That is horrible!

Me: It is.

Lucca: Yeah.

Clovis: What does he look like?

Me: He looks like this.

I showed a hologram of Lavos and he was ugly!

Clovis: Oh man!

Me: I know.

Nico: Can we see your base?

Lucca: We're on it Nico. This ship. It's called The Chaos and it's a living and surprisingly high-tech pirate ship, doesn't speak but counts as a member of the crew and is surprisingly full of personality.

Nico: Wow!

Me: That is cool!

Nico: It's a base while it's sailing, huh?

Zak: That's right.

Me: That is amazing.

Crogar: Crogar think so.

Me: You know Crogar, you and I can get along amazingly well. I am descended from vikings myself. I am the direct descendant of Leif Erikkson.

Crogar: Wow! Crogar like that.

Me: Yep.

A Rabbid licked the water and he spit it out because of the salt.

Me: Now now that is not good to drink.

Eli: See?

Zak: I see. Have you guys been here before?

Me: Once but that was 2 years ago.

Lincoln: It was when my dad and an enemy of ours were taken here and we landed on an island.

Me: We learned that the Bermuda Triangle is actually a doorway to another dimension and we found countless ships and planes that vanished over the centuries. We found them on an island here. We battled the Cyber Squids here.

Lucca: They were robot squids I told you all about.

Cece: Oh wow! That is amazing!

Me: It was. The Bermuda Triangle was a huge mystery that has baffled many of us for years.

Clovis: I can see that

Nico: Any enemies of yours active right now?

Zak: Well there is Skullivar. He's after the Seven Seas of the Seven Seas.

Me: What can you tell us about him?

He went over his history.

Skullivar, the undead, dark ruler of his own skeleton army, who wants to take over the triangle, is Zak's archenemy and tries to steal the Seven Eyes of the Seven Seas for himself and capture Zak.

When it was done we were shocked!

Me: WHOA! Sounds like the Bermuda Triangle's version of Lord Bloth on the planet Mer.

Misty Brightdawn: This is gonna be intense!

Me: Yeah. Also you guys would really get along great with Prince Ren and his Crew of Mer and also Captain Monkey D. Luffy and his crew the Straw Hat Pirates.

Nico: Yeah.

Me: Also it looks like we found our main target here.

Eli: Yep.

Nico: But what enemies are active at the moment?

Cece: Well...

GUNSHOTS FIRING!

Me: WHOA!

We ducked!

Eli: Wait look there!

We saw on an island off the starboard bow 2 hills.

Zak: Here.

He gave me a spyglass and I looked.

Me: Hmm.

I saw 2 houses on top of the hills blasting at each other.

Me: WHOA MAN! Wait a second. (GASP) That's the Hatfields and McCoys houses!

Eli: What are they doing here!?

Me: No idea.

Zak: Who are they?

Me: 2 families of hillbillies that lived on the Kentucky-West Virginia state border and they were widely known for having the most brutal family feud in history.

Cece: Geez!

Me: Yeah it was that bad. And from the looks of things these are the Hatfields & McCoys that Tuddrussel, Larry and Otto met.

Nico: Wow!

Me: Yep.

Zak: Why were they fighting like that?

Me: For many reasons. Land disputes, revenge killings and even deaths caused from Capital Punishment.

Eli: It was a TERRIBLE feud.

Me: That feud lasted until the 1920s and that feud will forever haunt both families for generations.

Crogar: Brutal.

Me: I know. It was terrible.

A Rabbid licked Zak

Zak: Hey! Stop it.

Me: Oh they are always like that but they are funny.

Nico: Yep. Oh and we have to watch out for a new enemy we're facing.

Me: We have to look out for girls that have piercing red eyes and black clothes and wings and tiaras with the aliens of Ben Tennyson on them. We call them the Blackwing Eatos 12 Embodiments.

Lucca: Yep. Long story on that.

Cece: Right.

Zak: Lets get moving to face them.

Me: YEAH!

We set course.

Me: Here you guys may need these.

I pulled out a scroll and unsealed a bunch of shotguns and laser blasters.

Nico: Nice!

Zak: Cool!

Me: We're going to be bombarded with a lot of gunfire so be ready.

Cece: Sounds like you dealt with feuds like this before.

Me: Several times as a matter of fact.

Nico: It's true.

Lincoln: Yep.

Nico We're getting close.

We docked and went to the island and then hid in a forest.

Me: Just like years ago.

Eli: Yeah.

Misty Brightdawn: This is gonna be good.

Nico: Anyone home?

I looked and saw that they were home and REALLY BLASTING each other.

Me: Oh they are home alright and they are really trying to kill each other.

Xion: They sure are.

Nico: Who should we blast first?

Me: Hmm. Lets flip a coin for it.

I pulled out gold coin.

Me: Heads is the skull side and tails is the phoenix side. Heads for Hatfields and tails for McCoys.

Nico: Okay tails.

TING!

I flipped it and caught it and it landed on Tails.

Me: Tails. McCoys first.

Nico: Okay then.

Me: These are comedy rifles and they are funny. Watch.

I pointed my rifle and aimed it at a window.

Me: Aloha baby.

BANG!

I fired and it hit one of the McCoy's with a watermelon and smashed his face in.

KRASPLAT!

Nico: FIRE!

BANG BANG BANG BANG BANG BANG!

We fired numerous watermelons and chum bombs and blasted the McCoys all over.

Eli fired Explosive boulders from a slingshot!

They hit the McCoys and exploded!

KRABOOOM BOOOM BOOOM BOOM BOOOM BOOOM BOOOM!

They were burned to a crisp all over!

Me: Nice one!

Nico: Take that!

Me: Watch this.

I threw a grenade!

Me: Fire in the hole!

I threw it and it hit the McCoys and exploded!

LOUD NASTY SUPER FART!

Me: It was a raw sewage grenade with a message.

Randolph McCoy: (Reading) Welcome to Your Pain Fatasses? Love J.D. Knudson? (ENRAGED) OH THOSE DIRTY TEAM LOUD PHOENIX STORM FREAKS!

Me: SURPRISE DIRT CLODS!

We fired more melons and blasted them!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Zak: Save some for me!

He donned his fire form and fired waves of fire.

Me: Take that. And this!

I used the Core Medals for Lord Drakkon, Stinky Butt and the Farting Dragon (Samurai Jack) and got a NASTY SMELLING FART SWORD!

Me: The Dragon Fart Storm Sword!

I swung the sword and then...

EXPLOSIVELY LOUD LONG SUPER FART!

I fired fart gas into the McCoys house and they gagged, vomited and coughed from the nasty fart gas!

Me: Dragon farts smell 100,000 times worse than human farts.

Xion got out her Core Medal and it was for Dark Riku.

Xion: This key will bring your darkness out.

She fired beams of light and blasted the McCoys and Hatfields all over.

Misty Brightdawn got out her Core Medal for Pintar.

Misty Brightdawn: I am a fighter that will bring you crushing defeat.

She fired a wave of light and formed a huge sumo wrestler and smashed the McCoys House into a flat pancake.

Seashell: Time for some magic.

She used the Core Medal for Corrupted Dark Magician Girl and fired waves of darkness and blasted the Hatfields house.

Peach Fizz: Hope you like having lobsters in your pants!

She used the Core Medal for Big Red Lobster and fired waves of energy and then...

SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP!

THEY SCREAMED IN PAIN AND IT WAS FUNNY!

Glory got out her Core Medal for Little White Lie (PPG).

Glory: You know what hurts as much as the truth? A Little White Lie!

She fired a beam of light and it formed into a MISCHIEVOUS LIE AND BLASTED AND SMASHED THEM!

Seashell: Pipsqueaks lets bring the fun!

The Pipsqueaks together used the Core Medal for Mama Cosma and fired magic and they dressed the Hatfields in diapers and had bonnets and binkies!

LOUD NASTY FARTS!

Hatfields: HEY! YOU MADE US SOIL OUR DIAPERS!

WE LAUGHED HYSTERICALLY!

Nico flew and punched them.

SMASHES AND BASHES

Nico: Take that!

Me: YEAH!

Cece: This is fun!

Vinyl Scratch: Hey look guys!

We saw the Baile, Pom-Pom, Pa'u and Sensu Oricorio!

Me: Ooh the Baile, Pom-Pom, Pa'u and Sensu Oricorio.

Eli: Wonder what those are doing here.

Me: I think I know. They must be Dark Gale's work.

Nico flew in.

Nico: Lets find out.

Cece: Dark Gale?

Me: An evil Pokemon Villain group that we destroyed last month during the Ridonculous Race.

Lincoln: Long story.

I used Telepathy And gasped!

Me: WHOA! It's Moana's sisters Kailani, Haukea, Enele and Elikapeka!

Nico: WHOA! I didn't know Moana had any other sisters besides her little sister Simea!

Me: Well lets help them.

Me and Nico went over.

Me: Come on girls lets talk about this.

All they did was charge at us and we dodged them.

Me: Here we go.

We fired light blasts and made them dance all over.

Then I snapped my fingers and they reverted back and they looked like copies of Moana but had each Oricorio on their foreheads and had wings of fire, lightning, wind and earth. And they had elemental Polynesian Symbol cutie marks on their arms.

We wrapped them in blankets.

Me: There.

They woke up.

Kailani: What hit us?

Me: Long story.

Haukea: Where are we?

Me: Really long story. You 4 were turned into the 4 Oricorio by Dark Gale.

Enele: Whoa we remember!

They were in red, green, pink and blue suits and injected and they shrank and turned into the Oricorio's!

They flew out!

FLASHBACK ENDS

Elikapeka: That was awful.

Me: Well we destroyed Dark : Your roles in Sonya's Team?

Kailani: We are the Dancers of the elements. We dance and use elements in battle.

Haukea: Outside the team we help our sister Moana.

Nico: Cool.

Me: We're in the middle of battle now. Lets get you clothes.

I snapped my fingers and we gave them matching clothes and spears.

Elikapeka: Wow we look awesome.

Me: You sure do.

Nico: Yeah!

Lincoln: I'll say! Wait look!

Then two huge hands stretched in and grabbed the families and smashed their heads in and knocked them out.

We saw that it was a girl with blue hair, red eyes and had black clothes and wings and Shadowman on a tiara.

Me: Sillia Shadowman!

Nico: Whoa! Shadowman's embodiment!

Sillia Shadowman: (GRUNTS) Good thing I came!

Sillia lost control and blended in with the shadows to sneak up on Titanium Titan

But she saw her and punched the ground and bashed her out.

I fired a beam of energy with the Antidote Ray and injected her.

Me: There.

Vinyl Scratch: Time for speed!

She used her Core Medal for Metal Sonic and ran and smashed her all over.

Then Titanium Titan punched and smashed her all over.

Nico grabbed her fist and punched her down.

Lincoln fired waves of lightning and electrocuted her.

The antidote took effect and her red eyes were back to blue.

Sillia: (GROANS) What hit me?

Me: Ugly story.

Zak: That was awesome!

Me: Yeah it was!

Nico: Are we done?

Me: Yes we sure are.

Misty Brightdawn: WOOHOO! This was awesome!

Me: It sure was!

Seashell: Yeah! That was fun!

Zak Storm: It sure was fun!

We later returned home.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone about it.

May: WHOA! That is amazing!

Alphabittle: Wow! Misty I'm so proud Of you.

Misty Brightdawn: Thanks dad. That was awesome.

Pipp Petals: Oh my glitter! You 3 did so good!

Seashell: We sure did!

Nico: Next time, Bloom, Animorphs Jake, Kameo, and Cheese should come.

Me: Great ideas!

Qin: Yeah!

Kameo: Cool!

We arrived at the island we found in the coordinates.

Moonlight Raven: Is this the place?

Me: Yeah the coordinates are right.

Nico: Yep.

We walked around.

Eli: Whoa look at this!

We then saw an amazing crystal hidden grotto.

Me: Wow!

Nico: So pretty!

Laney: It sure is!

Lori Mahogany: This has to be it.

A woman then came out and saw us.

Woman: (GASP)

Lori Mahogany: Mom?

Vina Mahogany: Lori? Lori? Is that really?

Lori Mahogany: MOM!

She and Lori went and hugged! Lori then cried.

Ink Rose: Hey there.

Vera Mahogany: Team Loud Phoenix Storm. How did you all and Lori find me?

Me: Long story. Lori promised to find you After what we were told about how you escaped from your evil husband.

Ink Rose: Yeah. Sheila and Tom said he's now in prison.

Vera Mahogany: Thank goodness.

Lori Mahogany: I've missed you so much mom!

Vera Mahogany: Me too Lori. Me too.

Exhaust: You must be wondering where your daughter was

Vera Mahogany: I sure have been wondering.

Lori Mahogany: Well I have a tale.

She otld her everything about what happened with her And more.

Vera Mahogany: (GASP) Oh my poor baby. You went through so much.

Me: Yeah she sure did.

Trailbreaker: But she found us.

Me: Yeah.

Vera Mahogany: I'm glad.

We met lots of Vera's animal friends and more and she told us how she survived on the island and it was amazing.

We then decided to have her move to the Estate.

Lori was so happy.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our battle with The Choten starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing

had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Red Lantern Ratchet: Were you happy to see your Mom again?

Lori Mahogany: Yes i sure am.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was The Choten, and he's causing havoc.

Lincoln, Me, and Nico: So, you're finally on the move, Choten.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Choten, and he's causing havoc.

EVERYONE GASPED!

Ink Rose: I knew it was him.

Ocellus: Now, we can stop him for good.

Lola Ferrington: And destroy him for good.

Suddenly, Lincoln also saw the sign of Apophis over the skies of San Campion.

Lincoln: As if things weren't bad enough, Sebastian's also here in San Campion causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on The Choten. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy your brother's surprises and give him a taste of his own fucking medicine.

Qin: Now, this should be awesome to see. Selena and her friends always find a way to destroy her insane brother's nasty surprises and give him a taste of his own medicine.

Nico: Which ends with him spewing toxic death threats and explicit words at us. Alright, team, let's get to San Campion to help Ray and his friends get rid of The Choten and save them from that psycho lunatic.

Lincoln: I've already got a special curse in store for The Choten, and he's going to feel the pain of all those he'd hurt.

The previous group came.

Abra Kadabra: Can me, Firebrand, Man Boy, Femme Fatale, Saix, Trapster, Kangor, Spot, See-More, and Grundy go with you guys?

Nico: Yes you guys can.

Qin: Cool.

Indigo Zap: Nico, which Gene slammer do you think you'll meet next?

Nico: Oh man. Bountiful Artemis next.

Me: Nice.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, King Sombra, he's returned and he's coming after us to get revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli. I can't believe it, King Sombra's back.

Suddenly, Lincoln's eyes glowed, and he found himself in his subconscious. There, he's met by The Spirit of Harmony.

Lincoln: Spirit of Harmony, you've heard the news.

Spirit of Harmony: Yes, I have. The time has come to redeem King Sombra.

Lincoln: What? Redeem King Sombra?! I'm not so sure about this, he murdered Cadance's mother, Queen Amore, the former ruler of The Crystal Empire and committed numerous crimes against The Crystal Empire and Equestria itself.

Spirit of Harmony: Yes, it's true, but you can guess who he made a deal with.

Lincoln: Queen Opaline. I should've known.

Suddenly, Lincoln came back.

Nico: Lincoln, what happened?

Lincoln explained what The Spirit of Harmony said, and even we were shocked.

Nico: What the? Redeem the most blackhearted tyrannical monster who murdered Queen Amore and caused so much chaos and devastation to The Crystal Empire 1,000 years ago and caused chaos in Equestria?!

Eli: I don't know about this.

Lincoln: I didn't want to say this, but you can guess who he made a deal with 1,000 years ago.

Me: Queen Opaline. Alright, we're going to purify King Sombra and make him good and separate his darkness from him and destroy him, but I'm going to ask what kind of deal he made with Opaline.

Nico: Just like with Tirek. Okay, I'm trusting you and Lincoln on this, J.D., now we better get going to San Campion to help Ray and his friends deal with The Choten for good.

Lincoln: And drive Sebastian back to Transylvania before he tries to murder Ray and his friends, and once we get done with The Choten, you're next, King Sombra.

Ocellus: Ray, you guys hang on, we're coming to help you and get rid of The Choten.

Ink Rose: And King Sombra, you better prepare yourself.

Lola Ferrington: You've got 1,000 years of payback and retribution coming for you!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to San Campion to help Ray and the Kaijudo team take down and destroy The Choten, and once we got done with him and sending Sebastian back to Transylvania, we're going to remove the darkness of King Sombra and destroy it by unleashing 1,000 years of payback and retribution on him.

But, not far from The World Tree Estate, a swarm of bats suddenly appeared from nowhere along with a ghostly white mist, but then, the white ghostly mist transformed into a man with shoulder-length and unkempt white hair, yellow eyes that easily turn red, pale skin, white mustache and goatee, long sharp fingernails, and he was dressed in a long black 18th Century coat with blood red inlay, black waist coat with gold designs and red cloth around the waist, white cravat with embedded blood red stone, black pants, knee-high black boots, and long black cape with high collar and blood red inlay in the cape, but the aura around him was that of pure supernatural evil: it was our old enemy, Dracula from the Castlevania franchise.

He saw us leave, and now, he was planning to follow us.

Dracula (Castlevania): So, you're on the move, Team Loud Phoenix Storm. Perfect, however, I'm not planning on killing any of you. (Smirks) Not yet since this so-called Order of The Dark Universe is already threatening to cause trouble, but this should provide some amusement, I look forward to seeing how much stronger all of you have gotten since the last time we met.

Dracula turned into a swarm of bats and followed us to San Campion, none of us don't know what he's planning, but given what we'd known about Dracula and his hatred towards The Belmont Clan and humanity and God, we know it can't be good.

We were off.

We arrived.

Me: We're here.

Firebrand: Let's call Schwarz

Me: Good idea.

We did so.

General Schwarz: Hey guys!

Me: Glad you made it.

Tricloid: Where are they?

Nico: There!

We saw Ray and friends at Ray's house and they were having lunch. We went over.

Me: Hey guys!

Ray: Hey guys you made it!

Nico: We sure did.

Allie: Yeah you sure did.

Femme Fetale: We got a lot to catch you guys up on

Me: We sure do.

Lola: Yeah.

Me: First we owe you guys big time for helping us last week.

Mushi: Yeah. Against Lagoras and Grangon

Me: Yeah.

Ray: No problem.

Shobu: That was awesome.

Gabe: Shobu! Wow it's an honor.

Shobu: Same here.

Trapster: I hope we kill the Choten with a Mystic Cannon

Me: That would be cool.

Laney: Yeah.

Gabe: It sure would.

Ray: Carny is in the hospital still.

Me: Ha he can stay there.

Eli: I really burned and smashed him big time.

Undermine: Listen, we have reason to believe that Sombra was innocent all along

Me: Yeah. Just let me do the talking to him.

Allie: Understood.

Ray: Okay.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume carrying two bottles of beer.

Poromon: (to the Kaijudo team) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Spot: You get some under your pillows if you're good!

Ray: Really?

Me: Yeah.

Allie: Poromon looks so cute in a fairy costume.

Me: He sure does.

Gabe: But we are too young for beer Poromon.

Me: So instead...

I pulled out my cooler and gave them root beer.

Ray: Thanks.

Poliwag: (Does puppy eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Yagura: I know it sounds crazy. But we have evidence that proves Sombra was duped

Me: The Spirit of Harmony confirms it.

Ray: Okay we believe you.

Alice: Yeah.

Nadia, Alakshmi And Benjirou Kimora came.

Nadia: (Russian Accent) Good to see you all again.

Alakshmi: (Laos Accent) It sure is.

Me: Same here.

Ray: Your estate world tree is incredible.

Gabe: It sure is. And I heard you guys had lots of ups and downs too.

Me: Especially with a certain movie too.

Ray: What movie?

Me: And cue maascots craziness in 3... 2... 1...

Manaphy: THIS MOVIE! (shows trailer close to Ray's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Ray: (SCREAMS) WAIT IS THAT POOH!?

Poromon: (shows trailer close to Allie's face) YOU LOOK AT IT!

Allie: WHAT HAPPENED TO HIM?!

Poliwag: (shows trailer close to Gabe's face) YOU LOOK AT IT!

Gabe: (VOMITS) THAT IS HORRIBLE!

Horsea: (shows trailer close to Nadia's face) LOOK AT IT!

Nadia: OH MAN! THAT IS GRUESOME!

Jirachi: (shows trailer close to Alakshmi's face) LOOK AT IT!

Alakshmi: (VOMITS)

Tentacool: (shows trailer close to Benjirou Kimora's face) LOOK AT IT!

Benjirou Kimora: (SCREAMS)

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

Grundy: Grundy sorry about this!

Me: OH FOR FUCKS SAKE!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Allie was crying.

Gabe: What was that!?

Me: That was the trailer for the movie Winnie The Pooh Blood and Honey.

Rabeeder: It's a mockery of the Pooh we know and love!

Me: Yeah no kidding.

Ray: Why would they do this!?

Me: To make horror movies of the movies of our childhood.

Gabe: Why didn't you give them the black gates!?

Me: Believe me we wanted to but the people that made this movie are innocent people and our code strictly forbids us from doing that on the innocent. So the next best thing we did is a lawsuit.

Blu: It was my idea for that.

Nadia: Good call there.

See-More: The real versions were faced recently

Me: On the King-Ohgers home planet and the Mascots destroyed them.

Allie: Whoa did they really?

Nico: Yep.

Poromon: That was a good day for us.

Horsea: It sure was.

Grounder: Wait. You guys hear something?

We heard an ominous noise.

Twilight Sparkle: Oh no I know that noise anywhere.

Me: Me too. Sombra approaches!

We then saw a SWIRL OF DARKNESS AND IT HAD SCARY MALEVOLENT EYES!

Me: There he is!

Out came KING SOMBRA!

Nico: King Sombra!

King Sombra: Well hello Team Loud Phoenix Storm!

Ray: So you're King Sombra.

King Sombra: That is correct. Ruler of the Crystal Empire.

Me: And one of Equestria's Big Bad Enemies. Let me do the talking.

I went over to him.

Me: King Sombra, were you approached by an evil Alicorn named Opaline Arcana?

King Sombra: Hmm. Remind me what she looked like.

Me: White hair, blue eyes, purple fur and wings and had a fire crown cutie mark.

King Sombra: Ah yes. Her. She approached me back then and promised me ultimate power and ruling over the Crystal Empire in exchange for the magic of the empire for her.

Me: Well you were lied to.

Tirek: He's right Sombra. We were duped.

Cozy Glow: It's true! We were only used by her to help her get power.

Nico: And it nearly worked.

King Sombra was shocked! HE WAS LIED TO!

King Sombra: (CRYING) WHAT HAVE I DONE!

Me: Well Opaline of the Prime Universe used you like that. But we're going to make sure she pays. But first...

I unsheathed my sword and fired a beam of light and it hit him and separated him and he was pure!

He was a grey unicorn with green eyes and had a blue king outfit.

HIS DARK SIDE CAME OUT AND LOOKED LIKE KING SOMBRA BUT WITH RED EYES!

Dark Sombra: YOU WILL PAY FOR THIS!

He flew off!

Ray: Lets get him!

Me: Wait let him go. We'll face him with Choten.

General Schwarz: And then, he's mine.

Lincoln: (to Nico) Hey, after locking up main baddies the past few days, killing one can't hurt

Nico: Noted and good idea.

Me: Yep.

But then there was a rumble and then the ground cracked and out came a HUGE AND HORRIFYING PLANT MONSTER! IT WAS A SCARY ONE! IT WAS INK ROSE'S AKUMA BOTANCARNAGE!

WE GASPED!

Me: WHOA!

Lincoln: OH MAN! That's Ink Rose's Akuma, Botancarnage! The Hypothetical Akuma of Ink Rose and a plant monster with a deadly and massive thirst for blood and she is a 3 headed plant monster that is that hungry. She has the power to vomit extremely acidic spit that can burn and melt all the way through the toughest of buildings and strong enough to burn through solid steel. She was made when she was kicked out of the fashion world for her dark attitude and vowed revenge on them by killing them.

WE GASPED IN SHOCK!

Me: WHOA! That is scary!

Ink Rose: My akuma is wicked cool.

Lola: Scary!

Then it fired acid spit and we dodged it! And it hit an abandoned building and melted it into nothing in seconds!

Me: WHOA! That spit is stronger than Reptilicus's Acidic slime!

Nico: That is strong stuff!

Kangor: (Jamaican Accent) At least we can find her easily, mon!

Me: No kidding.

She saw us and roared.

General Schwarz: Ink Rose? Is that you?

All it did was roared And fired more spit!

We dodged it and it burned a huge hole in the ground!

Me: WHOA! One of the feral kinds!

Gantu: Can she even talk?!

Me: I guess not!

Kate Lloyd: My Akuma was like that!

Me: Yep! Looks like we're going to burn her!

I fired a massive blast of fire and blasted her all over!

General Schwarz fired waves of darkness and blasted her.

Botancarnage roared and fired more acid blasts and we dodged them and they burned more holes in the ground.

Nico: We're gonna need a huge weed whacker!

I fired waves of fire and burned her down and she was just a small plant as big as a flower.

I pulled out a weed whacker and shredded her And sent her to the M.O.E.

Me: There we go.

Saix: She wasn't sapient.

Me: Nope.

Lola: Yeah.

Me: Now for the fun part and that's the usual battles.

Nico: Yep.

Ray: This will be good.

Horsea was eating chips.

Nico: Heatwave, Stinky Butt, Melter, Touch & Go, Po Kong, Titanium Toenail, Dayu, Top, Vulkanus and Taskmaster.

Me: Thanks.

Melter: Now we just have his evil side.

Mr. Go: He won't be easy.

Me: No he won't.

Po Kong: (to Nico) We heard you fought Andross, Pigma, and Oikenny.

Nico: We sure did.

Heatwave: (To Taranee) You should take care of that Growlithe

Taranee: I will.

Decibat came.

Me: Decibat, up for another round?

Decibat: I sure am.

Me: Cool.

William: FYI, expect Leo to go on one of the missions involving Zak.

Decibat: Got it.

Me: Yep.

Qin: Nice.

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

---

Heatwave was first.

Heatwave (to Taranee): Nico's rescue was in the Light Sensei Realm. He battled Andross, Pigma and Andrew

Taranee: That was so awesome and we were shocked seeing Andross not as a Disembodied head and hands. That form of Andross really creeped me out. But we dealt with Pigma and Andrew and made those two pay big time and sent them to the Black Abyss.

Salamandermon: We sure did and they had it coming! Especially Pigma for killing James McCloud. Oh I'm Taranee's Salamandermon.

Heatwave: Pleasure and wow! Fitting for her because Salamanders are for the Fire element in Alchemy.

Salamandermon: That's right. Now she has me and a Growlithe too.

Heatwave: So cool. I bet Nico really gave that heartless pig Pigma what for.

Salamandermon: Oh he sure did and he turned him into cold cuts!

Phil Deville: And we really let Andrew have it too!

Hiita: Yeah that was awesome! And we really let Andross have it for all the terrible and inhumane experiments he did as well as all the atrocities he did on Venom and to the Lylat System. Also Wolf, Leon and Panther had a few choice words for their former comrades.

Heatwave: Yeah I heard about that from them when they came back! WOW! They had a lot of rage pent up against them didn't they.

Hiita: They sure did and it was very therapeutic they said.

Heatwave: I don't blame them one bit.

Sunset Shimmer: Me neither but that was awesome! Now we have all the 10 elemental sensei realms covered and it was so fun.

An army of Triptoids appeared.

Me: Triptoids! Now we're talking!

I fired waves of energy and blasted them.

KRABBBBBOOOOOOOOOOOOMMMM!

KRABBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMMMM!

Massive fiery explosions blasted them all over..

Me: Mesogog is for Connor's missions so we'll send their heads back to him to let him know we're coming for him and Zeltrax.

Choten: We'll see!

Then the Triptoids jumped Ray and friends and pinned them down.

Ray and his friends lay defeated at the hands of the Triptoids.

Choten: (laughs evilly) At long last, I've finally defeated you and your friends!

Poromon: (pecks a Triptoid) Oh no. What do we do?!

Ocellus, Ink Rose, and Lola Ferrington got an idea

Ocellus: Everyone in the audience! Lend Ray and his friends your strength!

Ink Rose: They get stronger with your support!

Lola Ferrington: When we give the signal, share your energy with the Ray and his friends. Okay? Ready... go!

Everyone in the audience began sharing their energy with Ray and his friends. And soon, Ray found the strength to get up.

Ray: Don't count us out just yet, Choten!

Ray then punched a Triptoid, knocking it to the ground.

POW!

Choten: WHAT!?

Evil Sombra: IMPOSSIBLE!

Ray: Thanks for the help, everyone.

Allie: I didn't think we were that popular.

Gabe: Neither did I.

Nadia: You guys shouldn't be complaining though.

Alakshmi: I agree.

Benjirou Kimora: Stay focused, everyone. We still have to take the Choten down.

Choten: You and your friends have gotten in my way for the last time, Ray! Now, I will finally destroy you and all of Team Loud Phoenix Storm!

Dark King Sombra: You have ruined all of my plans for the last time, I will destroy all of you and The Crystal Empire's power will be mine!

Me: That will never happen! This is where the both of you will die here and now!

Suddenly, blasts of fire came out of nowhere and hit The Choten and Dark King Sombra.

Nico: Nice hit, J.D.

Me: That wasn't me.

Lincoln: Nor Lola or any other fire wielder. (Recognizes the fires and caught the smell of blood) In fact, those blasts of fire came straight from Hell itself, and I'd recognize the smell of blood in the air, it's been a long time since last we met..., Dracula.

Suddenly, a swarm of bats came out, and they transformed into our old enemy, Count Dracula from the Castlevania franchise.

Palutena: Dracula.

The Super Smash Fighters got ready to fight The Dark Lord and The

King of The Vampires.

Fox: I'm surprised you decided to return, Dracula.

Samus: You chose the worst time to return.

Dracula (Castlevania): As much as I want to have sweet vengeance on all of you, I shall relent from doing so. Since this so-called Order of The Dark Universe is already causing you all enough trouble.

?: (DEMONIC VOICE) TEAM LOUD PHOENIX STORM, NOW YOU WILL ALL DIE!

Suddenly, Sebastian appeared, but before he could trigger his trap, all of the demons and monsters he had suddenly fell under Dracula's control, and then, he offered them to Lincoln.

Dracula (Castlevania): Did you honestly think I didn't know you're also a creature of the night and a naturally powerful one like myself, Lincoln Loud? You've enjoyed feeding on the blood of your victims and ending their lives. Go right ahead, allow your hunger and thirst to guide you.

Suddenly, Lincoln ran at the demons and monsters and he bared his fangs and bit into them one by one and he sucked them all dry of blood and he absorbed their powers and made them his own and he drained their souls of energy as he felt a rush of power flow through him.

Sebastian Mendez: (DEMONIC VOICE) NO! NO! WHAT HAVE YOU DONE?! I WILL KILL YOU!

Lincoln: (DEEP SAPPHIRE EYES TURN BLOOD RED WITH SLIT PUPILS) SILENCE!

Suddenly, the skies turned black and blood began to rain down: Lincoln's about to put Sebastian in his place!

Lincoln: I've had enough of your constant attempts of trying to kill us in the past, Sebastian. You'd already made yourself out to be not only a traitor to the team, but even before that, you were a vile, evil, depraved, insane, murderous, deranged, psychotic, cold ruthless bastard, and I'm not going to let you to live not a single second further. When the rest of The Hunters of The Nightflame Sun arrive and when you finally make your move against us, we'll end you and The Order of The Dark Universe once and for all! Now, run back to your minions in Transylvania and give them this message: death is coming for all of you, the flames of The Immortal Phoenix and the dark flames of The Nightflame Sun will destroy you and your schemes of universal destruction once and for all.

Sebastian Mendez: (Demonic Voice) (Shrieks) Minions, kill him!

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Sebastian became enraged, but before he could attack...!

Dracula (Castlevania): You've already had your fun, now leave.

Sebastian was forced to leave: he stood no chance against us nor Dracula and his desire for blood and carnage was ruined...for now.

Dracula (Castlevania): This temporary respite from me and my forces will only be for until you've dealt with The Order of The Dark Universe, and then, we can finally have our battle. Farewell, until we meet again, Team Loud Phoenix Storm.

Dracula turned into a swarm of bats and flew back to his castle.

Ocellus: Ink Rose, Lola, let's transform and deal with The Choten and Dark King Sombra.

Ink Rose: Understood.

Lola Ferrington: Time for you two monsters to pay for what you've done.

Ocellus: Let me, Ink Rose, and Lola transform with you guys!

Connor: Go right ahead, Ocellus.

Dino Thunder Rangers: Dino Thunder, Power Up! Ha!

Trent: White Ranger, Dino Power!

Yusuke Godai: Time to power up! Arcle, don't fail me now!

With his silent moment known, a strange silver belt materializes around his waist, with a red stone in the center, with blue, red, green, and violet button looking stones moving from right to left on either side of it.

Yusuke Godai: (Thrusting an arm in front of him while moving it slowing from left to right, with the other tucked against the side of the Arcle) Henshin!

With the famous battle cry uttered, Yusuke brings in his extended arm so his hands meet, which causes a black and red armor with golden accents, a gilded horn crest, and giant red eyes to materialize on him as he strikes an action stance.

Connor: "Tyranno Power! Red Ranger!"

Ethan: "Tricera Power! Blue Ranger!"

Kira: "Ptera Power! Yellow Ranger!"

Tommy Oliver: "Brachio Power! Black Ranger!"

Trent: "Drago Power! White Ranger!"

Lola: "Argentino Power! Pink Ranger!"

All: "Roar of Thunder! Power Rangers Dino Thunder!"

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Yusuke: KUUGA POWER OF THE MARK! KAMEN RIDER KUUGA! MARK OF THE ACTION! KUUGA POWER!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind him and he was ready!

Suddenly, the eyes of Ocellus, Ink Rose, and Lola Ferrington turned neon teal, neon purple, and neon green, and they were surrounded by colored energy auras with stars, illusions, darkness, shadows, blood, technology, lightning, magic, creatures of the night, Alicorns, phoenixes, and angels, they unholstered their massive greatswords, and as they approached The Choten and Dark King Sombra, they left colored energy, stars, illusions, darkness, shadows, blood, technology, lightning, magic, creatures of the night, Alicorns, phoenixes, and angels with every step.

Ocellus: You really are nothing more than an unforgivable and unrepentant monster, Choten, you caused Ray and the rest of his team nothing but trouble, and all for your plan to conquer the Earth.

Lola Ferrington: Not to mention you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Ink Rose: That's right. And as for you, Dark King Sombra, we've already brought you out into the open when J.D. purified King Sombra from you, and now, it's time for you to pay for what you've done in killing Queen Amore over 1,000 years ago and for the chaos you've caused in The Crystal Empire and Equestria and for trying to drain The Crystal Empire of its magic for Queen Opaline.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down!

Nico: Arthur Choten you have failed this universe!

He was burned and battered all over!

Then, Lincoln prepared to place his curse on him as he's surrounded by a darkness energy aura and the skies turn black.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share Because of you, Arthur Choten, Now the future is a cold nightmare.

We had icicles and chills running down our spine when Lincoln sang the song. Then, Lincoln fired blasts of darkness from his massive white angel wings and eleven sets of large white angel wings underneath his massive angel wings, and as they hit The Choten, the curse's effects start to take hold as he's attacked by the spirits of his victims who've been summoned by the song and they are there for one thing: to take revenge on their tormentor as he suffers their vengeance infinite-fold.

Finally, the spirits of the former Kaijudo Masters appear before him and they attack him and he feels the exact pain he inflicted on his victims, and before he dies, he was finally stripped of all his powers, skills, and abilities as they take on the shape of multiple orbs of light, and they're given to us, and as a result of having all his powers, skills, and abilities stripped from him, he turned to dust. Then, his spirit appeared!

Choten: YOU! YOU! I'M NOT FINISHED YET!

YOUR TIME IS UP!

Suddenly, the bell of judgement rang in his ears meaning his time was finally up! Then, the spirits of The Underworld grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Choten: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, RAY! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS BASTARD, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER OF CHAOS!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer pink and blue streak tail and amber tail, longer white and mint green horn, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Ocellus, Ink Rose, and Lola Ferrington are permanent.

Ray: Good riddance forever, Choten. I don't want to see your face ever again.

Nico: That monster has lived long enough.

Me: You said it.

We then turned to Dark King Sombra.

Lincoln: And now, we got one final piece of business to take care of: Dark King Sombra.

We turned our attention to Dark King Sombra who was completely angry and now completely deranged, and we saw it: Dark King Sombra was absolutely BEYOND ENRAGED AND BEYOND INSANE AND HE WAS SNARLING AND GROWLING LIKE A SAVAGE ANIMAL!

Dark King Sombra: THAT'S IT! I'M GOING TO MAKE YOU INSOLENT FOOLS PAY!

Lincoln formed a massive and indestructible diamond barrier infused with rainbow, white, golden yellow, and blue energy that protected all of us from dark magic blasts that he fired at us, but we destroyed the dark magic blasts.

Ocellus: Seriously?! You're still at it again?! Well, I shouldn't be that surprised though.

Ink Rose: That's true, he's still as violent and destructive as ever.

Lola Ferrington: But, don't worry, we're going to kill you and make sure that your name is entirely forgotten and you'll be nothing more than a forgotten memory.

Suddenly, the eyes of Ocellus, Ink Rose, and Lola Ferrington turned neon teal, neon purple, and neon green, and they were surrounded by colored energy auras with stars, illusions, darkness, shadows, blood, technology, lightning, magic, creatures of the night, Alicorns, phoenixes, and angels, they unholstered their massive greatswords, and as they approached The Choten and Dark King Sombra, they left colored energy, stars, illusions, darkness, shadows, blood, technology, lightning, magic, creatures of the night, Alicorns, phoenixes, and angels with every step.

Ocellus: You really are nothing more than an unforgivable and unrepentant monster, Choten, you caused Ray and the rest of his team nothing but trouble, and all for your plan to conquer the Earth.

Lola Ferrington: Not to mention you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Ink Rose: That's right. And as for you, Dark King Sombra, we've already brought you out into the open when J.D. purified King Sombra from you, and now, it's time for you to pay for what you've done in killing Queen Amore over 1,000 years ago and for the chaos you've caused in The Crystal Empire and Equestria and for trying to drain The Crystal Empire of its magic for Queen Opaline.

Time to die, you bastard!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF DARK KING SOMBRA TO NO END! NOW, THE BATTLE TO AVENGE THE DEATH OF QUEEN AMORE FROM 1,000 YEARS AGO WAS ON!

Lincoln, Ocellus, Ink Rose, Lola Ferrington, Nico, and I and all of us went after Dark King Sombra, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, pink and blue, black and purple green, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark King Sombra, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Ocellus, Ink Rose, and Lola Ferrington did the same by firing colored, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and massive greatswords, and Lincoln, Ocellus, Ink Rose, Lola Ferrington, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Dark King Sombra even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Dark King Sombra, and we found ourselves in Heaven.

Suddenly, the bell of judgement rang in his ears meaning his time was finally up! Then, the spirits of all those he'd hurt appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: Dark King Sombra was finally being erased by The Black Abyss!

Dark King Sombra: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU, TEMPEST SHADOW! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer purple tail, longer pastel purple horn, eleven massive and long green wolf tails, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and pink butterfly wings and eleven sets of large colored angel wings and pink butterfly wings underneath the massive colored angel wings and massive pink butterfly wings of Ocellus, Ink Rose, and Lola Ferrington are permanent.

Ink Rose: It's finally over, Dark King Sombra is finally gone.

Twilight Sparkle: That's another of the enemies of Equestria finally redeemed.

Nico: You said it.

Me: And the monster inside him was purged from him and got his eternal damnation. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Wild

Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Wild Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Georgia Wild Moon, Werewolf Angel of The Wild Moon of April.

Me: The Werewolf Angel of April's Wild Moon, awesome!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Georgia Wild Moon, Werewolf Angel of The Wild Moon of April, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Wild Moon of April. Georgia is a powerful master of the powers of blue wolf fire, nature, animals, The Wild Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Georgia Moon is The Werewolf Wild Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Georgia trained Lincoln in mastering the powers of blue wolf fire, nature, animals, The Wild Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to shred her to pieces underneath The Wild Moon and show her that she's more wild than Lynn when she goes psycho on Packing Day!

Nico: And I can guess you did the same thing to Dana, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lynn getting drenched with water.

Nico: Serves her right.

Eli: Big time.

Gira slashed at Aqua Seneschal.

They slashed Aqua Seneschal and blasted it and knocked it out.

Lana: That was awesome!

Gira: What should we do now?

We came back.

Me: That was intense!

Titanium Toenail: Looks like it's the end of the Choten.

Dayu: You said it.

Me: Good fucking riddance!

Top: (to the King Ohgers) You guys helped too.

Gira: We sure did.

Me: We owe you big time Gira. You and the King-Ohgers all did great!

Gira: Thanks J.D.

Ray Chase: See you guys in 7 days.

Gira: We'll be waiting.

With that, Gira and Ray shook hands.

Vulkanus: What now?

Taskmaster: We celebrate!

Me: YEAH!

Nico: Great job today everyone and Ink Rose, Ocellus and Lola you all did awesome!

Ink Rose: (To the viewers) This was so awesome and amazing.

Me: It sure was.

We went to an amazing restaurant and had a great meal.

We returned home and got Ray and his team settled in to The World Tree Estate, and hours later, night fell on the city, and as Lincoln promised, he was going to meet his harem at the location they chose for their moonlit beach date. But, what Lincoln didn't know was that the place they chose was Esch Beach in Benzie County, Michigan.

Lincoln: What the, I'm here in Esch Beach in Benzie County, Michigan, it's gorgeous and peaceful here and not crowded.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Dana Wind Moon, but she was in her werewolf form.

Lincoln: Dana Wind Moon.

Dana Wind Moon: (Beastly Voice) Yep.

Then, the rest of his harem arrived but all of them were wearing robes.

Girl Jordan: And this is the perfect place for you and all of us here, Linky.

Then, Lincoln's harem took off their robes, and they were wearing two-piece microkinis, and that caused an atomic red blush to form on Lincoln's cheeks, snout, and muzzle, and his nose gushed blood.

Then, Dana Wind Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Dana Wind Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Dana Wind Moon still enjoyed the sight even to this very day.

Lincoln, Dana Wind Moon, and his harem dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Dana Wind Moon and his harem gave Lincoln a deep tissue and muscle massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Dana Wind Moon and his harem a deep tissue massage, and when he was done, they were literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Dana Wind Moon and his harem got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive

900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Dana Wind Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf-Cyborg Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln made clones of himself and while he went up to Dana Wind Moon, his clones went up to the rest of his harem and they hugged them in their abnormally massive and powerful muscular arms, and Dana Wind Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Dana Wind Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Dana Wind Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Dana Wind Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with the rest of his harem joining in and him on top of Dana Wind Moon, but they also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used his eleven massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Next is the saga of Earth Day and for part 1 we're going to do Wheeler's day and battle Duke Nukem!

See you all next time.

Earth Day 2024 Part 1 - Duke Nukem

Earth Day 2024 Part 1

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: his dream took him to Chikyu and seven different parts of Earth, but as he was flying, he sensed and saw trouble was brewing, and then, he saw some familiar figures in the distance, and when he zoomed in, he saw they were none other than Duke Nukem, Looten Plunder, Sly Sludge, Verminous Skumm, Amelia Blight, Hoggish Greedily, Zarm, and Captain Pollution, he saw they were brought back by Anti-Monitor and he placed Monitor Orbs in their foreheads.

But, then, Lincoln suddenly saw the hieroglyph matching Apophis, The Egyptian God of Chaos, in the sky and he knew that it's Sebastian because of the black and red skies.

Then, Sebastian appeared and blasted Anti-Monitor with infernal darkness and he then forced The Dark Pact of Apophis on Duke Nukem, Looten Plunder, Sly Sludge, Verminous Skumm, Amelia Blight, Hoggish Greedily, Zarm, and Captain Pollution.

Anti-Monitor: Sebastian, you two-faced snake!

Anti-Monitor was furious at Sebastian for this, and he grabbed him by the neck and lifted him up and glared at him.

Anti-Monitor: You know, I can respect you turning against Team Loud Phoenix Storm like that, but to also find out you're still a threat to everything and everyone good and evil, I hope Team Loud Phoenix Storm kills you for this!

Sebastian Mendez: (Demonic Voice) Screw you, bitch! This is all your fault!

Then, Sebastian slashed Anti-Monitor in the chest with his razor-sharp claws and got out of his grasp.

Sebastian Mendez: You should've just taken the chance and destroyed Team Loud Phoenix Storm, but you...! YOU BROUGHT BACK THE 310 LOWLIVES THEY DESTROYED EIGHT YEARS AGO TO DO YOUR DIRTY WORK! YOU ARE AN ABSOLUTE DISGRACE! WELL GUESS WHAT, THE REMAINING LOWLIVES YOU BROUGHT BACK WILL FALL UNDER MY CONTROL AND THOSE FOOLS WILL DIE BY MY HAND! AND ONCE I GET DONE WITH THEM AND THAT BITCH VYPRA AND HER MASTERS OF EVIL, I WILL THEN GET RID OF YOU BEFORE I DESTROY ALL LIFE ON EARTH AND THE UNIVERSE AND BEYOND! ALL WILL BE DESTROYED AND THE UNIVERSE WILL BURN! (LAUGHING DERANGEDLY)

SEBASTIAN VANISHED IN A TORNADO OF INFERNAL DARKNESS STILL LAUGHING DERANGEDLY AS THE ECO-VILLAINS NOW UNDER HIS CONTROL WERE FORCED TO OBEY HIM AND ANTI-MONITOR LEFT! WHEN LINCOLN SAW EVERYTHING THAT HAPPENED, HE WAS BEYOND FURIOUS AT SEBASTIAN FOR WHAT HE DID: THIS WAS ABSOLUTE MADNESS UNTOLD!

Lincoln: That...fucked-up lunatic.

Lincoln woke up from his dream, but so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: We've got big trouble in the morning, and Sebastian really pulled the worst move ever.

Lincoln told his harem of what Sebastian did, and needless to say, Selena was pissed.

Selena Mendez: What the Hell?! I don't believe him!

Melanie Emperyous: That bastard! Okay, it's bad enough Anti-Monitor brought Duke Nukem, Looten Plunder, Sly Sludge, Verminous Skumm, Amelia Blight, Hoggish Greedily, Zarm, and Captain Pollution back and put the Monitor Orbs in their foreheads, but Sebastian appearing and attacking Anti-Monitor like that and forcing The Dark Pact of Apophis on The Eco-Villains and forcing them to obey him and make that kind of declaration of war against us and The Masters of Evil out of his absolute and toxic hatred towards humanity, mankind, and all life on Earth and the Universe and beyond, we should've killed your insane brother long ago, Selena.

Michelle Emperyous: When everyone finds out what he did, they are going to be so pissed!

Selene Emperyous: Selena, your brother's gone too far once again.

Camie Elextor: We know, he's a leech who thrives on causing chaos and destruction, he's still insane and a monster.

Lincoln: We'll make sure The Eco-Villains die here and now. But, we got to watch it, once we engage one of The Eco-Villains, Sebastian will show up as well to attack us. But, we'll send him flying back to Transylvania!

Lincoln and his harem went back to sleep, but this means we're in for some big trouble. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream and my dream took took me to Chikyu and seven different parts of Earth, but as I was flying, I sensed and saw trouble was brewing, and then, I saw some familiar figures in the distance, and when he zoomed in, I saw they were none other than Duke Nukem, Looten Plunder, Sly Sludge, Verminous Skumm, Amelia Blight, Hoggish Greedily, Zarm, and Captain Pollution, he saw they were brought back by Anti-Monitor and he placed Monitor Orbs in their foreheads.

WE GASPED!

Lincoln: But, then, I suddenly saw the hieroglyph matching Apophis, The Egyptian God of Chaos, appear in the sky and I knew that it's Sebastian because of the black and red skies. Then, out of nowhere, Sebastian appeared and blasted Anti-Monitor with infernal darkness and he forced The Dark Pact of Apophis onto Duke Nukem, Looten Plunder, Sly Sludge, Verminous Skumm, Amelia Blight, Hoggish Greedily, Zarm, and Captain Pollution.

WE GASPED IN HORROR!

Me: HE DID WHAT?! (GROWLS) THAT TWO-FACED FUCKING SNAKE!

Lincoln: And Anti-Monitor got pissed off by him badly, but it got much darker when he declared war against us and The Masters of Evil out of his absolute and toxic hatred towards humanity, mankind, and all life on Earth and the Universe and beyond, and he issued death threats not only against us, but also against The M.O.E., humanity, mankind, and all life on Earth and the Universe and beyond.

WE WERE BEYOND MEGA PISSED AT SEBASTIAN BIG TIME!

Nico: That...goddamn...two-faced snake!

Qin: I can't believe he did this, I knew he was capable of doing some lowdown dirty stunts like this, but this is the pits! Now, he's gone and fucking done it!

Maria got off the phone!

Maria: I recorded everything you just told us, Lincoln, and sent it to Vypra and the rest of The M.O.E., and they should be arriving...right now!

Suddenly, The M.O.E. arrived and they were absolutely fucking pissed at Sebastian.

Vypra: Maria told us everything with that recording. That goddamn two-faced fucking snake, now he's gone too far!

Myotismon: Nico, I hope you and the others have a far greater punishment in store for him.

Nico: No, that'll be left to Lincoln and The Hunters of The Nightflame Sun, Selena and her friends have their sacred task to fulfill: end Sebastian for good and avenge all those he's murdered in his deranged madness.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Varie Yulinova, Water Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Varie.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Varie Yulinova, Water Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Water. She's The Water Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Varie Yulinova hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Heather Yulinova, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and flowers, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like Camie...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Selena knew her brother went too far, and that was also another reason why he got sent to that maximum security insane asylum, he was too insane and too monstrous. We had no idea that he was that insane and monstrous, but when he committed that betrayal in Helen Wendova's wedding all those years ago, that was when we decided to cut all ties with him.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The next Hunter of The Nightflame Sun that we're meeting tomorrow morning is Lorena Cavenstein, The Earth Master Mage of Darkness, she uses the powers of Earth and darkness, and that also includes Earth where dark magic rituals had taken place, and it's much stronger than the Earth tainted by the Satanic rituals of Sebastian and The Order of The Dark Universe.

Lucy: Her power over Earth and Darkness is that powerful, even Morgana De Rose was impressed.

Morgana De Rose: Indeed, and she's also shared with me many of her Dark Earth spells in the past.

Lincoln: It'll be great seeing her again tomorrow. Now, let's finish breakfast and head out to not only hunt down the next villain we're going after for Nico's rescue.

Nico: But also, Sergio's thugs.

Wheeler woke up to see Cinderace staring at him

Cinderace: Morning Wheeler. Time for you to kick some butt.

Wheeler: Oh man must be my turn! Time to go to breakfast.

ZOOM!

He went to the table and had all kinds of meats for breakfast.

We then finished our breakfast, and we set out to hunt down the next villain for Nico's rescue, and also, get rid of Sergio's thugs and send those thugs to The Black Abyss.

Me: I always hate coming to Hell!

Qin: Me too! It's scary!

Ymir: It sure is!

Lola: Always horrible.

Nico: I'm sure Brittney has her reasons for us coming here.

Brittney: Yes I do. We're going to find out what is causing Sebastian to be this way and free him from it. Also to battle whoever is here.

Lola: Oh. Good reasons.

Xenia: Yeah.

Nico: Knight Man, I want to thank you, Ground Scaravich, and your teams for coming.

Knight Man: Not a problem Nico. This will be a good one.

Ruti: It sure will be a good one.

Me: Yep.

Nico: Ruti, what do you like to do in your free time?

Ruti: I like to dance and teach dancing classes to people and they are fun.

Me: They sure are.

Qin: Yep.

Nico: Good job to have.

Me: Yeah I agree there.

Horsea: Can you teach me?

Ruti: Sure.

Old Man Jenkins: Dah you call that dancin? I can dance purty well back in the Great Fart Smog of 48.

Nico: Huh?

Lily: He has no idea what he's talking about. You just have to get used to it.

BASH!

Nico got bashed on his head with his cane.

Nico: OUCH!

Me: Knock it off Jenkins!

Lily: Yeah! We're on a mission.

Nico: (Grumbling)

Me: Anyway wow! The Choten is dead and it was epic!

Lola: Yeah it was!

Ymir: Wow! That was so fun!

Me: It sure was! And awesome job with that Surekill of yours Ymir.

Ymir: Thanks. That was awesome doing one of my own.

Nico: I actually forgot about those.

Me: I didn't thankfully. But yeah that was awesome!

Qin: It sure was.

Ymir: I had a lot of fun on that.

Lola: All of us did.

Me: Ink Rose, Ocellus and Lola did great!

Nico: I'm proud of Lola Ferrington.

Qin: Me too.

Rarity: All of us are proud of them darlings.

Xenia: Yeah. Ink Rose's Akuma was a REALLY FRIGHTENING Carnivorous plant!

Nico: She couldn't talk.

Me: No but neither could Kate Lloyd's akuma.

Xenia: Yeah.

Me: But as a bonus victory out of all that we saved King Sombra. And we found out that he was another one of Equestria's enemies that was duped.

Starlight Glimmer: No kidding there. I wonder if Chrysalis was duped too.

Me: We'll find out and we face her on Rainbow Dash's big day.

Camie: Yep.

Nico: And Ray and his friends are now with us

Me: Yep. That was fun.

Lana: Next up is me, May and Starfire's big day.

Me: Yep. And that is gonna be awesome!

May: Yeah! We're going to kick some butt!

Nico: You sure are.

I saw Selena sad.

Me: Selena are you okay?

Selena Mendez: (SIGH) I miss the days with my brother. Until... (CRYING)

Brittney: It's okay Selena.

Me: Can you tell us what happened that lead Sebastian to become like this?

Selena Mendez: I can try. (Sniffles) It was back 13 years ago.

It showed the house of the Mendez family and it was a mansion.

Selena Mendez: (Voiceover) Me and my family were rich and well loved and we lived in an amazing mansion. It was as big as the one you had before J.D. we loved each other very much. Me and my brother were very close. We did it all together. We played video games and had lots of fun.

Young Selena and Sebastian had a lot of fun.

Selena Mendez: (Voiceover) But then came that dark and terrible day. We heard noises coming from the basement and went to see what it was. That was when we found a terrible dark secret from our parents. We peaked through a door and found out that our parents were Satanists.

FLASHBACK PAUSES

Selena Mendez: You see, our parents were part of a terrible and dark Satanic Cult. It was called The Dark Church of Malphas.

WE GASPED!

Me: Oh man! I've heard of them! I destroyed them and defeated all of their members and killed them all.

Brittney: And Malphas is the demon who has a goal and that is to destroy the world! No wonder!

Selena Mendez: Well my parents were going to summon him to destroy the world. But their spell backfired.

FLASHBACK RESUMED

Selena Mendez: (VOICEOVER) They chanted a strange incantation and out of a flash of light arose a deadly black ooze and it consumed them.

Past Sebastian Mendez: Selena, let's get out of here!

Selena Mendez: (VOICEOVER) We went to run but the ooze went right into Sebastian and it corrupted him! It turned him into the very monster that you saw, and I ran from him as he was coming after me, but then, I was enveloped in a strange black light and it drove Sebastian away. I turned into the very angel that made me the leader of The Hunters of The Nightflame Sun. I made it my mission to save my brother from this monster inside him.

FLASHBACK ENDS

Me: WHOA!

Xenia: That's terrible!

Brittney: The Black Ooze of the Eldritch! That ooze is a monster of madness made by Malphas and when it possesses someone, it always finds ways to come back no matter what method used.

Nico: That explains why Sebastian always got more evil than he did before every time!

Qin: Oh man! And that explains all of Sebastian's madness and horrendous behavior back in the past! Malphas really is a monster!

Lincoln: We got to get it out of him!

Me: Me and you can do that on your rescue, Lincoln.

Lincoln: Good idea.

Brittney: Now I know what to look for. Follow me.

Nico: Okay.

Twilight Sparkle: Where are we going?

Brittney: To the Library of Dis.

Twilight Sparkle: (Excited) Library!?

Me: Probably not the kind of library you would like Twilight.

We followed Brittney.

We arrived at the Library.

Me: Whoa! So this is the library of Dis

Nico: What are we looking for?

Brittney: You'll see.

We went in and we got to the books of Eldritch Magic.

Brittney: Here we are.

Brittney selected one.

Brittney: Here it is.

Brittney scrolled through the pages and found the antidote.

Brittney: The only way to remove the Black Ooze of The Eldritch is to use the Light Hands of Holy Virtue. They are hands ablaze with the Divine Light of Heaven and when they are plunged into Sebastian's chest, they must pull with all their might and it will separate the ooze from the one it possessed.

Nico: Whoa. That is amazing.

Me: Me and Lincoln can do that. This is gonna be tough.

Lincoln: But yeah we can do it.

Brittney: I know you can dad and you too Lincoln.

Me: Thanks.

Qin: At least we know we can free Sebastian from it.

Nico: (Reluctantly) I will do it but I won't like it. I still don't trust Sebastian.

Poromon: He's had plenty of chances already

Me: I know but he needs this. Selena needs this. He was made this way and doing all this against his will. I am not giving up on him and Selena went through so much shit because of their parents doing this. I won't give up.

Selena Mendez: Thank you so much J.D.

Me: You're welcome.

Nico: Okay fine.

Poromon: Fine.

Me: Good.

Ymir: I agree.

Everyone agreed.

Lincoln: Okay, guys, we're in for one awesome battle, we're here in The Netherworld, but here's the villain we're going after: his name is Tim the Witchsmeller.

Suddenly, Sabrina, Hilda, Zelda, and Salem appeared along with the rest of the team.

Me: Tim the Witchsmeller, who's he?

Sabrina Spellman: One of the most dangerous witch hunters ever. He was born here in The Netherworld, yes it's true, but he was born with no magic.

Hilda Spellman: So, everyone treated him like an outcast and laughed at him.

Zelda Spellman: But, it drove him mad and he swore to hunt down and destroy all witches.

Salem Spellman: He's been at this for centuries, and he has witch hunting equipment with him, so we can't use our spells on him.

Lincoln: You mean...these? (SNAPS FINGERS)

Lincoln snapped his fingers, and all of Tim's witchhunting gear appeared in front of us, and he locked it away in a vault he formed and sent it to The Forbidden Vault in The World Tree Estate's basement.

Nico: Dang, that was impressive, Lincoln.

Lincoln: Thanks. Plus, I have a punishment for him: we'll condemn him to eternal servitude in The M.O.E.

Maria: Perfect, let's see how that non-magic witch likes getting bossed around by someone much more powerful than him.

Shannon: Wait I've heard of Tim! He lived for centuries trying to exterminate all the witches from the world.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Tell us about it. Now, get after Tim the Witchsmeller. And he's in the Seventh Circle of Hell - Violence, in the Abominable Sands.

Nico: Then lets head there and be careful.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Tim the Witchsmeller) AHA! There you are, you witch hunting varmint! I just spotted Tim the Witchsmeller, he's up ahead in the Seventh Circle!

Nico: Let's get him.

We arrived in the Seventh Circle in the Abominable Sands.

Me: This place always has bad memories.

Ymir: How so?

Me: Because of Beatrice's brother always trying to kill me. He thought I had something to do with killing 3,000 people back 900 years ago.

Ymir: What!? That's preposterous! You weren't born back then.

Me: I know. I kept telling him that but he wouldn't listen. But that was a while back.

Aang heard a Pokemon Cry.

Aang: Hey look guys!

We saw a Bouffalant.

Me: Cool a Bouffalant! Looks like Appa is gonna have a friend.

Aang: He sure is.

Bouffalant: This place is scary.

Aang: I know. you hungry?

She nodded and Aang gave it food And she ate it.

Aang: Wanna come with us?

Bouffalant: I would like that.

Me: Awesome!

Xenia: Cool!

Poromon flew on top of Bouffalant

Poromon: Yeah!

Lola: Whoa look!

we saw a Magcargo!

Me: Whoa a Magcargo!

Qin: That one's hot.

Nico: How'd that get here?

Me: No idea. It must be one of Dark Gale's creations.

Rinoa: Let me see.

She used Telepathy and gasped!

Rinoa: That's my sister Volcania!

Me: WHOA! We got to help her!

Me and Rinoa went and faced her.

Rinoa: Volcania! It's me Rinoa!

All she did was use Flamethrower.

We absorbed the fire.

Me: Whoa! Hell is hot enough already.

Rinoa: No kidding.

Me: We do this the hard way.

We fired waves of water and steam came off her.

Poliwag used Bubblebeam And blasted.

Rinoa: This madness ends!

She chanted a powerful incantion and then a massive flash of light blasted out of Magcargo and then it formed into a powerful ball of light. Out screaming came a girl with red hair and red eyes and she had a red and orange dress and Magcargo in the middle of her forehead and on her dress skirt and shirt and on her arm was a volcano with a fire moon in front of it. Then out of her back sprouted phoenix angel wings!

She landed and we caught her.

Me: WHOA!

Rinoa: That was amazing!

Me: Wow! That was awesome Rinoa. Well done.

We brought her over.

Me: How did you learn how to do that Rinoa?

Rinoa: You would be amazed at what I have learned.

Me: Wow.

She woke up.

Volcania: (Groans) What happened?

Rinoa: Are you okay Volcania?

Volcania: Rinoa? You're okay!

She and Rinoa hugged.

Rinoa: Thank goodness.

Volcania: Yeah. Where am I?

Me: Well you're in the 7th Circle of Hell. Ugly story. Also you were turned into a Magcargo by Dark Gale.

Volcania: Dark Gale?

Sonya: Oh Volcania doesn't work for me or my team.

Volcania: Yeah I was just relaxing on the beach when I felt something hit me.

Me: Oh man.

Nico: What do you do in your free time?

Volcania: I battle the forces of evil against the forces of Sephiroth.

Eli: Whoa! I battle the forces of Sephiroth too.

Volcania: Wait little Eli? You've grown amazingly.

Eli: I sure have.

Nico: Wait. If you came out thanks to Rinoa, what about the Magcargo?

Rinoa: I used my magic to help revert her back.

Nico: Oh. That is amazing.

Me: Wow.

Nico: I see.

Camie: Yeah.

Rinoa: Want to join us?

Volcania: I would be honored.

Me: Cool.

We gave her a fire sword.

We took off into the air to take down Tim the Witchsmeller and send him to The M.O.E. and send Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our target: TIM THE WITCHSMELLER!

Tim the Witchsmeller: That accursed Sabrina Spellman! I will have my revenge on her and her entire family and the world of magic itself!

?: Ain't happening, numbskull!

Suddenly, the spirits of the witches of fantasy appeared from nowhere and they attacked Tim the Witchsmeller with unbelievable fury, and then, the spirits converged, and then, a massive tornado of energy erupted and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, we emerged.

Tim the Witchsmeller: TEAM LOUD PHOENIX STORM?! No, it can't be!

Me: We haven't even met yet, and already, you knew who we are because of our reputation.

Nico: Well, why don't we give you a proper thrashing, shall we?

Sam: We're giving you three seconds to surrender peacefully. Three...two...! (GETS OUT BAZOOKA) MAX, GET YOUR ROCKET LAUNCHER OUT RIGHT NOW!

Max: Alright! (GETS OUT ROCKET LAUNCHER) CHILL, LOWLIFE!

Sam: FREEZE, DIRTBAG!

Tim the Witchsmeller tried to run, but that did it: Sam and Max started firing missiles and rockets at Tim the Witchsmeller and he was being bombarded all over the place by missiles and rockets, and as the dust settled, Tim the Witchsmeller was covered in soot and disoriented from the chaos of the attack.

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Nicole: (LAUGHING HYSTERICALLY) YOU TWO ALWAYS CRACK US UP!

Lincoln: Okay, that was really awesome. Now, for a little dark magic mayhem. DARK INFERNO!

Lincoln used the powers of Dracula from Castlevania and sent black fireballs at Tim the Witchsmeller and they exploded as they hit him.

Tim the Witchsmeller: You...! You're gonna pay for this!

?: That will not happen, you pathetic monster.

Lincoln (GASPS) T-that voice. It's her!

Suddenly, we saw a massive dragon appear and it fired blasts of intense fire at Tim the Witchsmeller and he got burned severely. Then, the dragon turned into a vortex of intense fire, and as it faded, what stood in its place was a beautiful girl with the body of a goddess and large breasts, the heart of Draco, golden yellow hair, golden yellow eyes, the image of Draco on her forehead, right arm, golden yellow skirt, and golden yellow sleeveless crop top, massive dragon wings and dragon tail, golden yellow vest, golden yellow pants, golden yellow legwarmers, golden yellow sneakers, and she has an awesome dragon-themed katana in hand.

Lincoln: (GASPS) Kara Bowen Einon, Avatar of Dragonheart.

Anna Anyanova: It's her...! Oh man, it's her! The Avatar, Embodiment, and Warrior of Dragonheart!

Me: AWESOME!

Nico: Whoa, and you know her?

Lincoln: Indeed I do, guys.

Anna Anyanova: And so do we. Everyone, this is Kara Bowen Einon, Avatar, Embodiment, and Warrior of Dragonheart, she's Lincoln's Guardian Angel from the world of Dragonheart and she's the powerful master of dragons and the power of dragons. She's also the reincarnation of Draco and the descendant of Bowen, Kara, and Einon, but she hates Einon with a blazing passion. She's a strong follower and believer of The Old Code and she upholds The Old Code and those who dare to disobey it would suffer the consequences. She's part of a group of Avatars called The Avatars of Fantasy, they embody the worlds of fantasy and movies, and she taught Lincoln how to master riding dragons and more especially with mastering the power of dragons which he gained. Lincoln made her an amazing sword, and to show her thanks, she kissed Lincoln on the lips and as a result, Lincoln promised that when she comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to destroy them with the fury of the fire of the dragons.

WE GASPED!

Me: We took care of Einon and threw him to Vypra, she's keeping an eye on him to make sure that he doesn't try anything.

?: Good, he deserves it.

Lincoln (GASPS) T-that voice. It's her!

Suddenly, we saw a beautiful girl with the body of a goddess and large breasts, green hair, green eyes, Reptilicus on her forehead and green skirt, chemical burn on her right arm, green sleeveless crop top, massive green dragon wings and lizard tail, green vest, green pants, green legwarmers, green sneakers, and she has an awesome green dragon-themed sword in hand.

Lincoln: And Carlita Ottoson, Avatar of Reptilicus!

Me: The Avatar of Reptilicus from 1961, so awesome, and you know her too, Lincoln?

Lincoln: I do.

Eman Reynolds: And so do we, this is Carlita Ottoson, Avatar of Reptilicus, she's Lincoln's Guardian Angel from Sweden, and part a group of Guardian Angels called The Avatars of The 1950s, 60s, and 70s Horror Movies, these are girls that represent the greatest horror movies of all time and have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She's the Avatar of Reptilicus from 1961, and she has indestructible skin and is impervious to all weapons and she also has amazing regeneration. She also can fire acidic slime from her hands and the slime is strong enough to burn through anything! She's a member of The Avatars of The 1950s, 60s, and 70s Horror Movies, a group of girls who represent the horror movies from the 1950s, 60s, and 70s, and they like The Avatars of The Great Horror Movies, have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She came to Royal Woods where she met Lincoln and she even taught him how to use the amazing powers of regeneration and acidic slime, and as a result, he gained indestructible skin, regeneration, and acidic slime, and he's also impervious to all weapons, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's Enemies with a vengeance and vowed to destroy them by melting them with acidic slime.

Me: Whoa!

Lincoln: Watch this.

Lincoln fired acidic slime from his left hand at a thug he summoned and it hit him and he melted into a puddle as he screamed in agony.

Nico: Damn!

Sumner: Just like in Reptilicus, that's amazing.

Lincoln: And not only do I have acid slime, but I also have regeneration and indestructible skin too as part of my infinitely increasing arsenal of powers, skills, and abilities.

Me: I should just send you to the Black Abyss so you can be with every single one of your godforsaken witch hunting brethren. But I'm not. I got other plans for you.

Suddenly, Lincoln pinned Kara Bowen Einon to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Kara Bowen Einon's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Kara Bowen Einon with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Then, Lincoln pinned Carlita Ottoson to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Carlita Ottoson's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he helped her up. Suddenly, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely, and he formed and fired a massive ball of intense dragon fire which hit Tim the Witchsmeller, and he got burned badly, and he fired waves of acid slime that melted some demons sent by Sebastian.

Sunset Shimmer: Whoa, so you not only have Phoenix Fire, but also, Dragon Fire too? That's really intense.

Lincoln: Along with the flames of many creatures of fire.

Nico: In addition to being a True Alpha Werewolf-Vampire-Cyborg Hybrid, you've also fed on the blood of the many supernatural and mythical beasts and creatures.

Lincoln: And I have all of their powers, strengths, skills, and abilities as well added to my infinitely increasing arsenal.

Me: We already found out how strong you really are, but your strength and power is increasing even more with every passing second and day just like me, Nico, and all of us. When your big day comes, Morag's gonna be in a world of shit.

Lincoln then charged at Tim the Witchsmeller and...!

POW!

HE PUNCHED HIM RIGHT IN THE FACE AND SENT HIM FLYING INTO A WALL WHICH HE CRASHED INTO IT! THEN, HE GOT BACK UP, BUT HE HAD A BLACK EYE AND MISSING TEETH!

Luna: Ooh! That's gonna leave a mark!

Then, Lincoln sent bats and wolves at him and he got claw marks all over his body.

Me: Using your vampire and werewolf powers on him really got that Witchsmeller mad now.

Lincoln: Yep. Speaking of, I asked Lady Palutena to tell Alucard that his father's back along with his minions, but we're not to take any action until we've dealt with The Order of The Dark Universe and take down Selena's brother.

Lady Palutena: We've already told Simon Belmont and Richter Belmont about it along with Hector, the Devil Forgemaster who betrayed Dracula long ago, and Lincoln's also got a plan to bring Leon Belmont back from inside Goofy's son, Max.

Me: Nice.

Lincoln: It'll be like how you brought Roxas out into the real world, same with J.D. 2, but that'll be for later on today, we're gonna need all the help we can get against Dracula.

Nico: This'll be like our big battle against him years ago.

Lincoln: You're done terrorizing The Netherworld and Sabrina's family, Tim the Witchsmeller! It's time for you to pay! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in and stole their loot!

Sergio Thug: Our loot!

?: Looking for this!?

We saw the next member of the International Clan of the Coopers.

Lincoln: Aurora Nunavut Cooper! I knew it!

Me: WHOA! Care to introduce us?

Anna Anyanova: Sure. This is Aurora Nunavut Cooper, The

Phantom of The Northern Lights of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Nunavut, Canada and she's also an amazing master of the ice and snow and the Aurora and a deadly and powerful force of good and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Nunavut, Canada and she helped him on lots of dangerous jobs. She's known as The Phantom of The Northern Lights and she is called that because she has this amazing power to hide in the Aurora Borealis and swoop in and steal from criminals and all that without being seen. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Aurora came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of ice, snow, and the Aurora and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Aurora Nunavut Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: Whoa! Awesome to meet you.

Aurora Nunavut Cooper: Same here

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Tim the Witchsmeller, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Tim the Witchsmeller: YOU! YOU!

Caleb Maxwell: Oh, shut the Hell up already!

Caleb Maxwell raised his guns and he proceeded to fire at Tim the Witchsmeller, and he screamed in agony. When the smoke cleared and the dust settled, Tim the Witchsmeller was in excruciating pain after Caleb riddled him with bullets!

Me: (GASPS) HE TURNED HIM INTO SWISS CHEESE!

Roxy Drake: Okay, now this is really getting ugly.

Caleb Maxwell: It's about to get even uglier!

Caleb Maxwell let his guns go, and as they levitated, he made a slit on his right palm and got blood flowing into it, and then, he placed it on the ground and the blood spread out and formed four crosses surrounding a Devil Trap underneath Tim the Witchsmeller's feet!

Timothy Maddock: (British Accent) Oh God, I'd recognize one of the techniques from anywhere, Caleb possesses a vampiric form of The Dark Arts called The Blood Nightmare Arts, they are vampiric Dark Arts techniques born from the anguish and pain he suffered from his brother and the nightmares he'd suffered before and after his death and resurrection.

Caleb Maxwell: And this is one of The Blood Nightmare Arts, Timothy, and one of the strongest in my arsenal. BLOOD NIGHTMARE FINALE: NIGHTMARE OF THE HALLOWSHADE BLOODBATH!

The blood seal glowed and blood clones of Cage Blunt and Travis Tackett from 1985 formed and when they were drunk on Demon Blood. Then, they charged at Tim the Witchsmeller and they attacked him with savage ferocity. Then, when it was done, Caleb Maxwell dispelled the clones and the blood seal vanished and his guns were back in hand.

Roxy Drake: We better take him down and send him to Vypra before Caleb gets any more murderous ideas and tries to send Tim the Witchsmeller to The Black Abyss.

Nico: (Gulps) Good idea, Roxy.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Ymir Fritz, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Tim the Witchsmeller, and we found ourselves in Heaven.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Tim the Witchsmeller hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Tim the Witchsmeller was on his last legs and he was really really mangled.

Then, Lincoln tied Tim the Witchsmeller up with a rainbow energy straitjacket and Neutronium chains lined with rainbow energy and he threw him into a portal Lincoln opened up that led to The M.O.E. and he threw Tim the Witchsmeller inside.

Lynn: AND HE'S OUT!

We cheered as we holstered our weapons and we powered down, and Ymir Fritz's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large white and golden yellow planets orbiting around her legs, twenty-five smaller white and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized white and golden yellow planets orbiting around her wrists and ankles, and massive light blonde angel wings and eleven sets of large light blonde angel wings underneath her massive light blonde angel wings are permanent.

Nico: That'll take care of that witch hunter.

Me: Vypra's gonna have a fun time torturing him.

Lincoln: Oh, that's for sure.

Red Savarin: A witch hunter like him deserves everything coming to him.

Suddenly, Red Savarin felt a sharp pain on his now wider and more muscular back, and then, his massive brown angel wings with red and blue tips on the large brown feathers grew much larger with a wingspan of 20,880'0" and his medium sized brown angel wings with red and blue tips underneath his massive brown angel wings grew larger with a wingspan of 18,880'0" and his small sized brown angel wings with red and blue tips underneath his medium sized brown angel wings grew larger with a wingspan of 16,880'0" and another brown angel wings with red and blue tips grew and sprouted out underneath the small sized brown angel wings with a wingspan of 14,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath his small sized brown angel wings with a wingspan of 12,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 10,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 8,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 6,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 4,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 2,880'0" another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 1,880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 1,680'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 1,480'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 1,280'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 1,080'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 980'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 880'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 780'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 680'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 580'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 480'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 380'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 280'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 180'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 58'0" and another pair of brown angel wings with red and blue tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 28'0" and the shoulder blades of his massive brown angel wings and twenty-four other sets of large brown angel wings underneath his massive brown angel wings have eyes with blue irises.

Von Lycaon: Well, I'll be. This is rather interesting.

Crash Bandicoot: We now have twenty-five angel wings: one pair of massive angel wings and twenty-four sets of large angel wings underneath our massive angel wings. I can imagine the power these things have when we take flight.

Red Savarin: Same here, any villain who crosses us is in big trouble.

Lincoln: You said it.

Suddenly, Lincoln got a call on his phone.

Lincoln: Hello.

Tom Lair: Lincoln, it's Tom Lair, we got trouble at the biker bar in Gotham Royal York: the bikers and thugs are at it again.

Me: Again?! Seriously?!

Nico: Ugh, those guys, they never learn, do they?

Lincoln: Don't worry, Tom, we'll be there to rough them up and handcuff them for you and the rest of the officers.

Tom Lair: Thanks, but we also got another problem: Sebastian's back!

WE GASPED!

Nico: Oh...!

Me: Shit!

Lincoln: Thanks for telling us this, we'll be right there.

Lincoln hung up.

Selena Mendez: My brother's back again to cause trouble. Shit.

Camie Elextor: That's it! Selena, your brother's got to go now! The second he continues to live, the more insane and monstrous he becomes, this nightmare needs to end.

Wendy Sauron: He needs to pay for the lives lost!

Varie Yulinova: And for the lives of our blood sisters and our parents who were murdered!

Lincoln: Girls, hold it!

The Hunters of The Nightflame Sun stopped their blood rage.

Lincoln: I know you all hate Sebastian completely because of what he'd done, but I hate to say this, but we need to get rid of that blasted darkness that he has inside him and purify him of the darkness and madness that made him like this.

They gasped.

Camie Elextor: What?! Purify our hated enemy?! After everything he's done to us?!

Selena Mendez: Camie, wait! If this works, we'll destroy the darkness that he had inside him when it takes on the darker form of him. Lincoln, J.D., we're going to leave this to you.

Me: Okay, Selena.

Lincoln: We'll take care of this, don't worry.

Nico: Don't worry, That's why we came here to Hell. To find a way to purify him.

Sabrina: Been a while since I fought one of my rogues

Me: It has been a while.

Qin: I agree.

Ymir: Yeah. But if anymore are out there they will pay.

Me: Yep.

Nico: Nice job Bouffalant.

Bouffalant: Thanks.

Me: Before you ask Poromon, lets get the fuck out of here.

Poromon: Right.

We teleported to the park.

Me: There we go.

Poromon: Much better. Want some beer?

Bouffalant: Oh no thanks. I get bad diarrhea if I drink beer.

Poromon: Okay I did not need to know that.

Poliwag: (Does puppy eyes) Pwetty pwease.

Bouffalant: Nice try pipsqueak.

Nico: Knight Man, what do you like to do in your free time?

Knight Man: I like teaching people about medieval history.

Qin: Cool!

Lola: Awesome job there.

Horsea: Later, we'll be doing our own Comic Book convention.

Double D:… I don't see this ending well

Me: Cool!

Ed: This will be fun!

Qin: Yeah!

Poromon: It sure will.

Lincoln: Yep. (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Wheeler.

Wheeler: Another Me?

Lincoln: We're already starting our annual eight-day Earth Day adventure, so we're gonna run into the Another Planeteers.

Me: Awesome.

Nico: So we got Another Ground Scaravich, Old Man Jenkins, Universe 666 Merasmus, Galacta Knight, Hela and Saix's Nobodies.

Me: Yep and Knight Man, Ruti Ragnason, Merlina the Wizard, Mei (Avatar), Ty Lee (Avatar) and Ursa (Avatar) are up.

Nico: Cool.

Nico: There they are!

We saw Another Old Man Jenkins, Universe 666 Merasmus, Galacta Knight, Hela and Saix's Nobodies.

Me: Oh man.

Qin: Yep.

Another Old Man Jenkins: (In a girls voice) I hate being old!

They reverted back and were the gene-slammers of Island Turtle, Giant Red Seasnake, Hungry Burger and Humanoid Worm Drake!

Nico: Ellie Bora, Hayley Mizuhebi, Sillia Angus Sirloin and Sylvia Slima!

Ellie Bora: That's right. Awesome to see you Nico.

Me: Wow! The gene-slammers of Island Turtle, Giant Red Seasnake, Hungry Burger and Humanoid Worm Drake!

Sillia Angus Sirloin: That's right.

Me: Awesome to meet you girls.

Hayley Mizuhebi: Same here.

Me: By the way are the Another Ground Scaravich and Wheeler friendly or hostile?

Sylvia Slima: Friendly and amazing.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now we wait.

Me: Yep.

Old Man Jenkins: Respect your elders!

BLANG!

He hit Nico on his head With his cane!

Nico: Ow!

Donald Duck: HEY LEAVE HIM ALONE!

Old Man Jenkins: Respect your elders youngun!

Donald Duck: NO! YOU SHUT THE FUCK UP!

Old Man Jenkins: WHAT DID YOU SAY!?

Donald Duck: I SAID SHUT THE FUCK UP YOU OLD POOPBUCKET!

Nico: Nice one!

Me: Yeah no kidding and look!

We saw Another Ground Scavavich and Wheeler!

Me: There they are!

Another Ground Scaravich: (In a girls voice) That was funny.

She reverted back and was the gene-slammer of Injection Fairy Lily.

Nico: Dahlia Lily!

Dahlia Lily: Awesome to see you Nico.

Me: Injection Fairy Lily's gene-slammer. Cool!

Nico: Yep. She is powerful with a sword and a deadly syringe.

Old Man Jenkins got up and he was enraged!

Dahlia Lily: Okay you old coot. Time for your nap.

She threw a huge syringe and then...

STAB!

OLD MAN JENKINS SCREAMED IN PAIN! Then he was injected with sleeping elixir and was knocked out cold.

Me: YICHIHUAHUAS! That had to hurt.

Nico: Yeah.

Dahlia Lily: Sorry. But I'm also good with digging.

Ground Scaravich: Just like me.

Me: Yep. And who is your friend?

Another Wheeler: (In a girls voice) Someone who wants revenge on Duke Nukem.

She reverted back and was a girl with red hair, and blue eyes and had blue and red clothes and red angel wings and had Duke Nukem's Ring of Destruction on her finger.

Wheeler: (GASP) Hannah!

She and Wheeler hugged.

Me: You know each other?

Wheeler: She's my little sister.

Me: Whoa! Cool!

Hannah then screamed in pain.

Me: Uh oh! What's wrong!?

She showed her arm and she had a nasty burn on her arm!

WE GASPED!

Nico: What. Happened?

Me: That looks like an atomic radiation burn.

Varie: It is!

Varie went over and healed her. It was a burn in the shape of a wolf pawprint.

Varie: This burn was made by Duke Nukem.

Hannah: Yeah. Duke Nukem burned me with it. I swiped his Ring of Destruction and now I have his powers for me.

Varie: Where did you face him?

Hannah: Chernobyl.

Me: So he's in Chernobyl. Fitting.

Nico: Yeah.

Ymir: What happened there?

Me: Nuclear Power Plant Accident in 1986 caused Chernobyl, Ukraine to become totally uninhabitable for the next 20,000 years due to nuclear contamination. It's a total ghost town.

Ymir: Geez!

Qin: Yeah.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Dahlia Lily: No he didn't because I injected him and knocked him out with sleeping medicine for 96 hours.

Sakura Knudson: That explains why I couldn't wake him up for 4 days.

Hannah: I wasn't promised anything either.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (gets out Ground Scaravich's Ridewatch) Let's get digging!

May: (Gets out Universe 666 Merasmus's ridewatch) This will hurt.

Maria: (Gets out Hela's ridewatch) I will bring death!

Ruti: (Gets out Ruti's ridewatch) Respect your elders!

They used the powers of Ground Scaravich, Old Man Jenkins, Universe 666 Merasmus, Galacta Knight, Hela and Saix's Nobodies and smashed them all over.

Then Kyle Katz (Totally Spies), Dark Usagi, Dorothy Flamsteed, Table Yamaza, Winter Star Beast Gown Ten, Valmont and Klemper came.

Me: Whoa!

Sam Simpson:Wait Kyle Katz!?

Kyle Katz: Been a while.

Nico: Nice team Kyle.

Kyle Katz: Thanks Nico.

Tornado Man: My team's next.

Me: Yep.

?: Awesome!

Bountiful Artemis came.

Me: Whoa! Bountiful Artemis.

Nico: Cool!

Bountiful Artemis: (In a girls voice) It sure is.

Nico: Artemis Auroria! Wow!

She reverted back and was a girl with green blue hair, purple eyes and purple and blue clothes and had Bountiful Artemis on her forehead, shirt, skirt and on her arm and had a light butterfly sword.

Artemis Auroria: Awesome to see you Nico. I got this. HOLY PURIFIER BEAM!

She fired a blast of light and it hit the Anothers and I caught the ridewatches and purified them.

Me: Yeah!

Nico: Nice job!

Artemis Auroria: Thanks! That was fun.

Ruti: Do you have a good memory of Nico?

Artemis Auroria: I sure do. When me and Nico found out that I am descended by Saint Lucia of Syracuse and that was amazing.

Me: Whoa! She was a great martyr back during the 3rd Century.

Nico: Yep.

They hugged.

Nico: I've missed you.

Artemis Auroria: Same here.

We went back home.

But, after that, we're going to take down the hypothetical Akuma of Tayuya, her name is Lady Foulmouth, and she HAS A REALLY NASTY DISPOSITION and she has a mouth that's a bad as a thousand toxic waste dumps! She swears up a nasty storm! She was made because of Orochimaru and vowed to kill him! We're gonna take her down after Caleb Maxwell gives her a taste of her own fucking medicine.

But, before any of that, we also got word from Tom Lair that Sebastian's back once again to cause havoc and try to kill us, but that ends here and now, Lincoln and I are going to forever purify and cleanse Sebastian of the darkness inside him forever and send that darkness inside him flying back to Transylvania.

Lincoln: Ah, we're here at the biker bar in Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word from the Gotham Royal York Police Department that the bikers and thugs are at it again, so we're gonna rough them up and arrest them.

Me: Figures they're at it again, but I can tell this is a three-part rescue, right?

Lincoln: It is, after that, we're going to take down the hypothetical Akuma of Tayuya, her name is Lady Foulmouth, and she HAS A REALLY NASTY DISPOSITION and she has a mouth that's as bad as a thousand toxic waste dumps! She swears up a nasty storm! She was made because of Orochimaru and vowed to kill him!

Lincoln got out his sketchpad and we saw Lady Foulmouth: she's a princess with a nasty disposition and a mouth that's as bad as a thousand toxic waste dumps and she swears up a nasty storm.

Me: YIKES!

Nico: Oh damn, we're gonna need tons of soap bars for her toxic mouth!

Lincoln: Yep, we're gonna take her down and send her to Vypra.

Caleb Maxwell: But, not before I give her a taste of her own fucking medicine and tell her off! She's not the only one who's got a mouth full of toxic insults! But, before any of that, we'd also got word from Tom Lair that Sebastian's back once again to cause havoc and try to kill us.

Me: That's right, but that ends here and now, Lincoln and I are going to forever purify and cleanse Sebastian of the darkness inside him forever and we're gonna send that darkness inside him flying back to Transylvania.

Knight Man: I'm still not sure of this, I mean, Sebastian's caused us a shit ton of trouble with all of his murderous actions in trying to kill us.

Lincoln: Knight Man, we've made our choice: Sebastian's going to be freed, and this time, for good. Now, let's go find him before we go after the bikers and thugs and take down Lady Foulmouth.

We suddenly heard screams and we heard deranged cackling: Sebastian was on the loose. We went after him to finally put an end to this evil forever. We then saw Sebastian and he just murdered a police officer and he was licking the blood off his hand and he was absolutely out for blood!

Nico: YOU MOTHERFUCKING SNAKE! TIME TO DIE!

NICO EXPLODED WITH ANGER WHILE SEBASTIAN WAS STILL CACKLING DERANGEDLY!

THEN...!

POW!

Nico: TAKE THAT, BITCH! STAY DOWN!

NICO PUNCHED SEBASTIAN HARD IN THE STOMACH AND SENT HIM FLYING INTO A WALL! LINCOLN AND I HAD TO RESTRAIN HIM!

Lincoln: (GRUNTS) Nico, enough!

Me: (GRUNTS) He's right, let me and Lincoln handle him.

Nico cooled his temper and we let go, then, Lincoln and I approached the bloodthirsty Sebastian who got out, but boy, was he fucking angry as he let out a demonic shriek and hissed at us showing his mouth full of fangs and snake tongue!

Me: That's enough, Sebastian.

Lincoln: You're done running loose, Sebastian, this is where your rampage permanently ends here and now.

Sebastian Mendez: I WILL DESTROY THIS WORLD LIKE IT OR NOT! (LAUGHING DERANGEDLY)

Me and Lincoln: (VALOROUSLY DETERMINED) WE WILL NOT LET THIS MADNESS GO ON ANYMORE!

Lincoln and I exploded in power to our most powerful forms ever and our hands glowed with intense RAINBOW FIRE AND LINCOLN AND I TELEPORTED AND WE PLUNGED OUR HANDS INTO SEBASTIAN'S CHEST AND WE BEGAN PULLING HARD!

SEBASTIAN SCREAMED IN PAIN!

Sebastian Mendez: WHAT ARE YOU DOING!?

Me: SEPARATING THE LIGHT FROM THE DARKNESS PERMANENTLY AND WE'RE GOING TO MAKE SURE YOU ARE FORGIVEN FOR YOUR CRIMES!

Lincoln: THAT'S RIGHT, WE'RE GOING TO SEPARATE ALL YOUR LIGHT FROM YOUR DARKNESS AND MAKE SURE YOU ARE FREE FROM THIS DARKNESS AND MADNESS THAT HAS BEFALLEN YOU FOR ALL ETERNITY!

WE PULLED HARD AND HE SCREAMED IN AGONY AS WE PULLED HARD AND SOMETHING WAS HAPPENING TO SEBASTIAN WE NEVER SAW BEFORE!

HIS HAIR TURNED FROM BLACK TO BROWN AND HIS WINGS TURNED WHITE AND FEATHERED AND WERE NOT DEMON WINGS AND HIS CLOTHES WERE TURNING WHITE AND HIS EYES WENT FROM BLACK AND RED TO AQUA BLUE AND OCEAN BLUE AND PURE AND THE DARK PACT OF APOPHIS SYMBOL VANISHED FOREVER!

ALL THE EVIL INSIDE HIM WAS REMOVED FROM HIM AND MORE! I SUCCEEDED AND REMOVED A DARK BLACK SLIME FROM HIM! HE WAS FREE!

SEBASTIAN WAS TOTAL AND TRULY FOREVER PURIFIED!

Selena Mendez: I DON'T BELIEVE IT! HE FREED MY BROTHER!

He fell to the ground in weakness and exhaustion.

I caught him.

Sebastian Mendez: (Weak and exhausted) J.D.? You saved me. Thank you.

He fell asleep.

Me: He's not dead. Just exhausted.

I picked him up.

Nico: He's finally freed.

Lincoln: Yes, but we still have that!

WE SAW THE DARKNESS THAT LINCOLN AND I REMOVED FROM HIM AND THREW INTO A WALL AND IT FORMED INTO DARK SEBASTIAN!

Dark Sebastian: (DEMONIC VOICE) NO! YOU WILL ALL SUFFER AND PAY FOR THIS!

Lincoln and I fired massive wave of lights and we blasted him and significantly weakened him! HE WAS BLASTED FAR AWAY AND SENT BACK TO TRANSYLVANIA!

Then, Lincoln sent Sebastian to his room to rest, and the rest of the team also arrived.

Maria: We saw everything, so now, we got Dark Sebastian running loose again.

Selena Mendez: Yes. Now, I'll make sure that monster pays for his crimes.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, brown hair and brown wolf ears and tail, blue eyes, massive black angel wings, golden yellow Wolf Moon tattoo on her right arm and wolf paw with the Nature Kanji on her forehead, white short-sleeved blouse with wolf paw with the Nature Kanji, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the Nature Kanji, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, nature, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Wild Moon, she has a wolf claymore in her right hand, and with her are the six girls.

Lincoln: (GASPS) Georgia Wild Moon, Werewolf Angel of The Wild Moon of April.

Georgia Wild Moon: That's right, and I got the girls away from the thugs, and you're not going to like the number of thugs there.

Me: How many?

Georgia Wild Moon:
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
and these guys are bodybuilders, and you're also not going to like this last detail: they're also hired thugs of Sergio.

WE GASPED!

Lincoln: Oh crud.

Sheila and Tom Lair also heard it.

Sheila: Looks like things have taken a nasty turn.

Tom Lair: You're not kidding. Okay, looks like things have changed. Lincoln, these guys aren't going to go down easily, and since they're associated with Sergio, you know what to do.

Lincoln: Got it. Let's go.

We arrived at the biker bar, and it was really rowdy.

Caleb Maxwell: Unlike with Hallowshade, this is a rowdy place for bikers and thugs. No wonder you guys and the police always come here and make a lot of arrests.

Lincoln: This place was already notorious: the police have come here on multiple occasions and they arrested the bikers who started the fights. But, now that we found out that the troublemakers aren't just the bikers, but also, bodybuilders who are also hired thugs of Sergio. I'm gonna enjoy absorbing their muscle mass, upper and lower body strength, virility, and testosterone and making them thin as a rake and completely weak. (CRACKS KNUCKLES) Let's go!

We marched up the front doors, and Lincoln lifts his left leg up, and...!

POW!

LINCOLN KICKED THE DOORS OPEN!

Lincoln: Alright, you beer-guzzling assholes! Hands where we can see them!

Biker: GET HIM!

The bikers went after Lincoln, but he punched them right in the stomach and they went down like a pile of bricks, and the cops came in, cuffed them, and had them taken.

Lincoln: Now, that we got rid of the bikers, you better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
large and muscular men came out, and like Georgia Wild Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: (Flexes muscles) Oh man, now that was really good!

Lincoln's harem blushed madly upon seeing Lincoln flexing his muscles.

Girl Jordan: (Swooning) (Thinking) Oh man, seeing that bolder and confident side of Linky especially when he flexes those massive muscles of his, so hot.

Lincoln's left and right ears twitched.

Lincoln: Jordan, you know I heard your thoughts, you girls should snap out of it, we still got one final piece of business to take care of.

The girls shook their heads and had an embarrassed blush on their faces.

Maria: (Snickers) He's right, we got to take care of Tayuya's foulmouthed Akuma.

We then left the biker bar, and we went off. But, we didn't have to look that far: we then spotted Lady Foulmouth, the hypothetical Akuma of Tayuya.

Me: Tayuya!

Lady Foulmouth: You got something to say to me you motherfucker asshole!?

Me: Colorful mouth you have there! Do you kiss your mother with it or do you use it to wipe her fucking ass!?

Lady Foulmouth: What the fuck did you just say?!

Caleb Maxwell: Oh, shut your fucking mouth, you toxic waste spewing bitch!

Cage Blunt: Uh oh! EVERYONE, COVER YOUR EARS!

We did so, and Caleb Maxwell really let Lady Foulmouth have it as he spewed out some foul words at her!

Caleb Maxwell: You got some fucking nerve showing your face here, especially since we already took care of that fucking pedophile snake and sent his ass off to The Black Abyss! And now, I find out that you've shown your face here, and you're running your fucking colorful mouth off! Why don't you take that toxic waste dump you call a mouth and use it to clean the fucking bathrooms in New Jersey that are as filthy as your fucking mouth, and also, to wipe your mother's fucking ass with!

WE GASPED AT THE HEAPS OF ABSOLUTELY TOXIC FOUL WORDS CALEB MAXWELL WAS SPEWING AT LADY FOULMOUTH!

Me: Whoa! At least, he's not using words that are too strong.

Nico: Thank goodness.

The Mascots got out bars of soap.

Poromon: We also got bars of soap ready because after this, we're washing his mouth!

But, Caleb Maxwell upon hearing that, his blood red eyes glowed even more, and then, he sent the bars of soap into Lady Foulmouth's mouth, and then, they spontaneously combusted and exploded in a mess of bubbles and foam.

Lincoln: What the?!

Rita: Uh oh...!

Poliwag: Hey, they're meant for you, not for her!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Lady Foulmouth, and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed her with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON LADY FOULMOUTH! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED LADY FOULMOUTH WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER AND CAUSED HER TO SHRIEK EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we send you to Vypra.

Lincoln, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Lady Foulmouth, and they fired extremely powerful blasts of red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, lightning, darkness, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, phoenixes, and angels at Lady Foulmouth, and they exploded with incredible power as they hit her. Then, Von Lycaon and Skippy the Bush Kangaroo punched her hard with their gauntlets and kicked them with their greaves and she got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked her hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to Lady Foulmouth's stomach and she fell to the ground in pain.

Then, he also attacked her by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at Lady Foulmouth which hit her hard.

Lincoln continued smashing her hard with his extremely massive godly superhuman strength and Lady Foulmouth didn't have any time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Then, Lincoln fired blasts of red fire and ladybugs at Lady Foulmouth and she got hit and was sent into a portal Lincoln opened up that led to The M.O.E., and once she went in, the portal closed. We cheered as we powered down and went back to The World Tree Estate.

Maria: Well, that was a nasty foulmouthed battle we fought.

Nico: Big time, and Caleb put her in her place with his mouth.

Me: That's for sure, but he didn't use any stronger words on her.

Lincoln: He did say that he wasn't going to use any stronger words on her, but at least, we got that Foulmouth sent to The M.O.E. I hope Vypra can handle her. (To Georgia Wild Moon) And it's so good to see you again, Georgia.

Georgia Wild Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Georgia Wild Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Georgia Wild Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Georgia Wild Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Georgia Wild Moon and hugged her, and Georgia Wild Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Georgia Wild Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Georgia Wild Moon, Werewolf Angel of The Wild Moon of April, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Wild Moon of April. Georgia is a powerful master of the powers of blue wolf fire, nature, animals, The Wild Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Georgia Moon is The Werewolf Wild Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Georgia trained Lincoln in mastering the powers of blue wolf fire, nature, animals, The Wild Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to shred her to pieces underneath The Wild Moon and show her that she's more wild than Lynn when she goes psycho on Packing Day!

Eli: So, you also have the powers of nature, that's impressive.

Georgia Wild Moon: And I always love going wild especially when The Wild Moon shows itself.

Me: Can you show us a flashback on how you turned Helena into a werewolf, Lincoln.

Suddenly, the four orbiting large gold rings fired four beams of light that formed into a viewing window and we saw a flashback: Lincoln and Georgia Wild Moon were at the park.

Past Georgia Wild Moon: I always love coming here to the park.

Past Lincoln: Same here, Georgia, it's really peaceful.

?: MONSTROUS BELCH!

Past Georgia Wild Moon: Oh Hell no, was that Lynn?!

Past Lincoln: Afraid it is, I'd recognize that monstrous belch from anywhere along with the smell of her sweaty pits.

Suddenly, trees were destroyed and there stood Lynn, and she was out for blood.

Past Lynn: DIE, STINKOLN!

Lynn went at Lincoln and tried to attack him, but Georgia Wild Moon grabbed her arm!

Past Georgia Wild Moon: GET THE HELL AWAY FROM YOUR LITTLE BROTHER, YOU BITCH!

Then...!

POW!

Georgia Wild Moon punched Lynn in the face and sent her flying into a tree and she went at Lynn and they got into a massive fight cloud and the direction they were heading for is right near Lake Michigan and Lincoln followed the fight cloud, and it wasn't stopping anytime soon. But, then!

Past Lynn: DIE, BITCH!

Lynn kicked Georgia Wild Moon hard in the stomach and out of the fight cloud, but then, Lynn pounced on her and started beating the shit out of Georgia Wild Moon and she was laughing crazily: SHE WAS OUT TO KILL! But, big mistake for you, bitch!

Past Lincoln: LYNN!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and eight-pack abs were covered in tan fur, his deep sapphire blue eyes remain the same but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his fingernails grew into claws, his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his white hair grew to the length of his neck and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Past Lincoln: (Beastly Voice) GET THE HECK AWAY FROM MY GUARDIAN ANGEL, LYNN!

Lincoln charged and punched Lynn hard in the face and he started beating the shit out of her like a wild beast, and when he was done, Lynn's hair was a mess and he slashed off her ponytail, she was covered in bruises and Lincoln's shirt had claw marks from her which he ripped off. Then, he used one of his eleven massive and long brown wolf tails and tied it around Lynn's waist and he flung her back to The Loud House.

Then, he turned to Georgia Wild Moon, and she was badly beaten to an inch of her life, and he went down on top of her.

Past Lincoln: (Beastly Voice) Lynn, this time, you have gone too far. Sorry, Georgia, but I'm not going to lose another Guardian Angel!

Suddenly, Lincoln leaned his head down to her right trapezius and he bared his fangs and bit her in the right trapezius, and his fangs injected her with his excessively potent lycanthropy and vampirism which spread throughout her body. That of course shocked Georgia Wild Moon awake as Lincoln slowly retracted his fangs.

Past Lincoln: Georgia, you're okay! How do you feel?

Past Georgia Wild Moon: (Groans) I...I don't feel so good.

Suddenly, Georgia Wild Moon started getting muscle spasms as she let out a growl and her entire body was covered in thick brown fur and her breasts and stomach were covered in tan fur, her blue eyes remain the same but the pupils turned into slits, she grew fangs and her rows of straight teeth turned into wolf's teeth, and her nose turned to a wolf's nose and she grew a wolf snout and tan-colored muzzle, her fingernails grew into claws, her massive black angel wings remained the same, she grew a long brown wolf tail and brown wolf ears on top of her head, her brown hair grew to the length of her neck and became wilder, and she let out a loud howl.

Past Georgia Wild Moon: (Beastly Voice) Ooh, now I felt like I got run over by a truck. What happened to me?

Suddenly, Georgia Wild Moon saw what happened to her through the lake's reflection.

Past Lincoln: (Beastly Voice) I'm so sorry, Georgia. But, Lynn was going to kill you if I didn't get her off of you and I had to do this to save you or...!

Suddenly, Georgia Wild Moon hugged Lincoln, and Lincoln hugged her back as she soothed him.

Past Georgia Wild Moon: (Beastly Voice) It's okay, Lincoln. But, thank you for what you did.

But, then, all of a sudden, Georgia Wild Moon wrapped her legs around Lincoln's waist and placed her hands on Lincoln's massive pecs, but that caught Lincoln's attention and he then leaned his head down to her face and they kissed deeply, intensely, and passionately. They intensely made out for an hour, and then, they separated, but their eyes were glowing as lust took hold of their actions. But, before anything else could happen, Lincoln cut the viewing window short as it vanished.

Poliwag: Hey, what's the idea?!

Lincoln: It's best that I don't show what happens next.

Brittney: Right, and this was the first time you turned one of your Guardian Angels into a werewolf-vampire hybrid like you, but I knew there were two ways someone can wind up getting turned into that: getting bitten or having sex, and in this case, you did both, and I'm sure you did the same with the other eleven girls, right?

Brittney was about to form a ball of darkness to hit Lincoln with, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: But, you did what you had to do to save her, Lincoln, or Georgia would've wound up dead, and Lynn would be disowned, kicked out of the house, and sent to prison.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Georgia.

Lincoln with his massive muscular arms still wrapped around Georgia Wild Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Georgia Wild Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Georgia Wild Moon with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Georgia Wild Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Georgia Wild Moon.

Georgia Wild Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Georgia Wild Moon's waist, and he leaned down to her face and kissed her on the lips, and with Georgia Wild Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Georgia Wild Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Georgia Wild Moon: (In Heaven) My God. Oh, Lincoln, the six girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he recognized them as he had an atomic red blush on his cheeks, snout, and muzzle, but he didn't have a nosebleed. The six girls are Princess Mimori and Princess Suu from Kero Kero Chime, Rain Yumemiya from Super Yo-Yo, and Megumi Amatsuka, Keiko Tanaka, and Miki Hanakain from Cheeky Angel.

Lincoln: Oh wow, it's Princess Mimori and Princess Suu from Kero Kero Chime, Rain Yumemiya from Super Yo-Yo, and Megumi Amatsuka, Keiko Tanaka, and Miki Hanakain from Cheeky Angel.

Nicole: You didn't have a nosebleed attack for the first time in a long while, Lincoln, because the girls this time weren't voluptuous bombshells. But, thanks to Travis and Red warning the rest of the boys, I think it's engrained into them.

Lincoln: That's true, next time, we'll tell them. Are you girls okay?

Princess Mimori: Yes, we're okay, thanks to you.

Then, when Princess Mimori and the other five girls saw who it was that saved them from Lady Foulmouth, the bodybuilding thugs of Sergio and the bikers, and Sebastian, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving

Princess Mimori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Princess Mimori: (Seductive Voice and rubs Lincoln's massive pecs)

You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Mimori, Princess Suu, Rain Yumemiya, Megumi Amatsuka, Keiko Tanaka, and Miki Hanakain with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

William: At least, we got those bikers arrested and sent to prison, but those massive bodybuilders who are also Sergio's thugs, they got what they deserved.

Melanie Martinez: And they were familiar to me, Lincoln beat them before in the past bodybuilding competitions and those guys wanted revenge on him. But, Lincoln being taller and much more massive in muscle mass and stronger than them sent them packing. Looks like Sergio hired them to get revenge on Lincoln.

Lincoln: And they had these with them.

Lincoln took out bottles of Bull Growth Hormones.

Maria: Muscle growth hormones, they were gonna digest them and get even larger in muscle to get revenge on you.

Lincoln opened the bottles of muscle growth hormones and put them in with some fruit and veggies he put into a blender with some water and added Sarah Succubi's special drink and blended them all together and he drank it.

Lincoln: Ah, that hit the spot.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Melanie Martinez: (Amazed) Wow...! We're gonna sign you up for the bodybuilding competition that's coming up in May, Lincoln. You're gonna take down the competition big time.

Selene Arcangela: That's perfect. Lincoln does have a title and reputation to uphold as Gotham Royal York's Youngest Professional Heavyweight Bodybuilder Champion, and he's gonna get another win and another trophy.

Me: This is gonna be so awesome.

Nico: And don't you also have some upgrades you're going to add to your built-in gym in your room?

Lincoln: That's right, and from what I heard from the warden at The Moon Prison, it seems Sergio's gonna plan another attack and on the day of the competition.

WE GASPED!

Ronnie Anne: So, Lincoln's going to add the upgrades into his built-in gym in his room, and really get himself pumped up and ready for the competition, and give Sergio's thugs another beatdown once again when they show up.

Syd: Seriously, that bird's trouble!

Carlota Casagrande: Which is why we're so glad we cut all ties with Sergio, he's caused trouble for all of us and for everyone else wherever he goes.

Carlitos Casagrande: And despite I was a baby before I got my powers, even I got annoyed by Sergio and his antics.

Carl Casagrande: He was nothing but trouble and he contributed to me being a scammer! Ugh, now I hate him even more.

CJ Casagrande: Next time, he's gonna get his feathers torn off.

Maria Santiago: And I got a rolled-up newspaper with his name on it.

Hector Casagrande: Along with a rolling pin for that pinhead.

Rosa Casagrande, Paco, and Mama Lupe: Along with a Chancla.

Carlos Casagrande: Hmm.

Frida Casagrande: Mi amor, what is it?

Carlos Casagrande: I know Sergio's caused us a lot of trouble for us and everyone in Great Lakes City in the past, but there's got to be a reason as to why he became like this in the first place.

Lincoln: You're saying something bad happened in his past, or someone did this to him that made him like this.

Me: That's an interesting hypothesis.

Nico: Only one way to find out, we need to launch an investigation into this.

* * *

After Lincoln and I purified Sebastian and sent Dark Sebastian running, and we all took down the bikers and Lincoln absorbed the bodybuilder thugs of Sergio and we took down Lady Foulmouth and sent her to The M.O.E., we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Georgia Wild Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Georgia Wild Moon: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kara Bowen Einon: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Carlita Ottoson: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Georgia Wild Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Georgia Wild Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw what it was that triggered the alarm, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
vampires have come out and are coming after us.

James Blunt: (Sighs) This has Dark Sebastian all over it. I'll handle them.

James Blunt flew out and landed.

James Blunt: Sending weak vampires after us was a bad idea, you psychopath. I'm far more stronger than the vampires we've killed in the past. Now, to teach your minions a lesson.

Suddenly, James Blunt's crimson red eyes turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

James Blunt: I was surprised to find out that psycho wasn't going to give up that easily, but to send weak vampires like you after us, that just proves he's nothing but a weak coward. (GOLD HEAVENLY RING OF LIGHT APPEARED AND SURROUNDED HIS RED EYES) Well then, it's time I got rid of you all before I let Lincoln absorb you lot.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF JAMES BLUNT WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT WENT BACK TO EARTH AND JAMES BLUNT GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, James Blunt was surrounded by a very massive vortex of black and crimson red, white, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at the vampires: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

James Blunt went after the armies of vampires, and he fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the vampires even angrier than ever.

Then, James Blunt fired blasts of light that hurt the vampires as they shrieked in pain and anger and we saw it on the big screen.

Cage Blunt: Dad really got them good.

Christa: James has never been a violent man.

Caleb Maxwell: No, but he will get violent if anyone hurts Cage.

Travis Tackett: Or you, Caleb.

The vampires were hissing angrily at James Blunt.

Suddenly, James Blunt let out an animalistic roar as he showed his fangs and that really scared the vampires!

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) But, I'm not going to be the one to kill you.

Then, Lincoln appeared.

Lincoln: That's going to be left to me.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of vampires, and one by one, he began absorbing them and he assimilated their Vampire Physiology, Vampirism, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Durability, Superhuman Senses, Healing Factor, Immortality, Scaling Walls, Hypnosis, Shapeshifting, True Face, True Form, Telepathy, Atmokinesis, Telekinesis, Pyrokinesis, Electrokinesis, Flight, Necromancy, Dream Manipulation, Cell Manipulation, Animal Control, Blood Bond, and Blood Rising, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the vampires and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: That was really good, and you and the other members of the team also have the powers and abilities of the vampires I absorbed, Mr. Blunt.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I forgot we also assimilate the powers and abilities of those you absorb.

They came back inside.

Me: Mr. Blunt, that was some awesome work you did taking those vampires down.

Nico: But, aren't you disappointed you didn't feast on their blood as well?

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Not really. Besides, their blood wouldn't taste that good.

James Blunt holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and red planets orbiting around his legs and thirty-five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer dark brown tail, and his massive dark brown angel wings and twenty-four sets of large dark brown angel wings underneath his massive dark brown angel wings are permanent.

Caleb Maxwell: Now, it's definitely not for much longer before Cage and Travis transforms. Plus, with how much stronger you've become, Mr. Blunt, you can help us out with some heavy jobs downstairs in the garage. Some idiot let his car run ragged for too long, and the engine is that close to dying.

Lana: I should sue him and make him pay for...!

James Blunt: I can check out the dying engine and make some immediate repairs.

Then, James Blunt got out a videotape.

Me: What's this one about?

James Blunt: This was from around the time Caleb decided to pay a visit to Travis in Kentucky, and I was there for support, and Travis had a lot of catching up and making up to do after what Caleb had been through. Cage already made up with Caleb, now it was Travis' turn.

James Blunt put the videotape in and it showed West Virginia and Caleb was outside.

Past James Blunt: Caleb, where are you going?

Past Caleb Maxwell: I'm going to head to Kentucky, Cage told me that's where Travis is at. I know they got into an argument, but...I have to go there at once.

James Blunt put a hand on his right shoulder.

Past James Blunt: I'll go with you too, Caleb, not only for support, but also, in case anything happens.

They left for Inez County, Kentucky as they flew in the air, luckily, it was nighttime. Then, as they arrived, they landed and it was daytime there.

Past Caleb Maxwell: Damn, it's really hot out here. I've lived in the city and dealt with the heat, but out here in the country, that's a different story.

Past James Blunt: Heh, I'll make sure to get us some cold water to cool us down.

Then, Caleb Maxwell saw the house.

Past James Blunt: Here's the house we were living in back in 1969, and right next door is Travis' house.

Past Caleb Maxwell: I remembered you telling me that you and Cage lived here before you moved back to West Virginia.

Then, he spotted Travis Tackett heading back inside, but then, he smelled blood, and he turned around.

Past Travis Tackett: James, what are you doing here?

Past James Blunt: I brought someone over who wants to see you. It's not Cage, but an old friend from New York.

James Blunt stood to the side, and Travis Tackett saw who it was he was talking about: it was Caleb Maxwell.

Past Travis Tackett: C-Caleb, is that...?

Past Caleb Maxwell: Yes, it's me, Travis. I know I died back in 1985, but here I am back from the dead two years before you and Cage were...

Then, Travis Tackett hugged Caleb Maxwell.

Past Travis Tackett: I know I got a lot to make up for, but I want to apologize deeply for what I also did in terrorizing you, Caleb. I wasn't thinking at the time, I was so drunk on Demon Blood and after we came back to life, I soon realized I fell down the very same road as my Dad did when my Mom died so long ago: he turned to alcohol and drugs, and I fell down that road as well. I really fucked up big time and dragged Cage down that road as well and terrorized you as well.

Suddenly, Travis Tackett's heartfelt apology got Caleb right in the heart as blood tears fell from his eyes and he returned the hug. Travis heard Caleb's muffled sobs in his chest, and he knew Caleb's mask had since shattered, and he rubbed Caleb's head in comfort and James Blunt saw the whole thing.

Past James Blunt: You've changed a lot since that night in 1985, Travis, and Caleb, you made the right choice coming here to Kentucky.

The video ends.

Cage Blunt: So, that explains why Caleb had those blood tears after you guys came back, and after you told me why you two went to

Kentucky, at first, I wanted to be annoyed, but I didn't, you were right in choosing to go to Kentucky, Caleb. You saw that Travis had changed a lot since then.

Leela Salyers: And his heartfelt apology brought out the pain in your heart, but also, forgiveness for what happened that night.

Lincoln: We did say it was okay for him to cry.

Travis Tackett: But, the pain he had, it was so deep, it penetrated his heart, mind, and soul, that's the worst kind of pain there is, and I blame his brother for that big time.

Roxy Drake: We all did.

Allie Maxwell: Plus, when I started out in NYU when I was eighteen, I heard some guys and girls who were trash talking Caleb, I was so mad at them, I wanted to go up and punch their brains out, but I didn't want to be like Drake. However, when someone brought up the incident at LaGuardia where Drake's slutty girlfriends got killed by Caleb's ghost, that shut them up, it was so hilarious, they fell on their butts and went pale with fear.

Lincoln: Disrespecting the dead, that's the worst offense.

Nico: You said it. What happened to those dumbasses?

Jack Howard: A month after Allie started class at NYU, those six dumbasses got expelled. Apparently, one of Allie's friends found out about their connection to Drake Maxwell and they were doing a lot of dirty work for him, and they got arrested and sent to jail. Plus, their parents disowned them and they almost sent them to a boarding school.

Casey Antonio: That was until they were found dead in their cells the next morning. The report said they hung themselves with the bedsheets they fashioned into nooses.

Me: Are you fucking kidding me? That's the coward's way out!

Carter Kenrick: It gets worse: they heard ghostly moaning one night in their cells and one of them saw Caleb Maxwell dressed in the same clothes he had on before he died.

Jazz Jackson: Right before he turned around and walked right towards them, and they freaked out big time. The next day, like Jack said, they were found dead: suicide by hanging.

Captain Whitten: They let the fear of the legend get to their heads, and look where it got them.

James Blunt: Still, they didn't have to die like that, they should've repented for their crimes.

Maria: Afraid that doesn't work that way with snobs who think they're better than everyone and that especially goes for those who trash-talk about the dead.

Allie Maxwell: I have to agree with Maria, Mr. Blunt. Plus, the night they killed themselves: it was on the very night Caleb returned from the dead.

The NYPD Nightshift gasped in horror, and Roxy Drake checked the security cameras of the precinct of that night, and lo and behold, she found it: the six punks who were in their holding cells saw Caleb Maxwell who just returned from the dead and he was heading for them still shaken up by his sudden return and awakened to a living nightmare.

Jack Howard: Oh crap, so those bootprints stained in blood we saw that day, they were from...!

Caleb Maxwell: From me. Now, I remember, I went right into the station for no reason at all other than I was shaken from that living nightmare of returning from the dead.

Me: Yikes.

Abby Smith: We ran a check on the bootprints, and they were Caleb's, but we had the same thought: that it was impossible and he died back in 1985.

Buffy Blain: We thought it was just an urban legend. But, from what we just saw, that urban legend had since been broken, and the hauntings that were near NYU, LaGuardia High, the precinct, The Hallowshade Bar, and his home were connected to Caleb: those were places that he had good and bad memories.

Cage Blunt: For New York University and LaGuardia High, those were full of good and bad memories, but the bad memories were the strongest and the precinct and his home were full of memories of peace before this whole Syndicate nightmare began, and The Hallowshade Bar, that's where the good memories of him talking with Mabel and Junie of what he'd been through were at, but it's also where the memory of his death was the more powerful there.

Lincoln: And coming back to there caused him to suffer a panic attack.

We got a shower, and then, Lincoln, Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra are heading to Esch Beach in Michigan.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all, and Lincoln removed Glitchtrap's influence from Vanessa, and he deduced Glitchtrap was none other than the ghost of serial killer, William Afton.

Chiaki Nanami: Wow, we're here in Esch Beach, it sure is beautiful.

Lincoln: It sure is, Chiaki, and it's perfect for our first date, shall we?

Lincoln, Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Chiaki Nanami: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra and hugged them in their abnormally massive and powerful muscular arms, and Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Esch Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra are now in your harem, Linky.

Chiaki Nanami, Vertacine/Spinalvex, Apteno/Icepeck, Carmilla Carmine, Octavia, Vanessa, Universe 666 Vanny, and Celestial the Cobra showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Celestial the Cobra: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons

of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We arrived at the convention of the mascots.

Rayne: This convention is gonna have an angry mob. I just know it!

Me: We haven't seen what it was featuring yet.

Poromon: Yep. Look.

We looked at the comics and they were actually really funny!

Me: The Mascots and The Battle with The Blood and Honey Abomnations?

Poromon: That one is based on how we destroyed the abominations on Chikyu.

Me: Cool!

Wheeler: What about these comics?

Comic Book Guy was laughing hysterically at one and rolling on the floor.

Poromon: These comics here are based on our funniest adventures.

I looked at one.

Me: The Mascots and The Castle of Farts and Beer. (LAUGHS) That is funny!

Nico: The Mascots and the Planet of Beer? Whoa!

Eli: Look at these. The Mascots and the Wrath of Were Poromon. Whoa!

Full Tilt: And this one?

Poromon: That one is based on how Poliwag battled Fifi.

Me: And here one based on the battles with Officer X.

Xenia: Yikes.

Ymir: Wow!

Brawn: And this one?

Poromon:That one is about how we send hookers packing with the trailer.

Me: Funny.

Camie: Nice and awesome.

Dirge: Poromon, in the comic with the hookers, are mature things included?

Poromon: No way! We have standards.

Me: Meaning?

Poromon: We don't show anything like that. We learned our lessons on that.

Me: That's good.

Camie: Thank goodness.

Ymir: Yeah. Wait what happened?

Me: Long story.

Ymir: Oh.

We later went back to watch TV.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after the first ecovillain, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Well guys it's time for those 8 days of April again.

Ymir: What are they?

Me: The 8 Days of Earth Day.

Nico: I love this time of the year.

Ymir: Wow!

Cargill then appeared.

Cargill: I hope you guys don't mind me accompanying you through these days

Me: Not at all Russ. This will be awesome. Let me show you all.

I went to our trophy case and got our Earth Day Trophy. I showed it to everyone.

Ymir: That is a beautiful Trophy.

Me: Yep. This is our trophy we won for a special project for Lincoln's Class. On April 15th, 2019 we were given this big mondo task to clean up and take care of the Earth. We had to do it all, plant new trees, clean the air and pick up trash and more.

Nico: Yep. From April 15th thru April 22nd, we went through all that and we call it the Eight Days of Earth Day.

Me: That was our most charitable 8 days ever.

Wheeler: And it was also where you guys all met us and helped us destroy our enemies.

Me: That's right and that was so fun.

Clyde: We had a lot of fun on that one.

Ymir: Wow! That is cool.

Me: Yep.

Cargill: I remember hearing about all those and they were amazing.

Me: Yep. Those were awesome.

Nico: We didn't meet Captain Planet until later days

Me: Yeah. That was during the battle we had with Captain Pollution.

Nico: Yep.

Cargill: I heard about that. That was cool.

Me: Yep. The EPA was eternally grateful to us for doing all that back then.

Earth: Yeah that was awesome.

Me: Yep. And this year we're going to do it again.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Duke Nukem, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Duke Nukem, and he's causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Wheeler: I knew we'd be going after him first, this time, he's going to pay for everything he's done.

Me: I knew it was coming! Hannah getting that burn on her arm and Duke Nukem's ring like that. This was a sign! So the Eight Days of Earth Day are on again. 5 years have passed since then.

Nico: Yep

Suddenly, Lincoln also saw the sign of Apophis over the skies.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, he's already causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Duke Nukem. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send that monster flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, Duke Nukem, your time is up.

Lincoln: You're gonna pay for everything you've done, you radioactive mutant.

The previous group came.

Heatwave: Can me, Stinky Butt, Melter, Touch & Go, Po Kong, Titanium Toenail, Dayu, Top, Vulkanus and Taskmaster go with you guys?

Mr. Touch: Thank you for volunteering too, Russ

Cargill: Anytime. This will be fun.

Nico: And yes you all can come with us.

Qin: This will be fun. I've heard a lot about all this. I wasn't with you guys back then but I heard this was so fun.

Lola: It sure was!

Xenia: Yep.

Bai Tza: Nico, Boss, which Gene Slammer do you think you'll meet next?

Nico: Oh Blair will like this one. I'm hoping to meet one for Maiden in Love.

Me: Ooh that one is cute.

Qin: She sure is.

Me: I'll be right back. Got to check on Sebastian.

Nico: Okay.

I went to the infirmary and checked on Sebastian.

Sebastian: (Groans) (Weakly) Hey J.D.

Me: Hey Sebastian. Just came to check on you.

Sebastian Mendez: Just really tired.

Me: You're gonna be like this for a few days. But I want to let you know that we're not going to let this happen to you again. Also we're going on a mission now.

I formed a magical barrier to make sure that the Ooze doesn't come back into him and he is forever pure and free.

Me: You'll be okay with us Sebastian. We'll be back soon.

Sebastian: J.D. wait.

He held out his hand.

Sebastian: I owe you my life entirely J.D. You saved me big time and I am eternally in your debt.

I smiled and shook it.

Me: It was no problem Sebastian.

Sebastian: Thank you for never giving up on me.

Me: Like I said, you were punished more than enough. I'll see you soon.

I left.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Ray Finkle, that loser's come back from the dead, and he wants revenge on us for killing him. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than our old enemy, Ray Finkle, that loser's come back from the dead, and he wants revenge on us for killing him.

Nico: You got to be fucking kidding.

Eli: Afraid not. I sensed it too.

Me: That loser, he's dead when we get him!

Winter Werewolf: Leave him to me and Linky, guys, we'll rip him in two and tear him apart limb from limb.

Lincoln: That we will, Winter.

Nico: Ooh boy, that loser's gonna get what's coming to him. Alright, gang, let's go, we got to stop that radioactive mutant, Duke Nukem.

Lincoln: And make him regret the day he was born, and once we get done with him, you're next, Ray Finkle.

Winter Werewolf: After everything you've done, you deserve to die once again, you Loo-hoo-Zu-her.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chernobyl and finally destroy Duke Nukem for good and drive Dark Sebastian back to Transylvania, and once we get done with that radioactive mutant and send that Satanic demonic monster, Dark Sebastian, flying back to Transylvania, Winter Werewolf and Lincoln are going to destroy our old enemy, Ray Finkle. TIME TO DIE FOR GOOD, LOO-HOO-ZU-HER!

We went to Ukraine.

We arrived.

Me: Here we are guys. Chernobyl, Ukraine.

Ymir: Whoa!

We saw no one there.

Ymir: Where is everyone?

Me; They all had to leave because of Nuclear Radiation contamination. The 1986 Nuclear Power Plant Accident left this whole place as a ghost town. It's gonna be like this for 20,000 years.

Qin: Sad they can't come back here.

Xenia: Yeah.

Melter: Lets call Fireor.

Me: Good idea.

We did so.

Fireor: I'm here guys. Whoa so we're going to face Duke Nukem in Chernobyl. Fitting.

Po Kong: Would he taste good?

Me: I don't think you would want to eat a man that's intensely radioactive Po Kong.

Bai Tza: Yeah sister he would not taste good one bit.

Po Kong: Oh yeah. But As long as I get to squish him.

Nicole: Yeah! You know Dr. Nick, my colleague was here a long time ago for a science research mission too. It was to see how nuclear radiation affects earth worms.

Dr. Nick: That's right. I remember that.

Nico: Yeah you told us all about that. That is amazing.

Qin: Yeah.

Lana: I wonder how worms like that would taste.

All of us: EW!

Nico: Geez Lana.

Me: Lana you do not want to eat radioactive worms. That would be like eating nuclear waste.

Lana: Yeah you're right. I'll stick to regular worms.

Me: Good.

Top Man: We could blast him with a Miracle Blast.

Me: That would be awesome and cool.

Kwame: I have a feeling these 8 days are gonna be special for all of us.

Me: I have that same feeling too Kwame. Since Earth Day is coming up we're going to be battling each of your enemies again like we did 5 years ago.

Astrotrain: We sure will.

Ymir: What can you tell us about Duke Nukem?

Me: Well he's a monster.

I went over his history

Duke Nukem, also called Nukem, is a major antagonist in the animated show Captain Planet and the Planeteers.

He is a dangerous mutant that can shoot radioactive blasts from his hands. He is also a walking disaster area and so his henchman, Leadsuit, like his name implies, has to wear a lead suit to be near him. His primary goal is to cover the entire planet in radiation and turn everyone into mutants like himself.

He is also physically strong as he is the only Eco-Villain aside from Captain Pollution to actually defeat Captain Planet.

The ecological disaster he represents is the misuse of nuclear power. In the two-part Captain Planet episode, Mission to Save Earth, Duke is among the five Eco Villains who create Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Deforestation, Toxins, Smog, Super Radiation, and Hate. Duke's element was Super Radiation. Unfortunately for the Eco Villains, Captain Pollution was destroyed and the Anti-Elemental rings along with him, leading Duke and the other villains to flee.

In Seasons 1 and 2, he was voiced by the late Dean Stockwell, who also portrayed Tony Russo in Married to the Mob.. In seasons 3 through 6, he was voiced by Maurice LaMarche, who also voiced Verminous Skumm in Captain Planet.

When I was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: Oh man!

Ymir: Yeah that was horrible!

Me: Yeah no kidding. He's intensely radioactive and that's why we're going to destroy him. We're going to throw him into the fiery center of the Earth's Core.

Dayu: Wouldn't that be dangerous?

Me: You're right. Because it would be polluting an already existing nuclear energy dump. So instead how about we throw him into a black hole?

Nico: That works and we can banish his spirit to the Black Abyss.

Me: Good.

Linka: (Russian Accent) And since we're dealing with our enemies on Earth Day then Skumm will return.

Me: Yep.

Ymir: Who is Skumm?

Me: He's a toxic rat mutant and Linka has a nasty personal vendetta against him.

Ymir: What kind of Vendetta?

Me: He murdered her cousin Boris.

THEY GASPED!

I went over his history.

Verminous Skumm is one of the recurring villains of the Captain Planet and the Planeteers series. He is a large, humanoid, mutant rat who is determined to take over the Earth through urban blight, poor sanitation, drug abuse and disease.

In Season 1, he was voiced by Jeff Goldblum, who also played Calvin "Slick" Stanhope in Silverado, Brundlefly in The Fly, Long Eared Jack in Robbie the Red Nose Reindeer, Grandmaster in Thor: Ragnarok, Orian Franklin in Hotel Artemis, Zeus in KAOS and Dr. Erwin Armstrong in The Boss Baby: Family Business. From seasons 2 to 6, he was voiced by Maurice LaMarche - who also portrayed Duke Nukem in seasons 3 through 6 of Captain Planet, The Brain in Animaniacs, Father in Codename: Kids Next Door, Mr. Big in Zootopia, Mr. Freeze and Calendar Man in the Batman: Arkhamvideo game series, Dr. Nitrus Brio in Crash Bandicoot, and the Donbot, Lrrr, Walt, Francis X. Clampazzo, Melllvar, Fishy Joe, Leonardo Da Vinci, Schlump and Fleb, and the Big Brain in Futurama; among other roles.

He is a real dirty rat. Born and raised in a sewer, this towering "Ver-man" aims to mold the world in his image, and is determined to inherit the Earth. Unlike most other villains, Verminous focuses more on social villainy and "pollution of the body". He is quite likely the most evil Captain Planet villain, as he is responsible for killing Linka's cousin by selling him a designer drug which he fatally overdosed upon.

Skumm fancies himself an agent of entropy with a mission to instigate chaos and degeneration in the natural order. He exults in humanity's every ecological mistake and helps to accelerate the environment's decline. His weapons are a loathsome intelligence combined with the cunning of a trapped rat, in addition to apparently quite skilled knowledge of chemistry and pathology. His rat pack inhabits only the most vile, degenerate environments of sewage and toxic waste, which they often use to aid in Skumm's odious plots.

Like all the villains in Captain Planet and the Planeteers, Skumm represents an ecological threat. In his unique case, he mainly represents not just one evil, but two: poor sanitation (with a particular focus on the spread of disease that comes about as a result of it), and social/urban ills such as crime and bigotry. In the two-part Captain Planet episode, Mission to Save Earth, Verminous Skumm is among the five Eco Villains who create Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Deforestation, Toxins, Smog, Super Radiation, and Hate. Skumm's element was Toxins, perhaps used as an evil counterpart for Gi's Water ring. Unfortunately for the Eco Villains, Captain Pollution was destroyed and the Anti-Elemental rings along with him, leading Skumm and the other villains to flee.

One episode revealed that Skumm was (possibly) from an alternate/past civilization that he helped guide into destruction through massive overpopulation. Alternate future versions of him are shown to be even more mutated, sporting an extra smaller head on his shoulders

* * *

When I was done everyone was shocked!

Twilight Sparkle: I remember hearing about that! That was awful!

Slobber Trap: It sure was.

Me: Yep.

Lori Jimenez: And I have another vendetta. It's against Dr. Blight.

Ymir: Why?

Me: She killed Lori's mother and used time travel to try and give nukes to Hitler to win World War II for Nazi Germany.

THEY GASPED!

Wheeler: I remember that!

I went over her history too.

Dr. Barbara "Babs" Blight, better known as Dr. Blight, is the secondary antagonist of the animated TV series Captain Planet and the Planeteers. She also appears as the main antagonist of the OK K.O.! Let's Be Heroes episode "The Power is Yours!".

She is a mad scientist who believes in better living through biochemistry and has experimented on herself in her efforts to produce the perfect human. She typically misuses her scientific genius by inventing new methods to sap the environment of its health and vitality in order to supplement her own, bringing her into conflict with Captain Planet and the Planeteers.

She was voiced by Meg Ryan in season 1, and the late Mary Kay Bergman from seasons 2 to 6. In O.K. K.O! Let's Be Heroes!, she was voiced by Tessa Auberjonois.

Dr. Blight began her career researching biological and chemical warfare and, thus, has a host of deadly and dangerous weapons at her disposal. She represents the dark side of science, using her vast knowledge to create biological monstrosities, wipe out entire populations of plants and animals, and generally wreak havoc on Earth. She even used a time machine in order to sell an atomic bomb to Adolf Hitler himself, which was considered her most evil act by the Planeteers. Bambi Blight was the first person to reveal that Dr. Blight will often flirt or flatter in order to get her way, though she is unafraid to stand up for herself if one of the other Eco-Villains dares to upset her.

Her supercomputer, MAL, is programmed for evil. MAL's high level of artificial intelligence is often devoted solely to calculating new and diabolical ways to destroy Captain Planet and the Planeteers, leaving Dr. Blight to pursue more creative research. Sometimes, she will be very pleasant and flirtatious towards MAL, while at other times, she will become extremely angry, violent and aggressive when dealing with him.

Dr. Blight sees herself a fashion plate, often appearing in a chic long-sleeved jump suit and high-cut boots. She wears a utility belt to which various items may be attached. Her hairstyle help hide the huge scar on the left side of her face. The scar's origin has never been explained, but it was likely caused by one of her experiments. Blight likes to show off her figure by wearing skin-tight jumpsuits, usually colored pink.

As an Eco-Villain, her character symbolizes the dangers of uncontrolled technology and scientific experimentation. In the two-part Captain Planet episode, Mission to Save Earth, Dr. Blight was one of the five Eco Villains who created Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Super Radiation, Deforestation, Smog, Toxins, and Hate. Barbara's element was Hate. Unfortunately for the Eco Villains, though, Captain Pollution was destroyed along with the rings, leading Blight and the other villains to flee.

When I was done everyone was shocked and some of us were enraged.

Nico: That monster!

Qin: Man what a BITCH!

Lola: YEAH!

Lori Jimenez: She was also my aunt and I WILL ALWAYS HATE HER!

Vulkanus: Ex Aunt is more like it!

Lori Jimenez: Yeah!

Qin: These are monsters that must be stopped!

Me: Big time. That's why this years 8 Days of Earth Day are gonna be VERY Important!

But then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We saw a massive and intensely powerful huge explosion blast off!

Me: WHOA! What in the world caused that!?

Volcana: Wasn't me!

Eli: I sense something coming.

Qin: Wait look!

We saw a Shaymin.

Me: Hey a Shaymin.

Nico: What's that doing here?

Taskmaster: That caused the explosion?

Me: The Seed Flare technique. It releases a massive explosion of energy when it sucks in pollution.

Nico: I remember that.

Dawn: Me too. That was powerful.

Me: Yep.

Then we saw it take in lots of polluted air from the area.

Me: Uh oh.

Eli: EVERYONE HIT THE DIRT!

WE DUCK AND COVERED AND IT GLOWED AND THEN...

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION OF ENERGY!

It was an intensely powerful explosion and it blasted a huge crater!

Me: WHOA!

Nico: That was powerful!

Me: This place is overflowing with nuclear pollution.

Nico: Who even is it?!

Monica: Let me see.

She used telepathy and gasped.

Monica: That Shaymin is my little sister Megan!

Nico: Whoa!

Me: We better help her.

Me and Monica walked over.

Monica: Megan it's okay. It's me Monica.

All she did was jump at her face

Monica caught her.

Shaymin: (With Telepathy) Monica I'm so glad to see you here.

Monica: (GASP) You talk!

Dawn: Wow! The one we knew spoke with telepathy like that.

Me: Yeah. Megan you were turned into a Shaymin by Dark Gale. And this is the Chernobyl Exclusion Zone. Loaded with nuclear pollution.

Shaymin: That explains why I have been blowing stuff up lately.

Me: Yeah. Lets turn you back.

Monica put her down and I snapped my fingers and then we saw that she had green hair and pink eyes and had Shaymin in the middle of her forehead and had green angel wings and had a cutie mark in the shape of the World Tree with the 7 elements on her arm. I wrapped her in a blanket and we brought her over.

Nico:...you had your mind the whole time?!

Dawn: Nico, Shaymin could talk to us like that.

Shaymin: She's right and I liked talking.

Nico: You're right.

Me: Also I think we missed some legendary Pokemon.

Nico: Well we'll find them.

Megan Raybrandt: I'm just glad to be reunited with Monica.

Monica and Megan hugged.

Monica: Me too.

Me: Were you attacking Dark Gale with Sonya's team?

Megan Raybrandt: Actually no. I was helping Monica and then I was captured by an unseen force and then next thing I knew I was turned into a Shaymin.

Me: Hmm. Elise must've used a magic spell of some kind to bring you here.

Megan Raybrandt: Maybe.

Nico: We need to get you clothes.

Rarity: We'll take care of that darlings.

The fashion brigade gave her green and pink clothes and she had a nature sword and also had a magical armband on.

Megan Raybrandt: I look awesome.

Me: You sure do.

Lincoln: WHOA! And just in time. I just had a premonition and it's for Wheeler's Akuma next. His name is Flame Tomahawk Torcher. The Hypothetical Akuma of Wheeler and he is an Indian that is a master of fire and is dangerous and one not to be messed with. He was made because of Duke Nukem destroying much of his home and vowed to burn him in the Earth's core!

WE GASPED!

He showed us a sketch of him and he was an Indian Warrior of fire and had wings made of fire.

Me: WHOA! That one is cool!

Wheeler: I look awesome like this.

Sideshow Bob: I shudder to think what an Akumatized Captain Planet would look like

Me: Me too.

Qin: That would be scary.

Xenia: Yeah.

Me: An Akumatized Gaia would be scary too.

Lola: Yeah.

Then we heard Native American Indian Hooting and Yelling.

Me: Look!

Riding on a horse of fire and hooting and yelling like Indians from Western Movies was FLAME TOMAHAWK TORCHER!

He threw a fire tomahawk at us and we ducked and it hit a building and exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

The entire building was burned to the ground instantly!

Me: WHOA!

Xenia: That was powerful!

Varie: Geez!

He stopped in front of us.

Flame Tomahawk Torcher: How.

Me: Greetings to you.

Nico: Wow!

Fireor: Wheeler is that really you?

Flame Tomahawk Torcher: Yes Fireor. Good to see friends again. Many moons have passed since Earth Day 2019.

Me: 5 years actually. You look amazing like this Wheeler. I've always been fascinated with Native American Cultures and how they live and more. It's really cool.

Top: You're using wise words?

Flame Tomahawk Torcher: Indeed. Duke Nukem destroyed my home and it will be retribution of me.

Me; Just like it was with the Native Americans in the old west. Also this reminds me of what happened in one of my dad's favorite shows in his days, Cheyenne.

Nico: When was that one?

Me: Back in the late 1950s and early 60s.

Nico: Neat.

Flame Tomahawk Torcher: Indeed and good times those shows.

Me: Yep.

Little Strongheart: This also is very similar to how me and my people live back home.

Me: That's right the buffalo in Equestria are very similar to the Native American Indians there which is really cool.

Flame Tomahawk Torcher: That is amazing.

Fireor: You need to calm down.

Flame Tomahawk Torcher: Not till Duke is dead.

Me: Looks like we both are after him. Lets dance shall we?

He threw a fire tomahawk and I grabbed it and threw it back and it hit him and knocked him down.

Me: Well another thing that Native Americans are good at is that they never miss a shot.

I formed a fire bow and arrow and fired and it hit him and blasted him.

Fireor charged at him and blasted him with intense fire.

Flame Tomahawk Torcher: My turn.

He fired many fireballs and we absorbed them.

Megan Raybrandt: Like old times?

Monica: You know it.

Megan and Monica: MAGIC OF THE FUTURE BLAST!

They fired a wave of energy and blasted him down and knocked him out!

Cindersaur: I could've done better!

Nico: Cindersaur we got more important things to worry about now.

Me: I agree there. Now we got to find Duke Nukem and destroy him forever.

Titanium Toenail: Not many hiding spots out here

Me: In a place as radioactive and dangerous like this? No there aren't.

Nico: Alright, now we need to get after Duke Nukem.

Lincoln: But, first, Selena, Camie, Wendy, Varie.

Selena Mendez: Got it.

Camie Elextor: Let's do it.

Selena Mendez, Camie Elextor, Wendy Sauron, and Varie Yulinova raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds where Duke Nukem is at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Duke Nukem saw it, and he let out a scream of rage and anger!

The viewing window closed as we were laughing hysterically!

Me: HAH! Serves you right, bastard!

Nico: Okay, now we can do our entrance without any of Dark Sebastian's nasty surprises.

Me: Let's tear that radioactive mutant apart limb from limb.

Nico: Entrance time people!

We then took off, and we got there just in time to see Duke Nukem ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate he has against us.

Nico: Okay, let's end this bastard once and for all.

Duke Nukem: (ENRAGED SCREAM) WHEN I FIND THOSE FUCKING BASTARDS, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

?: OH, SHUT THE FUCK UP, YOU RADIOACTIVE BASTARD!

Suddenly, the spirits of fire appeared out of nowhere and they attacked Duke Nukem in total fury and that made her extremely pissed off even more! Then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Duke Nukem even more pissed off even more!

Nico: Long time no punch plutonium butt!

Me: You've got some nerve coming back from the dead, Duke Nukem.

Nico: I honestly thought we were finally done with you, especially after all the trouble you've caused to the Planeteers and Captain Planet. But, thanks to Dark Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Duke Nukem: DIE! ALL OF YOU JUST FUCKING DIE!

Duke Nukem fired a blast of radiation at us, but we suddenly absorbed it and it made us stronger than ever. Then, Lincoln and I fired blasts of fire at Duke Nukem and he got burned badly!

DUKE NUKEM LET OUT ANOTHER SCREAM OF PURE RAGE!

Duke Nukem: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Wheeler: Seriously? You did this to yourself, Duke Nukem, and there's no way we're forgiving you for what you've done, and we're going to make you pay for everything you've done.

Duke Nukem:(ENRAGED SCREAM) DARK SEBASTIAN, YOU ASSHOLE! YOU LIED TO ME! YOU SAID THEY'D STEP RIGHT INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew the insane dark side of my brother was behind this and that he'd forced The Dark Pact of Apophis upon you and the others.

We also saw it: Duke Nukem had a black snake tattoo with an inverted pentagram on his left arm: proof of The Dark Pact of Apophis.

Camie Elextor: Just like with the others. Alright, Dark Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Dark Sebastian, but he had black hair, pale skin, red eyes and black sclera, black coat with red inlay, black dress shirt, black pants, and black boots and massive black demon wings with a wingspan of 6'666'0".

Nico: Dark Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Eco-Villains, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Dark Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT

DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Duke Nukem: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?!

Duke Nukem was smug at Dark Sebastian's humiliation. But, the bastard's smugness was about to be broken big time as we saw the darkness blacken the skies

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON HIM!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARD! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Duke Nukem: What did you just say?!

Dark Sebastian Mendez: (Demonic Voice) APOPHIS, EGYPTIAN GOD OF CHAOS, HEED MY CALL! TAKE THE SOUL OF DUKE NUKEM AND MAKE HIM YOUR SERVANT FOR ALL ETERNITY!

Suddenly, Duke Nukem found himself about to have his soul taken from him by a black snake formed by the Infernal Darkness of Dark Sebastian, but Selena Mendez, Camie Elextor, Wendy Sauron, and Varie Yulinova retaliated by firing blasts of Divine Darkness which hit the snake and Duke Nukem and undid The Dark Pact of Apophis, and that really enraged Dark Sebastian, but Selena Mendez blasted Dark Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Duke Nukem.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, you mutant!

Me: Time to make sure you never return.

Wheeler: FIRE!

He fired a blast of fire and blasted him.

Hannah: This is for burning me!

She fired a powerful fireball and blasted him.

Xenia: YEAH!

Solar Man: My turn!

He fired a ball of fire and blasted him all over

Me: What's wrong Nukem? Can't take the heat?

Duke Nukem: I WILL DESTROY YOU! IF IT'S THE LAST THING I DO!

Po Kong: LOOK OUT BELOW!

Nukem saw Po Kong and then...

THUNDEROUS SUPER MEGA CRASH!

Po Kong: How is that for making Nukem Pancakes?

Nora: That was awesome!

She got off him and then Nukem was flatter than a pancake!

Mr. Go: You still can't eat him.

Po Kong: I know. But I still got to squish him.

Nico: Yep.

Nukem got up.

Me: Had enough Uranium Breath?

Nukem: NOT UNTIL YOU ALL ARE DEAD!

He fired atomic radiation blasts and Carol fired Godzilla's Orange Swirling Atomic Ray and the blasts collided and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Carol fired Godzilla's Atomic Ray and it hit Nukem and exploded all over!

KRABBBBBOOOOOOOMMM KRABBBBOOOOOOOOOOOMMMM KRABBBBBBBOOOOOOOOMMMMM KRABBBBBBBOOOOOOOOOMMMM KRABBBBOOOOOOOOMMMM KRABBBBBBOOOOOOOOMMMM!

MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER AND BLASTED NUKEM ALL OVER AND BURNED HIM ALL OVER!

The power of the Kaiju was too much for him to handle!

Rico the Robot: Scanning radiation levels

The radiation levels were beginning to drop significantly!

Rico the Robot: Radiation levels decreasing.

Me: It's working! The more we hit him it reduces the radiation here!

Nico: WOW!

Rico The Robot: Not just that. According to my scanners Duke Nukem's temperature is rising.

WE GASPED!

Me: What the!?

I looked at him with my infrared vision and it showed that it was 1100˚ Celsius or 2,012˚ Fahrenheit!

Me: He's at 2,012˚ Fahrenheit and rising fast!

Nico: That's just what we've been waiting for! When it hits 1,200 we'll send him into space and have him detonate out there.

Rico the Robot: My scanners indicate that he will detonate with the power of 100,000,000 Gigatons of TNT.

WE GASPED AGAIN!

Duke Nukem: (LAUGHS EVILLY) THAT'S RIGHT! I'M GOING TO DETONATE MYSELF AND TAKE YOU AND ALL OF THIS WRETCHED PLANET WITH ME!

Vegeta: WHAT!? BLOW UP THE EARTH!

Me: You're a coward Nukem!

Stinky Butt: Let's see if farting changes that!

LOUD NASTY FART!

He farted and the fart hit him and ignited and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: I've got a better idea. You'll see later.

Me: Okay.

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take care of Nukem.

Electrocutioner was first.

Electrocutioner (to Emerald): Nico's rescue was in Hell. He battled Tim the Witchsmeller.

Emerald: It was awesome and we also found out what caused Sebastian to become like this.

Electrocutioner: You did? What happened?

Emerald Goldenbraid: It was because of a ritual that backfired. Sebastian and Selena's parents were part of an evil cult called The Dark Church of Malphas.

THEY GASPED!

Electrocutioner: The Dark Church of Malphas!? Ben Ravencroft told us all about them! They like the Church of Necrom were responsible for numbers of unholy calamities all over the world and they did numerous atrocities!

Emerald: Yeah they sure were and J.D. was the one that destroyed them! But we found out that Sebastian became this way because he was possessed by the Black Ooze of the Eldritch. It corrupted his mind and made him this way! He got more and more evil no matter what we tried to keep the ooze dormant.

Electrocutioner: So that's how it happened! Now we know it all wasn't his fault and he did all that against his will.

Emerald: Yeah.

Unimon: That was horrible that happened to him. Sebastian is in the infirmary and he is gonna be out of commission for a while. Oh I'm Emerald's Unimon.

Electrocutioner: Pleasure but man Sebastian went through a nightmare. At least you guys freed him of the very evil that was in him. How did you guys do it?

Domon: Brittney found a book on how to cure him in the Netherworld Library in the Library of Dis and it had everything needed to cured him. It worked perfectly!

Marcarita: It sure did and it was amazing! We cured Sebastian of that during Lincoln's rescue.

Electrocutioner: Wow! That was intense! Lincoln and J.D. did really well curing Sebastian. But man it's be a while before everyone trusts Sebastian again.

Marcarita: I know. But J.D. said that he was punished more than enough and J.D. knew he was calling out for help on the inside. I'm glad he saved him. Selena told us that her brother was not himself because of it.

Electrocutioner: That is for sure. I'm glad he is free. Also how did you guys beat Tim the Wtchsmeller?

Twilight Sparkle: We battled him in the Seventh Circle and it was awesome.

Stellar Sparkle: We let loose the fury of the Decaforce Sword combined with the powers of the 9 Circles of Hell on him and sent him to the M.O.E. Prison. He lived for over 400 years getting revenge on all witches and we sent him to you guys.

Harmony Sparkle: That was awesome and fun.

Lincoln: (Smirks) J.D., I still remembered when you ate that radioactive marshmallow years ago and you gained Punk Shock's tail and electric powers.

I suddenly remembered about that.

Me: Ooh, yeah, now I remember.

Luna: Same here. And aren't they also now passed down in your new wolf tails?

I fired blasts of lightning from my eleven massive and long brown wolf tails, and they electrocuted a thug.

Me: Whoa!

Nico: (Sniffs) Ew, I can smell his burning flesh and B.O. in the air!

Lincoln threw the thug in a portal which led to a prison cell in the county jail.

Lincoln: That answers Luna's question. Now, there's one last thing to do and one last loose end to tie up! YOU BETTER GET OUT HERE RIGHT NOW, RAY FINKLE, YOU LOO-HOO-ZU-HER!

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Me: Oh, that insult always cracks me up!

Nico: Same here! And if we know that loser and hearing that trademark insult, he should be coming after us in a fit of rage...right...now!

Lincoln formed a massive and indestructible diamond barrier infused with energy that protected all of us from a sudden barrage of bullets and the bullets were dented and the kinetic energy was absorbed into us.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Ray Finkle.

A figure appeared, it was our old enemy, Ray Finkle, and boy oh boy, was he mega pissed off!

Me: Well, well, well, if it isn't our least favorite asshole, Ray Finkle.

Nico: That's putting it mildly, we still remembered everything that you did when we first met Ace Ventura, you insane and disgraced football loser!

Lincoln: And now, years later, you decide to come back to get revenge, you really are shameless and a sore loser, Finkle!

Ray Finkle: SHUT UP! SHUT UP! SHUT UP! I'M GONNA KILL ALL OF YOU!

Winter Werewolf: Oh, shut up already, you're giving us a headache.

Lincoln, Winter Werewolf, Nico, and I went after Ray Finkle, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, ocean blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Ray Finkle, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Winter Werewolf did the same by firing dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Winter Werewolf, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Ray Finkle even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Ray Finkle, and we found ourselves in Heaven.

You disgraced the world of football and you're also a sore loser as well, at least, Lynn's more mature than the likes of you!

Then, Lincoln charged and smashed his rainbow energy infused left fist into Ray Finkle's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln and Winter Werewolf tied Ray Finkle up to a huge rocket, and we used Neutronium Chains for this one.

Maria: Uh oh! HIT THE DIRT!

Everyone took cover, and Lincoln pressed a button on the remote, and the rocket took off into the skies and we heard Ray Finkle scream.

Me, Lincoln, and Nico: SEE YOU NEVER! (Jim Carrey Voice) LOO-HOO-ZU-HER!

WE ALSO GAVE HIM THE FINGER AND THAT LED TO RAY FINKLE LETTING OUT ONE LAST SCREAM OF ANGER AND RAGE AT US AS THE ROCKET LEFT OUR ORBIT, AND THEN...!

KRABOOM!

THE ROCKET EXPLODED BECAUSE WHAT NO ONE NOTICED WAS THAT LINCOLN ALSO STUFFED THE ROCKET WITH EXPLOSIVES AND BOMBS THAT WERE TO GO OFF WHEN THE ROCKET LEFT OUR ORBIT AND WE BANISHED THAT LOO-HOO-ZU-HER TO THE BLACK ABYSS FOREVER!

We cheered wildly as we holstered our weapons and powered down and Winter Werewolf's new body, clothes, weapons, jewelry, Third Eye, longer brown wolf's tail and larger brown wolf ears, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large dark blue planets orbiting around her legs, thirty-five smaller dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized dark blue planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Winter Werewolf: It's over for you, Ray Finkle, now rot in The Black Abyss forever. Thanks for helping me get rid of that monster, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Winter.

Me and Nico: Our pleasure, Winter.

Suddenly, Winter Werewolf wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Winter Werewolf's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Winter Werewolf sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: Okay, I got to admit, that was one awesome finale you had in store for that asshole, Ray Finkle.

Nico: Tying him to a rocket loaded with explosives that'll explode once the rocket leaves our orbit, that was pretty awesome.

Me: And fitting too. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Fire Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Fire Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Elena Fire Moon, Werewolf Angel of The Fire Moon of May.

Me: The Werewolf Angel of May's Wind Moon, awesome!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Elena Fire Moon, Werewolf Angel of The Fire Moon of May, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Fire Moon of May. Elena Fire Moon is a powerful master of the powers of blue wolf fire, fire, flames, The Fire Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Elena Fire Moon is The Werewolf Fire Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Chandler. Elena trained Lincoln in mastering the powers of blue wolf fire, fire, The Fire Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion and she wants nothing more than to burn him alive underneath The Fire Moon!

Nico: And I can guess you did the same thing to Elena, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Chandler getting his clothes burned and left butt naked in front of the school.

Nico: Serves him right.

Eli: Big time.

Hsi Wu: That was too close!

Me: No fucking shit!

Captain Cold: Glad I didn't get involved.

Cantwell: And I thought the Springfield Power Plant was radioactive.

Me: Just be glad on the final day we're not going to the Springfield Nuclear Crater.

Major Disaster: What now?

Man Ray: We celebrate!

Nico: Good idea. Lets head home for that. Great job today everyone.

Qin: One day down and 7 to go.

Wheeler: (To the viewers) This was an awesome start!

Me: Yep.

We went back home and had a great meal and we were off to a great start.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Georgia Wild Moon, but she was in her werewolf form.

Lincoln: Georgia Wild Moon.

Georgia Wild Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Georgia Wild Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Georgia Wild Moon: (Beastly Voice)(Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Georgia Wild Moon still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Georgia Wild Moon was in a two-piece green bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Georgia Wild Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Georgia Wild Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Helena Storm Moon a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Georgia Wild Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Helena Storm Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Georgia Wild Moon and he hugged her in his abnormally massive and powerful muscular arms, and Georgia Wild Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Georgia Wild Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Georgia Wild Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Georgia Wild Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Earth Chan, and she and Lincoln are going to destroy Gern from Galaxy Angel

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the western part of Gotham Royal York, we got word from The Gotham Royal York Police Department that a vampire's been sighted here and he's been killing thugs and draining them dry of blood. We're going to find out the person behind that is the younger brother of Alucard from Castlevania, his name is Damian Țepeș Dracula, and he's also the son of Count Dracula, but he left around the same time as his brother when their father went mad over the death of their mother, Lisa, and declared his war on humanity. Damian possesses all the same vampiric powers and abilities as his father, along with immortality, but unlike his father, he's also a Daywalker and he has none of the weaknesses of the vampires and his father, except for the thirst for blood, and like his older brother, Alucard, he also desires to protect humanity from the wrath of his father. He'd heard that Dracula had returned from his brother and Lady Palutena, so he'd come here to join the team and also help us when the time comes for us to end his father for good.

But, it's not going to be easy though, after we meet Damian, we're also going to destroy the vampire lord from Castlevania: Lament of Innocence, Walter Bernhard, and banish him straight to The Black Abyss forever before he tries to turn any innocent person into a vampire, and we're going to meet Elena Fire Moon, Werewolf Angel of The Fire Moon of May, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Fire Moon of May. Elena Fire Moon is a powerful master of the powers of blue wolf fire, fire, flames, The Fire Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Part 2 is Mera's day and Kwame's too and we're going to battle Orm

A.K.A. Ocean Master and Looten Plunder.

See you next time.

Earth Day 2024 Part 2 - Looten Plunder

Mera and Kwame's day to shine

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem. But, then, the alarm that we had at Lynn's Table sounded, and he woke up and got dressed, and Nico and I also joined as well along with Moondancer. Then, we checked the computer and zoomed in at Lynn's Table, and then, we saw who has escaped from the restaurant: it was our old enemy and our favorite punching bag, Walter Peck, the delusional pencil dickless jerk asshole, and he's out for revenge on us yet again.

Me: I don't believe it! That pencil dickless motherfucker!

Nico: Un-fucking-believable! That piece of trash's escaped again?!

Lincoln: That cementhead really doesn't know when to quit, does he? Well, then, I've had enough. In the morning, we're taking that piece of trash down again, and I'm gonna make his punishment even more painful.

Me: Good idea, Lincoln. We're gonna have to tell everyone about this tomorrow.

Moondancer: Along with the Ghostbusters, I can tell they're not gonna like dealing with that pile of garbage again.

We went back to sleep, but this means we're in for some big trouble. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, the alarm that we had at Lynn's Table sounded, and Nico, J.D. and I along with Moondancer checked the computer and zoomed in at Lynn's Table, and then, we saw who has escaped from the restaurant: it was our old enemy and our favorite punching bag, Walter Peck, the delusional pencil dickless jerk asshole, and he's out for revenge on us yet again.

EVERYONE GASPED!

Maria: ARE YOU FUCKING KIDDING ME?! That pencil dickless motherfucker's escaped from Lynn's Table yet again?! He just like pissing us off!

May: That's putting it mildly. But, how the Hell did that dickhead escape?

Suddenly, Lincoln formed a vision orb in his left hand, but when we saw who it was that did this, we were pissed! The person responsible for breaking Walter Peck out of Lynn's Table was none other than GUY GRAZER!

Me and Lynn Sr.: Why, that...goddamn...!

Nico: So, it was Guy Grazer that did this?! That piece of shit!

Connor Chan: Unbelievable! That guy makes me so mad, I want to rip him apart limb from limb and eat his flesh! (SAVAGE WEREWOLF GROWL)

SUDDENLY, WE SAW CONNOR'S PUPILS TURN INTO SLIT PUPILS: THE SLIT PUPILS OF A WEREWOLF, AND WE GASPED IN SHOCK!

Alicia: What the?! Connor, your pupils!

Mindy: And that werewolf growl coming from you, that was unnatural! What happened, did you get bitten by a werewolf?

That shocked Connor.

Connor Chan: Uh..., actually I have a confession to make. It was after Lincoln bit Nico and he had injected him with his excessively potent lycanthropy and vampirism after Evil Lori and Evil Lynn shot him, I wanted to see what it was like to become a werewolf, so I asked Lincoln to bite me and he injected me with his excessively potent lycanthropy and vampirism.

Connor showed us the bite mark on his right trapezius, and Nico, Alicia, and Mindy were stunned, and that also included Leandro and Aurora.

Alicia Chan: What the? Connor, what's the matter with you, are you crazy?!

Mindy Chan: You realize that you just...!

Connor Chan: I already know that, Mindy. I know of the risks, but...! After everything our brother has gone through: what The Digimon Emperor did in traumatizing, what that bastard, Frieza, did in destroying Planet Vegeta and killing every last Saiyan there, and what Dark Sebastian's done in the past, I couldn't fucking take it anymore!

Suddenly, something within Connor's mind snapped as memories of what Nico's gone through: what The Digimon Emperor did in traumatizing, what that bastard, Frieza, did in destroying Planet Vegeta and killing every last Saiyan there, and what Dark Sebastian's done in the past, and also, what Dark Connor forced him to do, and the cause of that monster's emergence inside him rushed through his head, and his dark eyes turned neon dark blue and the tattoos of dragons of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon on his arms, legs, chest, stomach, and back glowed even more, and he was surrounded by a rainbow, white, golden yellow, and blue energy aura with aura energy, white and blue heavenly flames, Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, dragons, phoenixes, and angels.

Connor: After everything you've gone through, Nico, all of that pain and suffering that you've had to go through, you should know that you'll never be alone in this, you know we're here for you. (THEN, HIS ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGED OUT EVEN MORE) But, we've always known that you were always so goddamn stubborn like a mule, and you wanted to toughen it out..., (FINALLY, A GOLD RING APPEARS AND SURROUNDED HIS RAINBOW EYES) But, that ends today, I'm not letting you continue to do this on your own anymore!

WE GASPED AT THE SUDDEN EXTENT OF CONNOR'S SUDDEN DETERMINATION: AND WE FELT IT FOR OURSELVES, HE'S ABOUT TO TRANSFORM!

Mindy: What the? How the Hell did you figure that out?!

Lincoln: Werewolves can sense anything from humans easily.

Nico: Right. (To Connor) And you're right, Connor, I now know I'm not alone when it comes to truly difficult situations, and I know I'm stubborn at times, but I also need to learn to sometimes put that stubbornness aside for the sake of everyone around me.

Come here.

Connor hugged Nico.

Connor holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five planets orbiting around his legs and thirty-five smaller planets orbiting around his waist, Third Eye, eleven massive and long black wolf tails, planets orbiting around his wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath his massive black angel wings are permanent.

Mindy: Now, you've transformed, Connor, and you're also now a werewolf.

Lincoln: Later on, I'm gonna handle your training, now that you're a werewolf-vampire hybrid like me, you're gonna need a lot of training with those new powers you've gained.

Alicia: Like controlling his newly massive godly superhuman strength and who to feed on like thugs and criminals.

Lincoln: And something more personal, now that you're a werewolf-vampire hybrid, your mating instincts are gonna go into overdrive especially around Reyna Valmorida.

Nico: Oh boy, he's right, Connor. You're gonna need to control that big time.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Lorena Cavenstein, Earth Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Lorena.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Lorena Cavenstein, Earth Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Earth. She's The Earth Master Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Lorena Cavenstein hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Laura Cavenstein, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and earth, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like Camie...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Yesterday, Lincoln and J.D. separated Selena's brother from the black slime that made him into what he was, and it was the embodiment of his evil and more.

Selena Mendez: And unfortunately, I found out about the dark detail hidden from me about Mom and Dad, that they were Satanists and that they were part of a dangerous cult that was going to bring an ancient evil to Earth and destroy us all. They did a terrible spell that backfired and released a black slime that went into Sebastian and it possessed him and made him what he was.

Lorena Cavenstein: What?

Varie Yulinova: It's true, Lorena, and Selena was granted dark powers by the Nightflame of Nyx and how she became The Leader of The Hunters of The Nightflame Sun, and the spell her parents did not only backfired, but it also killed them and Sebastian became that and he was doing all of that against his will.

Lorena Cavenstein: The black slime did this. So, we got to destroy it for good.

Selena Mendez: No, I'm going to destroy it, Lorena. This thing turned my brother into that demonic murderous lunatic, and by my hand, will it be destroyed.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The next Hunter of The Nightflame Sun that we're meeting tomorrow morning is Solla Nexcrota, The Fire Master Mage of Darkness, she uses the powers of fire and darkness, and that also includes Earth where dark magic rituals had taken place, and it's much stronger than the fires of Hell.

Lucy: Her power over fire and Darkness is that powerful, no one was able to defeat her.

Lincoln: It'll be great seeing her again tomorrow. Now, let's finish breakfast and head out to hunt down that dickhead, Walter Peck.

Nico: Along with Sergio's thugs.

Mera woke up to see Starmie staring at her

Starmie: Morning Mera! Time for breakfast.

Mera: Thank you Starmie.

She went and got dressed and we were having steaks and eggs.

We were having a good meat.

We then finished our breakfast, and we set out to hunt down Walter Peck, humiliate him in the most awesome manner ever, and send him right back to Lynn's Table, and get rid of Sergio's thugs and send those thugs to The Black Abyss.

We went to the ship and we were off.

* * *

Flying through space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 12756.3: The U.S.S. Valorous Phoenix is en route to a new planet located in the Black Eye Galaxy and our mission is gonna be to take down Walter Peck who has escaped from Lynn's Table. We're going to give him and Sergio's thugs a big time asswhooping.

And all the team too was on the ship.

Me: I wonder what this planet is gonna be like.

Camie: No idea. But lets hope it's a good food planet.

Ymir: Wait there are food planets?

Me: There sure are.

Nico: Some that are awesome and tasty and some that are disgusting.

Lana: And I love the disgusting ones.

Xenia: We know you do.

Tornado Bolt: This will be awesome.

Nico: Tornado Man, I want to thank you, Kyle Katz, and your teams for coming

Tornado Man: No problem Nico. This is gonna be awesome.

Lola: It sure is!

Xenia Xiphias: I'm looking forward to this one.

Hannah (CP): Me too.

Nico: Xenia, what do you like to do in your free time?

Xenia Xiphias: Teach people how to fight with the sword and it's fun.

Me: Cool!

Xenia Xiphias: It puts cheese on the table.

Nico: CHEESE!

Me: You said his favorite food Xenia.

WE LAUGHED!

Hannah (CP): That is a nasty burn you have Xenia. You got burned like me too?

Xenia Xiphias: I sure did. I was exposed to a nuclear explosion and it burned my arm. I hid behind a lead wall. But I had my arm partially out and it burned me. It hurt like hell.

Me: YIKES! Well you aren't the only one that went through that. Multiple Man was exposed to a nuclear explosion and he lived and he got his powers as a result.

Nico: Yep.

Hannah (CP): Oh man!

Nico: Those can give people lots of powers.

Me: Yep. Nuclear radiation has been known to do that.

Hannah (CP): That explains how I got these wings and the fire powers.

Me: Yep.

Camie: Yeah.

Xenia Xiphias: That is true.

Me: But at the same time, Nuclear Radiation is very dangerous stuff. It can kill you.

Nico: Yep. And speaking of radiation, man Yesterday was EXPLOSIVE!

Wheeler: It sure was! That was so fun and cool!

Maria: It was hot as well!

Me: No kidding! Wow! And Duke Nukem turned into a time bomb that was going to destroy the planet.

Xenia: Thank goodness we contained him and he exploded in a force field ball.

Nico: Yep

Eli: And we battled him in Chernobyl, Ukraine.

Me: Fitting.

Lola: Yeah.

Wheeler: Yep and we've seen the last of that nuclear monster.

Varie: That is for sure.

Wheeler: My Akuma was really awesome too.

Nico: It spoke differently.

Me: But it had me really fascinated about it because of how it looked and how it reminded me of so many things about Native American culture and more.

Peter Pan: Like the Indians that live in Neverland.

Eli: They are so cool.

Me: Yep.

Lola: Yeah!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a mountain planet from the looks of it.

Nico: We're here.

Me: Yep.

Ymir: Looks like a mountain planet.

Me: It does.

We got to landing. We landed and we got out and saw that it was a CHOCOLATE, MARSHMALLOW AND GRAHAM CRACKER MOUNTAIN PLANET!

Me: WHOA! It's a Chocolate, Marshmallow and Graham Cracker world!

Nico: (GOES ABSOLUTELY CRAZY) CHOCOLATE!

Loud Kids minus Lincoln: (GOES CRAZY) CHOCOLATE!

They dove in and ate a lot of chocolate!

Poromon (to Lincoln): You're not joining in?

Lincoln: No I've learned how to control myself.

Me: Ymir you should see how much chocolate his siblings eat. I've known the Loud's for a long time and they are MASSIVE

Chocoholics. They eat TONS AND TONS of bars of chocolate.

Lincoln: It's true.

Ymir: Whoa! That is a lot of chocolate.

Ace: Boy they sure love chocolate.

Me: So does Nico. They all absolutely go CUCKOO BONKERS for it!

Camie: Yep it's true.

Ymir: No kidding!

Me: Lets make some s'mores!

Ace: You had me at S'mores!

Poliwag: Save some for me!

Nico: (LAUGHS CRAZILY AS HE WAS EATING CHOCOLATE)

Lori and the Loud Siblings were eating chocolate all over.

We had a campfire going and we were roasting marshmallows.

Me: Boy been a while since we went camping like thIs. Technically we aren't camping but you know.

Eli: I know.

We made s'mores and I even made a s'mores pizzas and even a s'mores cake.

Xenia: Boy all those look awesome!

Ymir: They sure do!

The mascots came and had some.

Poromon: (Eating) Mmm! Delicious!

Poliwag: (Eating S'mores pizza) Yummy!

Horsea ate some.

Horsea: Yummy! The s'mores cake is awesome!

Manaphy had some s'mores too.

Manaphy: Boy these are good.

May: They sure are!

Me: Hey guys come on over and eat some s'mores!

Mevya: Don't mind if I do!

Nico: Oh coming!

Nico and the Loud's came and joined us.

Nico: (Eating) Mmm! Boy that is good.

Lori: (eating S'mores pizza) Literally so good.

Lucy Loud: (Eating S'mores) They sure are.

Me: Glad you all like it.

Ace: Boy this is an amazing planet.

Ed ate some.

Ed: Yum!

Ed grabbed some of Eddy's Marshmallows!

Eddy: Ed give me my marshmallows!

Ed: Say pretty please Eddy!

Eddy: In your dreams!

Ed: Say pretty please with 2 eggs and a slice of bacon!

Eddy: Gimme my marshmallows!

Luan gave Eddy more Marshmallows.

Luan: Here Eddy.

Eddy: Thanks Luan.

We laughed.

Me: So funny!

Qin: Yeah!

Me: Okay we already know what we are here for and that is to teach that pencil dickless motherfucker Walter Peck a big time lesson.

Ymir: Who is Walter Peck?

Me: A jerk that the Ghostbusters hate. For 40 years he's been an iconic jerk.

Moondancer: He's been like that since 1984.

Me: He's very iconic like the Ghostbusters have been since then.

Venkman: Yeah and I called him dickless back then.

Me: Yep. And I got something awesome planned for our entrance against him.

Nico: Really?

Me: Yep.

Nico: He's not worth killing. Though I suspect we'll see more of him in the future.

Ymir: Cool! Looking forward to it.

Lola: Oh yeah.

But then...

MASSIVE THUNDERCLAPS!

We looked and saw Lightning streaking across the sky all over!

Me: Wow!

Nico: What's with the lightning?

Me: No idea.

Laney: WHOA LOOK!

We saw a Gigantamax Zapdos in the sky!

Me: WHOA! Gigantamax Zapdos!

Eli: WOW! Electrifying!

Nico: How'd that get there?!

Me: No idea.

J.D. 2: This one has to be Dark Gale's work.

Lincoln: Let me see.

He used Telepathy and gasped!

Lincoln: That's our sister Lanaia!

Lori: Nebula Lanaia!?

Laney: Nebula!? Oh man! I've heard about her! She is a master of the Nebula Lightning Quirk.

Me: WHOA! So I'm not the only one that has that quirk!

Horsea: Wow!

Lincoln: Also she's the eldest sister. She was 20 years old before you moved to Michigan J.D.

Me: Whoa! So that would make Lori the second eldest.

Lori: Yep she literally passed the torch onto me before she went to college.

Anna Anyanova: And we actually know Nebula. She's a very close secret ally to me and my fellow Guardian Angels.

Lincoln: She sent me a lot of postcards over the years.

Me: Wow! Lets go help her buddy!

Me and Lincoln flew up to her!

Lincoln: Nebula calm down and lets talk! It's me Lincoln!

All she did was zap him with intense lightning!

But it didn't even make Lincoln flinch as he absorbed it.

Lincoln: That really supercharged me!

Me: Boy it sure did. Lets bring her down!

We fired waves of intense energy and blasted her all over.

Me: Okay then.

I formed a ball of energy and an image of the Witch's Head Nebula in the constellation of Eridanus the River appeared and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck all over the place and blasted her.

I snapped my fingers and she reverted back and was a girl with blond hair, purple eyes, yellow angel wings and had Gigantamax Zapdos in the middle of her forehead and a nebula with lightning cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: WHOA! That one was intensely electrifying.

Nico: No kidding.

She woke up.

Nebula Lanaia: (Groans) What hit me?

Lincoln: Lanaia? Are you okay?

Nebula Lanaia: Wait Lincoln? Lincoln is that really you? Whoa!

She hugged him.

Lincoln: I'm glad you're okay.

Nebula Lanaia: My gosh what happened to you? You've become an amazing man.

Lincoln: I've had quite a growth spurt. Not just in height but also evolutionary and power terms.

Me: You would be very proud of your brother Lanaia. He has come a long way. Not just under me but under all of us.

Nebula Lanaia: Whoa! I've missed out on so much.

Lynn Sr.: You sure have kiddo and you would be amazed at what he has learned too.

Nebula Lanaia: Wow! I'll have to hear all about it dad.

Nico: You know what happened to you, right?

Nebula Lanaia: I think so.

Me: You were turned into a Gigantamax Zapdos by Dark Gale.

Nebula Lanaia: (GASP) I remember!

She was in a yellow suit and injected and then in a massive ball of lightning she blasted out and electrocuted and incinerated numerous members of Dark Gale and flew out as Gigantamax Zapdos!

FLASHBACK ENDS

Nebula Lanaia: It was awful!

Anna Anyanova: Well the good news is we destroyed Dark Gale forever.

Me: 2 of their members are in jail and the rest were given the Black Abyss.

Lincoln: It's true.

Nebula Lanaia: Good.

Nico: Your role in Sonya's team?

Nebula Lanaia: Well I work as the Nebula Lightning Electrocutioner. I use my quirk to destroy our enemies.

Me: That is cool! Also you aren't the only one that has the Nebula Lightning Quirk.

Nebula Lanaia: Really?

Me: Watch.

I formed a ball and showed an image of the Trifid Nebula and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning hit Nico all over the place!

Nebula Lanaia: WHOA! You have the same quirk too?

Me: It was a recent discovery. We all have our own quirks now.

Lincoln: We sure do.

Nico: Ouch.

Me: Sorry Nico. Had to show her somehow.

Nico: No worries. How about outside of Sonya's Team?

Nebula Lanaia: Well I work as an astronomer. But my main goal is to work as a chef. I am a great cook.

Lynn Sr.: Well you would be perfect for helping me at my restaurant.

Me: Yeah your dad managed to fulfill his dream and open his own restaurant. He opened Lynn's Table. We eat there all the time.

Nico: We sure do.

Nebula Lanaia: Wow! I've missed out on a lot.

Me: So much has happened over the last 8 years.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her yellow and black and purple clothes and also an amazing lightning sword.

Nebula Lanaia: Wow I look awesome!

Me: You sure do.

Lola: Yeah.

Double D heard a Pokémon cry

Edd: Look here everyone.

We saw a Porygon Z!

Me: Whoa! Porygon Z!

Nico: Wow!

Porygon Z: I am a fascinating one too.

Me: Yeah.

Double D: Fascinating.

Me: It sure is.

Double D: Would you like some food?

Porygon Z: Sure.

Double D gave it apples.

Double D: Wanna come with us?

Porygon Z: I would like that.

Poliwag: YAY!

Me: Cool!

Deadpool: The anime really needs to let go of the past

Me: I agree.

Nebula Lanaia: What did he mean by that?

Jamesdean5842: Oh the anime of Pokemon when it first came out didn't show an episode with Porygon in it because it was banned for causing seizures. The Strobe Light Effect did that.

Me: You know how flashing lights cause seizures like that?

Nebula Lanaia: Oh yeah! I know what you're talking about. That's nuts.

Deadpool: Yeah and that happened 28 years ago. They need to let it go.

Me: They sure do.

Double D: But at least this one can live with me now

Me: That is true.

Lola: Yeah! Now lets go get that repulsive jerk!

Me: Yeah!

We were off.

We were flying in the air, but then, we saw our target: WALTER

PECK, AND HE WAS HEADING RIGHT FOR US COMPLETELY FUCKED-UP AND ABSOLUTELY INSANE!

Walter Peck: YOU MOTHERFUCKING PISSANTS! I WILL KILL YOU ALL!

?: OH, SHUT THE FUCK UP ALREADY, DICKHEAD!

Suddenly, spirits of all The Ghostbusters' enemies appeared from nowhere and they attacked Walter Peck with unbelievable fury and sent him flying right into a marshmallow which exploded, and when he got back out, he was completely covered in marshmallow cream and he cursed at us like a total fucked-up madman.

Ghosts: You are nothing but an incidious fiend! You're a cheat, fraud and imposter! A corrupt, vicious, sexist, demented, lowlife treasonous scoundrel and a demented monster that hates the Ghostbusters for protecting the people they love! There's no evil scheme you wouldn't concoct! No depravity you wouldn't commit to kill them! YOU WALTER PECK ARE NONE OTHER THAN A *Putridialius Penciliius Dicklesslliis Motherfuckerleviticus!* More commonly known as a...

Then, the spirits converged, and then, a massive tornado of energy erupted and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, we emerged.

Me: PUTRID PENCIL DICKLESS MOTHERFUCKER!

HE SCREAMED!

Me: You've got some fucking nerve showing your face here again, you pencil dickless motherfucker.

Nico: I thought we were finally done with you after what happened last year, but thanks to that other shithead, Guy Grazer, breaking you out to piss us off, that was going way too far.

Walter Peck: SHUT UP! SHUT THE FUCK UP! I WILL KILL ALL OF YOU AND THE GHOSTBUSTERS AND EVERYONE WILL SEE THAT GHOSTS DON'T EXIST!

Me: YOU ARE SUCH A FUCKING FOOL!

Porygon Z charged at him and blasted him with lasers.

Nico: Take that!

That was when Lincoln had enough and grabbed him by the neck with his left hand and lifted him up.

Lincoln: I've had enough of your insane ranting and your small feeble-minded thinking that ghosts don't exist. (Tightens his grip causing his gold-plated dragon claws to puncture Walter Peck's neck and draw blood that turned into red rubies from the curse as they fell) Listen, Walter, listen closely because I am going to say this only once! Ghosts do exist, if it hadn't been for The Ghostbusters always on the move and keeping New York City safe, you and everyone in the city and the world would've suffered a fate far worse than death, it's thanks to them that everyone is safe from the darkest kind of evil that exists.

But, then...!

WALTER PECK SPAT IN LINCOLN'S FACE!

Water Peck: FUCK YOU! FUCK YOU, BUTT MONKEY! YOU AND ALL YOUR WHORES SHOULD JUST LAY DOWN IN A FUCKING DITCH AND DIE ALONG WITH YOUR FUCKING USELESS KIDS!

WE WERE ABSOLUTELY PISSED OFF AT WALTER PECK!

Me and Nico: WHY, YOU ABSOLUTE DICKHEAD!

Eli: THAT'S IT, YOU PENCIL DICKLESS TWO-FACED SHITHEAD!

But, before me, Nico, and Eli could dare to rip him in two...,

SHEEN! SCREAM!

LINCOLN TIGHTENED HIS GRIP ON WALTER PECK'S NECK EVEN MORE CAUSING MORE BLOOD TO SPILL OUT AND THE DROPS TURNED INTO MORE BLOOD RED RUBIES, AND THEN, LINCOLN THREW HIM RIGHT INTO A GRAHAM CRACKER

WALL! BUT, HE WASN'T DONE YET!

THEN, HE POUNCED ON WALTER PECK, AND HE PROCEEDED TO BEAT HIM UP WILDLY LIKE A WILD ANIMAL!

POW! CRACK! BANG! WHAP! SLAP! BONK! ROOSTER CROW! KRACKOW! COW MOOS! LION ROAR! SUMO SOUNDS! PIG SQUEALS! CAR HORN! SEAL BARKS!

BLARGA FLARGA!

Me: OH GOD! OH MAN, THAT'S TOO MUCH!

Sakura Knudson: DAMN, THIS IS GETTING FUCKING UGLY!

SAKURA WAS RIGHT: THE FIGHT WAS GETTING REAL FUCKING UGLY REAL FAST! YOU MADE A HUGE MISTAKE PISSING OFF THE VOICE OF REASON FOR THE LOUD FAMILY, YOU PENCIL DICKLESS PILE OF GARBAGE!

CRACKS! SCREAMS!

Nico: OH! OH MAN, I THINK HE ALSO BROKE HIS ARMS AND LEGS TOO!

Luna: DUDE, THAT'S JUST BRUTAL!

Lynn: WHOO! GET HIM, LINCOLN!

Lola: MAKE THAT CLOD EAT DIRT OFF YOUR BOOTS!

Lincoln: EAT BOOT, DICKHEAD!

KRACKOW!

LINCOLN KICKED WALTER PECK REAL HARD OUT OF THE FIGHT CLOUD AND HE CRASHED RIGHT INTO TEN WALLS OF GRAHAM CRACKERS, GOT COVERED HEAD TO TOE IN CHOCOLATE WHEN HE WAS SENT FLYING RIGHT INTO A CHOCOLATE WATERFALL, AND HE ALSO GOT COVERED HEAD TO TOE IN MARSHMALLOW CREAM UNTIL HE CRASHED RIGHT INTO ANOTHER GRAHAM CRACKER WALL!

WALTER PECK CAME RIGHT BACK AT US LOOKING LIKE A HUMAN S'MORE, AND BOY, WAS HE TOTALLY AND ABSOLUTELY COMPLETELY MAD AT US BIG TIME!

Walter Peck: WHO THE FUCK DO YOU THINK YOU ARE?! DO YOU KNOW WHO I AM?!

Caleb Maxwell: Like I give two shits about you after all the fucking trouble you've caused not only The Ghostbusters but all of New York as well, you arrogant dickless excuse for a man, no you're worse than that, you disgusting pile of worm food! You're nothing but trash to us, you spineless gob of spit! You gutless yellow piece of shit!

OUR JAWS DROPPED AT THE HEAPS OF INSULTS CALEB MAXWELL WAS SPEWING AT HIM!

CLANG!

OUR JAWS BOUNCED RIGHT BACK INTO OUR MOUTHS THANKS TO THE SOFT MARSHMALLOWS, BUT NOT BEFORE WE ALSO GOT SOME CHOCOLATE INTO OUR MOUTHS!

We then saw Lincoln's energy aura flare up extremely as he grew stronger.

Lincoln: Mmm, chocolate.

Me: (Smirks) Now, Lincoln, don't go crazy like your sisters!

Helena Knudson: He's not gonna, J.D., he has control. (To The Loud Sisters) Unlike you chocoholics.

Lincoln's sisters had embarrassed blushes on their faces: they knew my sis was right.

Walter Peck: YOU MOTHERFUCKER!

Caleb Maxwell: Why don't you say it a lot louder unless of course you're chicken!

Walter Peck: ARE YOU CALLING ME CHICKEN?!

Caleb Maxwell: Yeah, and I eat chickens like you for breakfast!

Walter Peck: WHY YOU!

Caleb Maxwell: Yeah, what are you gonna do about it?! Come on, you noserag! Anytime!

But, if that wasn't enough, Caleb Maxwell fired a bullet, and it hit Walter Peck right in the foot and he screamed in pain as he held his foot and was jumping like crazy!

Walter Peck: I'M GONNA KILL YOU! DO YOU FUCKING HEAR ME?!

Caleb Maxwell: Alright, that's it, I've had it up to hear with you for the last fucking time, Walter "Dickless" Peck!

Suddenly, the skies turned blood red, and we knew it was gonna get ugly!

Nico: Oh, Triple Shit!

Qin: EVERYBODY, RUN FOR YOUR LIVES! HE'S GONNA START TEARING AT THAT ASSHOLE!

EVERYONE RAN FOR COVER, AND THEN, THE HUMILIATION BEGINS!

Caleb Maxwell: I CAN'T BELIEVE YOU, NOT ONLY ARE YOU CONTINUING TO CAUSE NOTHING BUT GODFORSAKEN HAVOC ON THE GHOSTBUSTERS, BUT TO ALSO FIND OUT THAT YOU HAVE ALSO THROWN IN YOUR LOT WITH GUY GRAZER IN ONE LAST ATTEMPT TO GET REVENGE ON US FOR SOMETHING THAT WAS ALWAYS ALL YOUR FAULT! YOU PENCIL DICKLESS PIECE OF SHIT, YOU'RE DESPICABLE! I OUGHT TO SLICE YOUR PENCIL DICKLESS CROTCH OFF AND FEED YOUR DICKLESS CROTCHLESS CORPSE TO THE WEREWOLVES!

WHOA! CRUEL! THAT ALSO MADE WALTER PECK SCREAM LIKE A LITTLE GIRL!

Caleb Maxwell: YOU'RE AN ABSOLUTE DISGUSTING PILE OF GARBAGE WHO ONLY LOOKS DOWN ON OTHERS AND ACT LIKE AN ABSOLUTE CONDESCENDING PIECE OF HORSESHIT AND TRIED TO KILL THE GHOSTBUSTERS FOR DOING THEIR JOB! YOU ARE NOTHING TO ANYONE'S EYES, YOU ARE NOTHING MORE THAN ABSOLUTE GUTTER TRASH!

WE GASPED IN HORROR, AND MANY OF US DID TONS OF WILD TAKES!

Eli: OH MY GOD!

Varie: OH MAN! THAT IS BRUTAL!

Nico: HOLY SHIT! I HADN'T HEARD THAT SINCE WE WENT AFTER THAT PENCIL DICKLESS ASSHOLE LAST YEAR!

Me: AND BACK THEN, IT WAS ME AND CALEB WHO TOLD HIM OFF!

Allie Maxwell: GET HIM, CALEB! TEAR HIS ASS APART!

Caleb Maxwell: BECAUSE OF YOUR BLACK HEART AND SMALL MIND, ALL YOU HAVE IS AN ABSOLUTE NARROW-MINDED VISION OF THE OTHER WORLD AND ALL YOU'VE EVER DONE IS LOOK DOWN ON PEOPLE AND TREAT OTHERS LIKE TRASH! YOU INCOMPETENT PIECE OF SHIT, YOU'RE NOT FIT TO EVEN BE MAYOR OF NEW YORK! YOU SHOULD JUST LAY DOWN AND DIE LIKE THE FILTHY VERMIN THAT YOU ARE!

Me: HOLY DAMN!

Cage Blunt, Travis Tackett, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, The Starfire Agency, Gabriel Maxwell, and Tyler Maxwell: Jeez!

Marlene Maxwell: WHOO! GET HIM, SON! MAKE THAT DICKLESS ASSHOLE SUFFER!

Allie Maxwell: Mom!

Lori: THIS IS LITERALLY DISGUSTING! BUT, THIS IS WAY TOO GOOD!

Lincoln: And there's no way are we stopping him, this is really getting good!

Nico: It's about to get even more awesome, he's about to do the grand finale.

Caleb Maxwell: YOU HAVE AND ALWAYS WILL BE THE ABSOLUTE SCUM OF THE EARTH, YOU'RE A DISGUSTING PILE OF GARBAGE WHO KNOW NOTHING ELSE BUT TO LOOK DOWN ON AND HURT OTHERS AND TRY TO HURT THE GHOSTBUSTERS AND FOR YOUR PATHETIC STUPID SMALL MINDED PEABRAINED VIEW OF GHOSTS NOT EXISTING! YOUR MOTHER IS A POLAR BEAR, YOUR FATHER IS A FIGURE SKATER WHO STINKS LIKE THE SUBWAYS AND SEWERS OF NEW YORK CITY!

THAT ULTIMATELY DID IT: WALTER PECK WAS NOW BLEEDING FROM HIS EARS AND HIS BUTT WAS ALSO SPEWING OUT BLOOD AND THE BLOOD TURNED INTO BLOOD RUBIES THANKS TO LINCOLN'S GESSIUS FLORES VENGEANCE CURSE!

THEN, CALEB MAXWELL FIRED BLASTS OF DIVINE DARKNESS AND DARK FIRE AT WALTER PECK WHO SCREAMED LIKE A LITTLE GIRL AND HE GOT HIT HARD AND BURNED BADLY AND MASSIVE TONS OF GOLD, GEMS, JEWELRY, AND OTHER CURRENCIES EXPLODED OUT OF HIM, THANKS TO LINCOLN'S GESSIUS FLORES VENGEANCE CURSE STILL ON THEM!

Walter Peck: Ouch.

He shook off the soot, but now, he was MEGA SUPER PISSED BEYOND BELIEF!

Walter Peck: YOU MOTHERFUCKER! HOW DARE YOU RANT AT ME! DO YOU KNOW WHO I AM?!

Me: WE DON'T GIVE A FUCK DICKLESS!

But, Caleb Maxwell gave him the finger, and THAT MADE HIM GO MEGA BALLISTIC AS HE SWORE LIKE A SAILOR AND SPEWED OUT TONS OF HATRED AT US THAT CAUSED OUR AURAS TO FLARE UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST DUE TO HIS HATRED!

Nico: And thank you for the power boost, you pencil dickless motherfucker.

Me: Seriously?! You still weren't gonna learn your lesson? Oh well, no skin off our noses. Time to die, bitch!

Sumner: You've had this coming since 1984, Walter, time to pay for your trash actions against The Ghostbusters!

Patti: And against all of New York!

Qin: You've had this coming for 40 years!

Walter Peck: YOU HAVE NO IDEA WHO I AM! I WORK FOR THE E.P.A.!

?: Not anymore!

Out came Cargill!

Walter Peck: Mr. Cargill!? (Nervously) Uh sir what a surprise.

Me: You know Peck, Cargill?

Cargill: Yeah I'm his superior officer.

Me: Ah so you're his boss.

Cargill: I sure am and I have some things to say to him.

Nico: I didn't see that coming. Have at him.

Cargill: Thank you.

Cargill went over and punched him in his face!

POW!

Cargill: Peck you have brought great shame to the E.P.A.! You give all workers for the E.P.A. A REALLY bad name! Lincoln is right! Ghosts do exist and I should know because some of my colleagues in the M.O.E. are ghosts too and they exist! You have no idea what the kinds of ghosts the Ghostbusters have faced are capable of! Lincoln is right! Ghosts do exist, if it hadn't been for The Ghostbusters always on the move and keeping New York City safe, you and everyone in the city and the world would've suffered a fate far worse than death, it's thanks to them that everyone is safe from the darkest kind of evil that exists. Also look at Danny Phantom. He battled ghosts on a daily basis and they had the same kind of destructive potential! They saved this world.

Walter Peck: But sir!

Cargill: No buts! I don't want to hear it! Your delusional behavior has been an absolute disgrace to us! Walter Peck, YOU ARE FIRED!

He stripped Peck of his status and titles and more!

We raspberried Peck and flipped the bird at him!

Moondancer: I've said this before and I'll say it again! YOU ARE NOTHING MORE THAN A RUTHLESS BLOODSUCKING PARASITE THAT MAKES PEOPLE SUFFER BECAUSE THEY ARE NOTHING MORE THAN LOW CLASS BUGS TO YOU! YOU MAKE ME SICK! IT'S WHY EVERYONE IN NEW YORK CITY HATES YOU! BECAUSE YOU ARE JUST A GRADE A FUCKBUDDY TO THE MAYOR THAT SUCKS UP TO HIM LIKE A POOPEATING MORON! YOU DON'T CARE WHO LIVES AND WHO DIES! ALL YOU CARE ABOUT IS THROWING PEOPLE FOR CRIMES THEY DIDN'T COMMIT IN JAIL EVEN THOUGH THEY ARE SAVING THE WORLD! YOU ARE A MONSTER THAT DESERVES TO ROT IN THE DARKNESS OF HELL FOREVER! I HOPE YOU ARE NEVER HAPPY AS LONG AS WE HAVE ANYTHING TO SAY ABOUT IT!

CLANG CLANG CLANG CLANG!

Mine, Lincoln, Nico and Twilight Sparkle's jaws dropped to the ground!

Eli put them back.

Me: Nice job Moondancer!

Lincoln: YEAH! You tell him!

Emerald Goldenbraid got out her Gashat

Emerald Goldenbraid: This is gonna hurt!

She activated it.

Venkman: Time for Dickless to be castrated!

Emerald and Venkman: SHARK UNICORN CHOMPER!

They fired waves of energy and it formed into a Shark Unicorn and then...

CHOMP!

HE SCREAMED AS IT BIT HIS CROTCH OFF!

Luna got out her Gashat.

Luna: You make me sick dude!

She activated it!

Stantz: He sure does!

Luna and Stantz: ATOMIC WATER BURNER!

They fired waves of energy and water and blasted him all over the place.

Vakama got out his Gashat

Vakama: Time for you to burn!

He activated it.

Zeddemore: Lets get him!

Vakama and Zeddemore: ATOMIC FIRESTORM BLAST!

They fired waves of fire and blasted Peck all over!

Earth got out her Gashat.

Earth: Cargill has every right to fire you! Because you are a disgrace to protecting me! Lincoln does a better job at that!

She activated it!

Spengler: And he is good at that!

Earth and Spengler: ATOMIC LAVA BLAST!

They fired waves of energy and lava and blasted Peck all over.

Georgina got out her Gashat.

Georgina: Time for this rock girl to make you scream!

She activated it.

Eduardo Rivera: This is gonna be good!

Georgina and Eduardo: ROCK GHOST SMASH STORM!

They fired waves of energy and elements and blasted him all over.

Brittney: You think ghosts are scary, wait till you see this!

SHE TRANSFORMED AND UNLEASHED DARKNESS TIMES INFINITY!

Brittney: (SINGING DIVINELY AND HORRIFYINGLY)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Suddenly, The Big Claw Gang appeared.

Claw Dane Drake: When we heard that you've broken out again, no thanks to Guy Grazer, let's just say my gang have been looking forward to teaching you a lesson.

Carla Claw: And what the boys are gonna do to you, it's gonna make what Caleb just did to you look pretty tame.

Panther: (Smirks) This is gonna be good.

Suddenly, Panther felt a sharp pain on his wider and more muscular back, and then, his massive black angel grew much larger for his new body with a wingspan of 20,880'0" and medium sized black angel wings grew and sprouted out underneath his massive black angel wings with a wingspan of 18,880'0" and small sized black angel wings grew and sprouted out underneath his medium sized black angel wings with a wingspan of 16,880'0" and another pair of black angel wings grew and sprouted out underneath his small sized black angel wings with a wingspan of 14,880'0" and another pair of black angel wings grew and sprouted out underneath the new pair of black angel wings with a wingspan of 12,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 10,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 8,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 6,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of grey angel wings with a wingspan of 4,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 2,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,680'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,480'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,280'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 1,080'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 980'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 880'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 780'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 680'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 580'0" and another pair of black angel wings grew and sprouted out underneath the another pair of grey angel wings with a wingspan of 480'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 380'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 280'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 180'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 88'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 68'0" and another pair of black angel wings grew and sprouted out underneath the another pair of black angel wings with a wingspan of 48'0" and another pair of black angel wings grew and sprouted out underneath the another pair of grey angel wings with a wingspan of 28'0" and the shoulder blades of his massive black angel wings and twenty-four other sets of large black angel wings underneath his massive black angel wings have eyes with blue irises and his black tail also grew larger and longer.

Then, a kaleidoscope of darkness and dark flames appeared in Panther's left hand, and when it faded, we saw he now had a greatsword in hand: it was known as Panther's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Darkness Shadow Cat Thief City Cat Dark Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Darkness Shadow Cat Thief City Cat Dark Seraphim Phoenix God Archangel Death, it's a brand-new massive greatsword with embedded blood red gems and blood red cross etched on the 9'11" massive, hulking, wide, double-edged black blade, large black cat heads with crimson red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large crimson red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, long 8'5" midnight black handle, four large black cat heads with crimson red gems for eyes and on the bottom of the large black cat heads is a large black cat head with crimson red gems for eyes and blood red gem in its mouth for the pommel, and he also gained the same pistols as Caleb Maxwell holstered on his hips.

Me: What the?!

Nico: How did you?!

Sally Gamble: (British Accent) That came with the sudden evolution: a new greatsword and the same pistols as Caleb Maxwell's.

Caleb Maxwell: Then, this means!

Suddenly, Mad Cat Max, Shroud, Chester, and Crowe felt a sharp pain on their now wider and more muscular backs, and then, massive colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe, grew and sprouted out with a wingspan of 20,880'0" and twenty-one sets of large colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe grew and sprouted out underneath their massive angel wings with wingspans of 18,880'0", 16,880'0", 14,880'0", 12,880'0", 10,880'0", 8,880'0", 6,880'0", 4,880'0", 2,880'0", 1,880'0", 1,680'0", 1,480'0", 1,280'0", 1,080'0", 980'0", 880'0", 760'0", 680'0", 580'0", 480'0", 380'0", 280'0", 180'0". 88'0", 68'0", 48'0", 28'0" and the shoulder blades of their massive colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe and twenty-four other sets of large colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe underneath their massive colored angel wings: grey for Mad Cat Max, tan for Shroud, beige for Chester, and white for Crowe have eyes with blue irises and their tails also grew larger and longer.

Caleb Maxwell: What the Hell?!

Then, Panther, Mad Cat Max, Shroud, Chester, and Crowe went at Walter Peck, and they blasted him with black and red energy blasts and darkness, and they slashed at him with their new greatsword. Suddenly, the resulting beatdown from Lincoln and the now recent beatdown from the five males of The Big Claw Gang caused a massive flood of gold, jewels, gems, and other currencies to explode out of Walter Peck.

Lincoln: You're done running loose, Walter Peck! It's time for you to pay! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

But then...

WHOOSH!

A figure swooped in and swiped their loot!

Sergio Thug: Our loot!

We saw a figure and it was the next member of the International Clan of the Coopers!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Charlotte Elizabeth Cooper, The Lady Gentleman Thief of England of The International Clan of The Coopers, she's Lincoln's Guardian Angel from England and a very well known lover of tea and a truly amazing and great thief and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from England and she helped him on lots of dangerous jobs. She's known as The Lady Gentleman Thief of England and is known for being a very polite and amazingly gifted thief. She uses disguises and would would talk to her target and engage in a very good conversation with them and then steal from them unnoticed and unsuspectingly. She only does this on criminals and more. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Charlotte came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of disguise and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Charlotte Elizabeth Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: Whoa! Pleasure to meet you.

Charlotte Elizabeth Cooper: Pleasure to make your acquaintance J.D.

Me: Same here.

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, the thugs were now skinny as a rake and completely weak. Then, Lincoln revealed his surprise!

LINCOLN REVEALED HIS SECOND TONGUE: IT WAS JUST LIKE THE XENOMORPH'S INNER JAW, BUT IT WAS LONG LIKE A SNAKE! THEN, HE SHOVED HIS SECOND TONGUE INTO THE THUG, AND HE'D IMPLANTED AN EMBRYO INTO HIM, AND HE GOT HIS SECOND TONGUE OUT AND IT WENT BACK INTO HIS MOUTH!

Suddenly, the embryo was finished gestating, and the thug suddenly started convulsing as he felt his chest tighten and we heard cracking bones, and then...!

BOOM!

HIS CHEST BURSTED OPEN REVEALING A CHESTBURSTER!

Me: WHAT THE FUCK?!

Ellen Newt Nostromo Ripley XLVII: Anna said Lincoln has all the powers and skills of the Xenomorphs, their acidic blood, and the ability to implant an embryo into his enemies through his second tongue and even his tails.

Nico: THAT'S REALLY SICKENING!

I FIRED A BLAST OF FIRE THAT BURNED THE THUG AND THE CHESTBURSTER

Lincoln: (To another thug) Now, for you. (Sniffs) Your blood smells really good.

Then, Lincoln bared his fangs, and he bit the thug on his neck and he injected The Thing Virus into him, and he let go of him. Suddenly, the thug began to convulse, and he suddenly began mutating into a Thing creature and the scream he made was the sound of millions of lifeforms screaming in agony. Fluttershy didn't look same with Lilja and his harem, but I did and so did Nico.

Me: WHAT THE FUCKING HELL!?

Nico: AAAH! BURN IT!

I FIRED A BLAST OF MEGAHOT FIRE AND BURNED IT ALIVE!

Then, Lincoln turned invisible, and he snuck behind another thug and he shoved his hand into his backs and he ripped his spines and skull out as he let out a loud Yautja roar, and then, he removed the spinal column and cleaned the skull and had it put into a case for display. Finally, Lincoln grew slimy and oozing tentacles and sent them at the remaining thugs and they ate the thugs alive, and the tentacles sank back into him.

Lincoln: (BELCHES) Now, that was good.

Panther: (Smirks) You're one sick beast, Lincoln.

Caleb Maxwell: I cannot unsee the horrors that he just unleashed on those thugs. (Shudders)

Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Walter Peck, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Walter Peck: YOU! YOU!

Caleb Maxwell: Oh, shut the Hell up already!

Caleb Maxwell raised his guns and he proceeded to fire at Walter Peck, and he screamed in agony. When the smoke cleared and the dust settled, Walter Peck was in excruciating pain after Caleb riddled him with bullets!

Me: (GASPS) HE TURNED HIM INTO SWISS CHEESE!

Roxy Drake: Okay, now this is really getting ugly.

Caleb Maxwell: It's about to get even uglier!

Caleb Maxwell let his guns go, and as they levitated, he made a slit on his right palm and got blood flowing into it, and then, he placed it on the ground and the blood spread out and formed four crosses surrounding a Devil Trap underneath Walter Peck's feet!

Caleb Maxwell: This is the end for you, Walter Peck! BLOOD NIGHTMARE FINALE: NIGHTMARE OF THE HALLOWSHADE BLOODBATH!

The blood seal glowed and blood clones of Cage Blunt and Travis Tackett from 1985 formed and when they were drunk on Demon Blood. Then, they charged at Walter Peck and they both attack him with savage ferocity. Then, when it was all done, Caleb Maxwell dispelled the clones and the blood seal vanished and his guns were back in hand, and more gold, jewels, and other currencies exploded out of Walter Peck.

Roxy Drake: We better take Walter Peck down and send him back to Lynn's Table before Caleb gets any more murderous ideas and tries to send him to The Black Abyss.

Lincoln: He can't do so, only I have the power to undo my curses, and it's not like Caleb can kill him though: with the Gessius Flores Vengeance Curse on Walter Peck, any fatal injury he gets heals back up.

Claw Dane Drake: Is that so?

Then, Claw Dane Drake got out Sarah Succubi's special protein drink: fruit, water, veggies, and protein powder with muscle growth serums, virility and testosterone booster serums, bull growth hormones, and her special cocktail, Alpha Male Booster.

Caleb Maxwell: You've got to be kidding me!

Then, Claw Dane Drake drank the special drink.

Claw Dane Drake: Not bad.

Lincoln: Oh no, now you're gonna start feeling the effects like I had, Dane. Brace yourself.

Suddenly, Claw Dane Drake felt his body become hotter as white hot heat coursed through his body, and then, he started growing exponentially to 10'6" in height and his muscles had suddenly started growing even larger than ever as he let out a deep growl and he ripped his coat and dress shirt off and his hat fell off revealing he now has abnormally massive and powerful upper and lower body muscles and twelve pack abs and his new muscles bulged even more and veins formed on his body as power surged through them. Suddenly, Claw Dane Drake felt a sharp pain on his wider and muscular back, and then, massive red angel wings grew and sprouted out with a wingspan of 20,880'0" and medium sized red angel wings grew and sprouted underneath his massive red angel wings with a wingspan of 18,880'0" and small sized red angel wings grew and sprouted out underneath his medium sized red angel wings with a wingspan of 16,880'0" and another pair of red angel wings grew and sprouted out underneath his small sized red angel wings with a wingspan of 14,880'0" and another pair of red angel wings grew and sprouted out underneath the red angel wings grew larger a wingspan of 12,880'0" and another pair of red angel wings grew and sprouted out underneath the red angel wings with a wingspan of 10,880'0" and another pair of red angel wings grew and sprouted out underneath the another red angel wings with a wingspan of 8,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 6,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 4,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 2,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,680'0" and another pair of red angel wings with yellow and orange tips grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,480'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,280'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,080'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 980'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 780'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 680'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 580'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 480'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 380'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 280'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 180'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 80'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 28'0" and his massive red angel wings and twenty-four sets of large red angel wings have eyes with blue irises and his red tail also grew larger and longer.

Caleb Maxwell: That special drink of Sarah Succubi not only restored Dane's strength back to when he was in his early 20s, but also given him the same massive godly superhuman strength as all of us, I'd noticed it in Panther, Shroud, Mad Cat Max, Chester, and Crowe. (Realizes something) Mom, didn't you say you used to see Dane back when you were in high school?

Marlene Maxwell: I did. Back then, he was your typical bad boy, but he was smart and cunning, and he was trouble. Your father steered clear of him knowing of his reputation, but Dane drew a lot of people through charisma while everyone steered clear of your father because of you-know-who.

Allie Maxwell: His scumbag relatives. Bad Boy Dane Drake drew people in and got the girls while Dad wound up getting hate.

Caleb Maxwell: Just like me when I was in high school, I suffered the same fate as Dad: I was made an outcast, and I would've remained one throughout high school if Sharon, Ryan, Ashley, and Josh hadn't saved me.

Then, a kaleidoscope of darkness and dark flames appeared in Claw Dane Drake's left hand, and when it faded, we saw he now had a greatsword in hand: it was known as Claw Dane Drake's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Darkness Shadow Cat Crime Lord City Cat Dark Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Darkness Shadow Cat Crime Lord City Cat Dark Seraphim Phoenix God Archangel Death, it's a brand-new massive greatsword with embedded blood red gems and blood red cross etched on the 9'11" massive, hulking, wide, double-edged black blade, large black cat heads with crimson red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large crimson red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, long 8'5" midnight black handle, four large black cat heads with crimson red gems for eyes and on the bottom of the large black cat heads is a large black cat head with crimson red gems for eyes and blood red gem in its mouth for the pommel, and he also gained the same pistols as Caleb Maxwell holstered on his hips.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Kylie Griffin, Moondancer, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this made Walter Peck even angrier than ever, and he was really cursing at us like a madman.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Walter Peck, and we found ourselves in Heaven.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Walter Peck hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Walter Peck was on his last legs and he was really really mangled.

Walter Peck: YOU...! YOU...! I WILL KILL YOU!

Then, Lincoln tied Walter Peck up with a rainbow energy straitjacket and Neutronium chains lined with rainbow energy and he threw him into a portal Lincoln opened up that led to his brand-new cell back in Lynn's Table and he threw Walter Peck inside.

Lynn: AND HE'S OUT!

We cheered as we holstered our weapons and we powered down, and Kylie Griffin's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large dark blue and orange planets orbiting around her legs, twenty-five smaller dark blue and orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized dark blue and orange planets orbiting around her wrists and ankles, and massive dark blue angel wings and eleven sets of large dark blue angel wings underneath her massive dark blue angel wings are permanent and Moondancer's new body, clothes, weapons, jewelry, Third Eye, longer brilliant amaranth tail with purple highlights, longer light yellowish gray horn, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large brilliant amaranth and purple planets orbiting around her legs, twenty-five smaller brilliant amaranth and purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized brilliant amaranth and purple planets orbiting around her wrists and ankles, and massive light yellowish gray angel wings and eleven sets of large light yellowish gray angel wings underneath her massive light yellowish gray angel wings are permanent.

Me: That'll teach that pencil dickless motherfucker! But, I'm so fucking angry that Guy Grazer was the asshole who broke him out! (GROWLS)

Nico: Looks like Dark Sebastian's not the only one who's gonna be pissing us off.

Lincoln: We've already got enough on our plate with Dark Sebastian and our eventual showdown with him and The Order of The Dark Universe along with our soon-to-be final showdown with Dracula from Castlevania and his minions.

Selena Mendez: That's true, we've already got enough dealing with Dark Sebastian and The Order of The Dark Universe along with our soon-to-be final showdown with Dracula from Castlevania and his minions, we can't have Guy Grazer causing trouble.

Lincoln: Time to make sure he never gets anywhere near Dad's restaurant. (SNAPS FINGERS)

Lincoln snapped his fingers, and we saw in a one-way viewing mirror that Lincoln summoned a field of lasers and lightning that surrounded Lynn's Table, and a bolt of lightning came out of nowhere and it hit Guy Grazer who was hiding in the shadows and he was forced out and was sent flying, and he was screaming and cursing at us.

Me: Yeah, fuck you, asshole.

The viewing mirror closed.

Nico: Serves him right. But, this won't keep him away for long, he'll come back again.

Lynn Sr.: With the security system upgrades and the field of lasers and lightning fields Lincoln added in to the restaurant, Grazer's not gonna step foot there again.

Lincoln: And I also put in a curse, if he so much as tries to set foot near the restaurant again, he'll get a nasty case of boils and hives!

WE GASPED! I KNEW THAT CURSE ALL TOO WELL: THE CURSE OF BOILS, ONE OF THE TEN PLAGUES OF EGYPT!

Me: YOU USED ONE OF THE TEN PLAGUES OF EGYPT: THE CURSE OF BOILS!

Nico: Oh man! That's brutal, too brutal!

Eli: Using one of the Ten Plagues of Egypt on Guy Grazer, that really is horrific!

Lynn: That chump deserved it!

Lynn Sr.: And it's not long, when my big day comes, Guy Grazer is heading for The Black Abyss for good.

Lincoln: We'll never see him again when that day comes.

Me: Good.

We're going to find out the person behind that is the younger brother of Alucard from Castlevania, his name is Damian Țepeș Dracula, and he's also the son of Count Dracula, but he left around the same time as his brother when their father went mad over the death of their mother, Lisa, and declared his war on humanity. Damian possesses all the same vampiric powers and abilities as his father, along with immortality, but unlike his father, he's also a Daywalker and he has none of the weaknesses of the vampires and his father, except for the thirst for blood, and like his older brother, Alucard, he also desires to protect humanity from the wrath of his father. He'd heard that Dracula had returned from his brother and Lady Palutena, so he'd come here to join the team and also help us when the time comes for us to end his father for good.

But, it's not going to be easy though, after we meet Damian, we're also going to destroy the vampire lord from Castlevania: Lament of Innocence, Walter Bernhard, and banish him straight to The Black Abyss forever before he tries to turn any innocent person into a vampire.

Lincoln: Ah, we're here in the western part of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word from The Gotham Royal York Police Department that a vampire's been sighted here and he's been killing thugs and draining them dry of blood.

WE GASPED!

Nico: What the?! A vampire here?!

Me: This is really bad. I got some stakes and a few UV bombs ready in case he tries anything!

I got out my vampire hunting gear.

Tornado Man: We'll be ready if this is a bad vampire.

Lincoln: Why don't you leave that one to me, J.D., I can sense if this is either a good vampire or a bad vampire.

Suddenly, Lincoln's wolf ears twitched as we heard the sound of a thug screaming and we followed the sound, and there, we saw a thug and he was grabbed by the neck and hoisted up by a 7'9" tall strong-looking male with unkempt long jet black hair, pale skin, sharp fingernails on his fingertips, crimson red eyes, vampire fangs and straight teeth, and he was dressed in a long black tuxedo coat with crimson red inlay, crimson red cuffs, and crimson red collar, black jacket with gold designs, white long-sleeved dress shirt with ruffles, white cravat with crimson red stone embedded in it, long black pants, knee-high black boots, and long black cape with a high collar and red inlay.

But, when Lisa Vampirdinumbră saw him, she gasped in shock as she recognized him.

Lisa Vampirdinumbră: (GASPS) (Romanian Accent) Oh man, I recognize him. Lincoln, it's my second cousin.

Lincoln: Your second cousin. That means Alucard's not your only cousin.

Nico: You know him, Lisa?

Lisa Vampirdinumbră: (Romanian Accent) I do, that's my second cousin, Damian Țepeș Dracula, he's Alucard's younger brother and Dracula's youngest son. He left around the same time as his brother when their father went mad over the death of their mother, Lisa, and declared his war on humanity. Damian possesses all the same vampiric powers and abilities as his father, along with immortality, but he also has other powers such as power over holy light and holy weapons which he can use because of not only his holy bloodline with Lisa, but also, his purity of heart, and unlike his father, he's also a Daywalker and he has all the strengths of the vampires and his father and none of the weaknesses of the vampires and his father, except for the thirst for blood, and like his older brother, Alucard, he also desires to protect humanity from the wrath of his father.

Nico: Whoa.

Then, Damian sank his fangs into the thug and sucked him dry of blood until the thug was desiccated and he dropped him to the ground.

Damian Țepeș Dracula: You've made it on time, Team Loud Phoenix Storm. Lady Palutena and my brother, Alucard, told me about what happened. So, Father's returned along with his minions, I knew this day would come, and I'd since made up my mind: I'm joining the team, and I'm also going to help in stopping my father.

Nico: You know this means you're going to have to fight your own father, right?

Damian Țepeș Dracula: Just like my brother, he made the choice to protect humanity, and I intend to do so as well, I won't let my mother down. Dracula shall not touch this earth again, he and the forces of the night will return to the abyss once and for all.

Nicole: That's what we intend to do to him.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, red hair and red wolf ears and tail, blue eyes, massive red angel wings, red Wolf Moon tattoo on her right arm and wolf paw with flame on her forehead, white short-sleeved blouse with wolf paw with flame, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the flame, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fire, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Fire Moon, she has a fire greatsword in her right hand, and with her are the eight girls.

Lincoln: (GASPS) Elena Fire Moon, Werewolf Angel of The Fire Moon of May.

Elena Fire Moon: That's right, and I got the girls away from the next villain that's been sighted here: Walter Bernhard.

WE GASPED!

Lincoln: So, the villain we're going after is none other than Walter Bernhard, the vampire responsible for turning Sara into a vampire which forced Leon Belmont to enter into a blood covenant with her tainted soul and started the clan's hunt against the creatures of the night. Luckily, I also have this with me.

Lincoln got out his whip, The Dark Destroyer.

Lisa Vampirdinumbră: (Romanian Accent) The Dark Destroyer.

Damian Tepes Dracula: The powerful version of The Vampire Killer. This'll destroy Walter for good.

Elena Fire Moon: But, before we can get after him, I got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

Elena Fire Moon: 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

WE GASPED!

Lincoln: Sergio, you really don't know when to quit, do you?

We got a move on to take care of Sergio's bodybuilder thugs, and finally, destroy Walter Bernhard to avenge Sara's death. We arrived at the spot where Sergio's bodybuilder thugs are at.

Lincoln: You better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly,

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
large and muscular men came out, and like Elena Fire Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: (Flexes muscles) Oh man, now that was really good!

Lincoln's harem blushed madly upon seeing Lincoln flexing his muscles.

Girl Jordan: (Swooning) (Thinking) Oh man, seeing that bolder and confident side of Linky especially when he flexes those massive muscles of his, so hot.

Lincoln's left and right ears twitched.

Lincoln: Jordan, you know I heard your thoughts, you girls should snap out of it, we still got one final piece of business to take care of.

The girls shook their heads and had an embarrassed blush on their faces.

Lucy Loud: Gasp! Look, over there.

Suddenly, we then spotted a menacing castle: it had the aura of evil surrounding it.

Lincoln: Walter's castle. Now, for my surprise. (SNAPS FINGERS)

Lincoln snapped his fingers, and then, a ball of light formed as a choir of angels sang as heavenly light shined down, and then, it turned into a tornado of light. When the light faded along with the tornado of light, there stood Leon Belmont, the first legendary vampire hunter of The Belmont Clan.

Leon Belmont: I...I'm alive once more.

Max Goof: And outside in the real world once more.

Lincoln: Sorry I had to do that, Leon. But, we're gonna need all the help we can get especially for the future when we go after your former friend.

Leon Belmont: That's alright, Lincoln. Now, let's put an end to Walter once and for all.

We proceeded onwards, and we fought against Walter's legions of monsters, and with every monster Lincoln killed, he absorbs their souls and he makes all of their powers his. Finally, we made our way to the door leading to the throne room of Walter Bernhard.

Lincoln: This is it. (Deep Sapphire Eyes Turn Red with Slit Pupils) Walter, this is where you meet your end here and now.

We then went inside and right into the final showdown with Walter Bernhard which'll serve as a prelude to our final showdown with Dracula after we destroy The Order of The Dark Universe and Dark Sebastian.

It was very dark in the throne room only lit by the blue fires, but then, we saw a figure sitting in a throne, it was Walter Bernhard.

Walter Bernhard: Welcome. I've been waiting, Team Loud Phoenix Storm.

Leon Belmont: Walter.

Walter Bernhard: (Sees Leon Belmont) Ah, so you've returned to the world once more, Leon. This is too perfect.

Lincoln: You won't think that for much longer, Walter. We already know Dracula has returned along with his minions, but that also meant you returned as well, but we're ready for you once again.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Walter Bernhard, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON WALTER BERNHARD! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

LINCOLN SLASHED WALTER BERNHARD WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND CAUSED HIM TO SCREAM EVEN MORE IN PAIN!

Then, Lincoln swung his massive greatsword and slashed Walter Bernhard on the chest as he let out a scream of pain as Lincoln sucked out Walter's powers and made them his own, and the vampire was now dying.

Walter Bernhard: (Groaning) It can't be...! This should not have happened...!

Leon Belmont: Sara's suffering..., and Rinaldo's grief. Carve them into your cursed body and perish!

Walter Bernhard screamed in pain as the effects of Lincoln's massive greatsword really took effect. Then, Lincoln got out his Dark Destroyer whip, and with one swing of it, it was done as the whip hit Walter Bernhard and both the effects of The Shining Rainbow Master Sword merging with Lincoln's massive greatsword and The Dark Destroyer caused rainbow lights to burst out of Walter's body and he let out one final scream as he burst into rainbow flames and turned to ashes and his spirit was sent to The Black Abyss.

Suddenly, the castle was about to fall apart.

Damian Tepes Dracula: The castle's about to fall apart, we need to go!

We cheered as we holstered our weapons and powered down and we were back in The World Tree Estate and just in time too, we saw the castle fall apart and crumbled to rubble and the castle also faded back into darkness.

Maria: We saw the whole thing! You guys got out of there on time.

Brittney: We sure did, and we got rid of Walter Bernhard, and this time, for good.

Me: And we also have two new recruits to the team: Lisa Vampirdinumbră's second cousin, Damian Tepes Dracula and Leon Belmont.

Nico: Soon, we'll be ready for the final battle against Dracula.

Lincoln: After we get rid of Dark Sebastian and The Order of The Dark Universe for good, but as long as they're still in Transylvania, they've got other problems to deal with. (To Elena Fire Moon) And it's so good to see you again, Elena.

Elena Fire Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Elena Fire Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Elena Fire Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Elena Fire Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Elena Fire Moon and hugged her, and Elena Fire Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elena Fire Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Elena Fire Moon, Werewolf Angel of The Fire Moon of May, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Fire Moon of May. Elena Fire Moon is a powerful master of the powers of blue wolf fire, fire, flames, The Fire Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Elena Fire Moon is The Werewolf Fire Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Chandler. Elena trained Lincoln in mastering the powers of blue wolf fire, fire, The Fire Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion and she wants nothing more than to burn him alive underneath The Fire Moon!

Me: Can you show us a flashback on how you turned Elena into a werewolf, Lincoln.

Suddenly, the four orbiting large gold rings fired four beams of light that formed into a viewing window and we saw a flashback: Lincoln and Elena Fire Moon were at the park.

Past Elena Fire Moon: I always love coming here to the park.

Past Lincoln: Same here, Elena, it's really peaceful.

?: YOU MISERABLE LOUD! I WILL KILL YOU!

Past Elena Fire Moon: Oh Hell no, was that Chandler?!

Past Lincoln: Afraid it is, I'd recognize the smell of sewage in the air.

Suddenly, trees were destroyed because of the smell of sewage and there stood Chandler, and he was out for blood.

Past Chandler: DIE!

Chandler went at Lincoln and tried to attack him, but Elena Fire Moon grabbed his arm!

Past Elena Fire Moon: GET THE HELL AWAY FROM MY MAN, YOU PSYCHO ASSHOLE!

Then...!

POW!

Elena Fire Moon punched Chandler in the face and sent him flying into a tree and she went at Chandler and they got into a massive fight cloud and the direction they were heading for is right near Lake Michigan and Lincoln followed the fight cloud, and it wasn't stopping anytime soon. But, then!

Past Chandler: DIE, BITCH!

Chandler stabbed Elena Fire Moon in the stomach with a knife and kicked her out of the fight cloud, but then, Lynn pounced on her and started slashing Elena Fire Moon with his knife and even stabbing her and he was laughing malevolently: HE WAS OUT TO KILL! But, big mistake for you, sewage brat!

Past Lincoln: CHANDLER!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and eight-pack abs were covered in tan fur, his deep sapphire blue eyes remain the same but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his fingernails grew into claws, his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his white hair grew to the length of his neck and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Past Lincoln: (Beastly Voice) GET THE HECK AWAY FROM MY GUARDIAN ANGEL, YOU PIECE OF GARBAGE!

Lincoln charged and punched Chandler hard in the face and he started beating the shit out of him like a wild beast, and when he was done, Chandler's hair was a mess and he was covered in bruises and he had slashes on his clothes and Lincoln's shirt had slash marks from his knife which he ripped off. Then, he grabbed Chandler by the neck with his left hand and he threw him with such incredible and powerful strength and sent Chandler straight to the Royal Woods Police Department.

Then, he turned to Elena Fire Moon, and she was badly injured and was beaten an inch of her life, and he went down on top of her.

Past Lincoln: (Beastly Voice) Chandler, this time, you have gone too far. I'm so sorry, Elena, but I'm not going to lose another Guardian Angel!

Suddenly, Lincoln leaned his head down to her right trapezius and he bared his fangs and bit her in the right trapezius, and his fangs injected her with his excessively potent lycanthropy and vampirism which spread throughout her body. That of course shocked Elena Fire Moon awake as Lincoln slowly retracted his fangs.

Past Lincoln: Elena, you're okay! How do you feel?

Past Elena Fire Moon: (Groans) I...I don't feel so good.

Suddenly, Elena Fire Moon started getting muscle spasms as she let out a growl and her entire body was covered in thick brown fur and her breasts and stomach were covered in tan fur, her red eyes remain the same but the pupils turned into slits, she grew fangs and her rows of straight teeth turned into wolf's teeth, and her nose turned to a wolf's nose and she grew a wolf snout and tan-colored muzzle, her fingernails grew into claws, her massive red angel wings remained the same, she grew a long brown wolf tail and brown wolf ears on top of her head, her red hair grew to the length of her neck and became wilder, and she let out a loud howl.

Past Elena Fire Moon: (Beastly Voice) Ooh, now I felt like I got run over by a truck. What happened to me?

Suddenly, Elena Fire Moon saw what happened to her through the lake's reflection.

Past Lincoln: (Beastly Voice) I'm so sorry, Elena. But, Chandler was going to kill you if I didn't get him off of you and I had to do this to save you or...!

Suddenly, Elena Fire Moon hugged Lincoln, and Lincoln hugged her back as she soothed him.

Past Elena Fire Moon: (Beastly Voice) It's okay, Lincoln. But, thank you for what you did.

But, then, all of a sudden, Elena Fire Moon wrapped her legs around Lincoln's waist and placed her hands on Lincoln's massive pecs, but that caught Lincoln's attention and he then leaned his head down to her face and they kissed deeply, intensely, and passionately. They intensely made out for an hour, and then, they separated, but their eyes were glowing as lust took hold of their actions. But, before anything else could happen, Lincoln cut the viewing window short as it vanished.

Poliwag: Hey, what's the idea?!

Lincoln: It's best that I don't show what happens next.

Brittney: Right, and this was the first time you turned one of your Guardian Angels into a werewolf-vampire hybrid like you, but I knew there were two ways someone can wind up getting turned into that: getting bitten or having sex, and in this case, you did both, and I'm sure you did the same with the other eleven girls, right?

Brittney was about to form a ball of darkness to hit Lincoln with, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: But, you did what you had to do to save her, Lincoln, or Elena would've wound up dead, and Chandler would wind up dead.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Elena.

Lincoln with his massive muscular arms still wrapped around Elena Fire Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Elena Fire Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elena Fire Moon with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Elena Fire Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elena Fire Moon.

Elena Fire Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Elena Fire Moon's waist, and he leaned down to her face and kissed her on the lips, and with Elena Fire Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Elena Fire Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Elena Fire Moon: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, he recognized them as he had an atomic red blush on his cheeks, snout, and muzzle, but he didn't have a nosebleed. The eight girls are Sandy Bell Christie and Countess Helen Wellington from Hello! Sandybell, Josephine 'Jo' March from the anime, Little Women, and Briar Rose, Cinderella, Genevieve, Snow White, and Rapunzel from the 1987 anime, Grimm's Fairy Tale Classics.

Lincoln: Oh wow, it's Sandy Bell Christie and Countess Helen Wellington from Hello! Sandybell, Josephine 'Jo' March from the anime, Little Women, and Briar Rose, Cinderella, Genevieve, Snow White, and Rapunzel from the 1987 anime, Grimm's Fairy Tale Classics.

Nicole: You didn't have a nosebleed attack for the first time in a long while, Lincoln, because the girls this time weren't voluptuous bombshells. But, thanks to Travis and Red warning the rest of the boys, I think it's engrained into them.

Lincoln: That's true, next time, we'll tell them. Are you girls okay?

Sandy Bell Christie: Yes, we're okay, thanks to you.

Then, when Sandy Bell Christie and the other seven girls saw who it was that saved them from Walter Bernhard, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud

Briar Rose: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Countess Helen Wellington: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sandy Bell Christie, Countess Helen Wellington, Josephine 'Jo' March, Briar Rose, Cinderella, Genevieve, Snow White, and Rapunzel with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

William: At least, you got rid of Walter Bernhard for good.

Lincoln: But, this'll serve as a prelude to our showdown with Dracula and his minions.

Nico: That's for sure. Dracula's going to pay for what he's done.

Me: He's got over a thousand years of payback and holy retribution coming to him for declaring war on humanity.

Eli: And we're still gathering allies for that final showdown with him.

Lincoln: Dracula has a legion of followers at his command: monsters, demons, witches, heretics, wizards, warlocks, and more. We need all the help we can get for this.

Caleb Maxwell: Speaking of help, I found this package that came here this morning, and it's delivered to you.

Caleb Maxwell handed Lincoln the package, and he opened it: inside were Silver Daggers and Holy Water Flasks, but he also found three other pieces of equipment that Nicole easily recognized: The Cyclone Boots, The Dark Gauntlet, and The Seraph Shoulders, there was also a Light Magic Medallion and Shadow Magic Medallion, and finally, the last weapon that was inside was The Combat Cross also known as The Vampire Killer from Lords of Shadow.

Nicole: (GASPS) The Cyclone Boots, The Dark Gauntlet, and The Seraph Shoulders, The Holy Water Flasks, The Silver Daggers, and The Combat Cross also known as The Vampire Killer from Lords of Shadow! Oh man!

Me: Can you tell us about these weapons, Nicole?

Nicole: Of course. The Dark Gauntlet's a piece of Aghartian mage-smith technology once bound to The Black Knight Golem that grants its owner great superhuman strength, giving them access to an assortment of powerful combat techniques, as well as the ability to move heavy objects, and it's been purified of the dark magic corrupting it.

Me: Wow.

Nicole: The Cyclone Boots are a pair of magical boots that enable the wearer to move at tremendous speeds and they can be used in combat, but most notably to jump further by jumping after sprinting.

Lincoln: Nice.

Nicole: Next, The Seraph Shoulders are a pair of magical shoulder guards that enable the wearer to double jump, making previously inaccessible areas easier to get to.

Lincoln: I also feel they've been purified of whatever dark magic corrupted them.

Nicole: And these two medallions are The Light and Shadow Magic Medallions, these medallions both utilize Light and Shadow Magic for defense and offense.

Lincoln: That's really impressive.

Nicole: And finally, here's this final weapon included for you, Lincoln: The Combat Cross A.K.A. The Vampire Killer from Lords of Shadow, this cast iron cross weapon was drenched in holy water and blessed by a priest and it has all of the upgrades: The Hook Tip, The Spiked Chain, and The Stake, this weapon was entrusted to and used by the one foreseen to defeat the Lords of Shadow.

Lincoln: And from what I remember from Lords of Shadow, Gabriel Belmont defeated The Lords of Shadow in 1047, but he also fell into darkness and would rule on Earth as The Prince of Darkness after his rebirth as a powerful vampire known as Dracula. Once he was The Brotherhood of Light's greatest warrior: A Champion of Light and His Chosen One, but the death of his wife, Marie, and the manipulations of Zobek caused his fall into darkness, and the death of his own son at his hand years later in combat drove him mad with grief and he'd sworn to hunt down God's children for eternity. But, when Satan was about to return and thanks to the assistants of the spirits of his wife and son, he finally abandoned his crusade against God and his desire to end his own immortal life in favor of a better familial life.

Me: That...that really is tragic.

Nicole: We'll leave him to his own destiny, but he sent you all of the weapons and sub-weapons that he once possessed when he was once human, he must've found out about his classic counterpart's return and knew about you, Lincoln.

Lincoln: That's the case.

Suddenly, The Cyclone Boots had merged with his gold-armored knee-high boots and The Seraph Shoulders merged with his massive white angel wings and eleven sets of large white angel wings underneath, and The Dark Gauntlet cloned itself for his right hand and they merged with his gold Bracers of The Champions of The Universe transforming them into Gauntlets of The Champions of The Universe with large white angel faces built in around the gauntlets with rainbow gems embedded in the foreheads on his arms and wrist computer and Omnitrix on his left Gauntlet with the Blue Lantern ring on his left ring finger and Green Lantern, Red Lantern, Yellow Lantern, Orange Lantern, Indigo Lantern, White Lantern, Black Lantern, and Blue Lantern Corps rings on his other fingers and rainbow Thunderbird Wedding ring on his left pinkie finger and Stone of Gelel embedded in his left hand and rainbow Thunderbird wedding ring on the left pinkie still visible along with the small planets orbiting around his fingers like rings and medium-sized planets orbiting around his wrists and the gold-armor and gold-armored dragon claws covering his fingers and sharp claws on his fingertips and bracelets merged with them.

Then, Lincoln holsters the Silver Daggers on both sides of his hips and they're with the Elemental Daggers and holsters the Holy Water Flasks and Vampire Killer Combat Cross on his right hip and The Life, Light, and Shadow Magic Medallions went into his massive greatsword through the white angel faces built into the greatsword's crossguard.

After Lincoln and all of us destroyed Walter Bernhard and this time forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Elena Fire Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Elena Fire Moon: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Elena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Elena Fire Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Elena Fire Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw what it was that triggered the alarm, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
dragons have come out and are coming after us.

Cage Blunt: (Sighs) This has Dark Sebastian all over it. I'll handle them.

Cage Blunt flew out and landed.

Cage Blunt: Sending dragons after us was a bad idea, you psychopath, I hope you're watching from the shadows.

Suddenly, Cage Blunt's crimson red eyes turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Cage Blunt: I was surprised to find out that psycho wasn't going to give up that easily, but to send weak vampires like you after us, that just proves he's nothing but a weak coward. (GOLD HEAVENLY RING OF LIGHT APPEARED AND SURROUNDED HIS RED EYES) Well then, it's time I got rid of you all before I let Lincoln absorb you lot.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CAGE BLUNT WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT WENT BACK TO EARTH AND CAGE BLUNT GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Cage Blunt was surrounded by a very massive vortex of black and crimson red, white, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at the vampires: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

Me: WHOA!

Nico: NO WAY!

Lincoln: Too awesome!

Suddenly, The Unity Crystals on my J.D. Cage Blunt went after the armies of dragons, and he fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the dragons even angrier than ever.

Then, Cage Blunt fired blasts of light that hurt the dragons as they shrieked in pain and anger and we saw it on the big screen.

James Blunt: Cage really got them good.

Christa: But, I never knew my son to be a violent person.

Caleb Maxwell: No, but he will get violent if anyone hurts him or anyone else around him.

Travis Tackett: Or you, Caleb.

The dragons roared angrily at Cage Blunt.

Suddenly, Cage Blunt let out an animalistic roar as he showed his fangs and that really scared the dragons!

Then, Lincoln appeared.

Lincoln: That's going to be left to me.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of dragons, and one by one, he began absorbing them and he assimilated their Dragon Physiology, Superhuman Strength, Flame Breath, Frost Breath, Napalm Breath, Poison Breath, and Lightning Breath, Flight, Invulnerability, Superhuman Speed, Superhuman Stamina, Superhuman Senses, Immortality added to his True Immortality, Mind Control, and Communication, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the dragons and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: That was really good, and you and the other members of the team also have the powers and abilities of the dragons I absorbed, Cage.

Cage Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I forgot we also assimilate the powers and abilities of those you absorb.

They came back inside.

Me: Cage, that was some awesome work you did taking those dragons down.

Nico: But, aren't you disappointed you didn't feast on their blood as well?
